GARWOOD DAISY TROOP PLANTS FLOWERS FOR BADGE

Submitted by Vanessa Schubring

As part of gaining the "It's Your World - Change It" journey badge, Garwood Daisy Troop 41108 planted in the flower pots around town. In an effort to keep social distancing, the girls planted 13 out of the 27 flower pots.

We chose to plant marigolds, which is the first petal the girls earned as a Daisy. The meaning of the Marigold petal is to be responsible for what I say and do. The girls will be responsible for watering their flower pots as part of earning their journey badge.

Garwood Council President and Green team Liaison Jen Blumenstock said, "The Garwood Green Team was contacted by the Daisy Troop wanting to help us out by planting the flower pots with us. I love to see joint-team efforts by the groups in our little borough! It really brings us all together, especially in times like these. I'd like to give a big thank you to the Troop for making Garwood such a beautiful place."

In addition to planting flowers, Principal Day

was Friday, May 1, and with the extra flower buds we were able to plant a flower pot for Garwood's Principal Emmons to put on her front steps.

The Troop hopes to keep this tradition going forward, especially since it takes place around Mother's Day. It was a great mom/daughter event for all the girl scouts.

(above) Principal Emmons received a planted flower pot on Principal Day from Garwood Daisy Troop 41108.

LET'S WRITE HISTORY WITH THE LIBRARY

The Garwood Public Library, in collaboration with the Garwood Historical Committee, is seeking your help in documenting the impact COVID-19 has had on regular people, as it unfolds. The Library is collecting the thoughts and feelings about the impact the current quarantine has had on Garwood's residents of all ages, for an historical record of how the coronavirus affected our residents and our town. The collection will be made available to the public in the near future, when this quarantine period is behind us.

Starting April 20 and ending whenever the quarantine ends, we ask those who live and or work in Garwood to share, in 1500 words or less, their personal experiences in response to the current crisis. This written record can help us better understand and be prepared for future emergencies, can be used as an archive for historical research, and can be shared to unite us together, even as we are self-isolating.

Some prompts to get you started:

What has surprised you most as this quarantine has unfolded? What is your biggest fear? What is an unexpected, positive impact of the quarantine? What is the most difficult part of the quarantine? If you are a student, how has the self-isolation impacted your educational experience? What are your hopes for the future when this is all over?

All submissions must be accompanied by your first and last name, age, and any other information you wish to provide, such as occupation, school, grade, place of business, etc. If you like, you may submit a photo with your submission. By sending us your submission, you are agreeing that the Garwood Public Library and/or the Garwood Historical Committee has permission to share your words and pictures with the public as part of this historical record, and no benefit, financial or otherwise, is given or implied for the submitted materials.

Please send your submissions via email to garwoodlibrary@garwood.org.

THE SALVATION ARMY GARWOOD SERVICE UNIT RALLIES TO HELP NEIGHBORS

Submitted by Robin Albers

The Garwood Service Unit of The Salvation Army is pleased to announce a fundraising kick-off that will help Garwood residents in need of assistance purchasing groceries during this COVID-19 pandemic. We understand the challenging times in which we are all living and want to be there for our neighbors who are struggling to put food on the table. The funds raised will be used to purchase gift cards at a local grocery store which will then be distributed to individuals and families, in town, who are in need.

Make a donation of \$20 or more and you will receive a "Garwood Strong" lawn sign to proudly display your thanks to our first responders. Please donate by visiting: <https://bit.ly/2VyJedZ>. Lawns signs will be sent within 1-2 days of making your donation.

For those who need help getting groceries, please contact 908-403-5085 by phone call or text message and help will be on its way! This is strictly confidential and please do not hesitate to ask. We are here to help you!

Garwood Mayor Sara Todisco shared, "I am extremely proud to partner with Victoria of the Garwood Service Unit of The Salvation Army to help facilitate this fundraiser," and added, "No

one should go hungry during this pandemic. Please reach out. We are here to help you.

The Borough of Garwood is known as the "small town with a big heart." Let's keep that spirit alive by helping our neighbors.

For more information and to make a donation to The Salvation Army, please visit newjersey.salvationarmy.org.

ABOUT THE SALVATION ARMY

Nearly 30 million Americans receive assistance from The Salvation Army each year through the broadest array of social services that range from providing food for the hungry, relief for disaster victims, assistance for the disabled, outreach to the elderly and ill, clothing and shelter to the homeless and opportunities for underprivileged children. An Important Message to our Community

Your Safety is our Top Concern!

Gary S. Horan

Victor M. Richel

Thank you for your overwhelming support during this pandemic. Businesses, restaurants, community organizations, religious groups and many, many individuals have reached out to show our staff that they're valued. We are very appreciative.

Stay Safe

Although the number of cases in New Jersey is declining, it is very important that we don't let down our guard. Continue to be safe by wearing face masks, washing your hands and practicing social distancing.

Above all, do not ignore your health. Don't become so focused on the COVID-19 pandemic that you neglect symptoms of serious disease like stroke, heart attack, and of course any serious injury. Chest pain, bleeding, shortness of breath, loss of muscular control, severe pain or dizziness, drug overdose, severe depression or anxiety, suicidal thoughts...these are just some of the serious symptoms that should be treated in a hospital.

You can feel confident coming to the Emergency Room for any health emergency.

Keeping You Safe

Here are the steps we are taking to keep you safe during the pandemic:

- Everyone who enters the Medical Center is screened for fever and given a face mask
- Patients with COVID-19 symptoms are separated from patients who do not have symptoms, and their treatment is governed by strict infection control protocols
- Each member of our staff is trained regularly in infection control and prevention procedures, and in the use of personal protective equipment
- All areas of the Medical Center are cleaned consistently and thoroughly, and all patient rooms undergo a deep cleaning using several steps including state-of-the-art ultraviolet technology

To fight COVID, Trinitas purchased an additional Surfside unit that automatically disinfects every surface in every room where a patient has been treated.

What's Ahead

We are planning to reopen services including elective surgery, diagnostic procedures and outpatient testing – but only when it is safe to do so. Our experienced staff is conquering COVID and is ready and willing to care for all your health needs again.

As we start to return to normal in the coming weeks we ask that you stay safe, keep social distancing, wash your hands, wear a mask, and don't hesitate to seek medical attention if there is a need.

More than Ever - Caring for You in Every Way
