MADISON & MAIN ADVISORS HOSTS GRAND OPENING RIBBON CUTTING

Madison & Main Advisors, LLC, opened their doors at 266 Main Street in the heart of downtown Madison for the first time on the morning of July 1, 2019. On Thursday, October 3, they made it official by hosting a grand opening ribbon cutting ceremony with Mayor Robert H. Conley. The ceremony took place in front of the recently renovated historical building that serves as the firm's new home.

"I can't tell you how thrilled we are to be part of the Madison community," said Gary Borowiec, one of the founding partners of the firm. "We have always been committed to helping people just like us manage and protect their wealth, and the citizens of Madison were quick to let us know that we have found the perfect 'home' to do just that."

"Our entire team is excited to bring our specialties to Madison and to help make a difference for the people and businesses here—and that was even before we knew it was the official 'best place to live in New Jersey'!" joked Madison & Main's co-founder and president Michael DePasquale, referring to town's recent accolade of being named the best place to live by New Jersey Monthly magazine. "But truly, we couldn't be happier than to be making Madison the center of everything we

do."

Gary, Mike, and the firm's third co-founder, Jeffrey Dattolo, have a long history of serving together as a team, having worked side by side at Atlas Advisory Group, LLC, in Cranford, NJ, for more than a decade. And while the long list of initials that follow their names is impressive (AEP, AIF, CFP, CFA, ChFC, CLTC, CLU, LUTCF, NSSA, RFC, and RICP), perhaps the most important thing to note about this group is that they are clearly a team, through and through. "Our whole firm, from the advisors to our amazing staff, have been a family for years," said Dattolo. "We look forward to serving the people of Madison from this beautiful house—and our new 'home'—at 266 Main Street."

THREE JUNIOR FIREFIGHTERS CONTINUE THEIR JOURNEY TO SERVE THE COMMUNITY

Submitted by Steve Cavanaugh

The Chatham Township Volunteer Fire Department (CTVFD) is pleased to announce that Matthew Shockling, Michael Vintzel and Kyle Koehler recently obtained Junior Firefighter 1 Certifications from the Morris County Public Safety Training Academy this summer. The Junior Firefighter 1 Program is a nationally recognized, rigorous 5-week course that introduces participants to the basic skills of firefighting through both classroom sessions and hands-on training. This program is designed to allow members of the fire department under the age of 18 to obtain all the necessary training to become a certified firefighter in New Jersey. Once these members turn 18, they will each receive the official Firefighter 1 Certificates from the State of New Jersey and will be certified firefighters.

Chief Matthew Lemons explained, “the CTVFD is fortunate to have a strong junior firefighting program.” Over the years, many junior members have continued their interest in public service by pursuing careers as firefighters and police officers, both within this state and

throughout the country. “We are proud that Matthew, Michael and Kyle have continued this strong tradition and we know they will be valuable members of our department,” said Chief Lemons.

The junior program at the Chatham Township Volunteer Fire Department program is open to young men and women ages 16 and 17 years. No prior experience is required and the department provides all training and gear. If you are interested in learning more, please email membership@ctfd.org for more details.

About The Chatham Township Volunteer Fire Department

Established in 1925, the Department is comprised entirely of volunteer members including 25 active firefighters, junior firefighters and associate members providing services 24 hours a day, 365 days per year. The department operates its headquarters on River Road and a second station on Southern Boulevard and responds to approximately 400 calls each year, both within Chatham Township and in the form of mutual aid to departments in neighboring communities.

Following the overwhelming interest in its initial survey of residents on the possibility of establishing a park-and-ride commuter shuttle for Chatham Township residents, the Chatham Township Committee is taking the next step and launching a second survey to better understand the level of commitment among residents in actually utilizing the privately-run service.

Chatham Township Committeeman Curt Ritter said, "The Chatham Township Committee is launching Phase 2 of the proposed Chatham Township Pilot Commuter Shuttle Program that is designed to help address the perennial issue Chatham Township residents encounter every day when trying to park at the Chatham Borough train station.

"I encourage residents who are serious about utilizing this privately-run commuter service to complete the survey (<https://bit.ly/30OLSNG>), which was prepared in conjunction with TransOptions. We are interested in knowing how many residents will actually utilize the service and the frequency of their usage before formally launching the pilot program, which could begin as early as mid-November depending upon the responses we receive. This initiative, which offers approximately 72 parking spaces between Christ Church and Shunpike Field, will serve as a small step in addressing an issue that has confronted Township residents for years. Separately, we encourage local businesses and

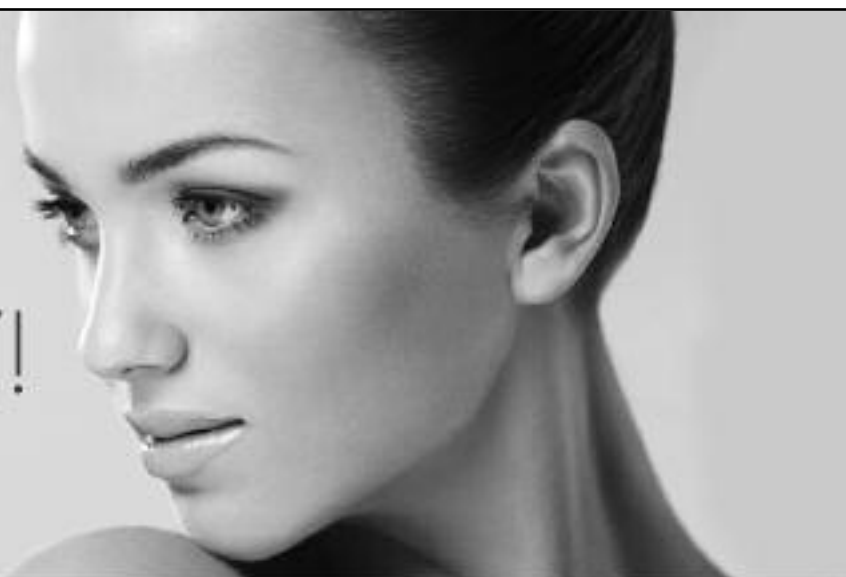

realtors who have an interest in sponsoring the shuttle and underwriting costs for commuters to complete the survey as well or to contact me at critter@chathamtownship-nj.gov."

About TransOptions

TransOptions is one of eight Transportation Management Associations (TMAs) in New Jersey. The TMAs are tasked with implementing strategies and programs that address traffic congestion, economic development, air quality, and livability issues. Each TMA is responsible for a designated service area, with TransOptions being responsible for the northwestern quadrant of the state. This area encompasses all of Morris, Warren and Sussex counties, as well as suburban Essex, Passaic and Union counties. Visit transoptions.org.

TINO'S ARTISAN PIZZA CUTS RIBBON IN MADISON LOCATION

Tino's Artisan Pizza Co. opened its doors in beautiful Madison, N.J. on Sept. 4th, 2019. It is located at 6 Main St. behind Chipotle. Tino's serves up 12" artisan pizzas along with appetizers, signature salads, sandwiches, Italian coffees, desserts, & gelato. Open 7 days a week they are thrilled to be in the town of Madison.

They offer full service dine-in or takeout which can be simply ordered online at toasttab.com/tinos

If you have already patronized Tino's you'll understand it is not your typical pizzeria. The difference at Tino's is there ovens are imported from Italy and are gas fired, baking their pies at

about 800 degrees in 90 seconds. More importantly, their concept is all natural with organic ingredients when available. Tino Procaccini, owner of Tino's says, "My concept really has taken off because these days everyone is doing their best to eat as healthy as possible. We offer our guests variety, from multiple types of lettuces to several pizza crust options. Most popular is our regular 8oz. crust made from unbleached, unbromated domestic flour as well as whole wheat, cauliflower, and gluten free crusts."

Tino Procaccini is not a newcomer to the pizza game. He began his foodservice career at the tender age of 19 opening his 1st full service Italian restaurant while attending Rider University full time graduating with a business management degree. Although he does not consider himself a chef by any means he gives all the credit to his mother and grandmothers where he learned hands on, the love for food and family. "It was a joy to watch the Italian women in my life put their heart and souls into whatever they were making for the family at any given time," says Tino. When you speak with Tino you can just see the passion for his concept and sharing it with his extended family at whatever location he finds himself any given day. His quick serve concept has grown to 5 locations and still looking to expand due to its popularity of fresh ingredients and uniqueness.

(above) Mayor Conley alongside Tino Procaccini of Tino's Artisan Pizza Co. surrounded by team members, fellow business owners, & council members to make Tino's official.

CHATHAM HISTORICAL SOCIETY HOSTS “SPACE RACE” PRESENTATION ON NOV. 10

The Chatham Historical Society is hosting a “Space Race” presentation by Kevin Woyce on Sunday, November 10, 2019 at 3 p.m. at the Library of the Chathams, 214 Main Street, Chatham. The event is free to the public and light refreshments will be served. Woyce is an author, photographer, and lecturer specializing in regional American history.

The event coincides with the celebration of the 50th anniversary of the Apollo 11 Moon landing in July 1969. Woyce’s presentation is packed with historic photographs and vintage concept

art. Woyce takes the audience to the dramatic “Space Race,” from the pioneering Mercury and Gemini flights to the first Apollo Moon landings, and lesser-known scientific missions.

Woyce will cover how the Soviet Union stunned the world in 1957 by sending the first artificial satellite into Earth orbit, and the space race that ensued. During the presentation Woyce will introduce the visionaries and scientists who made space travel possible, and the American astronauts who boldly traveled “where no one has gone before.”

Debora studied art at Glassboro State College and the Visual Arts Center of New Jersey. Besides painting, she works at Governor Livingston High school as an Educational Sign Language Interpreter.
