SERGEANT DENNIS CAROVILLANO PRESENTED WITH UNITY ACHIEVEMENT AWARD

Nineteen individuals and four organizations were recognized by the Union County Human Relations Commission at the 18th annual Unity Achievement Award presentation held on Monday, May 6, 2019 at the Kean University STEM Center in Union Township.

The award recipients were nominated and selected for their philanthropic and volunteer efforts, and for fostering and promoting human rights and dignity among the people of Union County.

The mission of the Union County Human Relations Commission is to actively encourage, develop, promote, and strengthen respect for human rights and cultural diversity among the people of Union County.

The following is reprinted from the event's program.

Unity Award for Achievement in Law Enforcement -- Sergeant Dennis Carovillano, New Providence Police Department

Recognition for his steadfast belief in, and commitment to, the UCHRC's Police & Teens Together Program.

When the Union County Human Relations Commission launched its Police & Teens Together Program in Spring 2000 at Elizabeth High School, the vision was to introduce it to every high school in Union County, and offer it consistently year after year.

In 2003, the program was introduced at New Providence High School. Then Officer Dennis Carovillano got right on board, coordinated the program between the New Providence Police Department and New Providence High School, and presented the program to three of Mr. Byron's Criminology classes. The program was incredibly well received by the students, and it was a resounding success for all involved.

For each of the past sixteen years, Sgt. Carovillano has been responsible for ensuring the program has been consistently delivered to two-to-three Criminology classes. While other high schools have run the program multiple times, New Providence Police Department is the only Union County department to deliver the program as conceived and designed. For that, they have greatly benefitted from creating a school culture wherein teenagers and police officers can openly communicate with each other, respect each other, and, when an encounter occurs or is needed, does not evoke feelings of fear and anxiety on the part of the teenage students.

In addition, Sgt. Carovillano has served as a co-instructor with UCHRC Commissioner Karen Positan presenting a bi-annual in-service Train The Trainer course at the John H. Stamler Police Academy, to encourage other municipal departments throughout

the state to adopt this amazing and impactful program and implement it in their local high schools, and presentations at the New Jersey Juvenile Officers Association Annual Conference and at the Union County Juvenile Officers Association meetings.

The Union County Human Relations Commission is grateful to Sgt. Carovillano for believing so strongly in the program, assisting us in documenting its many benefits, and for helping us encourage other law enforcement officers to put this powerful program to work in their own communities.

Nominations are now open for the 2020 Unity Achievement Awards. For more information about the Commission, or to make a nomination, please visit its website at www.ucnj.org/uchrc.

JUNIOR LEAGUE OF SUMMIT DISTRIBUTES BAGS OF HEALTHY SHELF STABLE FOODS FOR SPRING BREAK

The Junior League of Summit (JLS) is proud to announce that it distributed 104 bags of shelf stable foods to qualifying Summit Public School students for Spring Break as well as several area food pantries. The initiative was organized by the JLS's new members who coordinated with local schools, community organizations and businesses to collect canned goods, cereal, milk and healthy snacks for the April vacation as students who rely on free or reduced school meals are not provided with those meals when school is not in session. Members of the league joined together to assemble the bags and distribute them to the respective schools and organizations.

The Summit schools that received donations were Wilson, Lincoln-Hubbard, Jefferson, Brayton and Summit High School.

Other area schools that received donations were Pep Foundation (Summit), Cornerstone Nursery School (Summit), and Keys 2 Success (Newark).

The following area schools contributed to the donations: Lafayette (Chatham), Milton Avenue (Chatham), Southern Boulevard (Chatham), Allen W. Roberts (New Providence), Kent Place (Summit), Governor Livingston High School (Berkeley Heights), Columbia Middle School (Berkeley Heights), Thomas Hughes Elementary (Berkeley Heights) and William Woodruff (Berkeley Heights).

The JLS would like to thank the community, local organizations (Summit Marches On, Summit Elks Club, Summit Area Indivisible, Temple Sinai, St. Teresa's Food Pantry, St. John) and corporate sponsors (including KIND) for their support for this project. Due to the overwhelming amount of donations, approximately 1,000 canned goods and other items were also distributed to area food pantries including St. Teresa's in Summit, Our Lady of Peace in New Providence and GRACE in

Summit.

The Junior League of Summit is a nonprofit, charitable and educational organization of women who are committed to promoting voluntarism, developing the potential of women, and improving the communities through the effective action and leadership of trained volunteers. For more information about the Junior League of Summit, please visit the website at jlsummit.org or contact the office at 908-273-7349.

THE PUBLIC IS INVITED TO THE ANNUAL FLAG RETIREMENT CEREMONY

Submitted by Linda Kale

New Providence American Legion Post 433 will conduct this year's Flag Retirement Ceremony on Flag Day, Friday, June 14, 2019 at 7:00 p.m. The Public is invited to attend this important event which will be held at the Legion Hall, 357 Elkwood Avenue in New Providence, next to the Veterans Memorial Library. American flags which have become faded, frayed, soiled or otherwise unserviceable will be retired by destroying with full respect and honor. These rites include burning on an appropriate pyre. The Legion expects to retire approximately 3,000 unserviceable flags this year.

Anyone desiring to retire an unserviceable flag in this ceremony is asked to place it in the flag receptacle in front of the Legion Hall or drop it off at the American Legion Post by 5:00 p.m. on

June 14.

"Every citizen should recognize the flag's importance and understand how it should be displayed while in service and when it should be retired from service," said American Legion Post 433 officer Gerald Gross.

Since 1946, American Legion Post 433 has served veterans of New Providence, Summit and Berkeley Heights. In addition to conducting the Flag Retirement Ceremony, Post 433 annually sponsors New Providence's Memorial Day parade. Post 433 is active throughout the year by hosting patriotic services, sponsoring day trips to military and historic sites and providing a voice for area veterans.

For further information, contact New Providence American Legion at 908-464-9010.

THE SUMMIT OLD GUARD JUNE EVENTS

If you are a retired male and have an interest in living an interesting life with like-minded men... new members are always welcomed. Put on your business casual attire or jacket & tie (or something more casual from May to September) and attend a meeting.

With spring approaching summer, the Old Guard weekly outdoor programs are in full swing, golf every Thursday, weather permitting, at the Summit Muni course, bocce every Wednesday at Nokia Bell Labs, fishing on Mondays for striped bass and then changing for fluke. And as the weather warms up, our canoeing and kayaking programs start.

Of course our weekly series of speakers continue. Meetings are held each Tuesday in the council meeting room of the New Providence NJ Municipal Center at 360 Elkwood Ave, New Providence NJ, starting at 9:30 a.m. with coffee and conversation, followed by programs consisting of stimulating talks by people such as past governors, mayors, politicians, Nobel Prize winners, physicians, judges, professors, scientists, economists, authors, journalists, etc. After the meetings, many members join together to have lunch at various local restaurants.

For more information, contact James Hewitt, Chairman, Membership Committee, (908) 233-5507, info@SummitOldGuard.org. You can also visit summitoldguard.org.

Myriam will lead participants through various exercises that are suitable for those living with arthritis. Research shows that exercise can help people who have arthritis cope with pain. Doreen M. Stiskal, PhD, chair of the department of physical

therapy at Seton Hall University in New Jersey, states, "Most people with arthritis don't exercise because they're in pain – not realizing that exercise is a powerful and effective pain reliever. It eases inflammation, improves energy and promotes the flow of feel-good, pain-relieving chemicals like endorphins." Please sign up in advance by calling 908-665-0046 or by sending an email to DeCorsoCenter@newprov.org.

There are many other activities for New Providence seniors—speakers, exercise classes, trips, etc. Please refer to the seniors page on the New Providence website newprov.org/seniors and its link to the monthly New Providence Senior Citizens Newsletter for the most current information, event details, class schedules, etc. All programs will be held at the DeCorso Community Center, 15 East Fourth Street, New Providence, unless otherwise noted.

IMAGINE, A CENTER FOR COPING WITH LOSS, RECEIVES \$2,100 GRANT FROM THE JUNIOR LEAGUE OF SUMMIT

Submitted by Val Stierhoff

Imagine, A Center for coping with Loss, a grief support center for children and families, has received a \$2,100 grant from the Junior League of Summit (JLS). The grant will help further Imagine's mission of providing education and free peer grief support to children (aged 3-18) and their families coping with loss due to the death or life-altering illness of a parent or sibling by helping to underwrite a sixth Night of Support at its center located in Mountainside, NJ.

Childhood bereavement is a serious public

health issue. The death of a parent or other important person in a child's life is one of the most commonly reported and disruptive Adverse Childhood Experiences. There are currently more than 109,000 New Jersey youth aged 18 and under who are bereaved due to the death of a parent. Imagine is currently serving over 330 children and adults from 55 New Jersey towns.

"We're extremely grateful for the Junior League of Summit's ongoing generous support to Imagine," said Mary Robinson, Founder and Executive Director of Imagine. "The League's

commitment to children and families is invaluable in helping us build strong communities that support families during one of the most painful and difficult times in their lives. As an effective intervention and prevention program we are committed to helping children grow up emotionally healthy and able to lead meaningful and productive lives."

Imagine offers free year-round peer grief support at two New Jersey centers - one located in Mountainside, and one in Newark. Concurrent support groups for parents or guardians are offered at the same time the children participate. The groups meet on weekday nights for one and a half hours, and a pizza dinner is provided prior to the group meeting.

About Imagine

Imagine, A Center for coping with Loss, a not-for-profit 501(c)3 organization, provides year-round grief support for children and young adults using a peer-support group model. Trained adult volunteers and professionals provide children and teens with comfort and the tools needed to process grief resulting from death or life-altering illness. In addition to providing grief support at its two centers in Mountainside and Newark, Imagine provides education in the community, leading workshops and providing on-site support in schools and workplaces where traumatic loss has occurred. Groups, which meet on weeknights, serve children and adults from more than 55 New Jersey towns.

About Junior League of Summit

The Junior League of Summit is an organization of women committed to promoting volunteerism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable. The League focuses on advancing the interests of children and families in and around the communities of Berkeley Heights, Chatham, New Providence, and Summit.

THE AMERICAN CANCER SOCIETY RELAY FOR LIFE - JUNE 15, 2019

The American Cancer Society Relay For Life of Berkeley Heights, Mountainside, New Providence and Summit will be held on June 15, 2019 at Governor Livingston High School in Berkeley Heights. All are invited to attend the event and participate in the battle against cancer. Join the group to celebrate those who have battled and who continue to battle, remember those lost to this dreadful disease, and fight back to create a world without cancer.

The event begins at 4:30 p.m. with a Survivor Celebration dinner. According to the American Cancer Society, a cancer survivor is born as soon as a person hears the words, "you have cancer." Regardless of where you may be on the journey to recovery; whether you heard those words 20 minutes ago or 20 years ago, you are a survivor and are invited to join in the celebration. To take part in the dinner, register by emailing Maureen Pergola at maureenpergola1@gmail.com. Beginning at 4 p.m. there are also opportunities to play games, grab a bite to eat, set-up a campsite, and have loads of fun!

The Opening Ceremony, in which organizers highlight survivorship with music and guest speakers, begins at 6 p.m. and concludes with the first ceremonial lap around the track taken by the survivors. This is a chance for the other attendees to line the track and cheer on the survivor walkers. The second lap begins when the caregivers join the walk and accompany the survivors for another special lap. The walking continues throughout the night as everyone focuses on the fact that "cancer doesn't sleep so neither will we!"

The Luminaria Ceremony begins at approximately 9 p.m. as the attendees gather for ceremony of quiet reflection. When darkness falls, the track is lit solely by the light from the luminaria bags that line the course. Each bag represents a person. Some memorialize those lost, others provide inspiration for those fighting. This is a most heartfelt part of the night. After speeches are made and music is enjoyed, there is a poignant silent lap.

Immediately following the Luminaria Ceremony, the mood will shift to upbeat as the Fight Back Ceremony begins. At this point the focus is on moving forward and continuing the fight against cancer. Participants commit to

finishing the fight and protecting themselves and those they love by having appropriate screenings, being mindful of their health, and working to raise money so that the American Cancer Society can continue its great work.

Throughout the night, there are after-hour activities, games, and continuous walking of the track. At sunrise, 6 a.m., the participants will come together for a final moment of reflection at the Closing Ceremony. Local clergy will help close the event and organizers will reveal the amount of money that was earned throughout the night. The uplifting and inspirational tone of the closing ceremony is the perfect ending for the event.

The Relay For Life movement unites communities across the globe to celebrate people who have battled cancer, remember loved ones lost, and take action to finish the fight once and for all. The Relay For Life movement is the world's largest fundraising event to fight every cancer in every community. "This is our community's opportunity to help save lives from cancer by taking our message to more people and raising more dollars to fund the fight," said Patti Broccoli, Event Chairperson "Together, our efforts can make a big difference."

Visit relayforlife.org to donate, or learn more about the event, or contact Margaret Illis at Margaret.illis@gmail.com.

PASTOR JEFF EBERT'S CELEBRATES 20TH ANNIVERSARY

(above) Dr. Jeff Ebert was celebrated for his 20 years with New Providence Presbyterian Church.

Submitted by Dawn Goldbach

New Providence Presbyterian Church (NPPC) proudly announces the 20th anniversary of its Senior Pastor, Dr. Jeff Ebert. A celebration to commemorate the event was held at NPPC on Sunday, April 7, 2019.

Dr. Ebert began his career at NPPC on Easter Sunday in 1999. Throughout his tenure at NPPC, Dr. Ebert has overseen many changes in our church history. These milestones include a major capital campaign, an increase in our worship services from two Sunday services to five Sunday services, and a denominational move to ECO. He received his doctorate degree in Theology and Evangelism from Columbia Theological Seminary. Dr. Ebert is also a volunteer chaplain with the Plainfield Police Department. An article written by Dr. Ebert on "Racial Reconciliation in the United States" was featured last summer in Newsweek magazine.

We welcome you to join us at any one of our five Sunday worship services. For more information about NPPC, please visit thecornernj.com.
