GREEN BROOK POLICE HOST ANNUAL NATIONAL NIGHT OUT

The Green Brook Police Department hosted the annual National Night Out Against Crime on Tuesday August 6th, 2019 at the Green Brook Middle School. The police were joined by the Green Brook Fire Department and Rescue Squad for the community building event.

First responders held demonstrations for the kids, and allowed them to explore their vehicles, complete activities, and ask any questions. The event featured different vendors from the surrounding areas. Inflatable attractions, a DJ, and free food were also available to everyone in attendance.

National Night Out is an annual community-building campaign celebrated by millions of neighbors across thousands of communities in America to enhance the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it is designed to: Heighten crime and drug prevention awareness; Generate support for local anti-crime efforts; Strengthen neighborhood spirit and police community partnerships; and Send a message to criminals letting them know neighborhoods are organized and fighting back. WATCHUNG HILLS ELKS LODGE 885

Candace and Adam Benzel recently led a community service project to work with the Andre Reed Foundation to renovate a reading room at the Boys and Girls Club of Paterson and Passaic, NJ. Buffalo Bills NFL Hall of Fame wide receiver Andre Reed established the Andre Reed Foundation to "help underprivileged children reach their full potential and become contributors to their communities." The goal of Andre's "Read with Reed" program is "to encourage kids to exercise their minds, tackle good books, and catch the love of reading."

The project was a culmination of months of organization and collaboration. Candace and Adam are happy to share that through the book drive at Watchung Hills Elks Lodge 885, they were able to collect 839 books, 10 tapes and CDs, 7 learning activity books, 23 puzzles and games, 8 craft projects, and 14 other miscellaneous donations! Overall, the project collected over 1300 books and supplies to benefit the Boys & Girls Club – 250 kids in the summer camp

program and 1100 kids that use the club throughout the year. On the day of the project, 20 volunteers spent 5 hours renovating the room and sorting the books for a total of 100 hours of work. And that doesn't include the efforts of local Elks John Pizzigoni and Pete Seavey helping Adam box and carry the books and Denise Heilman helping Candace sort and count the books.

Candace and Adam would like say "THANK YOU to the Elks and to the Warren community for donating the books and for the enthusiastic support of this great cause. This project has so clearly embodied our motto 'Elks Care, Elks Share.' THANK YOU!!!!!"

Are you interested in making new friends, providing direct service to veterans, special children or making a difference in your community? Consider joining the Elks – learn more about us at www.elkslodge885.org, come down and meet us at Watchung Hills Elks Lodge 885 or send us an email to get the ball rolling at membership@elkslodge885.org.

HELPING HOMELESS VETERANS WITH BACKPACKS FOR LIFE

Submitted by Michael Boll, New Jersey Veterans Network

For the last few years our charity racing team, Operation Rebound, has been sponsored by Backpacks for Life (BFL). This amazing charity is responsible for providing thousands of homeless veterans backpacks full of essential toiletries and personal items. Also, the BFL will seek out veterans in need and help them with housing, food, employment and any other service that will help them live a better life.

The founder of the BFL, Brett D'Alessandro, is a United States Marine Corps veteran and started this outstanding charity shortly after he returned home from his tour of duty in Afghanistan. Brett recalls living out of a backpack during the war and felt a backpack can be a life-saving tool. In just a few years, Brett and the BFL are responsible for making thousands of backpacks for our homeless veterans.

The BFL doesn't just do backpacks, they are committed to helping our disabled veterans by providing them with the necessary resources and life-saving services by participating in various health fairs and PTSD groups. The BFL estimates about 350 disabled veterans have benefited from their resources and outreach. The BFL feels it's easy for a veteran to feel lost in the system. There are amazing resources out there, but it can be overwhelming trying to navigate it alone, so the BFL is there to help and guide the veteran through this agonizing process. What makes the BFL special is they invite veterans into their

home and help with filling out paperwork, draft resumes, apply for housing, or whatever else is needed to help the veteran.

The future looks bright for the BFL. They're excited to expand their backpacks distribution and reach even more homeless veterans. As they connect with more veterans' organizations across the country, they will equip even more communities with backpacks.

Their mentorship and coaching process will soon be accessible online. In this exciting development, veterans from across the country will be able to utilize the organization despite their location. Through this growth, the BFL focus remains on bringing hope back into the lives of veterans.

The BFL is out there every day making a difference and the Operation Rebound Racing Team is lucky to be a part of this incredible charity.

If you are interested with helping the Backpacks for Life please visit their website backpacksforlife.org.

About Operation Rebound

Operation Rebound is a mobile outreach team of mentors who help at-risk veterans and first responders to live a better life. For the last two years, our team has made huge strides with suicide prevention simply by building trust and cementing friendships with people in need. It's most important to be honest with each person in crisis and follow up with ways to help them regain purpose in life. Setting goals motivates them to stay on a positive track. If you are interested with joining the Operation Rebound Racing Team please feel free to contact Michael Boll at mdbollio@optonline.net or call 973-332-1556.
