ATTENTION GRABBER First come, first served. **CALL TINA**

VOLUNTEER RESCUE SQUAD NEEDS YOUR SUPPORT

Dear Friends and Neighbors,

completely volunteer department that provides Emergency Medical Care 24/7 to the residents of Kenilworth.

One thing that makes us so unique compared to other towns is that we operate almost solely on donations, including a donation from the town. With Covid-19 striking our town heavily, our operating costs have increased exponentially. In order to provide safe care and prevent spread of the virus, we spent nearly \$10,000 on decontamination supplies and personal protective equipment. Our Department's main fundraiser, The KFD Carnival, has been cancelled, and our Rescue Squad's fundraiser scheduled for November is uncertain at this time due to social distancing regulations.

Money aside, the manpower alone needed to operate was astronomical. Our call volume almost doubled, as did our man hours. Our average call takes about an hour and a half depending on the nature of the call. With the donning of protective equipment, sterilization, proper documentation, and decontamination of the ambulance, the average time rose

to about 4 hours per call. The height of Covid-19 for us was As you may know, the Kenilworth Rescue Squad is a in April: that month alone our EMT's dedicated an average of 253 of riding hours per person, that equates to riding 10 days straight. Again, these are all volunteer hours. Some members even chose to live at the firehouse 24/7 -so as not to risk infecting their loved ones. We hope this global pandemic has proven our dedication and commitment to the people of Kenilworth.

> We really could use your help now more than ever. Your support helps us to continue to provide the professional level of care that you deserve and that we all pride ourselves on. Thank you for your thoughtfulness and generosity.

Sincerely,

The Officers and Members of the Kenilworth Volunteer Rescue Squad If you would like to help, please mail your donation check to:

WHAT, WHERE, AND WHEN IN OLD KENILWORTH: LANDMARK GAS STATION MAY VANISH

The long, vacant landmark service station on the Boulevard at S. 20th St. has an unknown future. Resident Charles E. Vitale, Sr., 1902-1979, built it block by block in 1925 along with the labor of his wife, Nettie Lisanti Vitale, 1900-1946. They hand-molded reddish-brown bricks for the facade which was covered with beige bricks in the 1990s. He sold new cars. He and Nettie each pumped gas and did auto repairs. He called it Kenilworth Motor Sales and Services.

The left side was had a single bay for servicing the cars. The right side, with a large picture window, was the showroom. Many years ago, it was converted to a second bay for more car repairs. Above that area was a small apartment. There the couple lived with their children, Charlie, Jr., 1922-2006, and Peggy (Wanca), 1924-2018.

Son Charlie, recalled in 2005 the mischief that his father and other locals caused when in the '20s and '30s the Ku Klux Klan held rallies at the

old Upsala College campus at the top of N. 21st five cents a gallon. I drove a 1955 white St. Charlie noted, "My father and others put nails in the street leading to the former campus to protest the KKK coming to town in hopes of keeping them out of town. The tactic resulted in flat tires for Klansmen. My father wouldn't repair their flats. Unfortunately, some local residents also got flats, and my father was busy patching their tires for many days thereafter."

By the late 1930s old Dave Gluck was the owner and renamed it Dave's Service Station. He ran Kenilworth Television and Radio from the former car showroom. Repairs and gas sales continued. Son David, Jr. eventually took over the business operating it in the 1950s and 1960s.

In the late 1940s, Joe Neri and his friend, Lee Arrowsmith, started a collision repair shop in the rear section that was added years earlier. They called it L & J for their first name initials. It is now located on the Boulevard near Michigan Ave. trading as L & J Body and Fender Works.

In my 1960s teen-years, gas sold for twenty-

Ford convertible. It was never a problem getting three or four friends who wanted to ride along. Our first stop was that gas station, by then known as Kell's Town. Each chipped in a quarter for a dollar's worth of gas – a full four gallons worth! Off we'd go riding around town and surrounding areas for hours; roof down of course, weather permitting.

Sometime in the 1990s the station stopped selling gasoline and only serviced vehicles. It last was occupied by North East Tire Co. The 50 ft. X 125 ft. property was sold in 2019 for \$645,000. The property tax bill for that year was \$11,827. With its future unknown, this 95-year old gas station may become a vanished piece of Kenilworth history.

Research provided by Walter E. Boright, Ed. D., historian; Historic Signs, Inc. Persons with inquiries about this or other aspects of Kenilworth history may contact Dr. Boright at drbori@aol.com or 908-256-5200.

POSTMASTERS SHARE TIPS FOR RESPONSIBLE PET OWNERSHIP

Last year 169 letter carriers were victimized by dogs in New Jersey, including 16 in Union County. The 15 postmasters serving the 21 municipalities in Union County are therefore raising public awareness of the importance of responsible pet ownership in helping prevent dog bites.

To prevent dog bites, Union County Postmasters recommend the following responsible pet ownership tips:

- Obedience training can teach dogs proper behavior and help owners control their dog in any situation.
- When the letter carrier comes to your home, keep your dog inside, away from the door, in another room, or on a leash.
- Dogs can be protective of their territory and may interpret the actions of letter carriers as a threat. Please take precautions when accepting mail in the presence of your pet.
- Dogs that haven't been properly socialized, receive little attention or handling, or are left tied-up for long periods of time frequently turn into biters.

By following these few simple tips, pet owners can significantly improve neighborhood safety for everyone.

CANCER SURVIVORS AND THEIR CAREGIVERS NEED YOUR SUPPORT

Submitted by Ruthanne Brown, American Cancer Society (Northeast Division)

Media & Publicity Senior Volunteer

I'm a volunteer for the American Cancer Society, writing on behalf of cancer survivors and their caregivers. I write out of concern for this sector of the population because of the effect Covid-19 has had on them. Eleven percent of New Jersey's Covid fatalities have been individuals who were already battling cancer, then later contracted the virus. This pandemic has caused a myriad of obstacles for cancer patients who've been recently diagnosed or who require continued long-term care.

87% of cancer patients are experiencing disruptions in treatment and testing regimens. This crisis has made it difficult to maintain contact with health care providers, all of whom are overwhelmed and overworked at this point in time. Regular access to treatment is difficult to come by, which increases the probability for cancer cells to spread or even return in some patients. A number of research studies have been temporarily suspended; not a good thing when time is of the essence. All of this, plus the financial burden of paying health insurance premiums and medical co-pays is causing widespread anxiety for patients and caregivers alike.

We collectively, must stand together to protect our most vulnerable members of society. We

must make this a priority. We must NOT leave cancer patients behind.

I implore readers to make a contribution to the American Cancer Society. Over the past three months, gifts from donors have decreased dramatically. Many ACS fundraising events have been postponed or cancelled. However, please know we are ALWAYS here for you with cancer help and information when you need it.

Call us ANYTIME day or night at 1-800-227-2345

or visit us on the web www.cancer.org.

Your generous donations are graciously accepted to insure that cancer patients receive services they need NOW, and continue to have their needs met in the future.

We at the American Cancer Society are optimistically looking toward the future. Our dedicated volunteers are working on a safe social distancing plan so we may host community events soon. We are especially excited about "Bark For Life of Central NJ", our statewide Dog-Walk & Festival to raise funds and awareness in the fight against cancer.

Visit our webpage www.RelayForLife.org/ BarkCentralNJ to make your donation to the American Cancer Society. Check back often for event updates and cancer related information.

NJ VETERAN COMMUNITY FIGHTS BACK DURING COVID-19 PANDEMIC

Submitted by Jesus MiroQuesada and Angie Abbot, NJVN

A group of veterans and veterans' organizations are making a huge difference during New Jersey's Covid-19 pandemic. The New Jersey Veterans Networks' "Operation: Helping Heroes" project has two objectives including providing meals and groceries to veterans, and protective equipment to first responders. Food and PPE have been delivered to first responders, hospital workers, and activated National Guardsmen throughout the state.

They have distributed almost 3,000 hot meals and groceries to veterans, National Guardsmen and essential frontline workers at 61 different drop-off locations. The NJVN also provided personal protective equipment and helped distribute over 10,000 gallons of hand sanitizer to hospitals, EMS squads and police departments, and provided over 2,000 protective masks. This all happened during a crucial time when things like food, masks and hand sanitizer were very much needed, but hard to find.

The New Jersey Veteran Network has truly lived up to its name and partnered with a rich network of almost a dozen other organizations in order to fulfill their mission. Non-profits like the Samaritan Outreach Services, Operation Jersey Cares, the CSM Robert Gallagher Charitable

Foundation, and Milltown VFW 2319, worked tirelessly to contribute to the Helping Heroes effort by either supporting heroes and first responders working through the crisis, or helping veterans whose health and finances were affected by the pandemic.

Doc Schupp who created the Helping Heroes program had this to say "We were only able to reach and help as many people as we did because we are working with some of the best and most passionate organizations and people in the state. People like James Ludolph, would drive for hours dropping off food to sick and quarantined vets only to ask me what the next mission to help was, or 2319 VFW Commander Bob Kolesare, who would personally go out to help fill veterans' pantries."

NJVN Outreach Director, Frank "Doc" Schupp organized the hot meal and groceries portion of the program in collaboration with VFW 2319, Operation: Jersey Cares and Samaritan Outreach Services. Food was donated by restaurants including Jim Dandy of East Rutherford, Marinelli's and 55 Main both of Flemington, Amici's of Linden, Burnett BBQ of Union, and Applebee's of Garfield. Donations were delivered to National Guard units, hospital workers and veteran shelters such as Operation

Valor in Newark and Vet Haven North.

Home deliveries of food as well as social service assistance, in coordination with Catholic Charities and PACO agency, were also provided to assist veterans who were quarantined at home due the COVID-19 crisis.

The protective equipment distribution was managed by NJVN President Michael Boll in collaboration with Ashland Chemical who sponsored the hand sanitizer, and Backpacks for Life - a veterans' organization who has created a full-scale operation to create masks to give to first responders and hospital staff. Protective equipment was given to hospitals including Holy Name of Teaneck, the East Orange and Lyons VA Hospitals, Jersey City and New Bridge Medical Centers, and police departments including New Providence and Florham Park.

Both the food distribution and PPE could not have been made possible without the volunteers who took the time to pick up and distribute the goods. Great people like James Ludolph, Robert Bouthille, Dana Black, Juan Peris, Jamel Dobbins and Michael Salermo (with the team Mascots Shadow and Mush) and many others made this project happen! Many good people came together and were able to make a positive impact on the community during a difficult time. All of this was done by strong partnerships, unpaid volunteers, and sponsored through donations.

Perhaps, VFW 2319s Commander Bob Kolesare said it best, "VFW 2319 really enjoyed taking care of our vets. We hope that we were able to brighten their days just a little bit during this crisis."

ABOUT NEW JERSEY VETERANS NETWORK

We are a group of veterans and volunteers dedicated to helping our veterans and their families live better lives. Our team is raising awareness of our veterans needs by organizing public speaking engagements, meeting with business and political leaders across the state and sponsoring fundraising events. Our mission is to identify veterans and connect them with resources and programs designed to meet their unique set of needs. To ensure that EVERY single one of our veterans, who have sacrificed so much for this great country, receives the resources that they require and deserve.
