## MOTHER AND SISTER OF 9/11 HERO WELLES CROWTHER TO GIVE ADDRESS AT MORRIS COUNTY'S 9/11 REMEMBRANCE

*Sunday, Sept. 8, 6 p.m. Hear About the "Man in the Red Bandana"*

Morris County invites residents to join in observing the 18th anniversary of the September 11, 2001 terrorist attacks against our nation at the Morris County Remembers 9/11 Service on Sunday, September 8, 2019.

The ceremony will begin at 6 p.m. at the Morris County September 11th Memorial on West Hanover Avenue in Parsippany-Troy Hills, across from the Morris View Healthcare Center and adjacent to the Morris County Public Safety Academy. It will be held rain or shine.

Alison Crowther and Honor (Crowther) Fagan, the mother and sister of the late Welles Crowther, who gave his life while saving others at the World Trade Center on 9/11, have generously agreed to be the keynote speakers.

Welles Remy Crowther was working on the 104th floor of the South Tower at WTC when the attacks occurred on 9/11. The 24-year-old rookie equities trader lost his life that day but not before repeatedly going back into the tower to help to save many others. He was last seen working with members of the FDNY just before the South Tower collapsed.

Crowther became known as the "Man in the Red Bandana" for the red handkerchief he wore as a protective mask while taking on the role of rescuer. His story has been told in the documentary film, *Man in the Red Bandana* -- <https://www.maninredbandana.com/>.

The Westchester County, N.Y. resident is annually honored by his alma mater, Boston College; he posthumously was named an honorary New York City firefighter; and his efforts were cited by President Barack Obama in the 2014 dedication of the National 9/11 Memorial and Museum.

The county's 9/11 event will include a march with a color guard up West Hanover Avenue to the Memorial by police, fire, rescue and emergency personnel from across Morris County.

The observance will include a special invocation, a lighting of candles, and reading of the names of each of the 64 Morris County

(above) The Morris County September 11th Memorial is located on West Hanover Avenue (460 W Hanover Ave, Morristown, NJ) across from the Morris View Healthcare Center.

victims, plus a 21-gun salute, and keynote remarks.

Morris County's September 11th Memorial pays tribute to all of those who died in the terrorist attacks in New York, Pennsylvania and Washington D.C., on Sept. 11, 2001, with a special emphasis on the 64 victims from Morris County whose names are etched in plaques affixed to the Memorial.

The names of all of the nearly 3,000 people who died that day are engraved in ruby-colored paving stones that have been set in the ground as a walkway surrounding the Memorial.

Since seating at the Memorial is limited, the public is encouraged to bring lawn chairs to the outdoor observance. Parking will be available at the Morris County Department of Human Services building at 340 West Hanover Ave., in Morris Township – directly across from the Academy. Shuttle buses will be available to transport those in need the short distance to the Memorial.

Police and fire departments and rescue squads from across the county are invited to participate by sending one apparatus per department and assembling at 4:30 p.m. at the Morris County Public Safety Academy, 500 West Hanover Ave., in Parsippany-Troy Hills.

Following a private ceremony for first responders at the Academy, a procession will be held to the Sept. 11th Memorial.

## MADISON ROTARIANS HAVE LOTS OF FUN

Twenty-five Madison Rotarians and guests recently enjoyed a Somerset Patriots baseball outing at TD Ballpark in Bridgewater. They braved the 90 degree hot weather in an air conditioned suite which was located directly behind home plate in the upper level. They had to pay attention to the many foul balls which came their way. The Rotarians thank the Somerset Patriots for their generosity in donating this suite to Taste of Madison. The suite was purchased by Rotarian Barry Kroll in the silent auction at the Taste and shared with the Club.

The Rotary Club of Madison has an

enthusiastic and engaged network of ordinary people doing extraordinary things to serve humanity in our local and global communities. We have 88 members and are inviting likeminded individuals to join our successful and vibrant club. President Michel Belt encourages you to come learn about Rotary by attending any one of our three weekly meetings as our guest.

You have your choice of two weekly meetings: Thursdays, 7:47 a.m. breakfast at the YMCA, 12:15 p.m. lunch at the Madison Hotel.

To learn more, join or visit a Rotary meeting, contact Barry Kroll, at barrykroll@aol.com or 973-476-2772.

## PASSAGE OF THE LEGION ACT BY CONGRESS

*Submitted by Linda Kale*

Congress recently approved the LEGION Act (Let Everyone Get Involved in Opportunities for National Service Act) (S.504). This action will allow veterans who served during peacetime ("the gaps") to be recognized as acceptable candidates for membership in the American Legion. For decades, many veterans were denied the opportunity to join (and the benefits of membership) simply because no declared war existed during their service time.

Congratulations to the thousands who openly supported this Bill for their concentrated efforts

to have their representatives act appropriately.

American Legion Post 433 serves New Providence, Chatham, Berkeley Heights, Stirling and Gillette and has been active since 1946. The American Legion is the largest and most powerful organization of U.S. wartime veterans and their families. The American Legion has delivered substantial improvements for veterans, families and communities.

To become a member or for more information about the American Legion Post 433 call 908-464-9010 or email [alpost433@live.com](mailto:alpost433@live.com).

# THE ART LEAGUE OF THE CHATHAMS FALL EXHIBIT AND SOLO SHOW BY DEBORA THEDINGA "NJ & BEYOND-LANDSCAPE PAINTINGS"

*Submitted by Ann Frommer*

A solo show of paintings by Debora Thedinga, of Berkeley Heights, landscape and plein air painter, opens with a reception on Friday, September 13, 2019 from 6:30 - 8:30 p.m.

Debora's paintings primarily focus on scenes from her home state of New Jersey and the surrounding areas. Her rich, impressionistic paintings depict familiar motifs of human design that establish a link between nostalgia and the landscape's reality. Whether completed in her studio or on location (en plein air), Debora pushes herself to create pieces that evoke a mood that resonates with the viewer.

Debora says, "Painting images on a small scale is both challenging and rewarding. The challenge is to use color, value, and light in a way that allows an expansive vista to be viewed successfully through a small window. The creation of a mood that transports the viewer through this tiny porthole and into the landscape is the ultimate reward."

Debora studied art at Glassboro State College and the Visual Arts Center of New Jersey.

*(above) Debora Thedinga's solo show "NJ & Beyond-Landscape Paintings" will open, along with the Art League of the Chathams Fall Exhibit, on September 13.*

Besides painting, she works at Governor Livingston High School as an Educational Sign Language Interpreter. Her sharp observation skills and talent for visual explanation plays a key role in her ability to successfully provide American Sign Language/English interpretations for students and teachers.

The Art League of the Chathams also features its strolling gallery, displaying art of its member

artists. The Fall Show runs from September 13 through December 3, 2019 during normal business hours. Art is available for sale. For more information, call 973-635-0845.

The Lundt-Glover Gallery is located in the Twp. of Chatham Municipal Building, 58 Meyersville Rd, Chatham, NJ 07928. The building is handicapped accessible and exhibition is free and open to the public.

For the last few years our charity racing team, Operation Rebound, has been sponsored by Backpacks for Life (BFL). This amazing charity is responsible for providing thousands of homeless veterans with backpacks full of essential toiletries and personal items. Also, the BFL will seek out veterans in need and help them with housing, food, employment and any other service that will help them live a better life.

The founder of the BFL, Brett D'Alessandro, is a United States Marine Corps veteran and started this outstanding charity shortly after he returned home from his tour of duty in Afghanistan. Brett recalls living out of a backpack during the war and felt a backpack can be a life-saving tool. In just a few years, Brett and the BFL are responsible for making thousands of backpacks for our homeless veterans.

The BFL doesn't just do backpacks, they are committed with helping our disabled veterans by providing them with the necessary resources and life-saving services by participating in various health fairs and PTSD groups. The BFL estimates about 350 disabled veterans have benefited from their resources and outreach. The BFL feels it's easy for a veteran to feel lost in the system. There are amazing resources out there, but it can be overwhelming trying to navigate it alone, so the BFL is there to help and guide the veteran through this agonizing process. What makes the BFL special is they invite veterans into their home and help with filling out paperwork, draft resumes, apply for housing, or whatever else is needed to help the veteran.

The future looks bright for the BFL. They're

excited to expand their backpacks distribution and reach even more homeless veterans. As they connect with more veterans' organizations across the country, they will equip even more communities with backpacks.

Their mentorship and coaching process will soon be accessible online. In this exciting development, veterans from across the country will be able to utilize the organization despite their location. Through this growth, the BFL focus remains on bringing hope back into the lives of veterans.

The BFL is out there every day making a difference and the Operation Rebound Racing Team is lucky to be a part of this incredible charity.

If you are interested with helping the Backpacks for Life please visit their website [backpacksforlife.org](http://backpacksforlife.org).

## HISTORICAL SOCIETY RECEIVES GRANT FOR RED BRICK SCHOOLHOUSE

*(above) The Red Brick Schoolhouse will be evaluated for a Preservation Plan and will be nominated to the state and federal Historic Register thanks to a Morris County Preservation Fund grant.*

*Submitted by Martha Wells*

On July 10, 2019 the Morris County Freeholders approved a Morris County Preservation Fund grant for the Red Brick Schoolhouse, officially known as Mount Vernon School. The grant was applied for by the Chatham Township Historical Society and will provide \$22,800 for a Preservation Plan and Nomination to the state and federal Historic Register. The Preservation Plan will be formulated by Connolly and Hickey Historic Architects. It will identify and prioritize the structural needs of the building and the mechanical systems, and provide recommendations for remediation that preserve its historic integrity. The project will require extensive research into the building's structural and social history and a detailed examination of the school. This grant covers 80% of the project. The Historical Society will provide the remaining 20% of the funds.

The project is the first step in obtaining grants to make the repairs and mechanical upgrades that the building needs.

The Red Brick Schoolhouse has served the community since its construction in 1860. It has been a school, Sunday school, community center, art club studio, town hall, and is now a museum.

# LEAGUE OF WOMAN VOTERS AND THE GIRL SCOUT VOTER GIRL PROGRAM

Submitted by Kathy Abbott, on behalf of The Morristown Area League of Woman Voters and the Girl Scout Council of Northern New Jersey

Just as New Jersey's Primary Elections season began, The League of Women Voters of the Morristown Area partnered on March 30th, 2019 with Chatham Girl Scouts and ran a Voter Girl program for 170 girls. At this half day activity, a new and growing pro-girl civics program, the Morristown Area League of Women Voters ran a realistic mock voting activity, hosted women elected officials as speakers, and facilitated the girls earning Girl Scout citizenship badges.

The Scouts ranged from second grade through high school and scout leaders taught badge workshops about community, government, debate and compromise, elections, public policy and advocacy. The workshops also covered the timely Centennial of the 19th Amendment (establishing American women's right to vote) coming up in 2020.

The event opened with welcome remarks from Betty Garger, CEO of Girl Scouts of Northern New Jersey, and Nancy Hedinger, President of the League of Women Voters of New Jersey.

Elected officials speaking and teaching the Girl Scouts included Ann Grossi, Morris County Clerk, Chatham Borough Council Members Vicki Fife, Jocelyn Mathiasen, and Carolyn

Dempsey, former Chatham Township Mayor Susan Hoag, and Morris Township Deputy Mayor Cathy Wilson. These elected officials represented both the Democrat and Republican Parties.

"As a member of the Board of the League of Women Voters of New Jersey and as a Girl Scout Leader in Chatham, I thought Voter Girl was the perfect Program to hold this year for the Chatham Girl Scouts' annual Day of Service. We created a lot of energy that coincides with the current surge of women in politics as well as with the upcoming celebration of the 100th Anniversary of the 19th Amendment." said Kathy Abbott, Voter Girl program organizer who was also a former Chatham Township Committee member.

"The League of Women Voters of New Jersey would be happy to speak to any Girl Scout group about partnering with us to host Voter Girl," said Nancy Hedinger, President of the League of Women Voters of New Jersey.

Guest speaker, Borough Council Member Carolyn Dempsey said, "The Voter Girl event gave each Girl Scout, from our youngest Brownies through our high school seniors, the opportunity to see the history of women's suffrage and leadership in our country, and how

they are a part of that story today. We all have a voice, opinions and perspectives that are valuable and deserve to be heard. That is true from the time we are young girls through every stage in life. The Girl Scouts, and this event in particular, makes it clear to girls that they are the leaders of today and tomorrow, and it gives them the tools to harness their leadership potential."

Anne Grossi, Morris County Clerk and guest speaker said, "It was an honor to be among numerous elected women speaking at the Voter Girl event on March 30th. Discussions ranged from the women's suffrage movement, issues faced by women who want to enter politics, and the nuts and bolts of elections to the importance of young girls getting involved, speaking out on issues they feel strongly about, and voting and being heard. It was a fabulous event, expertly coordinated by the Chatham Girl Scouts and League of Women Voters."

Former Chatham Township Mayor and guest speaker Susan Hoag said, "It was an amazing experience that brought the Girl Scouts together with women currently in public service to learn about women's history, our current status and the future that the Scouts represent. Bravo to all the leaders and volunteers who made it happen!"
