## CLARK LITTLE LEAGUE MINORS ALL STAR GAME

*Submitted by Jim Gilbert*

The Clark Little League 2nd Annual Minors All Star Game was played on Saturday, June 1, 2019. As was the case last year, the seven minors coaches nominated 3-4 of their team players to play in the all star game. The nominated players were then confirmed by the other minors coaches. The players were then assigned to teams. Eleven players each for Team National and for Team American.

The game was very close and the players all played very well. The National team played just a bit better and won the game 6-3.

The coaches of the teams did a great job preparing the field for play. The game organizer Tim Brand again did a great job organizing and scheduling this fun event!

## RECYCLING CRUSADERS PLANT A GARDEN

The FKH Recycling Crusaders' final event of the 2018-2019 academic year brought to a close a garden project months in the making.

In late March and early April, the team worked to upcycle plastic bottles and containers into small planters and planted seeds, which students of FKH Elementary have been nurturing in preparation. The group took advantage of the beautiful weather and helped Mrs. Mytrowitz prepare the outdoor garden area by weeding, filling beds with new soil, and planning a layout. The cucumber, eggplant, and butterfly flower

plants which had sprouted in the bottles were then carefully transplanted into their permanent home for the growing season.

Mrs. Conner and Mrs. Estevez are excited to transfer care of the plants from the club to the

current Kindergarten class, who will be watering the plants until the end of the school year. The plants will then be attended to by volunteer teachers during the summer break and hopefully the garden will even yield some fresh produce.

# GIRLS' TRACK TEAM AND BOYS' TENNIS TIE IN GPA CHALLENGE

The Arthur L. Johnson Athletic Department recently held a breakfast in honor of the 2019 Spring Athletics GPA Challenge winners the Girls' Track and Field Team and the Boys' Tennis Team. For the first time in the awards history, two teams finished with identical GPAs, so both were given the award and enjoyed the ceremonial breakfast. The event, sponsored by the Athletic Department, was held in the Arthur L. Johnson High School Cafeteria.

The Crusader GPA Challenge is awarded each season to the team that finishes with the highest overall GPA among athletic teams seasonally. They will be presented with certificates, have their team memorialized on a plaque, and be invited for a "Breakfast with the A.D." to

celebrate their actions both in the classroom and on the field. The Girls' Spring Track & Field Team and the Boys' Tennis Team finished with a GPA of 4.01. Members of the Girls' Spring Track & Field Team include: Sarah Sceptowski, Gianna Caldiero, Gia Colicchio, Carly Tarentino, Julia Kalynchuk, Shailynn Rapp, America Renteria, Gina Rizzuto, Taylor Turek, Jenna Wiese, Paige Kelly, Kayla Kowalenko, and Natalya Torres; Boys' Tennis Team: Matthew Cassidy, Seth Guzman, John Juzefyk, Jacob Mallik, Anthony Neyra, Kyle Perednia, Christopher Warnick, Brandon Costa, Raymond Torres, Kyle Briscese, Robert Lukasiewicz, Andy Zheng, Anthony Bogash, Cody Downing, Toan Le, and Ethan Nobre.

Arthur L. Johnson High School Athletic Director Gus Kalikas had this to say about the GPA Challenge winners from the Spring Season: "The Athletic Department is extremely proud of all the members of the Girls' Track and Field Team and the Boys' Tennis Team. The teams were able to balance athletics and academics at the highest level, not only competing in the State Tournament in the spring but also excelling in the classroom, which is evident by the cumulative GPA of 4.01 that the teams held throughout their seasons. They are a model of what it means to be a student athlete and the Clark School District is proud of all of their accomplishments."

The following officers have been installed: Regent, Bonnie Cierkowski of Cranford; Vice Regent, Kathy Hercel of Scotch Plains; Recording Secretary, Valeri Shafer of Winfield Park; Corresponding Secretary, Joanne Rajoppi of Union; Chaplain, Mary Leonard of Roselle Park; Librarian, Diane Recinos of Rahway; Historian, Barbara Krause of Cranford; Registrar, Patti Campanelli of Clark; and Treasurer, Nancy Hatfield of Westfield.

The Daughters of the American Revolution is a women's volunteer service organization dedicated to historic preservation, education and patriotism. ## ALJ SENIOR RECEIVES SCHOLAR ATHLETE AWARD

One student athlete from Arthur L. Johnson High School was designated as the recipient of the New Jersey State Interscholastic Athletic Association’s Scholar Athlete Award. The NJSIAA is an organization run by the state of New Jersey, who has a great tradition of honoring student athletes at a statewide function called the Scholar Athlete Luncheon. Over the years the luncheon has grown in size and has given out hundreds of thousands of dollars in scholarship money.

These awards, presented to one student athlete from each school in the state, not only celebrate the athletic successes of our high school athletes on the fields, courts and mats, but also honor the countless hours they spend in the classroom.

Senior Student Athlete Victoria Zatko was honored as the recipient from ALJ High School in Clark. Victoria had a stellar career, participating in softball all four years of high school. As a senior, Victoria accomplished many milestones, including attaining her 100th career hit for the Crusaders, as well as being a stellar student throughout her time at ALJ. She will continue playing softball next spring at LaSalle University.

Gus Kalikas, Athletic Director at ALJ said “Victoria was an integral part of the success of our athletic programs at ALJ, allowing us to have success throughout her career on the softball diamond. More importantly, she has been a model student athlete that did things the right way

both in athletics and in the classroom. She is truly deserving of being named our recipient of the NJSIAA Scholar Athlete Award, and we wish her well as she embarks on her college career.”

## UCIAC SCHOLAR ATHLETES HONORED AT DINNER

Two student athletes from Arthur L. Johnson High School were designated as the recipients of the Union County Interscholastic Athletic Conference's Scholar Athlete Award.

The UCIAC is an organization run by Executive Director Tom Lewis, who has continued the great tradition of the Scholar Athlete Dinner from the late Frank J. Cicarell. Frank J. Cicarell was a teacher, coach, administrator, BOE member, and President of the Union County Athletic Conference. In spite of all of these positions, what he was most remembered for was his impact on the student athletes, as he was the driving force that made athletics in Union County what they are today. In fact, our Union County Tournaments are still named after him to this day. Over the years the dinner, organized and run by Executive Director Tom Lewis, has grown in size and has given out hundreds of thousands of dollars in scholarship money.

These awards, which are presented to a male and female athlete from each school in the county, not only celebrate the athletic successes of our high school athletes on the fields, courts, and mats, but also honors the countless hours that they spend in the classroom.

Senior Student Athletes Brandon Hund and Bailey Rosenmeier were honored as the recipients from ALJ High School in Clark. Brandon Hund had a stellar career at ALJ participating in basketball and lacrosse. As a senior, Brandon was named captain of both teams he played for as well as breaking both the 1,000 point and 100 goal barriers in each respective sport. He will continue his education at Towson University. Bailey Rosenmeier participated in basketball and softball throughout her career at ALJ. She helped both Lady Crusaders' programs compete for County and Sectional State Titles throughout her years of participation with the programs.

Gus Kalikas, Athletic Director at Arthur L. Johnson High School, had this to say about the recipients. "Brandon and Bailey have been an integral part of the success of our athletic programs at ALJ, allowing us to have success on the fields in multiple sports. More importantly, they have been model student athletes that did things the right way, both on the field and in the classroom. They are truly deserving of being named our recipients of the UCIAC's Scholar Athlete Awards, and we wish them well as they embark on their college careers."

## CLARK SCREAM'N EAGLES SPONSORED A SOCCER TEAM IN HAITI

Submitted by Janette Cardoso

The 2007 Clark travel soccer team 'Scream'n Eagles' (named for the players birth year), sponsored a soccer team in Haiti. Upon hearing from their trainer the difficult conditions that the boys in Haiti have to play in, the team performed

a lot of fundraising and was able to get a soccer kit (shorts, socks and shirt with the player's name and number), soccer balls and goalie gear for each player on the Haitian team.

The kids also wrote a letter to each player stating why they love to play soccer and shared

a little bit about themselves. 8th grader, Mia Cardoso, as part of her community service for the Kumpf Middle School National Junior Honor Society, then translated all of the letters into Haitian Creole, so the players could read them.

# CALABRIA PIZZERIA, A LOCAL TRADITION, CELEBRATES 50 YEARS

Calabria Pizzeria and Catering is proudly celebrating its 50th Anniversary. A fixture on Centennial Avenue in Cranford since 1969, the family-owned and operated restaurant has a host of special events planned to mark the milestone including the unveiling of a newly expanded menu, premiering their line of family recipe signature sauces, and loads of contests and promotions to thank long-time patrons and welcome new customers to enjoy Calabria's "old word taste, local tradition".

When emigrating from Italy as a teenager, Antonio "Tony" Somma brought with him his favorite foods from childhood. Calabria has since used Nonna Somma's Family Recipe marinara as their signature sauce throughout the menu to give everything from pizza to pasta to seafood a rich, distinctive taste. What started as a traditional New Jersey pizzeria, Tony grew Calabria's reputation for the area's best authentic Italian-American cuisine by maintaining the time-honored techniques of the old country, an unwavering commitment to the highest-quality ingredients and friendly, greet-you-by-name service.

A local business in the truest sense, Calabria is woven into the fabric of Cranford with the Somma family having raised their five children in the community they serve. Generations of friends and neighbors share fond memories of countless youth sports teams piling into Calabria to celebrate victories, the household anticipation of "pizza night" while sharing a bit of banter

over the counter at pickup, and all the family occasions big and small marked by mouth-watering chicken parmigiana, creamy baked ziti, sizzling sausage and peppers or whatever your go-to dish is.

Having outgrown the original location by 2006 (where 100 Steps Raw Bar now stands), Calabria moved across the street to 208 Centennial Avenue. The new location saw Gennaro Somma help his father usher in more upscale décor, a wider-range of catering options and white tablecloth-style entrees all while staying true to Calabria's roots as a neighborhood pizzeria.

The Sicilian, Grandma, and Margherita pizzas that customers have long-raved about remain unchanged. As have the hearty made-from-scratch entrées and the array of comfort food options lining the display case to satisfy the quick fix. Whether traditional slices, stromboli rolls, stuffed slices or their daily lunch specials, Calabria's got you covered seven days a week.

"We're proud to serve the community all these years and be Cranford's longest running pizzeria," said Gennaro, who quietly took over for his father in November 2017. "Growing up in town and in the restaurant, tradition is important. I try to honor my family's tradition and at the same time welcome the future."

"People still think I'm the boss," said Tony smiling, who remains a constant at Calabria despite his unofficial retirement, "and I haven't had complaints with the new guy."

(above l-r) Tony Somma passed the tradition of running Calabria Pizza to his son Gennaro.

## VALLEY ROAD SCHOOL ART SHOW

Ms. Matesic recently organized an art show at Valley Road School to display the artwork of all of the K-5 students. Through their artwork, the students learned about the elements of art and different aspects of art history. The projects show how art is truly interdisciplinary helping students to see how they can use art to learn about different subjects. Students at Valley Road Elementary School were excited to see their work displayed during the art show!

## JENNA GRANDAL PAINTING CHOSEN FOR EXHIBIT

Eighth grader, Jenna Grandal, along with twenty other students from Carl H. Kumpf Middle School, recently had their artwork displayed at the 2019 Union County Teen Arts Festival. Grandal’s painting was noted as “outstanding” and was selected to be part of the 2019 Union County Teen Arts Touring Exhibit.

## VALLEY ROAD VARIETY SHOW

Valley Road Elementary School in Clark held a variety show this spring. Students from grades K-5 presented 2-5 minute acts to showcase their talents. Acts ranged from singing to dancing to comedy. Family members and other students were in attendance.

“There were a variety of acts. It was great to see the students perform on stage, some for the

first time. Students were very supportive of each other,” stated Valley Road Principal Joe Beltramba.

Beltramba continued, “I would like to thank the directors Jenna Schiro, Jennifer Guenther, both VRS teachers, and Kim Baglieri, a parent, for all their hard work which made the show a success.”

## REGISTRY HELPS THOSE WITH SPECIAL NEEDS

The Clark Police Department is making it easier to help our citizens who may be lost or have trouble communicating with our officers.

Our Special Needs Registry is designed for residents who may be challenged with developmental disabilities such as Autism, Dementia, Down Syndrome, or other special needs. The program was created to better assist your loved ones who might be at higher risk for wandering from home and getting lost. By voluntarily registering, the police will have access to personal information should they encounter an individual who has difficulty speaking or identifying themselves.

Interested family members would be asked to complete a descriptive questionnaire regarding their family member, providing the registrant's height, weight, and other information useful to first-responders, such as emergency contacts, a recent photo of the individual and home address. The information would be kept on file at headquarters and would be accessible at times such as during an encounter where an individual can't tell officers where he/she lives, or would work in cases where a person is reported missing, so that their pedigree and photograph are immediately available to responding police officers.

The program is voluntary and all the information kept confidential within the Clark Police Department.

To complete and file a registration form, please visit:

<https://www.ourclark.com/FormCenter/Police-Department-10/Special-Needs-Registry-52>, and navigate to the Police Department page. If you should have questions about the program you can contact Detective Brian Soos at 732-388-3495.

# CRUSADERS PRACTICE WITH NJ HAWKS SPECIAL OLYMPICS SOFTBALL TEAM

Photo by Clark Public Schools

(above) The 2019 Arthur L. Johnson Crusader Softball Team assists with New Jersey Hawks practice this spring season.

Submitted by Gus Kalikas

This past spring season members of the Arthur L. Johnson High School Crusader Softball Team assisted with practice and preparation for the New Jersey Hawks Special Olympics Softball Team.

The Crusaders assisted the Hawks as they prepared for their Championship Tournament, which was held at the College of New Jersey in June.

Christopher DiNucci, Head Softball Coach, had this to say about the event. “The softball program was thrilled to be able to assist with the daily routines and practice with the New Jersey Hawks. It was fun watching the High School Student Athletes as they interacted with the team, and I think both groups not only enjoyed the experience, but learned a lot while doing it.”

## STUDENTS RAISE OVER \$1000 FOR VALERIE FUND

National Junior Honor Society students at Carl H. Kumpf Middle School in Clark recently collected gift cards to donate to the Valerie Fund in Morristown, NJ as part of their service projects. At the end of each chemotherapy or radiation treatment, children are allowed to pick a gift card from a big treasure chest as a reward. The NJHS students collected over \$1,000 in gift cards to donate. Gift cards were collected at all of the district's schools.

NJHS Advisor Suzanne Hamilton stated, "I'm

so incredibly proud of this group for finding a way to donate to a noble cause. They spent countless hours setting up meetings, reaching out to representatives from The Valerie Fund, and visiting each of the schools in the district to collect the gift cards.

Each of the gift cards they've collected will be enjoyed by a child who needs a little extra special something after a tough treatment, and I'm so happy that they chose this organization to work with."

## VALLEY ROAD SCHOOL SECOND GRADERS LEARN ABOUT IDIOMS

Recently, second graders at Valley Road School created their own idioms. Idioms are so much a part of our everyday language that students who are native English speakers may not even notice that phrases like break a leg do not make literal sense. An idiom is an expression whose meaning is different from the literal meaning, such as It's raining cats and dogs. Students thoroughly enjoyed this language arts activity where they explored the figure of speech in depth.

## HAWK RISE GOES BATTY!

Join the naturalists of Hawk Rise Sanctuary on July 12, 2019 from 8 – 9:30 p.m. for a special evening program and learn all about bats and their many important roles in nature. We will bust some common myths about these fascinating but misunderstood animals and discuss some of the ways we can help to protect them. As the sun goes down, we will head out on the trail and try to pick up their echolocation calls with our bat detector. There is nothing quite like a nature walk at night, so come get batty with us! This program is open to all. Please wear sturdy shoes and bring a flashlight if desired. Cost: Free. No registration required.

### About Hawk Rise Sanctuary

Close to Route 1 in Linden, in an industrial area with strip malls, a police firing range, and a filled in landfill you'll find a hidden treasure. In one of the last places you'd think to find an ecological preserve, is Hawk Rise Sanctuary! Hawk Rise was opened in 2012 and is maintained by the NJ Audubon. The flat trails inside are about 1.5 miles long, and the sanctuary spans 95 acres.

Open daily from sunrise to sunset. At the entrance to Hawk Rise is information for visitors including animal and plant species to look for, as well as any upcoming programs. There's a Porta-Potty but no other facilities at the location so plan accordingly! At the start of the sanctuary you have options on which way to go, and throughout the park there are other forks in the trails – choose wisely but be sure to go back and see what you missed. Events are held throughout the year visit [njudubon.org/centers/hawk-rise-sanctuary](http://njudubon.org/centers/hawk-rise-sanctuary).
