COMMUNITY CELEBRATES NATIONAL NIGHT OUT

On Tuesday, August 6, 2019, the New Providence Police PBA invited the community to join millions of neighbors across thousands of communities from all fifty states, U.S. territories and military bases worldwide for National Night Out.

This year's event included activities for children, a meet and greet with local police officers and other emergency department personnel, giveaways and music. Representatives from local community organizations also set up tables to meet and greet the public.

The event culminated with the last summer concert of the season featuring the Elefante Family Band with The NJ Jazz Academy.

THIRD ANNUAL NEW PROVIDENCE BOOK FESTIVAL SET FOR SEPTEMBER 22

New Jersey authors will sign books and talk to visitors at the New Providence Book Festival on Sunday, September 22, 2019. The festival will include a series of talks by authors Lisa Romeo, Elissa Matthews and David Watt. Other authors signing their books include Bert Abbazia, J.R. Bale, Linda Barth, Michael Stephen Daigle, Reyna Favis, Vivian Fransen, Kerry Gans, Kristina Garlick, Laura Kaighn, Angela LaCarrubba, Bob Mayers, Jenn Stroud Rossmann and David Watts.

“We wanted to create an event that connects authors with readers in a very personal way,” explained J.R. Bale, author and one of the organizers of the event. “With over 15 authors of various genres, it should be a stimulating event for even the most casual book lover. Last year’s

festival was very well received. And this year, we expect to top ourselves.”

Anyone purchasing a book at the festival will also receive a free raffle ticket for drawings for a \$50 gift certificate for Moe’s Bistro and a \$25 Barnes & Noble gift card. Other vital festival sponsors include the Lantern Hill retirement community and the Book Lovers Dispatch.

The festival will be held on the grounds of the Salt Box Museum at 1350 Springfield Avenue from 9:00 a.m. to 4:00 p.m. The rain date is September 29, 2018. KEYS 2 SUCCESS BRINGS MUSIC AND "STEAM" TO CAMPERS

Submitted by Kenna Srivastava

Employing the help of 16 Union County students and some of their parents, Keys 2 Success conducted their annual free STEAM (Science, Technology, Engineering, Arts, Mathematics) camps from July 8 through 19, 2019, at the Community Christian Presbyterian Church in Newark, NJ.

The student volunteers, many of whom attend the Union County Vocational Technical Schools and New Providence High School, joined a cohort of teenage Newark volunteers and four staff members to assist in all aspects of the camp, including teaching, developing curriculum and serving dinner. During the two-week span, 74 students between the ages of 4 through 14, most of whom live in Newark's public housing projects, were introduced to Scratch and Python programming, music theory, flute, piano, digital music production, cartooning, as well as STEM based learning activities.

The campers enjoyed the experience thoroughly, as did the volunteers. Malathi Narayan, a long-time New Providence resident and architect, who organized the STEM block during Drum Camp, said "I was very impressed with how engaged the kids were with the activities."

On the last day of camp, Keys 2 Success held a Camp Concert, where students performed an arrangement of "Happier" by Marshmello on keyboards and drums before a packed room of friends and family. Within the short timespan of two weeks, students learned how to play a piece on two instruments and some even began teaching it to their peers.

Parents and students alike expressed their appreciation for the program. Rashonna Bryant, whose seven year-old daughter, Jaziah, started studying piano in the Keys 2 Success program two years ago, signed up her two middle school sons this year for the summer camp, stating, "We really want our kids to come and learn. We know that these programs usually cost hundreds of dollars and [Keys 2 Success] is providing it for free."

Keys 2 Success is a non-profit which provides some of Newark's most underserved students with a high quality musical education. Centered on the keyboard, Keys 2 Success provides year-round instruction in Newark public school and public housing project to students starting as young as Pre-K. With the assistance of Keys 2 Success' faculty and volunteers, students receive lessons multiple days a week, in ensemble with individualized coaching, at no cost to the families

or the centers. Since its founding in 2016 with only twelve first and second grade students, the program today serves over seventy students. The program's founder, Dr. Jee-Hoon Krska, a Juilliard-trained classical pianist, MIT-educated engineer, New Providence resident, wife and mother of three, wanted to provide these children with the same opportunities available to her own. Believing that music education is a vehicle that allows children to tap into their inherent capabilities, Dr. Krska helps them develop the discipline and strategies to thrive.

While Keys 2 Success' main focus is music education, the STEM aspects of its summer program are integral to its overall goal of providing students with a quality education. It is well-documented in scores of long-range studies that STEM and training in the arts provide synergistic benefits to form a complete educational experience. Keys 2 Success seeks to expose students to the many facets of a quality education, and through those experiences, connecting students to a larger community of peers and mentors.

Keys 2 Success is a community partner of the Junior League of Summit and Arts Ed Newark. A vibrant and growing community of volunteers drawn from Newark and Summit neighborhoods serve in the classroom and behind the scenes to form a robust network of mentors and advocates for the children, helping them navigate through and breakdown barriers to success.

To learn more about the program, the people, volunteering, or donating, visit Keys 2 Success at keysnewark.com.

(above) During the Keys 2 Success STEAM camps, campers were introduced to Scratch and Python programming, music theory, flute, piano, digital music production, cartooning, as well as STEM based learning activities.

TEN VOLUNTEERS TRAIN TO SERVE AS ADVOCATES FOR FOSTER YOUTH

Submitted by Gretchen Boger-O'Bryan

Eight municipalities are represented in the latest class of 10 volunteers to successfully train as advocates for Union County youth removed from home due to abuse or neglect, and now living in foster care. Court Appointed Special Advocates (CASA) of Union County is the only organization serving as extra eyes and ears for family law judges in an effort to protect best interests and ensure needs are met.

As the soon-to-be advocates arrived at the courthouse, Judge Richard Wischusen continued his practice of exiting his courtroom to greet and

speaking with the waiting volunteers. Later, while on the bench during the ceremony, he commended each for their commitment to the community's fragile child victims, and discussed the value of the CASA program to those children and case stakeholders, noting he always reads the CASA report and seeks their input during hearings.

Volunteers with varied backgrounds make successful advocates and this class, ages 24 to 71, is no exception. Each brings diverse experiences, including an adoptee, an adoptive parent, former military, immigrants, nonparents and parents, retirees, full- and part-time employees, and undergraduate and graduate students. Professional backgrounds include education,

retail, nonprofit, information technology and academia. Most had no prior knowledge of the foster system.

The final step before meeting their assigned foster youth is observation of seasoned CASA volunteers in court. Once assigned to the case, a court order grants access to the child, foster parents, doctors, caseworkers, therapists and teachers, enabling advocates to make informed recommendations in the child's best interests.

There are approximately 500 Union County youth from birth to age 21 in foster care, and more than 200 are waiting for a CASA volunteer. Is that you? Contact Courtney at cgreen@casaoofunioncounty.org or 908-293-8136 to learn more.

HELPING HOMELESS VETERANS WITH BACKPACKS FOR LIFE

Submitted by Michael Boll, New Jersey Veterans Network

For the last few years our charity racing team, Operation Rebound, has been sponsored by Backpacks for Life (BFL). This amazing charity is responsible for providing thousands of homeless veterans backpacks full of essential toiletries and personal items. Also, the BFL will seek out veterans in need and help them with housing, food, employment and any other service that will help them live a better life.

The founder of the BFL, Brett D'Alessandro, is a United States Marine Corps veteran and started this outstanding charity shortly after he returned home from his tour of duty in Afghanistan. Brett recalls living out of a backpack during the war and felt a backpack can be a life-saving tool. In just a few years, Brett and the BFL are responsible for making thousands of backpacks for our homeless veterans.

The BFL doesn't just do backpacks, they are committed to helping our disabled veterans by providing them with the necessary resources and

life-saving services by participating in various health fairs and PTSD groups. The BFL estimates about 350 disabled veterans have benefited from their resources and outreach. The BFL feels it's easy for a veteran to feel lost in the system. There are amazing resources out there, but it can be overwhelming trying to navigate it alone, so the BFL is there to help and guide the veteran through this agonizing process. What makes the BFL special is they invite veterans into their home and help with filling out paperwork, draft resumes, apply for housing, or whatever else is needed to help the veteran.

The future looks bright for the BFL. They're excited to expand their backpacks distribution and reach even more homeless veterans. As they connect with more veterans' organizations across the country, they will equip even more communities with backpacks.

Their mentorship and coaching process will soon be accessible online. In this exciting

development, veterans from across the country will be able to utilize the organization despite their location. Through this growth, the BFL focus remains on bringing hope back into the lives of veterans.

The BFL is out there every day making a difference and the Operation Rebound Racing Team is lucky to be a part of this incredible charity.

FREecycleFEST RETURNS TO NEW PROVIDENCE ON SEPTEMBER 28

Submitted by Joe Testa

Sustainable New Providence will be hosting the second New Providence FreecycleFest on Saturday, September 28, 2019, from 9 a.m. - 4 p.m. at the American Legion, 357 Elkwood Ave. FreecycleFest is our annual big "garage sale" without the sale – everything is free! You can help keep things out of the landfill by contributing unwanted, but still usable, items. Other members of our community can drop by and take what others have donated! Small furniture items, electric appliances, lamps, housewares, craft supplies, toys, pet supplies, and exercise equipment are all great items that

can find a new home and be appreciated by someone else when you no longer need them.

Donations should be brought to the American Legion between 9 a.m. and 1 p.m. on September 28. This year we will not be able to accept clothes, books, or large furniture items. (Please, no drop-offs before the 28th.)

For more information on how FreecycleFest works, details on what items we can or can't accept, and contact information, see tinyurl.com/NPfreecyclefest.

Interested in volunteering to help on the 28th? Please fill out our volunteering form at tinyurl.com/FreecycleFestVolunteer.

ROCK OPERA CHESS AT CDC THEATRE

The 2020-2021 season at CDC Theatre in Cranford will open with the complex rock opera Chess, with lyrics by Tim Rice and music by Benny Andersson and Björn Ulvaeus of ABBA fame. In the musical the ancient game becomes a metaphor for romantic rivalries, competitive gamesmanship, super-power politics and international intrigues.

The pawns in the drama form a love triangle: the loutish American chess star, the earnest Russian champion and the Hungarian American female assistant who arrives at the match with the American but falls for the Russian. From Bangkok to Budapest, the players, lovers, politicians and spies manipulate and are manipulated to the pulse of a monumental rock score that includes the international pop hits “One Night in Bangkok” and “I Know Him So Well”.

“In addition to Chess being one of the most beautiful musical scores ever written, what excites me about the show is that it is at once a historical representation of the Cold War and a very timely exploration of US/Russia political relations given present day tensions.”, said director Edgar Hidalgo. “CDC Theatre is producing the original London stage version of Chess, with the addition of “Someone Else’s Story” from the Broadway production. We are excited to be presenting Chess in association with the New Jersey City University (NJCU). Students and alumni of NJCU are represented on-stage and in the orchestra, and the university’s musical theatre and music departments are providing support in other areas of the production.”
