CACHE IN TRASH OUT EVENT AT DEALAMAN NATURE POND

Submitted by Amanda Altavilla

The first Warren Cache in Trash Out (CITO) event was held at Dealaman Nature Pond and Trail on Saturday, April 27, 2019. CITO is an environmental initiative supported by the geocaching community. Geocaching is a real world, outdoor treasure hunting game in which you utilize a GPS-enabled device to find a geocache hidden at a specific location. Warren has geocaches hidden on different trails such as Glenhurst, Dealaman, and East County Reserve. CITO Events have been happening twice per year since 2002.

Catherine Cooney, an avid geocacher in the area, organized the first Warren CITO event with the support of Warren Township Recreation. The event was a success that included a group of about 40 volunteers including Geocachers, Girl Scouts, Boy Scouts and town residents who cleaned the trail by pruning overhead and trailside overgrowth, picked up blown down sticks and leaves from winter, picked up trash and emptied the fishing line reclamation tubes. Volunteers picked up over 12 bags worth of trash.

Volunteers received a CITO event T-shirt and recycling giveaway bags supplied by Warren Township. CorTex Products also donated Outdoor Skin Protection Kits that were given out to volunteers.

Warren Recreation would like to thank Catherine Cooney and all the volunteers for helping to clean up

Dealaman Pond and Nature Trail. Another CITO event will happen in the fall on a different trail in Warren.

4TH ANNUAL FABULOUS 50'S NIGHT WITH THE KNIGHTS OF COLUMBUS

Submitted by Sal Di Bianca

The Knights of Columbus Fabulous 50's committee is planning the fourth annual event to be held on June 26, 2019 at 7:00 p.m. at the Warren Township Municipal Grounds. This year it will take place in the Pavilion area (near the tennis courts). Rain date will be June 27.

The K of C Council 11409 from Our Lady of the Mount Parish organizes this free celebration each year, reaching out to township residents, thanking all for continuing to make Warren a great place to live.

The committee will be signing up about 20 K of C members who will help to make the evening a success. Volunteers will set up and decorate the area, serve coffee, ice tea, and assorted cakes. Volunteers will also be needed to bake and provide the light refreshments. Italian ice and pizza are always a hit and like all refreshments will be complimentary.

The Keynotes, Sal and Tony, will provide the music of the 50's era along some 60's and 70's tunes.

Residents are encouraged to join their friends and neighbors, listen and dance to the music, and enjoy the free refreshments, compliments of the K of C. Please bring a lawn chair.

DONATE AND HELP KICK HUNGER TO THE CURB

It's easy: Fill a plastic bag with your food donations and leave at the curb on your recycling pick up days from June 3 through 28, 2019.

Fill any plastic grocery bag with canned goods and place it next to your blue recycling bin at the curb on your recycling pickup days during the month of June.

Food supplies are traditionally low during the summer months when school lunch programs close and holiday food drives are not being held. That's why June is the ideal time to hold the Curbing Hunger Month food drive, which will help alleviate this annual shortage. Donations are distributed to the Food Bank Network of Somerset County and local food pantries, including the Franklin Food Bank.

The demand at local food banks and food pantries continues to be high. You can help by filling any plastic grocery bag with canned goods and placing these items at the curb on your recycling pickup days from June 3 through 28, 2019, when county recycling crews and county and municipal public works employees will pick up your food donations.

You also can purchase and donate fresh produce at curbinghunger2019.org. Join the conversation at GiveHealthy on social media by following #GiveHealthy.

Donations of non-perishable food also are accepted at the First Saturday of the Month recycling drop-offs held at the Somerset County Recycling Center at 40 Polhemus Lane in Bridgewater.

Hengemuhle has been with Warren Township Schools since July of 2014. In her letter of retirement, Hengemuhle stated, "I will always cherish my service to the Warren Township Schools and the unwavering support from the district level leaders, my colleagues and, the Board of Education. ALT VISITING AUTHOR DAY WITH MELISSA SWEET

Submitted by Amanda Beyus

On May 1, 2019, the hallways at Angelo L. Tomaso (ALT) Elementary School were decorated with spectators and oversized balloons reminiscent of the Macy's Thanksgiving Day Parade in anticipation of the arrival of a very special guest. The festive school decorations were student art creations curated by the passionate ALT librarian, Mrs. Susan Jackson. The artwork highlighted one of the many subjects written and illustrated by the prolific award-winning visiting author/illustrator of "Balloons Over Broadway", and guest of ALT, Melissa Sweet.

The students of ALT were intrigued and inspired to learn New Jersey native Sweet's behind the scenes creative process and intricate art techniques employed in creating her books. "The Tomaso School is extraordinary," said

Sweet. "Not only were the students prepared and enthusiastic with their creative artwork lining the halls, their thoughtful questions made it evident they were well-versed in my work," she continued.

Throughout the day, Ms. Sweet addressed groups of students with her presentation. She even hosted a luncheon with a small group of students who won a contest to dine with her.

Every student from the school received a signed copy of one of Ms. Sweet's books courtesy of the ALT PTO to continue their love of reading and share at home what they learned. "Rarely do I see such community effort between the school, students and PTO," said Sweet. It made for a rich and rewarding experience and I was honored to be invited."

WARREN TOWNSHIP PARK & RIDE

The Warren Township Committee would like to remind residents that a Park & Ride with a daily express trip (with no other stops after Warren) to the Port Authority Bus Terminal in New York is available to Warren residents.

The Park & Ride is located at the parking garage at the 300 building in the Warren Corporate Center located near exit 36 off King George Road.

Bus service is available Monday through Friday at 6:45 a.m. with return trips at 5:45 p.m., 6:00 p.m. and 6:30 p.m. These service times were determined by a survey of current riders and the demand to get into NYC at these times each day. The fare is \$13.75 each way, and tickets may be purchased from the bus driver, Krausz on Mountain Boulevard and at the New York Port Authority.

Interested residents can apply for a parking permit by contacting the Township Clerk's office at 908-753-8000, Ext. 223 or via email to creese@warrennj.org.

The Park & Ride was established by the Township Committee to assist residents with their commute to New York City. The Township has entered into a lease with Vision Reality for

use of the Warren Corporate Center facility. The lease expires in August.

Committeeman George Lazo, who has spearheaded this project commented, "We are proud to offer a transportation option directly to New York City from Warren Township. After surveying our residents, we realized there were many residents traveling into the city from Park & Rides in surrounding towns. We are now offering a convenient option right here in our town. This service will assist in maintaining our property values and ensure that Warren Township continues to be a desirable destination for new residents."

Approximately 180 parking passes have been issued to interested residents; however, the average ridership is only 23 riders per day. In order for us to continue to offer this amenity we need to average at least 35 riders per day (Monday – Friday).

Over the next few months, the Township Committee must determine whether or not a more permanent location for the Park & Ride will be constructed. Ridership needs to improve in order to support the long-term costs of a permanent facility.

VOLUNTEER TO PROVIDE GRIEF SUPPORT

Imagine, A Center for Coping with Loss currently seeks volunteers to serve as peer support group facilitators for children and families coping with loss due to death. Upcoming summer trainings will be held June 27-30th and July 26-29th, 2019.

Imagine groups are facilitated by trained adult volunteers who attend a 32-hour training and quarterly continuing education, and receive ongoing supervision. Volunteers come from all walks of life and need no special background other than a willingness to listen and the ability to be with children and adults in pain without trying to fix, solve problems, or give advice. Volunteers must be 21 years or older and attend the Imagine four-day Facilitator Training. No prior experience is necessary.

"For the first time in our seven-year history we have a waiting list," said Mandi Zucker, Imagine Program Director. "We are currently serving over 380 participants every two weeks in our peer support programs and will be adding another night of support." Volunteers say the training is

"life-changing" and a wonderful opportunity for learning about themselves and how their own losses have affected the way they grieve and how they support others. People that complete the training leave feeling empowered to be a supportive person to people grieving.

Imagine is a free year-round peer grief support center located in Mountainside and Newark New Jersey, serving children age 3-18 who have had a parent or sibling die, with concurrent support groups for their parents or guardians. Support for children and teens living with a parent or sibling with a life-altering physical illness is also available. Free year-round support groups are also available for young adults who have had a friend, sibling, parent or other important person in their life die, or who have a parent, sibling or friend living with an illness.

If you are interested in learning more about the upcoming trainings scheduled for June 27-30th or July 26-29th, 2019 9 a.m. - 5 p.m. daily, please contact Mandi at Mandi@imajinenj.org or visit imajinenj.org to schedule a tour.
