## EAGLE SCOUT JOSEPH ANTONUCCI JR COMPLETES 300 HOURS OF COMMUNITY SERVICE

*Submitted by Shauna Williams*

Boy Scout Troop 368 of Berkeley Heights is pleased to recognize that Eagle Scout Joseph Antonucci Jr has achieved 300 hours of community service.

Joseph has served the troop in many leadership positions culminating his scouting career as our very memorable Senior Patrol Leader. In addition to his service to Troop 368, he has a long history of volunteerism. The troop has awarded Joseph their bronze, silver, and golden service coins in recognition of his extensive personal service, but that recognition was limited to his first 100 hours. Joseph's continued participation included community clean-ups, troop eagle projects, food bank collections, parades, blood drives, local 5k runs, the annual Relay for Life, Gary Whyte's Annual FOP Fundraiser, and many more.

Joseph is a living example of the Scout Oath by “helping other people at all times.” Joseph is a graduating Senior at Governor Livingston High School and a member of Mu Alpha Theta. When not scouting, Joseph is fencing on the GL Fencing team, programming and competing with the GL Robotics Team, and filming Friday Night Lights with the GL TV Club. His hobbies include working out, video editing, coding video games using the LibGDX Game engine, and developing neural network/machine learning algorithms using Python.

Joseph will be attending NJIT this September, majoring in Computer Science and minoring in Applied Mathematics.

Joseph stated that “Scouting has taught me to persevere, never give up and give of my service freely for the betterment of the community. I have learned to lead by example and teach-back skills to younger scouts.” Joseph recognizes Troop 368 for providing adventure, leadership training, character building, and community service for middle and high school scouts from Berkeley Heights and Mountainside.

If you have a middle or high school student that would like to join Troop 368, we meet Tuesday nights at the Mountain Park School at 7:30 p.m. Come drop-in and visit us!

# GOVERNOR LIVINGSTON MARCHING BAND GETS BACK TO BUSINESS

Submitted by Victoria Baum

If you are lucky enough to live near Governor Livingston High School, you were treated to the sounds of the pipes and drums (and other instruments) as student musicians came back together to begin outdoor rehearsals with the Governor Livingston Marching Band.

"We are thrilled to be back for the band in person. It was great to see the Governor

Livingston Campus alive in the month of August with band and athletics proceeding. While we cannot predict exactly how the school year will proceed, it is our hope that these culturally needed extra and co-curricular activities can continue," said Nicholas O'Sullivan, Highlander Band Director and GL Music Teacher.

The band has been rehearsing roughly four times a week (weather and holidays permitting) and is having a blast together. This year's Marching Band is composed of 54 students across all sections. As of now, they will be playing at home games only (for in-person performances), with the exact details of their schedule still being worked out.

Well-known for their success on the competition circuit, the Marching Band will have to switch gears a bit this year to continue competing. Due to the global pandemic, many

competition circuits for marching bands across the United States have changed models from in-person competitions to "virtual" evaluations. The local circuit that the Highlanders compete in, 'Tournament of Bands', has done the same. Accordingly, Mr. O and his team will be recording the field show at Governor Livingston High School weekly and submitting it to the circuit for evaluation. On weekends in late September and throughout October, the band staff will meet with the judges virtually on Zoom to watch the performance together and get feedback to share with the students.

While it may not be a typical year for our band members (or any of our students), it is exciting to see students and staff embracing the challenges they face with creativity so that they can pursue the activities they love.

The nursing staff and administration is professional, patient, attentive and understanding. The facilities are very clean and well maintained. My parents room is always clean and tidy. Although it was a difficult decision to make relocating my folks from a home environment to a senior living facility, Spring Grove made my decision easy.

## BERKELEY HEIGHTS PUBLIC SCHOOL DISTRICT NEWS

*Submitted by Victoria Baum*

Building upon the outstanding history of the Berkeley Heights Public School District's advocacy and support for all students to receive an outstanding education, our Special Services Department has been hard at work over the summer applying for acceptance into The New Jersey Inclusive Education Technical Assistance (NJETA) Project. We are pleased to announce that Berkeley Heights Public Schools was accepted into two technical assistance programs: one at Governor Livingston High School focused on differentiated instruction and the other at Mary Kay McMillin ECC focused on reframing autism at the preschool level.

The NJETA is a collaborative effort between the New Jersey Department of Education Office of Special Education (OSE), the Montclair State University Center for Autism and Early Childhood Mental Health (CAECMH), and the New Jersey Coalition for Inclusive Education (NJCIE). NJETA is designed for the collaborators to partner with public, charter, and vocational schools to provide Technical Assistance and Systemic Change Facilitation to develop more inclusive educational opportunities. NJETA will also work to develop a statewide vision for more inclusive schools through the Inclusion Leadership Development Group.

For the preschool technical assistance project,

Special Services will be coordinating with consultants from Montclair State University to enhance the supports and services provided to young children with autism at the early childhood level. This technical assistance package supports MKMECC's special education teachers, preschool teachers, and related services personnel in gaining a deeper understanding of students diagnosed with autism spectrum disorder (ASD) and how they can support their successful participation in general education classrooms.

Both technical assistance projects are expanding the skills and knowledge base that has been developed through all of the inclusive initiatives and strategic planning that has occurred in Berkeley Heights over the last several years. The Special Services Department is extremely excited and very grateful to be included in several technical assistance projects for the 2020-21 school year.

In addition, Mrs. Michele Gardner, Director of Special Services, has been invited to participate in the Inclusion Leadership Development Group. The Inclusion Leadership Development Group (ILDG) will meet 4-6 times per year in order to develop suggestions or guidance for New Jersey schools on inclusive efforts, identify obstacles or challenges to inclusive education in New Jersey and review information gathered from the NJETA Systemic Change Facilitation sites and Technical Assistance sites.

More information can be found on the NJETA's website: [njeta.org](http://njeta.org).

Congratulations to Mrs. Gardner and our entire Special Services Department on being accepted into these programs and thank you for all you do for our students.

## WAGNER FARM ARBORETUM BRITE NITES 2020

If it's Fall, then it must be time for Warren's coolest pumpkin event! Returning for an 9th year, it's Wagner Farm Arboretum's spectacular Halloween-themed event "Brite Nites" which showcases an elaborate display of intricately and creatively hand-carved and lighted pumpkins. This year we are going contactless and bringing the displays to your vehicle by making the Pumpkin Path a drive-thru event. Instead of meandering through the Children's Garden path you will be driving by the breath-taking pumpkin sculptures, where the young and younger will be astounded by their complexity and originality. New this year will be a tribute to our first responders and medical heroes. The whole family is sure to be entertained while supporting a local organization, from the safety and comfort of your own car. With your help, we can continue to build out the vision of a world-class arboretum, right here in town.

About Wagner Farm Arboretum: Established in 2004 as a non-profit organization, the Arboretum seeks to enrich, educate and inspire the community by increasing environmental awareness and natural recreational opportunities.

Our programs include the Giving Project where volunteers sow, plant, grow, weed and harvest over 10,000 lbs of fresh produce, in the Giving Garden, the Coddington Plots and the Rutgers Cooperative Extension Farms, to donate to local food pantries. Our Growing to Give program is a staple at the area elementary schools. Last but not least is the one acre Community Garden where area gardeners can try their hand at growing their own produce.

**Brite Nites 2020 Dates:** October 14-18, 21-25, 28-31, and Nov 1. Entry times start around 6:30pm and end at 9:45pm.

## VOTING IN UNION COUNTY THIS NOVEMBER

The Union County Board of Elections continues to update voters on what to expect as Election Day, November 3, 2020, nears under Governor Phil Murphy's order for a primarily vote-by-mail election.

A video with step-by-step instructions for voters wishing to vote-by-mail can be accessed on the County Clerk's elections website, [unioncountyyotes.com](http://unioncountyyotes.com).

The video was produced to address the requirement by the New Jersey State Legislature and the Governor that the November 3 General Election be conducted primarily through vote-by-mail and the fact that most voters are unfamiliar with the vote-by-mail process.

Vote-by-mail ballots will be mailed to all registered voters beginning on Tuesday, September 15. All ballots for registered voters will be in the mail by October 5. If voters do not receive their ballots by October 13, they are asked to contact the Union County Clerk Election Division by calling 908-527-4996.

A step by step graphic how-to brochure will be enclosed with every ballot to help voters with the process. Voters with questions or concerns are asked to call the office of the Union County Clerk

Elections Division at 908-527-4996.

Ballots can be mailed via the US Postal Service.

Ballots can also be deposited in one of 22 ballot boxes placed around the county. These boxes are under surveillance and picked up by authorized Board of Election personnel on a regular basis. Locations of the boxes can be found by visiting [unioncountyyotes.com](http://unioncountyyotes.com) or [ucnj.org/ucboe](http://ucnj.org/ucboe).

Additionally, voters can drop off their ballots at:

- Union County Clerk's Office, 2 Broad Street, Room 113, Elizabeth
- Union County Clerk's Office, 300 North Avenue East, Westfield
- Union County Board of Elections, 271 North Broad Street, Elizabeth

Those wishing to register to vote can download a voter registration application from [unioncountyyotes.com](http://unioncountyyotes.com). Fill it out and mail it no later than October 13 in order to be eligible to vote in the General Election on November 3.

For more information about all County Clerk programs and services, visit online at [ucnj.org/county-clerk](http://ucnj.org/county-clerk) or call 908-527-4787.

## RESIDENTS CAN NOW BE ADDED TO THE TOWNSHIP'S 'NO KNOCK' LIST

Any person who owns or rents property within Berkeley Heights can now sign up for their residence to be included on the Township's new 'No Knock' list which is part of a recent revision to an existing solicitation ordinance. Signup is available online on the clerks' office page on the Township website. There is no charge for registering your residence, and your sign up is permanent. Once a residence is registered, it can only be removed by written request.

It is important to note that the revised ordinance continues to allow for organizations and/or groups to continue to "knock". Specifically, charitable, religious, political or other nonprofit groups or individuals, including schools, civic organizations and service clubs may continue to spread information, advocate

for a cause, solicit signatures in support of a cause, solicit donations or charitable contributions or conduct sales of personal property for a charitable purpose. Residences cannot elect to be exempt from lawful door-to-door business.

The Berkeley Heights Township Council recently joined the growing number of New Jersey towns establishing a "No Knock list," amending its existing ordinance regarding licenses for peddlers, solicitors, and canvassers.

The "No Knock List" is a registry of residential addresses within the Township for which the owner or occupant has notified the Township Clerk via the signup list that he/she wishes to prohibit certain peddling, soliciting, or canvassing at his/her residence.

## LEG PAIN

You Don't Have To Live With It!

That "searing, burning pain" in your thigh and calf... that "aching, numbing" feeling in your hip and buttocks... that "tingling" in your foot and toes and loss of balance... It interferes with your ability to walk, to ride a bicycle, play golf, garden... to have FUN IN LIFE!

Leg pain, thigh ache and numbness, and tingling in the foot may actually be caused by a pinched back nerve even though you have NO back pain - it could even be Sciatica. Dr. Murphy is an expert at finding the CAUSE of your leg pain and numbness and CORRECTING IT WITHOUT THE USE OF DRUGS OR SURGERY.

## FAITH LUTHERAN SUPPLIES MORE THAN 20,000 SANDWICHES TO ST. JOHN'S SOUP KITCHEN

*Submitted by Larry Holt*

Since the upsurge in coronavirus cases in mid-March, each Thursday Faith Lutheran in New Providence has been contributing about 800 sandwiches to the soup kitchen of St. John's Roman Catholic Church in Newark. The sandwiches are made by members and friends of Faith. Included with each week's delivery are snacks, fruit and homemade baked goods.

In response to a special request from St. John's, Faith also donates children's and adult diapers, socks and washcloths.

This initiative has been organized and managed by Sally Reier, ministry associate of Faith, and Rev. Jane McCready, pastor of Faith. The latter makes the delivery each Thursday morning.

St. John's Soup Kitchen has been providing food for over forty years to those who have none in the Newark area. For thirty-seven years, on two Saturdays a month, a group from Faith has donated, prepared and served a comprehensive hot meal at St. John's. Few people know what it is like to go without food but every day men, women and children, who have fallen on hard times, come to the kitchen to eat.

Due to the economic problems caused by the coronavirus, the number of guests at St. John's has increased greatly. Kitchens and pantries in the area have been forced to close because of the risk the virus presents. St. John's has remained open and done everything possible to streamline its service and reduce the risk for its guests and volunteers. It is determined to continue its mission. Everyday people tell the administrators at St. John's how grateful they are and they do not know what they would do if the kitchen no longer provided them food.

If you wish to learn more about making sandwiches for St. John's, please call Faith's office at 908-464-5177 or email the office at [family.faith@verizon.net](mailto:family.faith@verizon.net). Faith is located at 524 South Street in New Providence. The web site is [famfaith.org](http://famfaith.org).

*"From the 80s into the 90s the deer problem just kept getting worse. I tried every product out there, but my plants were still being butchered every winter. And my neighbors seemed to be getting off scott free! Turns out they used DeerPro. So I gave it a shot. 20 years later, I couldn't be happier with DeerPro."*
