2020 CHAMBER BUSINESS ACHIEVEMENT AWARD WINNERS

Submitted by Karen Giambra

The Madison Area Chamber of Commerce has honored seven local businesses with Business Achievement Awards for the 2019-2020 fiscal year.

The Chamber's usual Annual Award Dinner that is held every June was canceled this year due to the coronavirus pandemic.

The Snooki Shop was awarded Best New Sign for its impactful and attractive sign at its new location at 32 Main St. The Hat Shop Madison, 18B Main St., was awarded Outstanding Window Display for its creative and innovative window design. The Pink Pear received the Outstanding Merchandising Award for its innovative retailing both online and at its boutique at 28 Waverly Pl.

The Chamber honored Sunday Motor Co. for Best Complete Renovation for creating a modern café in a 1950's gas station building at 27 Kings Rd. PC Problems, 50 Main St., was awarded the Outstanding Interior Renovation Award for a multi-week renovation that created modern and customer-friendly retail space.

Re-upholstery & Restoration, 2 Central Ave., was awarded the Outstanding Patriotic Display Award for hanging an array of flags and banners on its facade for many years. BuckleBath, 877-567-BATH, which is based in Madison, received the Outstanding Business Concept Award for creating an innovative, mobile service business.

Winners were recently presented with framed certificates at their business locations.

"The accomplishments of this year's winners show there no end to the creativity and care of Madison's business owners," said John Morris, president of the Madison Area Chamber of Commerce. "We're very proud of our members' continuing accomplishments."

The Madison Area Chamber of Commerce, Inc., is an independent, non-profit business league that was founded in 1943. Its mission is to promote its dues-paying members and Madison as a great place to shop, dine, work and live. Membership is open to organizations and people who want to see Madison thrive.

BOTTLE HILL DAY CANCELLED DUE TO PANDEMIC

The Madison Downtown Development Commission (DDC) voted to cancel its annual street festival, Bottle Hill Day, originally scheduled for Saturday, October 3, 2020, due to the ongoing health concerns and uncertainty around potential restrictions on large gatherings associated with the COVID-19 pandemic. At this time, the risks and challenges are too great to effectively plan and carryout an event of this size.

This year would have marked the 46th Anniversary of this signature Madison, NJ event. The DDC's objective is to promote economic growth and business development so that Madison's beautiful downtown continues to thrive. Bottle Hill Day was created in 1974 by Mayor Elizabeth Baumgartner to promote the business district. The name originated from Madison's original establishment in 1715 of the village called "Bottle Hill". The event has grown exponentially over the last decade with over two hundred vendors participating annually and drawing between 10,000 and 20,000 people to the heart of Madison each fall for this beloved community celebration.

This event is a significant fundraiser for the DDC that helps support the commission's efforts to maintain, beautify and market the commercial district but the commissioners unanimously agreed that any financial benefit is far outweighed by current health and safety concerns. The commission, if restrictions allow, will consider a much smaller celebration of the Madison business community this fall. DDC

Chair, Suzy Whitehorn noted, "It is unfortunate that our favorite town-wide day of the year, Bottle Hill Day, has to be canceled this year. However, by now, we all know that gathering in large crowds, elbow-to-elbow, even if outside, is not a good idea during this unprecedented pandemic. Please rest assured that as soon as New Jersey's relaxes its limits more on the number of individuals that are allowed at outdoor gatherings, we hope to plan a smaller-scale event to celebrate Madison. It takes time to plan a large event and the planning cannot begin until the restrictions are further relaxed but a new event will be well publicized when it is permitted. In the meantime, we are hoping that everyone stays safe and healthy. Before we know it, we will all be safely enjoying a wonderful Madison street fair together and we cannot wait! "

Bottle Hill Day has evolved over the years into a family-oriented entertainment event with music featuring live music on four stages, amusements, and the DDC Beer Garden. "Bottle Hill Day is quintessential Madison. This day takes hundreds of hours to plan and execute in the weeks and months before the first weekend in October. While we are no less a community in 2020, protecting that community must be our number one goal. I look forward to fall 2021 when we can all hopefully once again safely return and enjoy a day of music, amusements, community, and, of course, a beverage at the beer garden.", added Eric Range, DDC Vice Chair.

ROTARY ENCOURAGES REDUCE, REUSE AND RECYCLE HOME ITEMS

As Rotary International recently named “supporting the environment” its newest area of focus, Madison Rotary is inviting the public to its biannual Community Shredding Day, joined by Habitat for Humanity’s ReStore collection truck. The event will take place from 9 a.m. to 12 noon on Saturday, October 17, 2020 at Madison Municipal Parking Lot #1, at the corner of Prospect Street and Kings Road by the Madison Volunteer Ambulance Squad.

All are encouraged to take advantage of Morris Habitat for Humanity and Madison Rotary’s services to reclaim valuable space in their homes and offices at the same event, both by donating unneeded items and by safely destroying and recycling sensitive documents. All participants are required to wear masks and practice social distancing.

Madison Rotary has contracted Security Shredding, Inc. to provide secure destruction of sensitive documents on-site, after which the shredded papers will be recycled into other paper products. The cost is \$5 per box or grocery bag. Larger containers will be accepted and priced accordingly. Cash and checks will be accepted. All proceeds from the shredding event will be used by the Madison Rotary, a 501(c)(3) charity, for service projects benefiting the community.

A truck from Habitat for Humanity’s ReStore will gratefully accept area residents’ new or very gently used home building materials, lighting and plumbing fixtures, hardware items in original packaging, fine art and collectibles, and furniture and other home furnishings in excellent condition. Having the ReStore truck come to Madison is a convenience for would-be donors, as the ReStore facility is located in Randolph. ReStore’s inventory is 100% donated by businesses and individuals and sold to the general public at a fraction of the retail price. Proceeds are used to build affordable homes in Morris County and surrounding areas. According to Jeannie Tsukamoto, former President of both Madison Rotary and Morris Habitat for Humanity, “donations to ReStore have built 28 homes in Morris County and have kept over 10,200 tons of reusable materials out of landfills since 2007.” Donations to ReStore are tax-deductible. A receipt will be provided for ReStore donations.

Please contact Carmela Moeller at carmoeller@aol.com for questions about the event. Please visit madisonrotarynj.org for more information about Madison Rotary.

ARTS FESTIVAL ON WAVERLY PLACE

The Madison Arts and Culture Alliance, Downtown Development Commission, and Madison Area Chamber of Commerce are presenting a new fall festival, "Fall Back into the Arts" on Fridays concluding on November 6. The performances will take place from 6:00 to 8:00 p.m. on Waverly Place. The event is free and open to the public.

Madison Arts and Culture Alliance (MACA) Director of Arts and Events, Eric Hafen responsible for the entertainment for the event, noted that, “In stressful times, the arts have always been a welcome avenue for escape. The variety of entertainment in this series will make you smile, make you laugh, and make you want to dance. Come on down, you won’t be disappointed.”

In addition to scheduled entertainment, this event will also feature business showcases, tables and chairs to enjoy takeout from local restaurants. Madison Area Chamber of Commerce President John Morris, added, “Waverly Place is the heart

of Madison and is just beautiful in the fall. We invite everyone to enjoy the great outdoor entertainment and to shop, dine, and play at our local businesses.” In addition, on Friday, October 30 the Madison Volunteer Ambulance Corps Annual Trunk or Treat is planned to coincide with the arts festival.

ENTERTAINMENT SCHEDULE IS AS FOLLOWS:

- October 2 - Half Step Down
- October 9 - Stand-Up Comedy
- October 16 - Renaissance Jazz Band & Swing Dancers
- October 23 - GVRL
- October 30 - Work of Heart Children's Interactive "Wizard of Oz" and MMA/MHS Musical Theater Students
- November 6 - The Thorns

Patrons are encouraged to bring their own chairs. Safety will be the highest priority and all COVID-19 protocols will be followed including social distancing, mandatory wearing masks, and if necessary crowd size will be limited.

POLICE URGE RESIDENTS TO LOCK CAR DOORS

The Madison Police Department would like to urge all residents to please take a few minutes each night to ensure that your vehicle has been locked and any/all valuables are removed - this includes your purse/wallet and keys.

Since the weekend of August 29, Madison residents have reported a number of unlocked vehicles that were burglarized in their driveway. All of these motor vehicle burglaries and thefts were the result of vehicles that were left unlocked.

In 2020 we have seen a significant increase in vehicle thefts and burglaries. These types of incidents are not unique to Madison. The majority of Morris County and other towns in New Jersey have been subject to these crimes of opportunity involving unlocked vehicles.

As a result of the increase of thefts and burglaries, Madison Police have increased their residential patrols while incorporating other enforcement measures. Notably, Madison officers caught individuals in the process of burglarizing unlocked vehicles in a residential neighborhood. Additionally, on two consecutive nights, Madison officers intercepted vehicles that were in the process of being stolen and made an apprehension.

If you hear and/or observe suspicious activity in your neighborhood, please do not hesitate to contact the Madison Police Department at 973-593-3000 or 9-1-1 for emergencies.

With your help by remembering to lock your cars up by 9:00 p.m. each evening, we can keep Madison safe and strong!
