EDUCATION FOUNDATION GRANT WINNERS ANNOUNCED

Submitted by Kathy Arminio

The Township of Union Education Foundation proudly announces two macro-grants and three mini-grants will be awarded to teachers in the Union school district for the 2021-2022 school year.

A macro-grant, "New York Times for These Times," was awarded to Lisa Krauze, librarian at Union High School. This grant is for a digital subscription to the New York Times to allow all 2,300 students and 250 teachers access to international, national and local news. The grant opens unlimited access to all articles published by The New York Times back to 1851. This scholarly database will be available to students and faculty both at school and at home for the entire year.

Marianne Deczynski, instrumental and general music teacher at Kawameeh Middle School, was awarded a macro-grant for "Enrichment Through Percussion". This grant provides wooden xylophones and mallets for use in the Kawameeh World Band and Orchestra. The grant allows the purchase of six 2-2/3 octave xylophones and six keyboard mallets. Since these are actual concert xylophones, they will prepare the students to participate in the high school marching and concert bands as well as college and community bands.

The first micro grant was awarded to Cindy Valia, Kindergarten, Livingston School, to set up a culturally relevant classroom library with flexible seating. The books purchased will represent diversity in the classroom, different interests and reading levels. Floor cushions will complete the new reading section of the classroom.

"Around the World" is the second grant, awarded to Patricia Frazier, Burnet Middle School, and will allow all Spanish I students to participate in painting a flag of their choice, choosing from all of the 21 Spanish speaking countries. The geographic location of all the Spanish speaking countries, as well as their capitals, will be identified. All students will see their family's country of origin represented in the classroom.

Mary Ellen Patricco, 4th grade at Livingston School, was awarded a grant for "Learning Through Lego Play" to provide a digital print SuperScience magazine to help children develop problem solving, creativity, critical thinking and communication skills. The magazine uses current topics and photos in articles about life science, earth science, physical science and engineering. Students will have hands-on investigations as well as do-it-yourself projects. They will plan and carry out experiments, collect data and draw conclusions.

Grants are awarded based on four criteria: critical thinking is promoted; cooperative learning experiences are emphasized; interdisciplinary lessons address all ability levels; the educational experience is above and beyond the curriculum with an innovative and creative approach.

The Township of Union Education Foundation is a 501(c)(3) non-profit charitable organization whose mission is to raise funds for grants awarded competitively to teachers for creative and innovative educational programs for children in the public schools of the Township of Union. For further information, please visit our website at tuef.org.

NETWORK HELPS VETS AND FAMILIES LIVE BETTER LIVES

Submitted by Michael D. Boll, President

Memorial Day weekend is one of the most challenging for the New Jersey Veterans Network and its team of volunteers and mentors. This is a difficult time for many veterans because they reflect on their brothers and sisters that didn't make it home. Every day our nation loses 22 veterans to suicide, and it seems that number isn't coming down. If you are a veteran, or a family member, who is feeling alone, or are in need of assistance, we are here for you. Please reach out to us.

Our team focuses on helping our veterans and first responders have a better way of life through our volunteer mobile outreach mentoring program. We believe by aggressively seeking out veterans in need and contacting them before they are in crisis, we can really have some positive results. Contacting a person in need first is a great way to build trust and make it easier to begin a friendship. People will do better when they have human contact in their lives, too many programs are automated and lack the empathy and compassion needed to help someone in crisis.

We are not afraid to tell our veterans and first responders that they are loved and we strive to give them purpose. The team immediately empowers and gives its members a new family unit to be part of again. Nearly everyone that joins the team wants to help others and make a difference in someone else's life. Helping others definitely is a medicine that will make you become a better person, and you'll feel really good about it.

New Jersey Veterans Network is constantly keeping active thru our Operation Rebound Racing Team which hosts numerous hikes, runs, bike rides and all other types of physically challenging events. However, we also focus on non athletic events like hosting a BBQ, comedy show, tailgate, camping trip, and several other fun outings throughout the year. But it doesn't stop there, the team works well with other charities and hosts numerous food drives and clothing events which normally take place at

our veteran hospitals and shelters. If you would like to help, there is something for you to contribute.

Most recently, in April, our outreach director Frank "Doc" Schupp spearheaded our "Helping Heroes" program, and "Hero Day". These two programs were responsible for providing over 3,000 veterans and National Guardsmen throughout the state with food, PPE, and personal items.

In the last few years New Jersey Veterans Network has grown and has been able to save lives, provide cars, employment, housing, clothing, food, toiletries, and so much more to heroes.

In the next few weeks, we will be launching a statewide anti-suicide and PTSD awareness campaign. We have joined forces with the NJ VFW, NJ American Legion, NJSPBA, NJ FMBA, NJ FOP, NJ Veterans Affairs, State Legislators, and numerous other groups and organizations.

HOW YOU CAN HELP

Financial donations are great but we mostly rely on volunteers and donated resources. Our charity allows donors the opportunity to choose

where their funds go and the volunteers get to play an active role in changing someone's life.

If you are interested in joining the team as a volunteer, or are a veteran in need of assistance or comradeship, please contact us at NJVN1775@gmail.com or call 973-332-1556. Visit online at NJVN.org.

CONGRATULATES CEO RUSSELL TRIOLO ON 50TH YEAR ANNIVERSARY

(above) Chief Executive Officer, Russell Triolo, of the Boys & Girls Clubs of Union County celebrated his 50th Anniversary of being a part of the Boys & Girls Clubs of America Movement.

Boys & Girls Clubs of Union County

It all started in 1956, when a 7 year old boy attended his first swim lesson at the Boys & Girls Clubs of Clifton, his hometown. Sixty-five years later, he never left the Club!

Boys & Girls Clubs of Union County (BGCUC) is excited to announce the 50th Anniversary of Chief Executive Officer, Russell Triolo, in the Boys & Girls Clubs of America Movement. Russell began his career with Boys & Girls Clubs in 1970 and has never looked back. His first stop was as Program Director for Boys & Girls Clubs of Newark, NJ. He then moved to Boys & Girls Clubs of Garfield in 1974, where he was the Assistant Director of the club. In 1980, Russell found his home with Boys & Girls Clubs of Union County where he has served as CEO for 41 years.

Russell has many career highlights and has been recognized for the amazing work he has done with Boys & Girls Clubs. When Russell started with BGCUC there was only one club in Union County which served 800 members. Now there are three clubs serving youth in Union, Elizabeth, and Plainfield, NJ which reach over 3,000 members annually and thousands more over the years.

In 2012 Russell was one of only four exceptional professionals recognized as a Masters & Mentors recipient from the Academy of Boys & Girls Clubs Professionals during the 106th Annual Boys & Girls Clubs of America's (BGCA) National Conference in San Diego, California. In the past 100 years, this honor has been awarded to a select group of Boys & Girls Club professionals. The Masters & Mentors Award is the highest honor bestowed on Boys & Girls Club Professionals by the Professional Association and it recognizes and honors exceptional professionals who dedicate their lives to Clubs, have been integral to the success of the Boys & Girls Club Movement, and have shown a commitment to professional growth and excellence.

He was a member at the Boys & Girls Clubs of Clifton from the age of 7-18, and was inducted

into the Inaugural Class of their Hall of Fame.

"Russell is a tireless champion for kids," said Jim Clark, CEO of Boys & Girls Clubs of America. "His passion and drive to improve the lives of youth has impacted countless young people in Union County, he is always willing to share his expertise to advance the mission of Boys & Girls Clubs nationally. Russell truly does 'whatever it takes' to support great futures for youth. Thank you for 50 years of dedicated leadership and commitment to the Boys & Girls Club family!"

Congratulations Russell Triolo on 50 years with the Boys & Girls Club Movement! BGCUC is so happy to have you as our leader and mentor.

Summer Programs registration is now open at our Union, Elizabeth, and Plainfield Clubs. "Virtual School" and After-School programs are now open at our Union, Elizabeth, and Plainfield Clubs. Contact us at 908-687-2697 for information and registration. Aquatics, stroke development, and water safety instruction is available at our Union Club. Teen Leadership Club programs are available at our Clubs in Plainfield, Elizabeth, and Union. Teen members participate in character, leadership, career preparation, and community service activities throughout the year.

BOYS & GIRLS CLUBS OF UNION COUNTY

Boys & Girls Clubs of Union County seek to inspire and enable young people, who need them most, to realize their full potential and have provided an opportunity for youth since 1955. They are part of a national network of some 4,000 neighborhood-based facilities, Boys & Girls Clubs of America, which serves more than 4.6 million young people annually, in all 50 states and on U.S. military bases worldwide. Clubs provide guidance-oriented character development programs on a daily basis for children 6-18 years old, conducted by a full-time professional staff. Key Boys & Girls Club programs emphasize leadership development, education and career exploration, financial literacy, health and life skills, the arts, sports, fitness and recreation, and family outreach.

THE GIFT OF SIGHT - SAYING YES! CAN CHANGE SOMEONE'S LIFE

"I am passionate about spreading the important lifesaving and enhancing message of organ and tissue donation because I know the powerful impact it can have," said Peter DeSarno, member of the New Providence Lions and double cornea transplant recipient. "It is an honor to bring together two organizations (The Lions Club and Eversight) that do so much good and have personally impacted my life".

That was the way the presentation at the November 4 New Providence Lions Club meeting began as members heard the personal story of one of its own members receiving the gift of sight and discussed the 50-year history of Eye Banking in New Jersey with Jennifer Rosenblatt, Director of Philanthropy at Eversight.

Peter went on to share that when he was in high school, he was diagnosed with a condition called Keratoconus that affected both of his eyes and at the age of 24. He then received two cornea transplants that restored his vision and forever changed his life.

The gift of his first donor cornea in his left eye came to him with the assistance of the Lions Eye Bank of Texas. The second transplant in his right eye was procured with the assistance of the Lions Eye Bank of New Jersey (now Eversight) working in conjunction with the New Providence based, NJ Sharing Network.

Peter put his experience into perspective by saying that today he looks out of the eyes of two other individuals. Peter explained that unfortunately he has not been able to make contact with and thank his donor families. He said what he does know is that they were two heroic human beings who came from two loving, caring and generous families who in their darkest hour displayed an incredible amount of love and compassion in providing him with the gift of sight. He said that he doesn't think humanity gets any more beautiful than that.

The Lions Club's work in fighting blindness goes back many years. In 1925, as an ambassador for the newly formed American Foundation for the Blind, Helen Keller addressed the Lions Club International Convention in Cedar Point, Ohio hoping that the Lions would partner with the American Foundation for the Blind and lend their support as an organization to those who had lost their sight.

It was at that convention where she appealed to the Lions and challenged them to become "knights of the blind in this crusade against darkness."

She had no idea just how far the association would take her challenge. Before the convention was over, the association dedicated itself to making Keller's dream a reality and the Lions would become Keller's Knights of the Blind.

Since 1925, millions of lives have been changed through the vision-related work of Lions around the world, and today the association is as dedicated as ever to hastening the day when no one should suffer unnecessarily from vision problems. Lions work to end preventable blindness and aid the visually impaired through eye centers and hospitals, medicines and surgeries, eye glasses and eye banks.

(above) Peter DeSarno, member of the New Providence Lions and double cornea transplant recipient, recently shared his personal story with the Lions Club.

Jennifer Rosenblatt, Director of Philanthropy of Eversight, shared with the New Providence Lions Club an inspiring presentation about the Eye Bank in New Jersey and the work of her organization. Specifically, the work at Eversight to restore sight and prevent blindness through the healing power of donation, transplantation and research.

From its home in Clark, NJ, Eversight proudly partners with NJ Sharing Network, Lions Clubs, surgeons, businesses and philanthropists throughout New Jersey to advance its mission.

In 2019, Eversight worked with the families of 882 New Jersey residents who gave the gift of sight for transplantation, research and education. Through outreach and programs, Eversight provided donated tissue for 8,176 sight-restoring corneal transplants in 2019 in New Jersey and around the world.

Saying "yes" to donation can change someone's life.

The New Providence Lions Club is a 501(c)3 organization, giving back to the community 100% of the proceeds raised. Being a Lion empowers you to help others in a way that no one person could alone. The Lions are dedicated to helping others. Lions make a difference! For more information/membership please email info@nplions.org and visit nplions.org.

The Yarnies are back every Thursday, weather permitting, from 2 – 4 p.m., the group will meet in front of the Kenilworth Public Library on the Boulevard. Bring your own chair.
