CLARK FIT HIKING CLUB COMPLETES ‘STAIRWAY TO HEAVEN’

The Clark Fit Hiking Club completed the 2.6-mile ‘Stairway to Heaven’ on Sunday, May 23. The scenic trail gains almost 1,000 ft in elevation on the way to the top of Wawayanda Mountain in Sussex County.

According to club leader Hetal Sanghvi, the group started out at approximately 9:30 a.m. and finished by noon. “It was a little difficult hike compared to others we have done so far but was totally worth it,” she said. “We had a small picnic

there with amazing vistas, spotted a few red hawks, toads and also a field snake.”

The Clark Fit Hiking Club explores local hiking trails around New Jersey with small groups. For six weekends starting in May the club will travel to selected trails generally within a 25–30-minute drive.

TOWNSHIP MOURNS JOHN LAEZZA

May 24, 2021

It is with a heavy heart that I announce the passing of Clark's Business Administrator John Laezza, my friend and right hand for 21 years. John joined me at the start of my tenure as mayor to get the township on track financially and remained at his post until his death. He will be sorely missed.

Laezza was known amongst township employees to be fiscally conservative with town resources and to run a tight ship. His focus was on always protecting the growth and financial stability of the township.

Laezza served under two governors and wrote a multitude of state statutes before retiring to the next phase of his career in a corporate capacity. Clark Township was the last stop in his professional journey. We were fortunate to have had him as a leader and mentor to so many.

We thank the community in advance for your well wishes and look forward to carrying on in all the ways he guided us.

Regards,

Mayor Sal Bonaccorso

In my many years as a top producing realtor, I have been involved in a tremendous amount of Clark transactions. I live and work here and know everything this outstanding town and school system has to offer. Using an agent with a proven track record is very important. I put an enormous effort into marketing, advertising and customer satisfaction. Since 1/1/20 to present, I have had 88 transactions, 66 in Clark, and have many homes that are currently under contract. I also made the highest level of Platinum for 2020 Circle of Excellence Award which ranks overall in the top 1% of Realtors in New Jersey. I also made Top Agent Magazine!

GIOVANNINA PRISCO SWORN IN AS PATROL OFFICER

Patrol Officer Giovannina Prisco was sworn into the Clark Police Department on Tuesday, June 1 by Mayor Salvatore Bonaccorso as family and fellow law enforcement officers and officials looked on. She is the fourth female officer to join the department. Prisco, a Clark native is no stranger to serving the community.

She started as a Special Officer with the Clark PD in 2015. In 2018 she joined the Clark Volunteer Emergency Squad. In the same year

she became a member of the dispatch team. In 2020 Prisco joined the Union County Sheriff's Office, until her return to her hometown.

"I'd like to welcome Prisco back to the Clark Police Department, it's always great to see a story

like hers," said Mayor Bonaccorso. "She started here, helped the community in a number of ways; trained, advanced and followed a path to get where she wanted to be, glad to have her back with us."

JOSEPH HOVICK AND MATTHEW HARTZLER HONORED BY SUPERINTENDENTS

Submitted by Christine Casale Broski

Arthur L. Johnson High School Valedictorian Joseph Hovick and Salutatorian Matthew Hartzler were honored at the thirty-sixth annual Recognition Breakfast for Outstanding Scholars of Union County held by the Union County Superintendents' Roundtable. The students and their families, Superintendent Edward Grande, and Arthur L. Johnson Principal Jennifer Feeley attended the event on May 21 at Embassy Suites Hotel in Berkeley Heights.

The students were recognized for their outstanding achievement and presented with certificates by Daryl Palmieri, Interim Executive Union County Superintendent. Hovick will be attending New Jersey Institute of Technology majoring in Computer Engineering. Hartzler will be attending Stevens Institute of Technology majoring in Chemical Engineering.

Superintendent Edward Grande stated, "Being able to celebrate the successes of Joseph and Matthew with them and their parents was a highlight of this school year. We have every confidence that they are going to continue to make us proud."

SUMMER ACADEMIC ENRICHMENT PROGRAM

In an attempt to combat any potential learning losses resulting from the COVID-19 pandemic's impact on our schools, the Clark Board of Education will be sponsoring a Grades K-8 Reach Independence Through Superior Education (R.I.S.E.) Summer Academic Enrichment Program.

This program will help prepare students for the upcoming 2021-2022 school year by offering them the opportunity to further develop their English language arts literacy, i.e., reading and writing, and mathematics skills. Attention will also be paid to adapting to a growth mindset to education.

The program will run mornings during the month of July, with each student being assigned to a given two-week session. This offering is at no cost to parents. The CARES grant is being used to fund the program.

Grades K-5 Program Coordinators Mrs. Teresa Gotti and Mrs. Cindy Tarello and Grades 6-8 Coordinators Ms. Cristina Faro and Ms. Suzanne Hamilton have given immense effort in order to transform this vision into a reality. The plan is to complement this summer offering with a Homework Helpers Club during the actual school year. In the words of Board of Education Vice President and Personnel Committee Chair Mr. Thomas Lewis who was instrumental with the development of this program, "Our students' classroom education needs to be a central priority, and the Board of Education has a very strong commitment to this prioritization."

RELIEF FROM CHRONIC KNEE PAIN FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

RAKE & HOE DECORATES MOBILE MEALS

Submitted by Betty Round

Members of the Rake and Hoe Garden Club recently met at the First Baptist Church of Westfield where Mobile Meals originates and made 55 small floral arrangements to accompany the Mobile Meals delivered that day.

These colorful small arrangements are much appreciated by the clients who look forward to receiving them. One recipient told the club that she placed the arrangement on her kitchen windowsill and when she saw the arrangement every day it brought her happiness and made her realize that she was not alone and that others think of her and care. The club has performed this service twice a year in the Spring and the Fall for almost 50 years.

Mobile Meals is a voluntary, non-profit program that provides home-delivered meals to

those who are unable to shop and prepare their own meals on either a temporary or permanent basis. It is available to residents of Westfield and surrounding communities including Mountainside, Fanwood, Scotch Plains, Clark, and Cranford. For more information, call 908-233-6146.

The Rake and Hoe Garden Club is affiliated with the Garden Club of New Jersey and the National Garden Clubs, Inc. Currently, the club meets online on the second Wednesday of the month at 12:00 p.m. Meetings feature speakers on horticultural, flower design, floral crafts, and environmental topics. Membership is open to residents of Westfield and surrounding towns. For more information, call Beth Siano 908-233 4150 or visit the club's website, rakeandhoe.org, or Facebook page.

REMEMBERING MICHAEL SOT

The Remembering Michael Sot HERO Walk was held on Saturday, June 19, 2021 at the Arthur L. Johnson High School. Proceeds from the event support the John R. Elliott HERO Campaign and its mission to prevent drunk driving by promoting the use of safe and sober designated drivers.

The event is dedicated to raising awareness about the importance of safe and sober designated drivers and to celebrate the life of Michael Sot. A native of Clark, NJ, Michael was a stand-out baseball player and member of the National Honor Society in high school. He was regarded as someone who classmates, family and friends could always depend on to do the right thing. Most important, Michael was a loving son, brother and grandson.

Michael was a sophomore, a math major preparing to fulfill his goal of becoming an actuary, at The College of New Jersey when his life was tragically taken by a drunk driver in December, 2018. He was serving as the designated driver for his fraternity brothers from Phi Kappa Psi at the time of his death.

The HERO Campaign was established by the family of Navy Ensign John R. Elliott of Egg Harbor Township, NJ, who was killed in a July 2000 collision with a drunk driver two months after graduating from the United States Naval Academy. The Campaign is now saving lives in seven states in partnership with law enforcement; schools and colleges; federal and state highway safety organizations; the licensed beverage industry; professional sports teams including the Philadelphia Phillies, the New York Football Giants, the New England Patriots and the New England Revolution; Churchill Downs, home of the Kentucky Derby; and Keeneland Race Course, home of the 2015 Breeder's Cup. Since its inception in 2000, the HERO Campaign has grown into a major movement to prevent impaired driving that has received national recognition and awards. It has also helped to reduce alcohol-related fatalities and incidents, including a 35 percent reduction in DUI fatalities in New Jersey and other states over the past decade. For more information visit HEROcampaign.org or call 609-626-3880.

CLARK LITTLE LEAGUE MAJORS 12 YEAR OLD FAREWELL GAME

The Clark Little League had a special farewell game for the departing 12 year old players on Saturday June 12, 2021 at Bosze Field in Clark, NJ.

The game was organized by Tim Brand, who also arranged for the 12 year old's to have a special game jersey. Coaches on both teams prepared the field for the game. Jim Gilbert announced the game. Christopher Brand recited the Little League Pledge before the game. Christopher Brand and JJ Marinelli helped out with the scoreboard controller.

The coaches worked together to fairly pick the players that would represent the American and National League teams.

The American League team was coached by Craig Gibson, Vin Gioffre and Brendon Sullivan.

The players for the American League were; Hudson Couto, Noah Gibson, Ryan Gilbert, Giancarlo Gioffre, Jack Pellino, Andrew Quiroz,

Connor Stoll, Sean Sullivan, Jacob Szczygiel, and Andres Ubides.

The National League Team was coached by Sean Thompson, Rob Raparelli, and Steve Kershaw.

The players for the National League were; Jonny Breunig, Evan Cesare, Vinny Cilento, TJ Kershaw, Matt Lettini, Anthony Marcantonio, Brandon Raparelli, Manny Rendeiro, Louis Ricigliano, and Kyle Thompson.

12 Year Old's that were unable to participate in the game were; Gio Donofrio, Frankie Fabio, Max Faria and Sam Zapatoka.

During the game all the players participated in two skills competitions. At the end of the second inning there was a throwing accuracy competition. Players from both teams would throw the ball from short centerfield and try to hit a netted object at home plate. 5 points for throwing ball into net on a fly, 3 points for

bouncing into the net, and 1 point for hitting the object. The National League won the competition 9-5. At the end of the 4th inning there was a relay race around the bases. The National League started on second base and the American League started at home plate. Instead of using a baton, each runner held a baseball as they ran. Each runner would have to run all the way around and return to where they started and pass the baseball to the next runner. The National League team won this competition by finishing ahead of the American League.

The umpires for the game were; Dennis Caton and Ben Weintraub.

The National League team won the game 5-0. But that really wasn't the story here. It was a great chance for them to be recognized and to have one more game of baseball with their friends at Bosze Field.

MATTHEW GALLO SHARES EXPERIENCE WITH ALJ STUDENTS

Clark Public Schools

Matthew Gallo, 2017 class president and graduate of Arthur L. Johnson High School, visited his alma mater to share his experiences as a nursing major. Gallo, who just recently graduated from Mount Saint Mary College with a BSN in nursing, visited Mrs. Bernadette Jacobi's PreMedical studies and Anatomy students. Gallo shared his experiences with his coursework, his clinicals and rotations as well as the rigor, sacrifices, and dedication it took to successfully complete his program. In addition, as a former student of the PreMed program at ALJ, Gallo pointed out that he had first-hand experience in realizing the opportunity he had to build a solid foundation in basic medical studies prior to attending nursing school, which put him at a great advantage over others in his class.

Gallo also shared that in the thick of Covid,

when his college closed down, and he had to come home for a while, he voluntarily went to Overlook Hospital to ask where he could be of service and how he could help those in need.

Through sharing his experience, PreMed and Anatomy students were able to gain an invaluable, practical understanding of what is required in the field helping them to see how what they learn in the classroom extends to future careers.

Mrs. Jacobi stated, "I am beyond proud and so moved by Matt's desire to help those in need. Matt exemplifies the image of what a medical professional should aspire to be like. In this world of uncertainty, Matt's warm heart, his solid understanding of his expectations, and his compassion for everyday people will define what a brilliant addition he will be to our medical community."

FAITH LUTHERAN THANKS COMMUNITY FOR BIKE DONATIONS

Submitted by Larry Holt

Faith Lutheran Church, 524 South Street in New Providence, gives a substantial “Thank You” to the persons who donated 402 second-hand bikes, which will be used by needy persons in rural communities of African countries.

The parking lot of Faith, on Saturday, May 8, was the setting for the 402 bike collection, which had occurred over a few months. Generous persons from the following towns contributed bikes: New Providence, Berkeley Heights, Chatham, Summit, Basking Ridge, Long Hill Township, Cranford, Westfield, Maplewood, Scotch Plains, Mountainside, Watchung, Rahway and Wayne. These towns suggest that some persons had to travel a distance to contribute their bikes. The large source of towns was mainly due to articles in the town newspapers published by Renna Media.

On that wet May 8 day and the subsequent Tuesday, May 11, members of Faith and two members of Osceola Presbyterian Church in Clark repaired and processed the bikes in Faith’s parking lot. The bikes were then placed on trucks of Pedals for Progress, an organization which annually recycles bikes for persons in developing countries of Asia, Africa and Latin America. Faith’s bikes will shortly be on their way to Africa.

GUSKIND SERVES IN NAVY’S SILENT SERVICE

By Stephanie Fox,

Navy Office of Community Outreach

A Clark, New Jersey, native is serving in the U.S. Navy assigned to Naval Submarine Base New London, supports the world’s most advanced nuclear-powered submarines.

Petty Officer 3rd Class Samuel Guskind, a 2016 Arthur L. Johnson High School graduate, joined the Navy four years ago. Today, Guskind serves as a damage controlman.

“I come from a long line of military service members,” said Guskind. “My great-grandfather served in the Navy and my grandfather served in the Army. That family legacy inspired me to join the Navy.”

Petty Officer 3rd Class Samuel Guskind

The bikes will provide reliable transportation for men and women to commute to work, transport produce to market, access health care and other services.

Since 2002, Faith has been collecting bikes for Pedals for Progress. The total of 402 significantly exceeds the number in any prior year. The persons giving their bicycles also donated \$1,248 toward the international shipping costs of the bikes. Faith will contribute \$2,800 toward the shipping expense.

Faith will continue its collection of second-hand bikes. Persons may drop off their bikes at the parking lot on any day. Those who have bikes but are unable to deliver them to Faith, may call the church office at 908-464-5177 or email the office at family.faith@verizon.net. Faith

graciously asks that bikes with rusted frames, handlebars or rims not be left, as they cannot be repaired or used. The bikes are to be ridden, not scrapped.

Since 2016, the chairperson of this ministry of Faith has been Casey Walsh, who is a long time member of the church. Mr. Walsh lives in Bridgewater. His daughter, Anna, and son, Casey, helped repair and process the bikes.

Faith feels much gratitude toward the many persons who have kindly donated their bikes.

The pastor of Faith is Rev. Jane McCready. Visit online at famfaith.org or reach by phone at the above number. Sunday services are conducted online at 10 a.m. at

CASSIE CONFORTI - USA SOFTBALL ALL AMERICAN NORTHEAST REGION 1

Submitted by Margaret Conforti

Cassie Conforti, a 6th grade student at Carl H. Kumpf Middle School, has been selected to represent the USA Softball All American Northeast Region 1 - Team Freedom this coming August at the Hall of Fame Stadium in Oklahoma City, Oklahoma.

The USA Softball All American Games is a prestigious tournament that provides national exposure to elite athletes in the 12u division. Designation to a USA Softball All American team is the highest honor a softball player can receive. Only 360 girls nationwide will have the opportunity to wear the USA Softball jersey at this event.

Cassie's hard work, dedication and commitment has also resulted in her being invited to represent the Northeast Region for the USSSA All American Program this summer at the Space Coast Complex in Viera, Florida.

Cassie started her softball career with the Clark Girls Softball League and is now playing for the NJ Batbusters 12u Torres team. The support and training she has received from her NJ Batbusters coaches, James Torres, Jennifer Haas, Jess Kennick and Rich Sosa, have been nothing short of amazing. They inspire her to push herself, work hard and strive to overcome each challenge that comes her way.

A special mention to Coach Colleen Spadora, a great mentor and role model, who has been instrumental in the continued development, nurturing and growth of Cassie's pitching career.

ELIZABETH YANNI TO REPRESENT REGION IN 12U USA SOFTBALL ALL AMERICAN GAMES

Elizabeth Yanni, a 7th grader at Carl H. Kumpf Middle School, was chosen to represent the NorthEast Region 1 Stripes team at the 12u USA Softball All American Games. She will be one of 15 young women playing under the direction of head coach, Jaime Wohlbach, and assistant coach, Jenn Shellhammer-Getz. Coach Wohlbach is the head coach of the East Stroudsburg University Warriors softball program and Coach Shellhammer-Getz is the head coach at Lehigh Carbon.

The 12u USA Softball All American games is a prestigious tournament where the team will face the best of the best from across the country. The games are played at the USA Hall of Fame Stadium in Oklahoma City, Oklahoma and will take place this year from August 13-15. More details about this event can be found on the USA softball website,

usasoftballallamericangames.com.

Locally, Elizabeth plays with the Finch's Aces 12u Gallo team out of Flemington, NJ as a catcher and third baseman. This spring she also had the opportunity to play with her classmates on the Kumpf Cougars middle school softball team and for a recreational team out of Carteret called the UCLA Bruins. During the middle school season, she led the Cougars with an impressive 6 home runs, 3 triples, 3 doubles, and 18 singles, and had a total of 32 RBIs.

In addition to being a hardworking and

dedicated athlete, she also excels in the classroom. Elizabeth is a straight A student enrolled in Honors courses at Kumpf and a member of the 7/8th grade choir and builder's club.

SONS OF UNION VETERANS OF THE CIVIL WAR

Submitted by Christopher D Sands

The Sons of Union Veterans of the Civil War is a fraternal organization dedicated to preserving the history and legacy of those who fought and worked to save the Union. Hereditary membership is available to a male descendant, 14 years of age, who directly descends from a Soldier, Sailor, Marine or member of the Revenue Cutter Service between April 12, 1861 and April 9, 1865.

The General Phil Kearny Camp #20 meets four times a year at the Abraham Clark House in Roselle, NJ. The next scheduled Camp meetings are September 11, and November 13, 2021, all Saturdays at 1 p.m. We support over 20 high schools and 2 universities with the SUVCW ROTC Medal. Our current program is to place signs where Grand Army of the Republic (GAR) posts met in North Jersey.

For more information visit suvchw.org.

CLARK MEMORIAL DAY PARADE

Clark Township

The Clark Memorial Day Parade was back in full swing for 2021. Clark Recreation Director Ralph Bernardo managed the Parade Committee this year and made numerous additions to the annual line-up.

A riderless horse, a flagged-draped coffin pulled by horses, classic cars, children's characters, stilt walkers and the Blue Knights motorcycle organization were some of the newest

features.

"Memorial Day is a day to remember those we've lost, the ones we knew and those we didn't," said Mayor Bonaccorso. "The parade and the memorial ceremony at the end of the parade route had some great tributes to Clark's fallen heroes. I thank Ralph Bernardo and the committee for all their hard work and the community for coming out to join in the observance."

2021 SPRING ATHLETIC AWARDS

Clark Public Schools

On Thursday, June 3, 2021, the Arthur L. Johnson Athletic Department held their 2021 Spring Athletic Awards. The evening, sponsored by the Crusader Athletic Booster Club, was held in the Arthur L. Johnson High School auditorium.

All the Spring Athletic Teams and their seasons were highlighted by their coaches while handing out letters and awards to the student athletes. Over 113 varsity athletic letters were handed out throughout the evening, as participation in athletics at Arthur L. Johnson High School continues to grow.

The program continued with the Student Athlete Award, which was presented by the Athletic Director of Arthur L. Johnson High School, Mr. Gus Kalikas. The Student Athlete Award is given out each athletic season to a student athlete that is not only a champion on the field, but in the classroom as well. The 2021 Spring Student Athlete award recipient was Daniel McCaffery with a 4.52 G.P.A.

The Crusader G.P.A. Challenge is awarded each season to the team that finishes with the highest overall G.P.A. amongst athletic teams seasonally. They are presented with certificates, have their team memorialized on a plaque, and

are invited for a “Breakfast with the A.D.” to celebrate their actions both in the classrooms and on the fields. The 2021 Spring Seasonal G.P.A. Challenge winner, with a cumulative G.P.A. of 3.905, was the Golf Team. Members of the Golf Team include Matthew Bill, Andrew Matos, Anthony Migliaro, Shaun Applin, Biagio Bonanno, Philip Brennan, Joseph Carney, Ryan Crowley, Anthony Cundari, Leo DeSantis, Ryan Fizer, and Robert Szarszewski.

The evening continued with the announcement of the Best Teammate Award winners. The BTAs were: Baseball – William Sasse, Golf – Biagio Bonanno, Lacrosse – Nicholas Pingor, Softball – Peyton Collings, Tennis – Owen Broadwell, Boys’ Spring Track & Field – Matthew Zukowski, Girls’ Spring Track & Field – Zoey Brown.

The evening culminated with the announcement of the Team Most Valuable Players. The MVPs were: Baseball – Kyle Adorno, Golf – Anthony Migliaro, Lacrosse – Anthony Ferreira, Softball – Samantha Gonzalez, Tennis – Raymond Torres, Boys’ Spring Track & Field – Greg Lordi, Girls’ Spring Track & Field – Carly Tarentino.

The Athletic Director, Gus Kalikas, had this to

say about the event: “The Spring Athletic Awards was a wonderful event that allowed the administration, teachers, coaches, parents, and student athletes a chance to reflect on a wonderful spring athletics season while honoring our student athletes for their remarkable accomplishments. Our teams, coaches, and student athletes continue to raise the bar both in the classrooms and on the athletic fields and the Clark School District could not be more proud of their performance this past spring athletics season.”
