JEFFERSON SCHOOL 5TH GRADE ROTARY EARLY ACT CLUB

Submitted by Dr. D. Michael Hart

On Tuesday, June 25th, 2019, eleven fifth graders from the Jefferson Early Act Club visited their sponsoring organization, The Rotary Club of Westfield to describe the service projects they are doing. They put on a power point presentation, and each student spoke about a project they were involved with.

Rotary has a series of service clubs for each grade level: Early Act for elementary and middle schools; Interact club for High Schools and Rotaract Club for colleges. Each level feeds into the next. These form a worldwide network and are found in every country of the world.

The Jefferson Early Act has 34 members and teacher advisors Joanna Leach; Tiffany Winters and Caitlin Ferraro. It includes students up through 5th grade. Principal Dr. Susie Hung is proud of this club. Next year the students look forward to going to Edison Intermediate school and joining the Interact Club there.

The service projects the Early Act club has done throughout the year include the following:

- At Halloween they collect slightly used costumes and masks, new unopened face makeup, bags, and candy treats to distribute to the less fortunate.

- The Thanksgiving Food Drive collected over 100 items to give away.
  - The club maintains a learning garden to learn how to plant and grow and nurture plants, then they donate the vegetables to the food bank.
  - At Christmas time they collected over 200 gifts, including a tree and decorations and donated them to students in Irvington.
  - On Arbor Day, April 26th, the students planted 14 trees at Jefferson School with the help of The Rotary Club of Westfield and the Township Dept of Public Works.
  - In the late spring they donate swimming items to Bernice's Place in Elizabeth Coalition to House the Homeless: swimming suits, goggles, bags, towels, etc.
  - The students are working with the Grace Presbyterian Church to collect food for a summer food drive.
  - The students said that the reason they joined the Early Act Club was to help people in need.
- The Rotary Club of Westfield meets the first three Tuesdays of the month for lunch, 12:15 p.m., at the Westfield Area Y. Guests are always welcome. For more information contact Secretary Dr. D. Michael Hart [drmhart@yahoo.com](mailto:drmhart@yahoo.com).

## FOUR EDISON STUDENTS ARE FINALISTS IN NATIONAL STEM COMPETITION

Four Edison Intermediate School students are finalists in a national competition for middle school girls. The stated mission of the 2019 ProjectCSGIRLS Competition is to “nurture an interest in science, math, and technology during the critical middle school period to help them better see themselves as the future leaders of tomorrow.”

Finalist and 7th grader Anusha Iyer created the Aquacheck, a water conservation project that tracks the amount of water used in a household. The finalist team of 7th graders Hannah Hollosi, Sofia Gil, and 8th grader Gabriela Gil designed an app and accompanying video with a unique solution for the disposal of wildlife killed by

motorists that would benefit zoos and wildlife sanctuaries and lessen the risk of spreading disease.

The finalists attended a gala in early June in the Washington, D.C. metropolitan area which featured guest speakers, hands-on workshops, technology talks, and a formal awards ceremony.

# STUDENTS DONATE \$4,000 TO CHILDREN’S SPECIALIZED HOSPITAL

The Student Government Association at Edison Intermediate School recently donated \$4,000 to Children’s Specialized Hospital of Mountainside, NJ, presenting a check to hospital representative Alexis D’Antone.

Members of the Edison student government held various fundraisers throughout the school year including bake sales, candy sales, Edison

Night at Yestercades, and a "Show the Love" fundraiser at which students sold paper hearts for \$1 each during lunch periods.

During her visit, D’Antone commended the students for raising the largest amount of money among those middle school, high school, and

college organizations who donated this year. D’Antone said the Children’s Specialized Hospital serves over 37,000 children and operates 13 sites throughout New Jersey, with a 14th location in the planning thanks to generous donations from Edison and elsewhere.

Creating solutions to help individuals, entrepreneurs, business owners and business teams survive and thrive in all aspects of their personal and professional journeys.

## WESTFIELD ROTARY CLUB INDUCTS NEW MEMBER

*Submitted by Dr. D. Michael Hart*

The Rotary Club of Westfield recently inducted new member Fred Zellner. Fred is excited to be joining such an active service club. Fred grew up in Queens and married his high school sweetheart in 1984. They wanted to start a family and stated looking for a neighborhood that had a good school system, a downtown, playgrounds and parks and commutable to NYC

where they both worked. Fred worked for Con Ed as an Engineer for 41 years. They love Westfield. Their daughter grew up here and is now married, and has purchased a house in Scotch Plains. Fred and his wife are both retired and love traveling. The next trip is a Safari in Tanzania and Kenya to see the Great Migration and to stop by the David Sheldrake Rescue

Reserve to say hello to the four orphaned baby elephants which they sponsor. Fred is looking forward to giving back to the community with volunteer work through the Rotary Club.

The Rotary Club of Westfield meets the first 3 Tuesdays of the month for lunch at 12:15 p.m. on the second floor of the Westfield Area Y. Guests are always welcome.

Members of the Rake and Hoe Garden Club of Westfield met at the First Baptist Church of Westfield where Mobile Meals originates and made 45 small floral arrangements to accompany the meals delivered that day. The club performs this service twice a year which is much appreciated by the clients who look forward to receiving these colorful arrangements.

Mobile Meals is a voluntary, non-profit program that provides home-delivered meals to those who are unable to shop and prepare their own meals on either a temporary or permanent basis. ## WESTFIELD GIRL SCOUT PROJECT TO BENEFIT RAHWAY STUDENTS

Isabella Scipioni, a Cadette Girl Scout in Troop 40186 from Edison Intermediate School in Westfield recently spoke to the Rahway Public School's Education Committee about a project she would like to complete for Franklin Elementary School. Isabella created a PowerPoint presentation explaining her role as a Girl Scout and the requirements needed to earn her Silver Award. The Silver Award is the highest honor a Cadette Girl Scout can earn.

The project she proposed is creating two Buddy Benches to be used for students in PreK to 2nd grade during their recess time. A Buddy Bench is not your typical bench. Buddy Benches are for children to use if they have no one to play with or need a friend to talk to. A student will sit on the bench, which will signal another child who sees them to include them in their play or activity. It can also signal a student to sit down and listen if a child needs a friend to talk to. The Buddy Bench teaches children about caring, kindness, and to include their fellow classmates. Isabella intends to create a youtube video to help educate both the teachers and students in Franklin School about the proper use of their new Buddy Benches.

The school looks forward to her completing the project by September 1, 2019.
