PORCHFEST PART 3: A TREMENDOUS SUCCESS!

All day music with a purpose was a tremendous success. That is what audiences said about Roselle Park 24/7's Porchfest part 3. An incredible diverse cross section of style of music and attendees to date included musical performances by - Jarred Paparozzi Quartet, Rodric Shea Bowman, Massimiliano La Falce, and Christina Sophia, Mike Montemurro, Trying Our Best, The Quaranteens, Kyle Cancino and Ryan Marino, Low Highs, Thos Shipley and his trio and comedian opening act by Assemblyman Jon Bramnick.

The generosity of attendees and special donation from Roselle Park 24/7 and another from Assemblyman Jon Bramick resulted in a one-day amount of nearly \$2000 for Roselle Park resident Aaron Carr for the purchase of a wearable vest to help him on his road to recovery from his spinal cord injury from a surfing accident.

Roselle Park 24/7 Porchfest was showcased during the summer of 2020 as a way to encourage people to bike and walk around town while enjoying Roselle Park's aspiring and seasoned music professionals. Residents volunteers their home porch fronts or front yards as venues.

Roselle Park 24/7, is a volunteer organization whose mission is to create and support activities for the Borough of Roselle Park that bring people together to celebrate, educate and promote pride and the many positive and diverse aspects of our community. If you would like to volunteer, perform or donate, go to our website rosellepark247.org.

Volunteer coordinator for Roselle Park 247 and Porchfest Joe DeLorio said, "And that's what Roselle Park 24/7 Porchfest

accomplished. An all today town-wide showcase of local talent that brought out the best of Roselle Park, great talent, good company for a worthwhile cause."

JULIANN FORD SWORN IN AS ADVOCATE FOR FOSTER YOUTH

CASA of Union County

The most recent class of community members – seven volunteers representing six municipalities including Juliann Ford of Roselle Park – have completed 30 hours of training to become advocates for CASA of Union County, the only nonprofit advocating for the best interests of abused, neglected or abandoned youth removed from home and placed in foster care through no fault of their own.

Next, the new advocates will be matched to a foster youth or sibling set and, once legally assigned to their case by court order, can make arrangements to meet their assigned youth and begin their casework. This class ranges in age from 34 to 63 and includes both parents and nonparents, and those employed as well as retired. Experience includes teaching, law enforcement and homemaking.

Executive Director Mariel S. Hufnagel noted, “It’s such a wonderful moment when these dedicated individuals, who have made the decision to become Court Appointed Special Advocates, face the judge as they did today, as the culmination of weeks of intensive training. Being a CASA volunteer is a tremendous

commitment, and as these individuals raised their hand and took their oaths, the pride and joy was palpable.”

Terry Gould, Advocate Liaison on the Board of Trustees, added, “I have volunteered my entire life and found my CASA work most rewarding because, although my CASA youth has aged out of the system, our friendship will be forever. It brings me great pleasure to see him beat the odds. He is a survivor. These new advocates are ready to hit the ground running and I am beyond excited for them and the adventure ahead!”

Since 2005, CASA of Union County has served more than 900 local foster youth and trained more than 600 advocates. With court-ordered access to the youth, foster parents, doctors, caseworkers, therapists, teachers and others in order, advocates identify concerns and unmet needs, and ensure best interests are protected.

There are still youth in need of their own CASA volunteer. Is that you? For details on the advocate experience and the steps to securing your spot in an upcoming training class, reach out to info@casaoofunioncounty.org.

ROSELLE PARK SAVES 390 LIVES WITH BLOOD DONATIONS

Since the start of the pandemic, the Borough of Roselle Park - in partnership with the American Red Cross - has collected 130 pints of blood, resulting in 390 lives saved.

For the last year, the United States has faced a blood shortage, warning that blood supplies across the country are critically low with less than a five-day supply of blood products to spare. During that time, the Casano Community Center has hosted multiple blood drives to provide much-needed blood during the community's time of need.

"I'm so proud to see how many Roselle Park

residents came together for the community. This is a big contribution, and I'd like to thank Rupen Shah and the Casano Community Center for hosting safe and socially-distanced blood drives. Together, we've helped save hundreds of lives and I hope we can continue to do so at the next drive," said Roselle Park Mayor Joseph Signorello.

The Casano Community Center is hosting its next blood drive on Monday, August 9. If you are available to donate please call 1-800-733-2767 or visit RedCrossBlood.org and enter: "RosellePark" to schedule an appointment.

KENILWORTH COMMUNITYWIDE GARAGE SALE TO BE HELD OCTOBER 9 AND 10

Submitted by Shirley Boyden Maxwell

A Communitywide Garage Sale will be held in Kenilworth on Saturday, October 9 and Sunday, October 10. This major annual event, sponsored by the Kenilworth Historical Society, will take place, rain or shine, between the hours of 9 a.m. and 4 p.m. each day. There are usually nearly 200 participating residences.

Residents who register and pay a \$12 fee to hold garage sales at their homes anytime during the October 9/October 10 weekend will receive a certificate representing the Borough's permission to proceed and will benefit from the Kenilworth Historical Society's statewide advertising of the communitywide event via major newspapers, websites, Facebook postings and prominently placed signage and fliers. The registration deadline is Friday, October 1.

The addresses of registered participating residences will be included in a Kenilworth Communitywide Garage Sale listing and map that will be available in quantity, free of charge, at various local sites after October 7. The listing also will be posted on the Borough of Kenilworth website (kenilworthborough.com).

Communitywide Garage Sale registration forms with instructions may be obtained at the Kenilworth Borough Clerk's Office/Borough Hall, Public Library, Especially Yours Florist

and on the Borough of Kenilworth website (kenilworthborough.com). The \$12 Garage Sale registration fee may be paid by check (payable to the Kenilworth Historical Society) or in cash (exact amount required). As outlined in the instructions, payment may be made by mail (to the Kenilworth Historical Society) or in person at the Borough Clerk's Office or at Especially Yours Florist. For further information, please call 908-709-0434.

The Kenilworth Historical Society is sponsoring the Communitywide Garage Sale as a service to the community. Any proceeds after advertising and other related costs are paid will benefit the Oswald J. Nitschke House "living history" museum and cultural arts center by helping defray operating expenses, including the cost of an elevator that makes the site fully accessible to everyone.

The Kenilworth Historical Society is an independent, volunteer-based, non-profit, tax-exempt, 501(c)(3) organization dedicated to the research, preservation and interpretation of the historic Oswald J. Nitschke House (c. 1880), local history and culture.

Further information about the organization, the Nitschke House and other upcoming events may be found on the organization's website (kenilworthhistoricalsociety.org) and Facebook page.

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

JAYCEES FIRECRACKER FOUR-MILER AND FUN RUN RETURNS IN-PERSON FOR ITS 42ND YEAR

The Cranford Jaycees' annual Firecracker Four Miler and Fun Run will once again be held in person this July 4th at Nomahegan Park after going virtual last year.

"We're excited to have the Firecracker back as part of Cranford's Fourth of July tradition," said David Farrell of the Cranford Jaycees, who co-chairs the event with Roger Imhof. "We're seeing a really positive response from the community so far."

The course takes place on a flat, USATF-certified scenic course on tree-lined streets and bike trails. Mile splits, water stops, and chip timing are provided. Technical race shirts and souvenir race pint glasses are included with registration.

The logo for this year's race was designed by Cranford High School senior Delaney Bertrand under the tutelage of CHS teacher Patrick Gorman.

Proceeds from the race benefit the Cranford Jaycees scholarship program. The Jaycees recently awarded a total of \$30,000 in scholarships to twenty graduating high school seniors in Cranford. Brighton Air Corp. returns as the race's title sponsor for the third consecutive year.

Registration is now live at www.raceforum.com/fire-4 and will be available up until race day. The virtual participation option is available again this year for participants who will be away for the holiday.

RICHARD HERNANDEZ, RECEIVES STUDENT EXCELLENCE AWARD

Literacy New Jersey

Literacy New Jersey recently held its annual Literacy for Life Conference, a virtual conference for adult literacy practitioners. During the conference, Richard Hernandez

received the Student Excellence Award from among more than 1,000 Literacy New Jersey students.

Program Director Barbara Bagger of Westfield said: "Richard is an outstanding choice for our Student Excellence Award. He is a model student and earned his high school diploma in record time. He aspires to attend college and join his brother's software business. He inspires other students to achieve their goals. We are very proud of Richard. I know that this is just the beginning for Richard."

Richard Hernandez came to Literacy New Jersey in September 2020 during the height of the pandemic. While many HSE students were discouraged from attending online classes and using unfamiliar computer technology, and faced with closed test centers, Richard persevered. Richard has lived in Elizabeth, New Jersey all of his life. He had trouble in high school because of

test anxiety and accordingly did not earn his high school diploma. However, at 27, Richard made the decision to earn his high school diploma and called Literacy New Jersey to sign up for classes. Within 3 short months, Richard was a high school graduate.

His tutor, Vivian Saito, a Literacy New Jersey tutor from Westfield, describes Richard: "From the get-go Richard Hernandez was a 'go-getter'; He was determined to earn his HSE diploma within the term allotted to do so.

"Even while taking care of family obligations, Richard made time to study his lessons and complete all practice tests for class each week. I knew Richard was bound for success in earning his diploma after reading his initial writing essay (His was the first in the class to be submitted.). Richard's essay was like reading a page from a book and I told him so... Thank you, Richard, for allowing this tutor to feel my time spent has been so worthwhile with Literacy New Jersey and with students like you."

Math tutor Peggy Tung, a Literacy New Jersey tutor from Berkeley Heights added, "Richard has all the qualities that make every student a success. It can be summed up in three words: goal-setting, conscientiousness and hard-work.

"First, he set his goal, in this case, to get his HSE certificate. Then, he meticulously did everything he could to reach that goal. He understood that 'practice makes perfect' was a necessary condition for learning math. As a result, he made every effort to attend all classes while meeting family obligations. He was

attentive in all classes, trying to understand the subject at hand and asking questions for clarification. He did all the homework assigned to the students, which required tenacious pursuit. Last but not least, to prepare for the test he did all sample tests in the TASC system and the extra review problems until he mastered them. His hard work paid off. He passed the math test in his first attempt, a reward for and a testament to his sustained and concentrated effort. As a math tutor, I cannot ask for more from a student than what Richard has been doing. His methodical approach to reaching his goal was exemplary. It has been a complete privilege to have the opportunity to be his tutor and to help him accomplish success. It is without a doubt that Richard will continue to complete whatever goal he sets for himself in his life."

Literacy New Jersey is a non-profit organization that helps adult students who struggle with reading, writing and speaking English. Programs include: English as a Second Language, Basic Literacy, High School Equivalency, Digital Literacy and citizenship classes. Classes are free to students and because of the pandemic, all classes are currently held online. Literacy New Jersey gratefully received support from the Westfield United Fund, the Westfield Foundation and the Elizabeth Public Library. If you would like to volunteer with Literacy New Jersey, you must be 18 years old and speak English. For more information, contact Barbara Bagger, Program Director at bbagger@literacynj.org.
