A special ceremony was held on Kean University's Union campus as senior Jason Pryor, a U.S. Army veteran, introduced the K-9 service dog that he received through an on-campus fundraiser.

Pryor, a senior from Elizabeth majoring in exercise science, did tours in Iraq and Honduras and suffers from PTSD. He received the K-9, named Keen, at the start of the Fall semester as a gift from the Kean Office of Student Government.

"Being with Keen has taught me to be more patient," said Pryor, whose dog accompanies him to class. "Keen is used as a measure to help prevent me from going through the symptoms and effects of spiraling down, by me tending to his needs and having him tend to me."

Kean is ranked first in the nation among large public schools for its programs supporting student-veterans, according to the Military Friendly Schools survey.

Student Government raised nearly \$20,000 to support service dogs through Rebuilding Warriors, a volunteer non-profit organization whose mission is to provide trained service dogs to veterans. The bulk of the funds raised went toward training Pryor's dog, and the rest was donated to Rebuilding Warriors to help train other K-9 dogs.

At the ceremony held outside Miron Student Center, Vito Zajda, director of Veteran Student Services at Kean and a U.S. Coast Guard veteran, called Pryor a remarkable student.

"He has been a big support and influential person in our program," Zajda said. "He has helped open our eyes about how the University can best support its vets."

Vice President of Rebuilding Warriors Jeff Mullins, also a veteran, said post-traumatic stress disorder (PTSD) is a condition that can't be seen by others. "It's invisible, stays with you your entire life, and it's not easy sometimes," he said. "Our goal is to provide veterans and first responders with a service dog to help them achieve their new normal."

The University's Veterans Day event included a color guard, a performance of the national anthem by the Kean Gospel Choir, and the presentation of other honors.

Juan Leon Torres, a senior from Spotswood also studying exercise science and a U.S. Navy veteran, received the 2019 Kean Veteran's Award for Outstanding Mentor. He develops transition opportunities and initiatives, and mentors a student-veteran each semester.

CANCER SURVIVORS AND THEIR CAREGIVERS NEED YOUR SUPPORT

Submitted by Ruthanne Brown, American Cancer Society (Northeast Division)

Media & Publicity Senior Volunteer

I'm a volunteer for the American Cancer Society, writing on behalf of cancer survivors and their caregivers. I write out of concern for this sector of the population because of the effect Covid-19 has had on them. Eleven percent of New Jersey's Covid fatalities have been individuals who were already battling cancer, then later contracted the virus. This pandemic has caused a myriad of obstacles for cancer patients who've been recently diagnosed or who require continued long-term care.

87% of cancer patients are experiencing disruptions in treatment and testing regimens. This crisis has made it difficult to maintain contact with health care providers, all of whom are overwhelmed and overworked at this point in time. Regular access to treatment is difficult to come by, which increases the probability for cancer cells to spread or even return in some patients. A number of research studies have been temporarily suspended; not a good thing when time is of the essence. All of this, plus the financial burden of paying health insurance premiums and medical co-pays is causing widespread anxiety for patients and caregivers alike.

We collectively, must stand together to protect our most vulnerable members of society. We

must make this a priority. We must NOT leave cancer patients behind.

I implore readers to make a contribution to the American Cancer Society. Over the past three months, gifts from donors have decreased dramatically. Many ACS fundraising events have been postponed or cancelled. However, please know we are ALWAYS here for you with cancer help and information when you need it. Call us ANYTIME day or night at 1-800-227-2345 or visit us on the web www.cancer.org.

Your generous donations are graciously accepted to insure that cancer patients receive services they need NOW, and continue to have their needs met in the future.

We at the American Cancer Society are optimistically looking toward the future. Our dedicated volunteers are working on a safe social distancing plan so we may host community events soon. We are especially excited about "Bark For Life of Central NJ", our statewide Dog-Walk & Festival to raise funds and awareness in the fight against cancer. Visit our webpage RelayForLife.org/BarkCentralNJ to make your donation to the American Cancer Society. Check back often for event updates and cancer related information.

SCOTCH PLAINS-FANWOOD SCHOLARSHIP FOUNDATION DISTRIBUTES OVER \$169,050 IN SCHOLARSHIP AWARDS

Submitted by Michelle Wyrwa

Despite the unprecedented nature of the 2019-2020 school year, the Scotch Plains-Fanwood Scholarship Foundation has continued to fulfill its mission of helping local students achieve their goals of a higher education by distributing over \$169,050 in scholarship aid to 103 deserving students.

Throughout the year, members of the Scotch Plains-Fanwood community generously contributed to the Foundation's "Dollars for Students Campaign," which distributed \$15,000 to various high school and college students who demonstrated both impressive academic achievement and financial need.

Some of these Dollars for Students awards are named in honor of members of the Foundation (in parentheses). The High School students who received such awards are: Taylor Anthony (Lee Stein), Sydney Blacker (Joseph Nagy) and Catherine Buren (Eleanor Kramps). The college students who received Dollars for Students awards are: Jeffrey Lapidus (Recipient Funded), Juliana Wagner (Henry Schweiring), Christine Vilarino (John Lawson), Giancarlo Castro, Mackenzie O'Brien, Moustafa Amer and Vanessa Handy.

This year's recipient, Joseph Marta, joins previous recipients Johnathan Ramos (2019) and Thomas Bruckman (2018) in receiving this generous award. The monies received for this scholarship are not included in the total dollar amount awarded listed above, as the amount to be awarded will be determined during the school year.
