## TOWNSHIP BREAKS GROUND ON NEW ARTHUR LEWIS PARK

Green Brook Township celebrated the groundbreaking of its new Arthur Lewis Park on May 22, 2019 with representatives from the Township Committee, the Somerset County Board of Chosen Freeholders, Robert Wood Johnson University Hospital Somerset and members of the Arthur Lewis Family. The park is on the 11-acre site of the former Green Brook Swim Club. The new park will include playgrounds for all ages, a large spray park, fitness court, renovated basketball and handball courts, a new sand volleyball court and pavilion and is expected to be open this fall.

The Somerset County Board of Chosen Freeholders recently approved special open space funding of \$1.5 million for the creation of Arthur Lewis Park. In addition to the park development funding, the Board of Chosen Freeholders contributed funding for the purchase of the property in 2017.

Freeholder Deputy Director Patricia Walsh, former Green Brook Mayor and long time resident, spoke about the park's namesake, Arthur Lewis, who was one of the founding members of the former Green Brook Swim Club, was a former Mayor of Green Brook and was involved in and served in leadership positions for many local organizations such as the Green Brook Lions Club and Green Brook Seniors. "He was a true gentleman and one of the most giving and enthusiastic members of our community, right up to the

end and it is so fitting that this park will bear his name. The park will be a true gem in Green Brook and will serve County residents well with active recreational opportunities."

Robert Wood Johnson University Hospital Somerset, an RWJBarnabas Health facility, has donated \$70,000 to the Township of Green Brook to sponsor the National Fitness Campaign's Fitness Court™ in the new park. The Fitness Court is a free outdoor gym that features exercise equipment for circuit training and digital fitness challenges. In addition to sponsoring the Fitness Court, the hospital plans to hold exercise classes and healthy food demonstrations throughout the year.

"We are committed to promoting the health of our communities and are proud to sponsor this new Fitness Court to make it easier for people to exercise and lead a healthy, active lifestyle," said Tony Cava, president and chief executive officer of Robert Wood Johnson University Hospital Somerset.

Mayor Patrick Boccio, on behalf of the Green Brook Township Committee, thanked those attending the groundbreaking ceremony and expressed gratitude to the Freeholders and the Hospital for their generous support. "Arthur Lewis Park will be a one-of-a kind recreational destination for Green Brook, the County and beyond."

## FIELD DAY AT IEF SCHOOL

Water balloons, sponge relays and sports games were just a few of the activities that were set up for a spring Field Day at the Irene E. Feldkirchner Elementary School in Green Brook.

A Pep Rally the day before got the students excited for the next day. Students participated in a "Legends of IEF" themed day in which they played games and faced challenges to earn points for their teams. The school was separated into four groups: Green Bengals, Yellow Peacocks, Purple Flamingos, and Orange Wallabies.

On the morning of Field Day itself, the Pre-K, kindergarten, and first and second graders rotated through 13 different stations, both inside and

outside. Games such as Animal Tag, Race Around IEF, Obstacle Course, Tic-Tac-Toe Relay, Temple Building, and Target Toss were played. After a cookout lunch courtesy of Pomptonian Food Service, the third and fourth graders had their chance to play. They participated in eight stations, including Castle Ball, Sponge Relay, Skipping Rocks, and Flipping Mountain.

Field Day is a great way to commemorate the end of the school year and to encourage physical activity during the summer months, and the children enjoyed celebrating all the hard work they have done all year.

## FRIENDS HOST ANNUAL LIBRARY STAFF APPRECIATION LUNCHEON

*Submitted by Iris D. Alston, Trustee*

The Friends of the Warren Township Library hosted their 10th annual library staff luncheon in celebration National Library Week on April 8, 2019. The luncheon recognizes the librarians and the support staff. When asked why this event is so special to The Friends organization, President Donna Java stated “We are pleased to host a luncheon for the staff whose hard work and dedication provide a warm and welcoming environment for patrons of the library.”

The event was enjoyed by 24 staff members including adult and youth services librarians and Lauren Ryan, Manager of Branch Services throughout the day. Friends Secretary Beverly Lang made her no-bake Fudge Meltaway Squares from her mother Sylvia’s, one of the

Friends founders and former Friends President, recipe. Friends Trustee Lisa Richards home baked a delicious apple cake and Friends Treasurer Joann Ball donated a beautiful fruit platter. Soups, salads, sandwiches and snacks were catered by a local area business for the affair. Manager of Branch Services, Lauren Ryan said “she and her staff really appreciated the Friends hosting such a nice luncheon in honor of National Library Week”.

The Friends of the Warren Twp Library was established in 1950 at Central School with just one book shelf and formed as a non-profit organization to maintain an association of persons interested in books and libraries. The organization is made up of residents of Warren and Green Brook Townships.

The Friends of the Warren Twp. Library focus public attention on reading for enjoyment, lifelong learning, library facilities and needs. The non-profit organization also inspires gifts of books, magazines, desirable collections, endowments and bequests to the Warren Twp Library.

“The Friends ” are looking for new Friends from Warren Twp. and Green Brook Twp. If you would like to become a member of The Friends of the Warren Twp Library for as little as \$20, you can become a Friend and help the organization in its goal to assist the library.

Checks payable to The Friends of the Warren Twp. Public Library can be dropped off at the main desk or mailed to: 42 Mountain Boulevard, Warren, NJ 07059.

## VR/AR GOGGLES AT FELDKIRCHNER SCHOOL

Thanks to a generous grant from Green Brook Education and Athletic association, technology students from Mrs. Jennifer Collett's technology class can now experience the world through Virtual Reality/Augmented Reality goggles. VR allows students to explore the world virtually while AR brings abstract concepts to life.

Mrs. Collett can now take students on over 700 virtual reality field trips everywhere from the International Space Station to the Galapagos Islands. The expeditions are a collection of linked virtual reality content and supporting materials that can be used alongside of existing curriculum.

VR and AR technology allows Mrs. Collett to guide her students through a collection of 360-degree scenes and 3D objects, pointing out interesting sites and artifacts along the way. The goggles help students visualize information in a new way, and this will positively impact their ability to retain information.

Along with the goggles, she also received a 360-degree camera. Along with the application, she can have her students build their own virtual-reality field trip and empower her students to create their own immersive tour.

## CASA SHAW SEEKING ADVOCATES FOR FOSTER YOUTH

Court Appointed Special Advocates of Somerset, Hunterdon and Warren Counties (CASA SHaW) has announced Information Sessions in July for individuals in our community who are interested in learning more about becoming a CASA volunteer advocate.

CASA SHaW is part of a statewide network of community-based, non-profit programs that recruit, screen, train and supervise volunteers to "Speak Up for a Child" removed from home due to abuse or neglect. CASA is the only program in New Jersey that uses trained volunteers to work one-on-one with children, ensuring that each one gets the services needed and achieves permanency in a safe, nurturing home.

"Attending an information session is the first step in becoming a CASA volunteer advocate for a foster child who has been abused and neglected. This is where individuals learn about what it takes to become volunteer," said Tracey Heisler, Executive Director of CASA SHaW. Attending an Information Session is required for anyone interested in applying to become a CASA.

Below are the dates, times and locations for the upcoming CASA SHaW information sessions scheduled for July 2019:

- Tuesday, July 9 - 5:30 p.m. at the PeopleCare Center in Bridgewater, NJ (120 FINDERNE AVE, BRIDGEWATER, NJ)
- Saturday, July 13 - 10:00 a.m. at the CASA SHaW office in Washington, NJ (150 BOULEVARD, WASHINGTON, NJ)
- Monday, July 22 - Noon at the CASA SHaW office in Washington, NJ (150 BOULEVARD, WASHINGTON, NJ)

If any member of our community is interested in attending one of these information sessions, registration is required. Please contact our Volunteer Trainer, Karen Cassano, at [karen@casashaw.org](mailto:karen@casashaw.org) or by phone at 908-689-5515 if you plan to attend on either date.
