ELEVEN STUDENTS NAMED NATIONAL MERIT SEMIFINALISTS

Submitted by Denis Kelly

Eleven students in the Watchung Hills Regional High School (WHRHS) Class of 2021 have been named National Merit Semifinalists, according to information released by the National Merit Scholarship Corporation (NMSC) of Evanston, Ill.

The WHRHS Semifinalists are: Michael Horzepa, Victor Hu, Elizabeth Huang, Charles Margulies, Nora Mehler, Rohil Novani, Paulina Przybylski, Wesleu Tseng, Neha Venkatesh, Valerie Wang, and Tyler Wu.

WHRHS'S 11 National Merit Semifinalists this year are the latest of the 63 WHRHS students who have qualified as National Merit Semifinalists during the most recent seven school years. The year-to-year totals have been: Class of 2015 – 11; Class of 2016 – 6; Class of 2017 – 10; Class of 2018 – 15; Class of 2019 – 6; and Class of 2020 – 4, and Class of 2021 – 11.

As part of NMSC's annual national announcement, about 16,000 Semifinalists have been named in high schools across the country, and that from that number, about 15,000 are expected to be named National Merit Finalists in February.

Students who qualified as Semifinalists did so by taking the 2019 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) in the Fall of 2019. The annual PSAT/NMSQT serves as an initial screening of program entrants.

"The nationwide pool of Semifinalists, representing less than one percent of U.S. high school seniors, includes the highest scoring entrants in each state," the NMSC's release states. "The number of Semifinalists is proportional to the state's percentage of the national total of graduating seniors."

The release continues, "To become a Finalist, the Semifinalist and a high school official must submit a detailed scholarship application in which they provide detailed information about the Semifinalist's academic record, participation in school and community activities, demonstrated leadership abilities, employment, and honors and awards received. A Semifinalist must have an outstanding academic record throughout high school, be endorsed and recommended by a high school official, and write an essay."

Semifinalists have the potential to compete for National Merit Scholarship awards, corporate-sponsored Merit Scholarship awards, and college-sponsored Merit Scholarship awards.

AYLUS WARREN BRANCH CLEANS UP WASHINGTON VALLEY PARK

Submitted by Stanley Liu

The AYLUS Warren Branch spent a day cleaning up the Washington Valley Park in Bridgewater this summer. We got this idea while reading an article about visitors leaving trash and using drugs at the park. The situation got so out of hand that officials were thinking of shutting down the area. In response, we coordinated with some of our branch members located in Bridgewater and put together a team. We went through the trails, collecting a wide assortment of trash, such as bottles, plastic bags, and wrappers. Given that hiking has become a favorite pastime for our residents, we encourage people to help maintain a clean park.

AYLUS stands for the Alliance of Youth Leaders in the United States. We are a student-run non-profit organization dedicated to the advancement of our communities, which range from our own house to all across the United States.

AYLUS promotes the development of its members' leadership, integrity and innovation, through the planning and execution of volunteer projects that aim at benefiting their communities.

Recently we added a community service opportunity section on our homepage aylus.org. If anyone has a community service request or opportunity, please visit our website, or contact us at aylus.org@gmail.com.

BLUE RIDGE CLUB CLEANUP AT GLENHURST

The Warren Township Committee and the Recreation Department would like to thank the Warren Blue Ridge Sportsman Club members for the continued support and efforts for helping with the cleanup of Township trails and events.

On Sunday, June 14, 2020, members of Club worked at the Glenhurst Nature Trail in Warren clearing out the creek by the second bridge of fallen trees, branches and debris to allow the water to flow more freely and help reduce flooding conditions.

Throughout the year, the Warren Blue Ridge Sportsman Club helps the Township by cleaning up various trails and volunteering at Township events, including the annual Winter Festival, Bonfire and Fireworks and Fishing Derby.

PSE&G CONDUCTS DOOR-TO-DOOR INDOOR GAS METER INSPECTIONS

Submitted by Warrant Twp. Police Lt. Paul Dziedzic

Beginning the week of August 24, 2020, and continuing for approximately 1-2 months, PSE&G representatives began going door-to-door to conduct indoor gas meter inspections.

PSE&G representatives will be in uniform, display proper identification, and will also be wearing protective gear to prevent the spread and transmission of COVID-19.

Homeowners may deny access to their

homes if they choose, but cooperation is encouraged.

As always, be weary of scam artists posing as PSE&G representatives, and do not hesitate to call PSE&G or the Warren Township Police Department if you have any concerns prior to granting access to your home.

For additional information regarding the gas meter inspection program, please call PSE&G.

STOLEN VEHICLE AND MOTOR VEHICLE BURGLARY TIPS

Submitted by: Chief William Keane, Warren Township Police Department

Due to recent incidents of overnight and early morning motor vehicle theft and vehicle burglaries, the Warren Township Police Department would like to remind you of some helpful tips to hopefully prevent you from becoming a victim.

Ensure that you always LOCK YOUR VEHICLE whether it's parked on your street, in your driveway, out shopping or at your local gym, or in your garage.

DO NOT leave any type of spare keys or anything of value, such as purses/wallets,

electronics, sunglasses, credit cards, cash, and cell phones, in or near your vehicle.

Make sure your residence/business is well lit during the evening and overnight hours. Thieves typically look for darker areas to commit these crimes for less visibility by passing motorists, neighbors, and police.

Continue to be vigilant and report any suspicious activity, day or night, to the Warren Township Police Department via 9-1-1 or 908-753-1000.

RETIRING WHRHS STAFFERS THANKED FOR THEIR SERVICE

Submitted by Denis Kelly

The Watchung Hills Regional High School (WHRHS) Board of Education acknowledged the retirement of several staffers with resolutions adopted at its meeting on Tuesday, June 16.

Among them are: Front Office Support Staffer Eliana Azar, Culinary Arts Teacher Susan Jaslove, Director of Special Services Marianne Sales, School Bus Driver Herbert Schulz Jr., Mathematics Teacher Laurie Shoemaker, and Attendance Clerk and Secretary to a Vice Principal Barbara Vargo.

Not picture is Herbert Schulz, who was first

employed by WHRHS in September 1994, and for the past 29 years he has served professionally as a school bus driver, according to the board's proclamation. "He has garnered the respect and admiration of those who interacted with him for his loyalty to our students and staff; and he has had an impeccable driving record," the resolution notes. Schulz has "demonstrated his commitment to our students by providing transportation for clubs, sports and field trips. His dedication to our district has been outstanding and he has served with honesty and integrity."

(above) According to a resolution adopted by the WHRHS Board of Education, for the past 28 years, Front Office Support Staffer Elaine Azar has provided WHRHS students "attentive assistance, always with a smile on her face," interacted with parents and the community "in a positive, engaging, and supportive, manner," and has earned the respect and admiration of others for her "empathy, thoughtfulness, and emotional intelligence."

(above) WHRHS Mathematics Teacher Laurie Shoemaker started working at WHRHS in September 1982. "She has been noted for her commitment to education, strong bonds with students and staff, unmatched passion for mathematical instruction, and sense of humor," according to the board's resolution. Continuing, the resolution states, "because of her expertise as a learner, her knowledge of Mathematics, and her ability to motivate all levels of students, she has been invaluable to the school as a whole;" and "she is a life-long learner whose ability to continue both her and her students' knowledge of technology, mathematics, and the art of learning."

(above) Marianne Sales, the WHRHS Director of Special Services, is retiring this year after a 36-year career in education, including 31 at WHRHS. "During my tenure at Watchung Hills, I have had the great pleasure to participate in the educational program in a number of roles: Director of Special Services, Transition Coordinator, Supervisor of Special Services, Special Education Teacher, Marching Band Marching Front Advisor, All School Council Advisor, and Grade Level Advisor," she said.

(above) Barbara "Bobbi" Vargo, who was first employed by WHRHS in August 1991, and who has served the school district as attendance clerk and secretary to the vice principal, "has been a highly effective professional whose trustworthiness, commitment, and institutional knowledge have been the cornerstones of her career at Watchung Hills," according to the board. She retired in December.

(left) Susan Jaslove was first employed by WHRHS in October 2010 as a Culinary Arts teacher. The resolution calculates, "her expertise and passion for children have influenced more than 2,000 students and spanned more than 14,000 class lessons over 10 years."

WATCHUNG HILLS WARRIORS 8U WIN NPGL CHAMPIONSHIP

Submitted by James Bodajlo

On August 12, 2020, the top seed Watching Hills Warriors 8U travel baseball team won the New Providence Green League Championship by defeating third seed SJBS Summit 8U with a score of 11-1.

On a steamy night at the Warren Municipal Complex, the Warriors led by dominant pitching from starter Peter S, who went 2 innings, and Michael D, who threw for 3 innings. These ace hurlers combined for 9 strikeouts while only giving up 2 hits.

Watching Hills took charge right from the start by retiring Summit in the top of the 1st and then jumping out to a 5-0 lead registering 4 hits, 1 walk and 3 hit batsmen without recording an out. Peter S led off the inning with a single and moved to second on a single by Michael D. Chase S and Roman R were then both hit by pitches resulting in the first run. Richard S followed with a single to drive in the second run and Owen D walked to push across the third run. Dylan (D-Man) W was hit by a pitch to plate the fourth run and the inning was closed out when Benjamin B got a hit to drive in the fifth run.

Peter S struck out the side in the second inning and Watching Hills extended their lead by scoring 2 more runs in the bottom of the inning on RBI singles by Chase S and Roman R.

Summit got on the board in the 3rd scoring a run on two singles and two groundouts to move the runners around. Watching Hills concluded the scoring in the bottom of the third on a 2-run double by Peter S, an error and an RBI double by Chase S.

Michael D controlled the game in the last two innings, striking out four batters, catching a pop up and retiring the last batter of the game on a comebacker.

After finishing the regular season 6-4, the Warriors brought their best in the playoffs. Congratulations to the entire team:

Peter ("P-E-T-E-R") S., Michael ("Here we go!") D., Chase ("BMC") S., Roman ("Roooooome") R., Richard ("Ritchie") S., Owen (Ohhhh!) D., Dylan ("D-Man") W., Benjamin ("The Jet") B., Mateus ("Mateeeeeeeus") R. and Christian ("Let's Go Fazio!") F.

SCLSNJ'S WARREN TWP. BRANCH STAFF WELCOME BACK LIBRARY CUSTOMERS

Submitted by Tracy Carney

When Wesley/The Dread Pirate Roberts was famously asked in "The Princess Bride" "Why do you wear a mask...?" he may have predicted the future when he responded "I think everybody will in the near future. They're terribly comfortable."

On August 19, the Somerset County Library System of New Jersey's (SCLSNJ) Warren Township Library branch staff welcomed back

customers while showing off their pandemic style by sporting masks and "The Princess Bride" t-shirts.

Even though the Library's doors are open you can still connect with your Library and #BeSafeAtHome by exploring SCLSNJ's virtual programs by visiting sclsnj.libnet.info/events, or discovering the digital collection at somerset.overdrive.com.

(above) Cyprian and Blaise Gallic, safely checked out their library materials while wearing masks. The Gallic family of Warren Twp. recently visited the Somerset County Library System of New Jersey's (SCLSNJ) Watchung Library branch. During their visit the family explored the Library's collections, connected with SCLSNJ staff, and discovered contact-free checkout stations. Even though the Library's doors are open, if you prefer to travel digitally and #BeSafeAtHome, explore SCLSNJ's digital collections, resources, and more: sclsnj.org/besafeathome.

Howdy Partners!

Online Marketing is like the Wild West

Too many carpetbaggers are exploiting business owners, making empty promises that don't materialize.

Too many businesses are stuck in contracts with no return on investments, no way to check if the work is getting done, and needing to invest more to make things right.

The following is a guide to Renna Media services and costs that you can compare to your present provider.

I highly recommend doing an independent audit of your website!

Contact Walter Watson at walter@www-online-enterprises.com

He does a great job analysing and making recommendations.

It is only \$250 and can save you time, money and headaches.

Thank you. - Joe Renna
