FALL ENCAMPMENT FOR MADISON-HARDING GIRL SCOUTS

Submitted by Laura Axler

On a beautiful fall weekend this October, more than 150 Madison-Harding Girl Scouts in grades 3-5 and their leaders spent a fun-filled Encampment at Camp Lou Henry Hoover in Newton, NJ.

The 15 girls from eighth grade Cadette troops 5631 and 5632 continued the tradition of planning and hosting this special annual weekend of fun for the younger troops. They planned every aspect of the event, including crafts, activities, decorations, and a camp-wide game of "Clue" that tied in with the weekend's "mystery" theme. In the Craft Studio, the planning troops guided the younger girls as they decorated masquerade masks. They also led field games, including capture the flag, tug-of-war, and a hungry hippo game where partners worked together to move around the floor on square scooters to collect plastic balls in small laundry baskets.

Camp Hoover staff was also on hand to run the archery, low ropes course, and boating activities. The blue sky and autumnal foliage were the perfect backdrop as the girls paddled their canoes and rowboats around Swartzwood Lake.

Before dinner, the scouts exchanged SWAPS (Special Whatchamacallits Affectionately Pinned Somewhere)—tiny handmade crafts that they pinned on lanyards to keep as a memento of the weekend. Later in the evening, they enjoyed making smores and singing camp songs around the fire. Back in the cabins, troops planned their own evening activities, including games and crafts. This amazing weekend, planned by the eighth grade troops, is just one example of how Girl Scouts helps girls learn important life-long skills that they will use forever.

CATHIE COULTAS WINS COUNTY AWARD

Submitted by Samantha Sayles

The Morris County Park Alliance recently held its Community Recognition Awards and presented Cathie Coultas with its Outstanding Volunteer award. Committee member John Van Brunt presented Cathie with an attractive glass plaque and a New Jersey State Joint Citation provided by Assemblyman Anthony Bucco.

Cathie spearheaded the Nature Nuts program as a volunteer for the Borough of Madison Recreation Department since its inception forty-one years ago. Nature Nuts is a 5 week summer program sponsored by the Madison Recreation Department and the Madison Parks Advisory Committee. The fun summer program is used to teach youngsters about nature and how important it is to be a good steward of the environment.

The Nature Nuts program provides an opportunity for children in first through sixth grade to learn about and interact with their environment in a way that's often missing from school or athletics. Cathie's continued commitment to the program has ensured that

Madison children have had a place to learn about and experience the outdoors every summer. With a nature related theme each week, participants further their understanding through games, crafts, presentations and field trips.

MADISON ROTARY CLUB DISTRIBUTES DICTIONARIES TO THIRD GRADE STUDENTS

Submitted by Carmela Moeller

As part of their ongoing Literacy Program, 243 Madison third graders were gifted personalized dictionary/gazetteers from the Madison Rotary Club. Between October 23 and 25, the dictionaries were delivered to the third graders in all four public schools and St. Vincent Martyr School. The gazetteer section contains maps and almanac type information, which generated much enthusiasm and interest in the students.

Project Chair, Rotarian Judy DeGennaro noted the Dictionary Project is one small way in which Rotarians endeavor to help the next generation

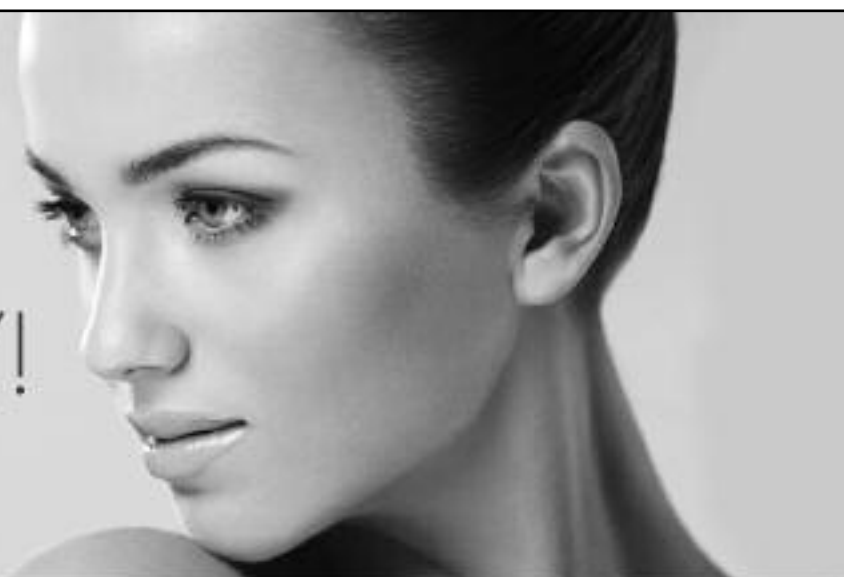

gain an appreciation of reading, language and vocabulary, all of which can make them proficient communicators and more successful in their future education and in life.

The Rotary Club of Madison has an enthusiastic and engaged network of ordinary people doing extraordinary things to serve humanity in our local and global communities. They have two weekly meetings: Thursdays, 7:47 am breakfast at the YMCA; 12:15 pm lunch at the Madison Hotel. For additional information, contact Barry Kroll, Membership Development Chair, at barrykroll@aol.com or 973-476-2772.

According to statistics, 21% of people over 65 do not drive and 50% of non-drivers are homebound daily. Lack of transportation is a leading cause of isolation among older adults and negatively affects their quality of life. In April 2017, Tri-Town 55+ Coalition launched the Rides for Seniors program, a discounted on-demand car service program for residents living in Madison, Chatham and Chatham Township to improve access to transportation.

"In 2016, a Needs Assessment Survey conducted in Madison, Chatham and Chatham Township identified transportation as a top concern. To address this need, Tri-Town 55+ Coalition partnered with GoGoGrandparent to enable older adults to access Uber and Lyft without the need of a smartphone. Looking at the number of rides, the age of the riders, and the destinations, we are happy to say we are enabling older adults to get where they need to go, when

they want to go," says John Crouthamel, President of Tri-Town 55+ Coalition.

The Rides for Seniors program has provided over 4500 subsidized rides. More than 385 registered seniors have used the on-demand car service to run errands, get to doctor's appointments, go shopping or visit loved ones. The ages of riders vary from 65 and older, but the largest number of riders are over the age of 85.

While GoGoGrandparent is available nationwide, the Rides for Seniors program is the only one of its kind to offer a discount to riders of the three communities. Riders receive \$5 off each ride up to four rides per month. The discount is made possible through grant funding and sponsorship support, including a grant from the Grotta Fund for Senior Care. Family and friends can also off-set ride costs through the Gift-a-Ride program. For more information, to register for Rides for Seniors, or to donate, visit the Tri-Town 55+ Coalition web site at tritown55plus.org.
