SCOUTING FOR FOOD GOES VIRTUAL

Gift cards will be collected at November 14 drive-through donation event

Submitted by Jennifer Niederhoffer

New Providence's Boy Scouts and Cub Scouts are once again participating in their annual Scouting for Food project. However, due to Covid-19 restrictions, things will look different for the 39th Annual event, as Scouting for Food 2020 is going (mostly) virtual.

The Scouts will kick off the 2020 Scouting for Food Drive with a drive-through donation event on Saturday, November 14 from 11 a.m. - 1 p.m. Residents can bring grocery store gift cards, checks, or cash to the Scouts at the New Providence Library parking lot, 377 Elkwood Avenue, New Providence. Social distancing protocols will be followed.

With the large number of people it takes to collect and pack the traditional non-perishable food donations, it would not be safe for the Scouts (Boy Scout Troops 1 and 63 and Cub Packs 263, 363, 99) and other community volunteers to do that this year. But, as the coronavirus pandemic continues to cause such economic strife, there are more local families/individuals in need in New Providence and beyond than ever before. So for the 2020 Scouting for Food drive, the Scouts will only collect financial and grocery gift card donations to help their neighbors in need.

Residents can support the two charities which benefit from the annual Scouting for Food Drive - the Community Service Association of New Providence (CSA) and the Star Fish Food Pantry, both 501(c)(3) non-profit organizations - in the form of grocery gift cards, checks, or donations through PayPal, Venmo, or by mail. Please donate by November 20 so gift cards can be distributed before Thanksgiving.

In 2019, the Scouts collected more than \$53,000 worth of non-perishable items. This year, CSA will provide grocery gift cards for New Providence families in financial need, and Star Fish Food Pantry will purchase food items in bulk with the contributions sent to their Plainfield location.

(above, l-r) James, Jessica, and Andrew Short at the 2019 Scouting for Food Drive.

HOW TO DONATE:

- Bring a grocery store gift card, check, or cash to the Boy and Cub Scouts' Saturday, November 14 drive-through collection at the New Providence Community Pool, 11 a.m. - 1 p.m.
- Venmo a donation to the Scouts using @ScoutingForFood; they will make donations to both the CSA and Star Fish Food Pantry.
- Send a grocery gift card or personal check to: Community Service Association of New Providence, 360 Elkwood Ave., New Providence, NJ 07974 (check memo - Scouting for Food). CSA volunteers will use this money to provide food and other assistance to New Providence residents in need.
- Donate via PayPal from the CSA's website: CSAnewprovidence.org
- Send a check to Star Fish Food Pantry, P.O. Box 2822, Plainfield, NJ 07062
- Donate via the Star Fish Food Pantry website: starfishplainfield.org/contact-us-or-donate.php

Please contact the Community Service Association of New Providence at 908-665-8254 for more information.

RESIDENTS CAN REQUEST OVERNIGHT PARKING PERMISSION ONLINE

Effective October 1, 2020, the New Providence Police Department (NPPD), in cooperation with Mountain Valley Emergency Communications Center (MVECC) will begin utilizing Frontline Public Safety Solutions online portal to provide a virtual means of requesting overnight parking permission in the Borough of New Providence. The online portal, which can be found on the Borough website or by visiting frontlinepss.com/newprov is available to all residents.

Where previously residents would call the New Providence Police Department non-emergency number to request overnight parking permission, an action which required an MVECC 9-1-1 professional to manually collect and enter parked vehicle information, requests can now be entered virtually through the online portal. NPPD hopes the addition of the Frontline Public Safety Solutions online portal will provide residents an easier and more convenient way to request permission for overnight parking.

The online portal can be reached on any cell phone, tablet, computer, or device with access to the internet.

New Providence Police Chief Gazaway stated, "New Providence Police Department is always looking to find ways to improve our efficiency and streamline operations. Frontline will allow residents to self-report overnight parking and provide our officers with accurate,

up to date information using a simple, intuitive platform."

MVECC Executive Director D. Jeremy DeMar stated, "Requesting overnight parking permission online is a logical and progressive next step for New Providence. Previously, requests for overnight parking would be handled by one of MVECC's 9-1-1 professionals, taking them away from critical emergency call taking and dispatching responsibilities. With Borough residents now submitting these requests online, the number of non emergency calls being fielded by our 9-1-1 professionals is reduced, allowing them to focus on emergency situations."

As a reminder, parking on Borough of New Providence streets is prohibited between the hours of 2:00 a.m. and 5:00 a.m. (per Borough ordinance 257-25). If residents need to park a vehicle overnight, they must request permission to do so through the Frontline online system. Requests must be received prior to 2:00 a.m. and any requests made after 2:00 a.m. may be subject to a parking citation. Parking permission may not be granted during certain weather events and states of emergency.

Residents who have questions regarding the Frontline overnight parking program or use of the Frontline Public Safety Solutions portal can contact the New Providence Police Department at 908-665-1111 or online via the 'contact us' link on the Borough's website at newprov.org

The nursing staff and administration is professional, patient, attentive and understanding. The facilities are very clean and well maintained. My parents room is always clean and tidy. Although it was a difficult decision to make relocating my folks from a home environment to a senior living facility, Spring Grove made my decision easy.

Thank God for them!

SRIYA TALLAPRAGADA HOPES TO CLOSE THE GENDER GAP IN STEM

"When I was in school, I started realizing how few girls were involved in STEM: Science, Tech, Engineering, and Mathematics," explained Sriya Tallapragada, an 8th grader at New Providence Middle School. "When I went online, I was shocked to find out that this was not just a coincidence... There was a very obvious gender gap in these fields. That's when I decided that I had to do something about it."

(above) New Providence Middle School Student Sriya Tallapragada aims to close the gender gap in STEM.

Tallapragada said she spent part of her summer designing and building her nonprofit, #Girls Who STEAM, as her way of doing something about these statistics. #Girls Who STEAM is built on the mission to close the gender gap in STEAM by making it fun and interesting for girls.

#Girls Who STEAM's first event, the Trailblazer Essay Contest, is meant for girls between the ages of 8-11. Girls are encouraged to write about their favorite female trailblazer whose impact has helped female rights to this day. The contest is on-going and will be open until December 31, 2019. For more information, visit girlswhosteam.com/Trailblazer.

Tallapragada hopes to expand into workshops that engage girls in STEM activities.

On October 8, NJ Sharing Network and its many healthcare partners and volunteers throughout the state worked together to register organ and tissue donors in celebration of Organ Donor Enrollment Day. The non-profit, federally designated organ procurement organization set a goal of amassing at least 2,020 new donor registrations on 2020 Organ Donor Enrollment Day. The 2,020 goal helps create a positive spin on the number '2020' as opposed to the negative '2020' references seen virtually everywhere due to the challenges faced this year.

Currently, there are nearly 110,000 Americans – nearly 4,000 of whom live in New Jersey – waiting for a life-saving transplant. You can register to be a donor at any time by visiting njsharingnetwork.org/register.

"Organ Donor Enrollment Day is about taking action and inspiring others to learn more about how they can save lives through organ and tissue donation," said Joseph S. Roth, president and chief executive officer of NJ Sharing Network. "One organ and tissue donor can save eight lives and restore health to over 75 people."

In New Jersey, one person dies every three days waiting for an organ transplant. However, the generosity of those in the Garden State is providing hope for the future. New Jersey's organ and tissue donor registrations continue to rise thanks to strong community education and outreach efforts as well as simplified ways to

register as an organ and tissue donor are also helping to save more lives. It is now easier than ever for New Jerseyans to register in any of the following options:

Online at www.NJSharingNetwork.org

Through the iPhone Health App

In person at your local Motor Vehicle Agency

Another key component of Organ Donor Enrollment Day is encouraging those who register to have a conversation with their family and friends about their decision to donate.

"Donation provides comfort and healing to so many families after losing a loved one. It is so important to talk to your family and share your decision about organ donation so your gift is honored," said Carolyn M. Welsh, vice president and chief clinical officer, NJ Sharing Network.

ABOUT NJ SHARING NETWORK

Dedicated to saving lives through organ and tissue donation, NJ Sharing Network is the non-profit organization responsible for the recovery and placement of donated organs and tissue for the nearly 4,000 New Jersey residents waiting for a life-saving transplant. With headquarters in New Providence, NJ, the organization, selected by NJBiz as one of the state's "Best Places to Work" for the third consecutive year, is also part of the national recovery system, serving the nearly 110,000 people on the national waiting list. To learn more, get involved and register as an organ and tissue donor, visit NJSharingNetwork.org.

SANTA CLAUS SHOP PREPARES TO HELP DELIVER A JOYOUS HOLIDAY

The Santa Claus Shop will open its doors once again to area families, providing its 54th consecutive year of complimentary holiday shopping. The shop serves more than 400 low-income families and senior citizens from Summit and other local communities, including New Providence and Berkeley Heights, who are referred by local social services agents.

This year's Santa Claus Shop will be held in the parking lot at St. John's Lutheran Church, 587 Springfield Avenue in Summit. Although families cannot shop the way they have in the past, due to the pandemic, we are still committed to making this experience enjoyable for all the families.

The Santa Claus Shop has had to rethink how we run this year's event due to COVID-19. Unfortunately, we cannot have everyone in the building selecting their own items and getting them wrapped. In an effort to keep everyone safe and follow state guidelines, we will be socially

distanced in the parking lot of the church where the families will get a bag of goodies we have put together. Our local volunteers will be responsible for ensuring social distancing is being properly adhered to, setup, distribution of prepackaged bags and cleanup.

The Santa Claus Shop is chaired by Summit residents, Lauren Bialek, Susan Campbell, Maritess Manaluz and Marnie O'Connell and co-chaired by Elaine Chong, Nev DiPetrillo, Celia O'Rourke, and Teal Rodriguez. The Santa Claus Shop exists solely on donations and volunteers. With the monetary donations from area residents, local organizations and businesses, the Santa Claus Shop can purchase the gifts that allow less

fortunate neighbors to experience the joy of holiday giving without financial burden.

To keep the holiday spirit alive for local residents in need, and this year more than ever, the Santa Claus Shop chairwomen ask for members of the community to consider giving. Checks can be made payable to SHIP, with Santa Claus Shop noted on the check's memo line, and mailed to the Santa Claus Shop, P.O. Box 119, Summit, NJ 07901. The ability to make an online donation is also available at summitsantaclausshop.com. To find out more information or get involved please visit our website or follow us on Facebook at Santa Claus Shop - Summit, NJ.

STONY THE ROAD WE TROD: A DISCUSSION OF BLACK WOMEN AND THE SUFFRAGE MOVEMENT

On November 19, The League of Women Voters of Berkeley Heights, New Providence & Summit and the Summit College Club of the American Association of University Women are co-sponsoring a program presented by Janice Harris Jackson entitled "Stony the Road We Trod: A Discussion of Black Women and the Suffrage Movement".

How "stony the road" was for those Black suffragists who participated in the long and arduous journey in the 1920 ratification of the 19th Amendment, which gave women the right to vote. In 2020, the beneficiaries of this great liberation movement commemorate its Centennial with recognition and appreciation for Black women who transitioned their energies from the liberal Abolitionist Movement to confront "Jim Crow" oppression, racial prejudice from other suffragists, southern segregation and anti-suffrage sentiments from a patriarchal status quo.

This discussion will focus on these African-American women who were the leaders of Black Suffragists (especially in New Jersey) and will

mention many of the other Black women generally recognized as advocates for the Suffrage Movement.

Janice Harris Jackson is a retired Kean University educator, where during her 39-year career, her duties included the institution's first admissions recruiter for Black students, foreign student advisor and administrator responsible for strengthening its ties to Newark and other urban school districts. She was one of the founding members and Past President of the Concerned Black Personnel of Kean. She also served on the African Studies Advisory Committee.

The League of Women Voters is a non-partisan political non-profit that works to empower voters and defend democracy. Founded 100 years ago, the League makes democracy work by protecting voting rights and encouraging robust participation.

This program will be a virtual presentation. The program will be held on Thursday, November 19th, 2020 at 7:30 p.m. To register email LWVBHNPS@yahoo.com.

Howdy Partners!

Online Marketing is like the Wild West

Too many carpetbaggers are exploiting business owners, making empty promises that don't materialize.

Too many businesses are stuck in contracts with no return on investments, no way to check if the work is getting done, and needing to invest more to make things right.

The following is a guide to Renna Media services and costs that you can compare to your present provider.

I highly recommend doing an independent audit of your website!

Contact Walter Watson at walter@www-online-enterprises.com

He does a great job analysing and making recommendations.

It is only \$250 and can save you time, money and headaches.

Thank you. - Joe Renna

IMAGINE LAUNCHES SUPPORT PROGRAM FOR NURSES

Imagine, A Center for Coping with Loss announced the expansion of its virtual group support programs with one designed to help nurses dealing with the stressors of healthcare work during Covid-19. Imagine, which serves more than 2,000 individuals annually and is nationally recognized for its work helping bereaved children and their families, offers its Peer Support Group for Nurses at no cost. Interested nurses can join the weekly support group that takes place via Zoom from 7:30 – 8:30 p.m. on Wednesdays.

Robinson, who was named a 2019 CNN Hero, went on to say, “Nurses continue to selflessly care for others despite their own fears about their potential exposure to Covid-19. We need to ensure they have a place to turn to for support.”

For many, the anxiety they feel going to work in a healthcare environment comes on top of grief they were feeling before the pandemic even hit.

Talia Sion, a newly minted nurse, had attended Imagine's Young Adult Group for support following the death of her mother, and then joined the organization's pilot support program for First Responders when the pandemic hit.

Of her experience, Sion said, “I was quickly overwhelmed with the weight of so many sick and unstable patients, not knowing if and when things would ever get back to ‘normal.’ Once again, Imagine created a program for me to turn to with people who understood how I feel; people who understood what I was facing on a daily basis at work.”

The nature of the program's virtual environment breaks down geographic boundaries for those seeking support. Nurses from New Jersey and throughout the country are welcome to attend.

“New Jersey is no longer a hotspot for Covid-19, but many of the nurses here are processing what they went through and bracing for a possible resurgence,” Robinson said. “Meanwhile, there are nurses in other states in similar positions to where we were a few months ago. Sharing these stories, fears, and challenges at all different stages in a peer support model is proven to be an effective way to learn coping strategies.”

As with all of Imagine's offerings, this free Peer Group Support for Nurses program will be available year-round for as long as is needed. Those who are interested can register at imaginenj.org/nurses.

Imagine, A Center for Coping with Loss is a New Jersey-based grief support center for children, young adults and families dealing with the death or life-altering illness of a parent, sibling or child. In addition to its peer grief support programs, Imagine provides training through education and outreach programs across the state to a variety of organizations including schools, houses of worship and corporations. Its goal is to create communities where grief and loss are transformed into resilience, empathy and compassion; and where no child grieves alone.
