## FOOT LOCKER AWARDS BROOKE GALLO \$20K SCHOLARSHIP

*Submitted by Foot Locker Scholar Athletes Team*

Arthur L. Johnson High School graduate Brooke Gallo was awarded \$20,000 by Foot Locker as part of the Foot Locker Scholar Athletes Program that annually recognizes 20 students nationwide for exceptional leadership in the classroom and community, as well as for achievements in sports.

Across the country, school closures continue to impact millions of students, parents, and families, including student-athletes who are no longer able to experience the moments they've dreamed about and worked toward. On May 21, Brooke Gallo and other selected finalists joined a virtual discussion, facilitated by content creator and media personality Tony Mui, to connect with one another about how the COVID-19 pandemic is impacting their lives and communities. The robust discussion explored how students are coping, and provided an opportunity for them to share words of advice to their fellow high school seniors.

The finalists were then surprised with a celebratory reveal by NBA player Collin Sexton, who announced that they were all actually winners of the 2019/2020 Foot Locker Scholar Athletes Scholarship. "I know it's been tough for high school seniors everywhere, who have had to miss out on major milestones," said the Cleveland Cavaliers guard. "I'm honored to team up with Foot Locker to help reward these student athletes for all of their hard work and dedication, especially during this time." View the virtual discussion on Foot Locker's YouTube channel.

Recognized for her academic excellence and strong leadership skills both in sports and within her community, Brooke Gallo joined the program's eight previous classes of Foot Locker Scholar Athletes, which represents 180 total scholarship recipients since the program's inception in 2011, to pursue their college educations. During a time when the majority of students agree financial aid will be necessary for them to pay for college, and when families are facing more uncertainty about their economic futures than ever before, the Foot Locker Foundation continues to support college accessibility and affordability for outstanding student athletes through its Foot Locker Scholar Athletes Program for the ninth consecutive year. These game-changers serve as role models today who will go on to positively impact tomorrow through their sheer determination and passion.

"In these unprecedented and challenging times, we're more committed than ever to supporting and empowering young people to pursue their dreams and attend college," states Richard A. Johnson, Chairman & Chief Executive Officer of Foot Locker, Inc. "The Foot Locker Scholar Athletes program continues to be an important platform to celebrate some of the most talented and exceptional young scholar athletes across the country, who are making a tremendous impact within their communities.

A former cross-country runner, Brooke Gallo was diagnosed in her freshman year with Ehlers Danlos Syndrome, a rare and painful disorder that ended her running career early. Instead of letting the disability define her, she turned her energy and passion into amassing over 500 community service hours each year of high school. Her experience with her disability led her to create a Unified Sports Team at her school to bring athletes with and without intellectual disabilities together on the same team to compete. She was also

elected as the school district liaison for Special Olympics. In addition to leading the Unified Sports team, Brooke is also the captain of her varsity tennis team, a member of the varsity swimming team, and the Lieutenant Governor for New Jersey District for Key Club. A 3.7 GPA student, Brooke will attend Nova Southeastern University's speech pathology program and plans to help the university develop a Unified Sports Program of its own.

The availability of scholarship programs, such as the Foot Locker Scholar Athletes Program, can make a real difference in the affordability of a college education. With the 2020 Class, the Foot Locker Foundation will have invested more than \$3 million in the education and future of some of America's most promising scholar athletes. Supporting this all-star program is Fastweb, a trusted scholarship and financial aid resource used by students and some of the scholarship winners to help find opportunities to pay for school.

## JJ SHUTTE REELS IN A BIG ONE

(above) JJ Shutte and his big catch

Clark resident JJ Shutte successfully pulled in a beautiful huge Koi from the Rahway River in Clark. He caught it by the water fall on Valley Road. JJ is 7 years old and is going into the second grade at Valley Road School. He learned to fish from his Dad John.

JJ has a scientific interest in marine life and studies different sea creatures. He researches and experiments with different types of bait to use for each species.

The parks were closed for a few months during the COVID-19 crisis but are now open. His mom Trishia says "JJ is so happy the parks are open again during this time! He loves fishing by the waterfalls on Valley Road. It's his favorite spot."

JJ practices the "catch and release" fishing techniques and releases the fish he catches back into the water in a safe and humane way.

## BOY SCOUT TROOP 145 DONATES SANDWICHES TO ST. JOE'S FOOD PANTRY

*Submitted by John Cistaro*

Scout Troop 145 of Clark, NJ rallied together while social distancing to make approximately 270 sandwiches for St. Agnes's sandwich drive benefiting the St. Joseph's Food Pantry in Elizabeth, NJ. Each volunteer Scout was given a loaf of bread and a pound of meat and cheese donated by the Troop to make individually wrapped sandwiches.

Ted McKeown, Scoutmaster, said of the

service project, "We are proud of our Scouts and parents for donating their time and effort when people in our community need the help the most."

Troop 145 would like to thank St. Agnes for this opportunity and recognize the boys who worked on this project: Alex Marshall, Anderson Schieferstein, Andrew Silvestri, Brett Garcia, Chris Bacek, Dante and Xander Cistaro, Dillon Cahill, Erie Lugo, Giancarlo Gioffre, Jack Costello, Jason Lamendola, John Fleckenstein, Kevin Quain, Luke Ashley, Matt Kleczynski, Matt, Dan and Bob Vill, Nicholas Zotos, Nick Merola, Ryan Crowley, Ryan Fizer,

Sebastian Garcia, and Zak and Nick Raab.

Julianna Cistaro, a Girl Scout from Troop 40537, and Alicia Bolen also donated sandwiches via Troop 145.

Boy Scout Troop 145 is an active Troop of young men who dedicate themselves to the values of Scouting while learning and having fun in a safe environment. Scouting teaches leadership, citizenship and volunteerism, as well as appreciation for the outdoors. Most of the Scouts in Troop 145 achieve the prestigious rank of Eagle Scout. ## TWO CLARK RESIDENTS GRADUATE THE TRINITAS SCHOOL OF NURSING

Seventy-nine students including 2 Clark residents, received their nursing diplomas from the Trinitas School of Nursing for what would have been the 162nd Convocation Ceremony on May 28, 2020. Although a typical ceremony was not held, 68 women and 11 men became eligible to sit for the registered nurse licensing exam.

Clark graduates of the School of Nursing include: Melania Perez, and Lily Bierstein who also received the Memorial Award.

"The Trinitas School of Nursing is so proud of the second graduating class of the new decade, Class of May 2020," said Rose Santee, Dean of the Trinitas School of Nursing, which is affiliated with Union County College, and also awards Associates in Science Degrees to the graduates. "We are very proud of our students, our faculty and staff, and our photographer, Grace Photography, for doing this professional work during a very challenging situation and practicing all precautions including screening, social distancing, hand-washing, and masking (except for graduates at actual photo taking but still socially distant)."

Trinitas School of Nursing, operated jointly by Trinitas Regional Medical Center and Union County College, currently holds full accreditation from the Accreditation Commission for Education in Nursing (ACEN), and the New Jersey State Board of Nursing. The National League for Nursing has awarded the School of

Nursing a third designation as a Center of Excellence in Nursing Education status for the years 2015 - 2020 for Creating Environments that Enhance Student Learning and Professional

Development. The School also holds a 20-year, 40-class national licensing examination (NCLEX) passage rate of 86.30% on first writing.

## UNION COUNTY RESIDENTS JOIN LITERACY VOLUNTEER TUTOR PROGRAM

Submitted by Nancy Lama

Literacy New Jersey welcomes ten new volunteer tutors from Union County who have joined the ranks as English as a Second Language tutors after completing a 15-hour training course. The new trainees include Leah Brown, Joan Craig, Carolyn Daurio, Tom Ganley, Tom Kaercher, Sherry Krakauer, Laura Lesniak, Ken Mirsky, Wilneris Santana and Teresa Tejada-Melo. The training prepares tutors to work with adults who struggle with reading, writing and speaking English. Literacy New Jersey tutors work in libraries, schools and church centers throughout Union County helping adults improve their skills in order to find better jobs, help their children in school, and become more involved in the community.

Several of the new trainees got right to work and are already teaching at locations such as the Elizabeth Public Library and Summit High School, where Literacy New Jersey has thriving ESL programs. These programs serve the

growing immigrant population in Union County. Part of the recent Literacy New Jersey training included class observations at these locations where the new tutors had the opportunity to meet students and observe experienced tutors in action.

According to one trainee, "The tutor training program is very well put together. The trainers are amazing! I am confident about all I have learned and I am both excited and nervous to meet my students."

Literacy New Jersey runs tutor training twice a year, in January and September. The training provides a practical, hands on approach to working with adults, and includes ideas for materials and activities as well as strategies for lesson planning. Previous teaching experience is not required. For more information on training and other opportunities at Literacy New Jersey, please call 908-486-1777 or email [bbagger@literacynj.org](mailto:bbagger@literacynj.org).

## KEAN UNIVERSITY STUDENT-VETERAN RECEIVES K-9 SERVICE DOG

A special ceremony was held on Kean University's Union campus as senior Jason Pryor, a U.S. Army veteran, introduced the K-9 service dog that he received through an on-campus fundraiser.

Pryor, a senior from Elizabeth majoring in exercise science, did tours in Iraq and Honduras and suffers from PTSD. He received the K-9, named Keen, at the start of the Fall semester as a gift from the Kean Office of Student Government.

"Being with Keen has taught me to be more patient," said Pryor, whose dog accompanies him to class. "Keen is used as a measure to help prevent me from going through the symptoms

and effects of spiraling down, by me tending to his needs and having him tend to me."

Kean is ranked first in the nation among large public schools for its programs supporting student-veterans, according to the Military Friendly Schools survey.

Student Government raised nearly \$20,000 to support service dogs through Rebuilding Warriors, a volunteer non-profit organization whose mission is to provide trained service dogs to veterans. The bulk of the funds raised went toward training Pryor's dog, and the rest was donated to Rebuilding Warriors to help train other K-9 dogs.

At the ceremony held outside Miron Student Center, Vito Zajda, director of Veteran Student Services at Kean and a U.S. Coast Guard veteran, called Pryor a remarkable student.

"He has been a big support and influential person in our program," Zajda said. "He has helped open our eyes about how the University can best support its vets."

Vice President of Rebuilding Warriors Jeff Mullins, also a veteran, said post-traumatic stress disorder (PTSD) is a condition that can't be seen by others. "It's invisible, stays with you your entire life, and it's not easy sometimes," he said. "Our goal is to provide veterans and first responders with a service dog to help them achieve their new normal."

The University's Veterans Day event included a color guard, a performance of the national

anthem by the Kean Gospel Choir, and the presentation of other honors.

Juan Leon Torres, a senior from Spotswood also studying exercise science and a U.S. Navy veteran, received the 2019 Kean Veteran's Award for Outstanding Mentor. He develops transition opportunities and initiatives, and mentors a student-veteran each semester.

"Being a veteran and going back to school is super hard because you go from one community to a different lifestyle," Torres said.

Zajda noted that it is important to support veterans at all times. "The importance of Veterans Day is to recognize that it's 365 days a year, as veterans go through different highs and lows in their lives," he said.

# ARTHUR L. JOHNSON HIGH SCHOOL CLASS OF 2020 GRADUATES

TO THE CLASS OF 2020,

We made it!  
We, the class of 2020, are about to enter a new world full of limitless possibilities. Despite the fact that we are graduating and will no longer step foot in Arthur L Johnson High School as students,

the experiences, friends, and lessons we have gained and learned will stay with us far into the future. As we take these next steps in our life's journey, ALJ has offered us a great foundation to move forward. While this year has not been the most conventional, it has still been special

because it was ours. This is the beginning of an amazing journey so let's treat it as such!  
Best of luck to the graduating seniors.

## UNION COUNTY TEEN GETS CREATIVE IN SERVICE DOG QUEST

During a routine 12-year check-up two years ago, Cranford's Maeve Boger-O'Bryan was sent from her pediatrician's office directly to the emergency room at Children's Goryeb Hospital in Morristown. Thanks to her doctor recognizing signs of the autoimmune disease Type 1 Diabetes, Maeve received the urgent medical care she needed, which included several days in intensive care.

Type 1 Diabetes (T1D) occurs when the immune system attacks the cells in the pancreas that produce insulin, the hormone that regulates blood sugar. There is no cure. Unlike the more common Type 2 diabetes, T1D is unrelated to food choices or exercise. In order to survive, those with T1D must act as their own pancreas, regularly injecting insulin to maintain healthy blood sugars. Determining correct insulin amounts requires counting carbohydrates in all food and drink, and accounting for sports, the weather, even if they have a cold. Stressing about tests at school can send blood sugars awry, as can the warm water of a pool, bath or shower.

Maeve and her parents make no secret of the struggle to adjust. From classmates wary of "catching her diabetes" to stepping away from fun with friends to test, calculate and dose or treat a low. Sleep is impacted, too. Maeve wears a continuous glucose monitor (CGM), a sensor she inserts every 10 days, to ease blood sugar management and allow her parents to monitor levels by phone and during the night. Alarms sound if levels become dangerous.

There's another tool for those with T1D and, for many, it's a game-changer: Specialized service dogs trained to the scent of their handler's chemical shifts from high or low blood sugars. Well-trained diabetic alert dogs can sense changes at least half an hour before they happen or the CGM can register it. Preventing dangerous levels lessens risks for seizure, loss of consciousness, coma and more. Costs for such a dog, though, are steep, often well into the \$20,000s. After insulin, supplies and hospitalizations, that sum is out of reach for many

families.

When Maeve asked to start a Go-Fund-Me campaign, her parents tapped the brakes. "It's so important to us, nearly as much as her having this life-saving companion and support, that Maeve understand hard work brings the best results. We agreed to fundraising but told her she must have 'skin in the game.' That's when the brainstorming began," says mom Gretchen.

Enter Maeve's alter ego, GlucaGirl. In November, the 14-year-old began selling coasters she creates with alcohol ink on ceramic tile. Sealed with a glassy finish that withstands moisture and 270 degree heat, the unique \$10 works of art have been selling nearly as fast as Maeve — and now her parents — can make them. After a "porch pop-up" shop at their home, holiday craft shows and community members

spreading the word or donating funds, Maeve is closing in on \$5,000.

She says, "I don't think of myself as creative, but these are fun. I love seeing what the inks can do and then seeing people excited to pick their favorites. There's still a ton I need to make to reach the goal, and some days that's hard because some days after school I just want to relax. I know it won't matter, though, once I bring my service dog home." When the time comes, Maeve plans to ask those who've supported her to choose the dog's name with an online vote. She adds, "If I raise more than I need, I'm going to help others waiting for their service dog."

To see Maeve's tiles, make a purchase, learn more, or send a message, log on to [fb.me/GlucaGirl](https://fb.me/GlucaGirl), or search GlucaGirl on Facebook.

## Online Marketing is like the Wild West

Too many carpetbaggers are exploiting business owners, making empty promises that don't materialize.

Too many businesses are stuck in contracts with no return on investments, no way to check if the work is getting done, and needing to invest more to make things right.

The following is a guide to Renna Media services and costs that you can compare to your present provider.

I highly recommend doing an independent audit of your website!

Contact Walter Watson at [walter@www-online-enterprises.com](mailto:walter@www-online-enterprises.com)

## BOB MARKEY - SAVE THE TREES OF RAHWAY

During the past 20 years, over 2000 of Rahway's street trees have died or were removed and never replaced. Resident Bob Markey is producing a three-episode video which provides viewers with a sobering look into this serious crisis affecting Rahway's trees. The video also provides a toolbox to fix the tree problems and to rebuild Rahway's urban forest. There is a plan to accomplish it, but the effort needs help and support.

Markey states, "This crisis didn't happen overnight, nor is it the fault of any individual, city department or elected official. Over the years mistakes and oversights have been made."

The Arbor Day Foundation certified Rahway as a Tree City USA Community in 1997 with two primary requirements: Form a Tree Board and Enact a Tree Ordinance.

The video is to raise awareness and solicit help in the effort to rebuild, restock and restore Rahway's urban forest.

Folks can help by sending an email to [Help@SaveTheTreesofRahway.org](mailto:Help@SaveTheTreesofRahway.org), and by subscribing to Save The Trees of Rahway YouTube Channel, and by following the group on Facebook.
