FIRE DEPARTMENT HAS BEEN WAITING FOR YOU!

The Clark Fire Department continuously accepts applications for the position of volunteer firefighter.

Volunteer Firefighting is not just what you do, but who you become. It is one of the most rewarding experiences you will ever have. The knowledge, skills and abilities you will receive as a volunteer firefighter are invaluable. Volunteering is one of the best ways to make a personal difference within the community, while having a personal positive impact on the lives of those around you. Our community relies on our commitment to service to keep each other safe.

There are many benefits to becoming a volunteer firefighter. You will make a difference within the community serving your family, friends, and neighbors, acquire new knowledge, skills and abilities, and receive college credits for basic and specialized training. You will work as part of a cohesive unit and a team which builds camaraderie, along with lifelong friendships.

Training includes State Certified Fire Fighter I & II at a NJ State Certified Academy; driver and operational training on all pieces of firefighting apparatus to include engines, truck and specialty vehicles; water rescue and ice rescue operations;

and professional rescuer CPR/AED certification along with basic first aid. Additional specialty training opportunities are given at county fire academies to enhance the knowledge of firefighters along with being able to receive a national EMT certification.

To become a volunteer, stop by Fire Headquarters located at 250 Broadway any Thursday evening after 7:30 p.m. or any Sunday morning after 10:00 a.m. to speak with a Fire Department Officer in regards to becoming a member of the department. You must be at least 18 years of age and hold a valid NJ drivers license.

We also accept applications from out of town residents. Those out of town residents who currently hold a Firefighter I & II certification must reside within 2 miles of the municipal boundary. We will accept applications from out of town residents who do not currently hold a Firefighter I & II certification, but you must reside within 1 mile of the municipal boundary and formal training will be provided. Be advised that Clark Township residents will receive preference for available positions when applications are received.

ALJ NAMED NATIONAL SCHOOL OF CHARACTER

Arthur L. Johnson High School in Clark was recently named a 2020 National School of Character by Character.org.

National certification is the highest level of distinction bestowed by Character.org. Schools receiving this designation have demonstrated excellence in establishing a school culture that exemplifies and brings to life The 11 Principles Framework for Schools: A Guide to Cultivating a Culture of Character.

Edward Bucior, Assistant Principal of ALJ, stated, "Collectively as a school community, we promote and instill positive core values for our students. We have the best students, teachers, parents, and community! Our stakeholders are fully invested in creating upstanding leaders within the community. There's your "image" and then there's your "character". "Image" is doing

the right thing when everyone is watching. "Character" is doing the right thing even when no one is watching. Both are important, but your character is what defines you! At the end of the day, character is not something you simply acquire, but rather it is something that is developed. Our students have been developed to be leaders within our building and community."

He continued, "The Character Committee just wanted to take a moment to thank everyone that has helped ALJ get to this point. I want to thank the Board of Education and Superintendent Mr. Edward Grande for supporting ALJ throughout the process. I want to thank our teachers, students, parents, and community members for the work that they put in on a daily basis and for all of the support they gave during the application process."

SAY GOOD BYE TO SUMMER

Submitted by Ralph Bernardo,
Clark Recreation Director

The Clark Pool closed its gates at 6:00 p.m. on Labor Day. To say it was a different kind of summer is an understatement. Temperature checks, painted circles on the grass, masks and no cooked food at the concession stand certainly made up a different atmosphere at the pool this summer. Despite all of this, the weather was awesome and everyone that joined the pool thoroughly enjoyed it and thanked God for something to do this summer.

Most community pools did not open as townships had much concern financially and health wise, however the support of Mayor Sal Bonaccorso in opening the pool was so appreciated by so many. Sal wanted something for our members to look forward to this summer, and it deemed a safe, fun summer for all that attended.

SCHOOL DISTRICT HOLDS VIRTUAL PARENT UNIVERSITY SESSION

"Strategies for a Successful School Year - Remote/Hybrid Learning"

The Clark Public School District recently held a virtual Parent University session, "Strategies for a Successful School Year - Remote/Hybrid Learning" hosted by Christine Broski, Supervisor of Educational Initiatives. The presentation, created by Broski and Carl H. Kumpf Middle School's School Psychologist Lauren Camera, shares tips for parents and guardians to help their child during remote/hybrid learning including designating a work space, communicating with the school, and maintaining physical, mental, and emotional health. Broski stated, "We know this is a very unique time in education and are beyond grateful for the support of our parents and guardians as partners in their child's education. This presentation was designed to share some strategies that parents can use to help their children be successful."

To view the session and previous sessions, visit the district's website under Parent University. They can also be found on the district's Facebook and Twitter pages.

CLARK RECREATION FALL CLASSES UNDERWAY

Clark Recreation kicked off their fall programs in September. Director Ralph Bernardo had this to say "With the Recreation Center still closed, children were happy to be outside and enjoy some of the classes taking place right now.

Basketball Squirts run by US Sports Institute, was filled to capacity. Those in attendance were thrilled to be running around and involved in the class as we slowly get back to some sort of normalcy."

IMAGINE LAUNCHES SUPPORT PROGRAM FOR NURSES

Imagine, A Center for Coping with Loss announced the expansion of its virtual group support programs with one designed to help nurses dealing with the stressors of healthcare work during Covid-19. Imagine, which serves more than 2,000 individuals annually and is nationally recognized for its work helping bereaved children and their families, offers its Peer Support Group for Nurses at no cost. Interested nurses can join the weekly support

group at 7:30 p.m. on Wednesdays beginning September 30.

When asked about the decision to launch this program, Imagine's Founder and Executive Director Mary Robinson said, "Through the pandemic, we recognized a gap in support for some of the people we rely on most: our nurses. Supporting nurses who are themselves supporting grieving families felt like a perfect fit for our mission."

Robinson, who was named a 2019 CNN Hero, went on to say, "Nurses continue to selflessly care for others despite their own fears about their potential exposure to Covid-19. We need to ensure they have a place to turn to for support."

For many, the anxiety they feel going to work in a healthcare environment comes on top of grief they were feeling before the pandemic even hit.

Talia Sion, a newly minted nurse, had attended Imagine's Young Adult Group for support following the death of her mother in January, and then joined the organization's pilot support program for First Responders when the pandemic hit.

Of her experience, Sion said, "I was quickly overwhelmed with the weight of so many sick and unstable patients, not knowing if and when things would ever get back to 'normal.' Once again, Imagine created a program for me to turn to with people who understood how I feel; people who understood what I was facing on a daily basis at work."

The nature of the program's virtual environment breaks down geographic boundaries for those seeking support. Nurses from New Jersey and throughout the country are welcome to attend.

"New Jersey is no longer a hotspot for Covid-19, but many of the nurses here are processing what they went through and bracing for a possible resurgence," Robinson said. "Meanwhile, there are nurses in other states in similar positions to where we were a few months ago. Sharing these stories, fears, and challenges at all different stages in a peer support model is proven to be an effective way to learn coping strategies."

As with all of Imagine's offerings, this free Peer Group Support for Nurses program will be available year-round for as long as is needed. Those who are interested can register at imaginej.org/nurses.

Imagine, A Center for Coping with Loss is a New Jersey-based grief support center for children, young adults and families dealing with the death or life-altering illness of a parent, sibling or child. In addition to its peer grief support programs, Imagine provides training through education and outreach programs across the state to a variety of organizations including schools, houses of worship and corporations. Its goal is to create communities where grief and loss are transformed into resilience, empathy and compassion; and where no child grieves alone.

VOTING IN UNION COUNTY THIS NOVEMBER

The Union County Board of Elections continues to update voters on what to expect as Election Day, November 3, 2020, nears under Governor Phil Murphy's order for a primarily vote-by-mail election.

A video with step-by-step instructions for voters wishing to vote-by-mail can be accessed on the County Clerk's elections website, unioncountyvotes.com.

The video was produced to address the requirement by the New Jersey State Legislature and the Governor that the November 3 General Election be conducted primarily through vote-by-mail and the fact that most voters are unfamiliar with the vote-by-mail process.

Vote-by-mail ballots will be mailed to all registered voters beginning on Tuesday, September 15. All ballots for registered voters will be in the mail by October 5. If voters do not receive their ballots by October 13, they are asked to contact the Union County Clerk Election Division by calling 908-527-4996.

A step by step graphic how-to brochure will be enclosed with every ballot to help voters with the process. Voters with questions or concerns are asked to call the office of the Union County Clerk Elections Division at 908-527-4996.

Ballots can be mailed via the US Postal Service.

Ballots can also be deposited in one of 22 ballot boxes placed around the county. These boxes are under surveillance and picked up by authorized Board of Election personnel on a regular basis. Locations of the boxes can be found by visiting unioncountyvotes.com or ucnj.org/ucboe.

Those wishing to register to vote can download a voter registration application from unioncountyvotes.com. Fill it out and mail it no later than October 13 in order to be eligible to vote in the General Election on November 3.

For more information about all County Clerk programs and services, visit online at ucnj.org/county-clerk or call 908-527-4787.

Howdy Partners!

Online Marketing is like the Wild West

Too many carpetbaggers are exploiting business owners, making empty promises that don't materialize.

Too many businesses are stuck in contracts with no return on investments, no way to check if the work is getting done, and needing to invest more to make things right.

The following is a guide to Renna Media services and costs that you can compare to your present provider.

I highly recommend doing an independent audit of your website!

Contact Walter Watson at walter@www-online-enterprises.com

He does a great job analysing and making recommendations.

It is only \$250 and can save you time, money and headaches.

Thank you. - Joe Renna
