DAVID AMIEVA'S EAGLE SCOUT PROJECT UPGRADES THE MADISON COMMUNITY GARDEN

The Madison Community Garden, located at the Madison Recreation Complex, has been known for its bountiful crops and beautiful flowers grown by local residents. Thanks to David Amieva's Madison Boy Scout Troop 25 Eagle Project, gardeners can now relax there after a hard day's work. David built a stone fire pit, two benches, and a picnic table for his Eagle project. The goal was to use materials that would last as long as possible.

The benches and picnic table took much longer than the firepit to build and were made out of pressure treated wood and a recycled, composite material. David had help from many fellow scouts from Troop 25. They worked together to remove the weeds and mulch from the area, cut the wood, then pieced together the benches and the table.

David said he had a lot of fun building all of the pieces with the scouts. It was a great experience for him that hopefully will inspire the younger scouts to give back to the community in the form of their own projects.

If you would like more information about Madison Boy Scout Troop 25 or would like to attend a meeting, please contact Wayne Dieckmann, Ph #973-769-4059.

MADISON WELCOMES A CHILDREN'S LITTLE FREE LIBRARY

Submitted by Cathy Gotliffe

You are cordially invited to visit the Thursday Morning Club/Madison Community House Children's Little Free Library. The Library is located on the left side of the Madison Community House at 25 Cook Avenue in Madison. The library is donated by a Thursday Morning Club member. It is jointly sponsored by the Before and After School Child Care (BASCC) local elementary school childcare program and the Madison Community House Preschool.

This Little Free Library book exchange, with a large book donation from a BASCC family, gives young readers ages 4-10 access to age-appropriate books which offer opportunities for readers to see whimsical characters cavort, learn about different cultures and countries, gain information about possible family pets, and build confidence in their nascent reading skills. Our goal is to inspire readers, build community spirit and foster neighborhood goodwill. This library site is proudly represented on the world map of registered Free Little Library boxes as part of their non-profit service to encourage increased readership. Children's books are free for anyone to take and read.

The Madison Community House Preschool, a sponsor of the new library, is a state-licensed preschool with the goal of providing an

intermediate experience between home and school where children ages 3 and older are comfortable with themselves and their peers. An experienced staff is devoted to the social, intellectual, emotional and physical development of each child.

Another sponsor, the Before and After School Child Care (BASCC) program, supports the parents of children attending the elementary schools in Madison by providing quality child care beyond the normal school hours, offering well planned, flexible activities that are consistent with school and home environment, are conducive to creative play, promote respectful interaction among children and encourage independent study.

The Madison Community House is owned and operated by the Thursday Morning Club, a non-profit women's service organization founded in 1896 to meet the needs of the community and surrounding areas. The Thursday Morning Club, a member of both the New Jersey State and General Federation of Women's Clubs, has a membership of 230 women volunteers.

For information about BASCC, the Madison Community House Preschool and other programs, membership and services, please contact the Community House at 973-377-0244 or visit TMCMHC.org.

JOINT MUNICIPAL COURT RECOMMENDS THE APPOINTMENT OF THE HONORABLE JONATHAN H. ROSENBLUTH AS PRESIDING JUDGE

Submitted by Michael Pellessier

The Joint Municipal Court, serving the Borough of Madison, Borough of Chatham, Township of Chatham, Township of Harding and the Township of Morris, has announced the appointment of the Honorable Jonathan H. Rosenbluth.

After serving the Borough of Madison for 21 years, and being the sole Presiding Judge for the Joint Municipal Court, the Honorable Gary F. Troxell has announced his retirement at the end of this calendar year. "We thank Judge Troxell for his many years of service not only to the Joint Court, but to the Borough of Madison," said Council President and Joint Court Committee Member Carmela Vitale. Besides hearing cases, Judge Troxell also held yearly mock court sessions with 2nd grade students from St. Vincent Martyr School and participated in the bi-yearly "Every 15 Minutes" program at Madison High School.

In addition to the recommendation from the Joint Court Committee, Morris County Assignment Judge, Stuart A. Minkowitz, has issued an Administrative Order of Approval appointing Judge Rosenbluth as the Acting Judge, and state representatives, Senator Richard J. Codey, Assemblywoman Mila Jasey and Assemblyman John F. McKeon have expressed

their support of the appointment. Now awaiting gubernatorial appointment from Governor Murphy, the Joint Court Committee looks forward to swearing in Judge Rosenbluth in January of 2021.

In addition to presiding over the Joint Municipal Court, Rosenbluth also serves as the Municipal Court Judge for South Orange, Union, Springfield, Passaic and Kenilworth for many years. "When looking for the new presiding judge, the Joint Court Committee was interested in finding a successor who had the same traits and qualifications as Judge Troxell," said Council Member and Joint Court Committee Member Astri Baillie. "With his extensive background in other Municipal Courts, Judge Rosenbluth exemplifies all the traits that we were looking for, and we look forward to welcoming him to the Joint Court," continued Baillie.

Rosenbluth is a graduate of Rutgers University and earned his law degree from the University of Maryland.

"I wish Judge Troxell all the best on his well-deserved retirement," said Mayor Robert H. Conley. "His professionalism in and out of the court room will be greatly missed, but I look forward to Judge Rosenbluth taking the bench in January. His years of experience will be beneficial for the Joint Court," continued Conley.

THE GARDEN CLUB OF MADISON INSTALLS SCARECROWS ON WAVERLY

The Madison Area Chamber of Commerce, in partnership with the Garden Club of Madison, installed cornstalks and family-friendly scarecrows on the lamp posts on Waverly Place. The scarecrows were decorated by Chamber-member businesses and organizations and remained up through November 5. All were visible from the sidewalks so children, parents and shoppers can enjoy them up close.

"Scarecrows on Waverly is one of our favorite fall projects and we are thrilled to be able to work with the Garden Club of Madison on this," said Chamber president John Morris. "The scarecrows are always fun and very creative."

The Garden Club of Madison initiates and supports many community projects, both financially and through the volunteer work of their members. Their Civics Committee leads the clubs efforts in restoring and improving common spaces in Madison.

"The Garden Club of Madison's work is done with a true love and commitment for the

improvement and quality of our community." said Morris. "We have enjoyed partnering with them, now for the fifth year, and we plan to continue this annual tradition for all to enjoy."

ABOUT THE GARDEN CLUB OF MADISON

Service to our community has been a hallmark of The Garden Club of Madison since its inception. Our "Beautify Madison" mission has played a large role in making Madison more attractive to those who live, work and play in our community.
