TEACHER DROPS OFF ART SUPPLIES AT STUDENTS' HOMES

Submitted by Gary Miller

A teacher at Soehl Middle School in Linden paid a surprise visit to the homes of two students recently to reward them for their faithful participation in her after-school enrichment class.

Jennifer Veltre, a language arts teacher, hosts the voluntary "Socialize and Scattergories" class each week as part of the school's 21st Century Community Learning center activities. Students gather online after regular classes to play games and talk about life, sometimes with guest teachers, or pajama parties or snack parties.

"I teach the students how to have meaningful conversations, and listen with intention," Veltre said. "It's a safe space where students can talk about things they can't always address while in class."

Two sixth-grade girls, Amanda Banton and Alina Noble, have been regular participants, showing up every class and engaging in a kind and compassionate way.

One of their projects was to create 2021 vision boards, to highlight the importance of setting goals and remembering that there is always something to look forward to, especially after such a trying year.

Leading up to that project, Veltre decided to surprise Amanda and Alina with backpacks filled with school and art supplies to help them create something beautiful. The backpack included pencils, markers, stickers, books, and other craft supplies.

The girls put their new supplies to great use. They began their vision boards by drafting out the things that matter most to them, discussing how to better themselves, and highlighting the vision they have for this year.

"We crafted and talked and listened to music while we created," Veltre said.

"I couldn't be more proud of these two sixth-grade girls, their appreciation for life and family, their kindness and compassion when listening to each other, and their faithful attendance in my class," she said. "They have taught me lessons, made me laugh, and I am grateful to be working with them every week."

LIFELONG LINDEN RESIDENT DONATES NEARLY \$2.7 MILLION TO UNION COUNTY COLLEGE

Submitted by Nicole Torella

Union County College President Margaret M. McMennamin is proud to announce that Union County College alumnus, Bruce Weidenburner, left the bulk of his estate, valued at nearly \$2.7 million, to the Union County College Foundation. This generous donation from Mr. Weidenburner is the single largest individual gift made to the Union County College Foundation in its history. Mr. Weidenburner, son of former United States Attorney and New Jersey Superior Court Judge Chester Weidenburner and his wife Emily, established this planned gift. Both of Mr. Weidenburner's parents were members of the inaugural graduating class of Union County College, formally known as Union County Junior College.

Prior to his death, Mr. Weidenburner established this endowed scholarship with the Union County College Foundation in his parents' name. As a lifelong resident of Linden, Mr. Weidenburner developed his family's scholarship

to help Linden High School graduates receive a college degree. Thanks to his commitment and support of the College's mission, Mr. Weidenburner's generosity will have a transformative impact on students' lives for generations to come.

"We are so appreciative that Mr. Weidenburner thought of our students in his estate. When we look back at his gift, I hope we will see how an individual's generosity impacts thousands of lives. This generational donation will leave a positive mark on our community for years to come," stated Union County College President Margaret M. McMennamin. "The Weidenburner legacy in New Jersey will continue through those who benefit from his scholarship."

For more information about how you can donate to the Union County College Foundation and give the gift of an education, contact Union County College Foundation Executive Director Doug Rouse at 908-709-7113 or douglas.rouse@ucc.edu.

LINDEN POLICE OFFICER RECOGNIZED BY MADD NEW JERSEY

Submitted by Lt. Christopher Guenther

On Thursday, February 11, 2021 Mothers Against Drunk Driving® (MADD) New Jersey held its 2020 Annual New Jersey State Law Enforcement Recognition Event.

Due to the ongoing pandemic, the normally in-person event was held virtually on Facebook and YouTube. The event recognized the work of 250 Law Enforcement professionals and Law Enforcement Agencies from across New Jersey who showed outstanding dedication to DWI enforcement, prosecution and education during the 2020 calendar year.

"MADD's Campaign to Eliminate Drunk Driving endorses and encourages high-visibility law enforcement and continuing diligence on the part of our police, prosecutors and probation professionals," says Richard C. Mallow, MADD New Jersey State Executive Director.

"This event is our way of saying thank you to the Officers who dedicate their lives to keeping our roads and highways safe."

Among those honored was Linden Police

Officer Ariel Franjul. Officer Franjul, who has served as a Patrol Officer since 2017, was recognized as a Department leader in DUI enforcement.

"Over the past several years we have been very aggressive in our efforts to stop impaired driving," said Linden Police Chief David Hart. "Ofc. Franjul has demonstrated incredible commitment and leadership in this area, and we are very proud of the work he has done to keep our roadways safe."

HELP DURING THE STORM

Submitted by Jacqueline Price

As you know, our first winter storm that started on December 16th, 2020 into the 17th was messy but we did recover quickly.

On the 18th I ventured out to see how much snow was on my car and prepared myself for the daunting task of cleaning the snow off and around my car. To my surprise, there wasn't much snow on my car, but unfortunately, there was a lot around the car. I retrieved my shovel from the trunk of my car and proceeded to shovel out.

There was a city worker doing some work on the electrical lines and the usual presence of a police officer. The next thing I know, the officer approached me, took the shovel from me and started to dig out my car. He told me to start the car to get it warmed up. Then another man walked up with his shovel to help the officer dig out my car. He saw us from his home across the street and came out to help. As they were digging my car out, I cleaned the snow off the windshield.

Of course, I thanked them profusely and offered to pay them for their help. They both declined payment. I just wanted to acknowledge their kindness publicly. Again, thank you to the officer and neighbor for helping me.

(above) A neighbor and a police officer helped Jacqueline Price shovel her car out from the snow after a storm in December.

Rahway's Taste of Spring, New Jersey's premiere, wine, food and aperitif tasting is ready to help get you out of the house! While it is not quite safe to gather in large numbers, we will still be giving our foodies a chance to get their tasting "fix".

weekends in April, Taste of Spring "tourists" visit participating establishments during their scheduled times. Tourists present their passport and pay only \$5 for a special Taste of Spring sample! Tasters will be treated to many of the same delectable desserts and enticing cuisine that is a signature part of Rahway's annual event. You will even be able to vote for your favorites!

Just like at the larger Taste event, samples are

meant to be enjoyed "on the go". This year, we encourage Taste Tourists to be thoughtful of the indoor dining limitations brought on by the pandemic and head out with your sample. However, if the fare tickles your palette, feel free to head back in and order a full meal!

The schedule runs Thursday through Sunday on the following weekends: April 8-11; April 15-18; April 22-25; April 29-May 2. Details of when your favorite establishments are participating and where they are located will be available at RahwayIsHappening.com and in your passport so you can plan your adventure!

BAYWAY COMPLEX SCHOLARSHIPS

LIFE in LINDEN • Page 13 • March 2021

For the year 2021, the Bayway Complex Community Advisory Panel (CAP) has elected to offer High School Seniors who are residents of Linden, Rahway, Elizabeth, and Staten Island the opportunity to be awarded a CAP scholarship. Several one-year scholarships will be awarded in the amount of \$1,000 each, to students in the four municipalities represented by the CAP.

The winners will be selected by the CAP Scholarship Committee, who will be taking the following areas into consideration when reviewing the applications: The Applications must be Computer-Generated and All Sections Completed; Academics (transcript/SAT/ACT scores); Financial Need; Essay; Science/Math Teacher Recommendation Letter(s). This scholarship is open to candidates who will be

pursuing a college, university, career or vocational school education in the Industrial, Process Technology, or Engineering (Chemical, Civil, Mechanical, Environmental, Computer) fields. Please contact your high school guidance counselor for more information and the application forms.

The Bayway CAP is a committee of community representatives from Linden, Rahway, Elizabeth, and Staten Island including neighbors, educators, retirees, public officials, emergency responders, and environmentalists who attend quarterly meetings that serve as a forum for dialogue between the community and company representatives from Phillips 66 Bayway Refinery, Infineum USA L.P., Linden Cogeneration Plant, Veolia North America, Solutia, NuStar, Linden VFT LLC, and PSEG.

MYSTIC VISION PRESENTS LEGENDS AND ICONS

This year, the Mystic Vision Players (MVP) annual scholarship fundraiser cabaret will be presenting a virtual arrangement of performers that bring together famous characters of folklore and mythology with popular stars of the past and present in One Night Only: Legends and Icons! Since this year is different from every other, MVP will be showcasing the performances via their Facebook and YouTube Channel @MysticVisionPlayers.

You do not want to miss your favorite performers, old and new, from MVP productions in a night too enchanting to miss!

All proceeds from the benefit will go directly

towards MVP's Vision scholarships that assist graduating high school seniors attending college and younger students interested in attending MVP's summer arts programs. Check out mysticvisionplayers.com for more information on each scholarship. Your contribution, no matter how small, will help students of all ages to pursue their dreams.

Mystic Vision Players is a non-profit theatre company based in Linden since 1992, dedicated to the growth and showcasing of all types of performing arts.

The show will be released on March 25, 2021 at 7:30 p.m.
