by the National Boys High School Golf Association.*

Westfield Public Schools

The National High School Golf Association recently announced its 2020-2021 high school golf rankings, with the Westfield High School Boys Golf Team ending its season ranked 16th in the United States.

The WHS Blue Devil golfers dominated the season, winning the Tournament of Champions along with state and sectional competitions as well. Team captain Colin Summers also won individual state and Tournament of Champions titles.

“Many teams work hard to try to reach their goals, but this

team fostered a mindset to fulfill their goals. From the beginning, they expressed their desire, dedication and fortitude to attain the state championship and TOC titles,” says WHS Supervisor of Athletics Sandra Mamary. “Our captain set the tone during the pre-season virtual meetings, our coaches scheduled very competitive tournaments throughout the season, and the student-athletes performed to their capabilities. The smiles on their faces when they walked off the bus after the TOC competition was priceless. It was an amazing way to end a chaotic school year.”

BACKPACKS FOR LIFE FIFTH ANNUAL GOLF OUTING FUNDRAISER

On September 20, 2021, Backpacks For Life will be hosting their Fifth Annual Golf Outing in Wayne, NJ. The golf outing is one of Backpacks For Life's tentpole fundraiser events that occurs annually in an effort to spread awareness about veteran homelessness and their mission to serve the veteran community. Last year's event was cancelled after a handful of rescheduling attempts due to COVID-19. The outing is presented by the founding sponsors of the event, three local New Jersey businesses, Biltmore Tuxedos, Sal Laurretta for Men and DSM.

"While it was a disappointment to cancel the event last year, we knew it was the right call. This year, we're excited to get back out there, bring the community together and have a great day in support of the veterans we serve. Our event has a lot to offer so whether someone is a golfer or not, they can participate in some capacity," said Sgt.

Brett D'Alessandro, President, Backpacks For Life.

The outing will be held at one of New Jersey's premiere golf courses, North Jersey Country Club located in Wayne, NJ. The event kicks off with the veteran owned business brunch featuring a variety of local veteran owned businesses including The Mobile Cigar Lounge, Backward Flag Brewing and Black 6 Coffee. The event continues with a round of 18 holes as well as on course activities.

"Each year we try to bring something new and exciting from within our veteran community for others to experience. With the veteran owned business brunch and our cocktail reception, we're able to highlight incredible veteran owned small businesses and help them after what was a challenging year for all. It's an honor to share the stories of successful veteran entrepreneurs," said

Alexa Modero, Executive Director, Backpacks For Life.

The evening concludes with a cocktail hour reception sponsored by Bond Street Mortgage. This portion of the event is open to the public, golfers and nongolfers alike. The reception features food and beverage, a silent auction and guest speaker, US Navy SEAL veteran, Anthony Page.

For all event details, tickets and registration, visit backpacksforlife.org/golf.

Backpacks For Life is a 501(c)3 nonprofit organization that serves the homeless and at-risk veteran community. By regularly distributing backpacks filled with essentials to Veterans on the streets and providing mentorship to at-risk Veterans and their families, Backpacks For Life aims to bridge the gap between Veterans and the resources available to them.

WESTFIELD ROTARY SUPPORTS NIGERIAN MEDICAL CLINIC

Submitted by Dr. D. Michael Hart

Father Kingsley spoke to the Rotary Club of Westfield on Tuesday, July 20 to update them of the progress being made on the Medical Clinic in Nigeria. The Rotary Club of Westfield is supporting his project in Nigeria with a Rotary

(above) Father Kingsley in Obike, Nigeria with children from the orphanage.

International Global Grant. The Rotary Club Board of Directors voted to contribute \$7,000. Several other Rotary Clubs joined Westfield which were: Irvington, NJ, Hartford, CT, and the Rotary Club of Owerri, Nigeria. The Rotary District matched those funds raised by the clubs, and The Rotary International Foundation matched the whole package, so the Global Grant amounted to \$32,000. We are using these funds to purchase medical supplies for the Clinic. Past President Clark Lagemann has done the lion's share of the work. Rotarian Dr. D. Michael Hart is the Rotary District 7475 Foundation Chair and has been guiding the Global Grant process. Immediate past president Liz Ensslin has been very supportive of the project, and has motivated the club members.

Father Kingsley sends a container of supplies to the village of Obike, Nigeria several times a year. The container is shipped from Meriden, CT. It needs to be packed two weeks before leaving, is shipped to Lagos, Nigeria, then needs to be transported inland to the village. It takes more than a month to arrive.

Past President Clark Lagemann showed the club members a video of Father Kingsley touring the two-story medical facility with a birthing center, an emergency room, operating rooms and outpatient services. It includes a generator to supply power and a bore hole well with a water tower to supply water. The building is almost

finished and is ready to receive furniture and equipment. The video will be posted on the Rotary Club of Westfield website, westfieldrotary.com.

Father Kingsley showed the club members the foundation of the primary school next to the medical facility. The nearest school is an hour walk away. They plan to build three schools-nursery, primary and secondary schools to serve about 400 children in the local village.

The advantage of a Rotary Global Grant is that the funds raised by the club are matched by the district, then matched again by the Rotary District, so it multiplies your funds and increases the effectiveness of the grant.

The Rotary Club of Westfield meets three times a month, twice by Zoom, and once in person. Rotary is a service club and business networking club, for successful business people who want to give back to the community. Guests are welcome at the meetings. For information, contact Secretary Dr. D. Michael Hart mail: drmhart@yahoo.com

Divine Mercy International Widows & Orphans Organization is a nonprofit organization of children of God who, through advocacy and fundraising, bring relief, education and self-sufficiency to the poor and oppressed widows and orphans of Obike, Nigeria.

MAKING MAGICAL MEMORIES AT CAMP FATIMA

Submitted by Sue Baldani

Like most nonprofit organizations, Camp Fatima of New Jersey is experiencing major challenges due to COVID-19. Founded in 1968 by four Seton Hall seminary students, the camp offers free sleep-away programs for disabled children and adults. And it's determined to continue doing so. Seeing the smiles on the faces of those it serves, and providing a respite to their families, is not something that can be sacrificed due to a pandemic.

And smile they do. It's not called FATIMAGIC for nothing. The campers, regardless of their disabilities, get to do things that most able-bodied children and adults take for granted. They splash around in pools, sing songs, eat s'mores, dance, and take part in arts and crafts. Every child has his or her own dedicated counselor to ensure the utmost care, so each activity can be individually tailored according to the camper's ability.

Its mission statement, "Camp Fatima provides free, life enriching camp experiences for children and adults with developmental disabilities," says it all. Some of the campers are in wheelchairs, while others have neurological, sensory or other serious issues. Camp Fatima and its volunteers open their hearts to all who come. It truly is a magical place.

The volunteers come from diverse ethnic and socio-economic backgrounds. Most have experience working directly with the disabled,

and include teachers, nurses, police officers, firefighters, college students and other professionals. For these selfless individuals, the sounds of laughter and the looks of pure joy on the campers' faces are all the payment they need.

Many of these volunteers live locally. Billy Malone, a Scotch Plains firefighter and Fanwood resident, became a volunteer in 1994 and has been the chairperson for the past 13 years. Scotch Plains resident and former Scotch Plains police officer, Jamie Denman, has been a volunteer since 1979, and is the current director.

Even though no one at the camp is paid, all this magic requires funding. It costs several hundred thousand dollars to operate the two children's summer sessions and the four adult weekends each year. Funding to support and host the more

than 200 campers and over 450 on site-volunteers comes from generous benefactors, corporate matching gifts, private giving, and fundraising. Because of COVID-19, many of the usual fundraisers are not able to take place. So this year, Camp Fatima is looking for individuals to sponsor a camper. The cost to feed, house, and supply materials to each camper is more than \$1,000.

To find out more about Camp Fatima, or to volunteer, make a donation, or sponsor a camper, please go to campfatimanj.org/. Since the camp is a designated 501(c) (3) organization, all donations may be tax-deductible.

FINANCIAL ASSISTANCE FOR YMCA PROGRAMS

Westfield Area YMCA

Thanks to a grant from Stew Leonard III Children's Charities, financial assistance for youth swim classes is available at the Westfield Area YMCA for families experiencing a bona fide financial hardship who live or work in Westfield, Cranford, Garwood or Mountainside.

The goal of Westfield Area Y youth swim lessons is not only to teach swimming skills and safety, but to help develop confidence, build endurance, have fun and gain a lifelong love for the water. Y swim lessons accommodate varying abilities to help foster a sense of achievement as swimmers progress. Through this approach, advanced swimmers flow more easily to higher levels while swimmers who need more instruction can learn at their own pace. Stew Leonard III Children's Charities is dedicated to water safety awareness and education.

In addition, thanks to funds raised from individuals, foundations and corporations through the Y's Annual Support Campaign, financial assistance is available for all programs and memberships including child care and youth sports.

Scholarship applications are available at all Westfield Area Y locations, online at westfieldynj.org or call 908-301-9622 for more information.

Free swim level assessments are available.

Fall Leagues and team offerings include T-Ball (ages 4-6 yrs.), Flyers Cross Country (ages 7-15) and a new Teen Wiffle Ball League for middle and high school students. The Y's youth basketball program begins with children ages 3-5, followed by developmental (ages 6-8), a mini travel basketball league for 3rd-4th grades and Warriors Basketball Prep for ages 10-14.

Other sports programs include soccer, tennis, t-ball and the all-sports Enrichment Academy for ages 3-5.

Adults and youth can register for Gedman's Black Belt Academy of the Westfield Area Y, led by a team of certified ATA instructors under the leadership of Master Instructor Pamela Gedman. SOUNDS OF SEPTEMBER - FREE MUSIC CONCERT

Townley Presbyterian Church together with the Salem Roadhouse Cafe proudly present Carrie Jackson & the Jazzin' All Stars, performing on Saturday, September 18, 2021.

The show starts at 6:30 p.m. and goes until 8:00 p.m. at the Townley Presbyterian Church, 829 Salem Road, Union, NJ 07083.

The concert is free. It's a wholesome show, so bring the entire family! Don't forget to bring your lawn chairs. Plenty of safe outdoor space. Free snacks will be available.

Donations of a non-perishable food item for a local food pantry will be accepted – please be generous.

Carrie Jackson is a metropolitan area based vocal stylist and rekindles thoughts of America's great jazz history. Carrie credits her mentors, the great ladies of jazz, Sarah "Sassy" Vaughan, Ella Fitzgerald, Nancy Wilson, Carmen McRae, Dinah Washington, Billie Holiday, and others as a primary musical influence for her style, which indelibly helped shape vocal jazz for every generation.

Carrie attributes her vocal style of singing from her mentors and made them a part of her, also bringing new horizons to this classical American art form called Jazz. The truth is that she has a bit of all of them and more that create her own unique style as she proudly carries the jazz banner.

Carrie is a vocalist and performer, a native of Newark, NJ, and honed her many talents in the jazz mecca of performing arts while performing throughout the USA and abroad. She spreads and shares her joy and well-honed expertise on the stage.

Ms. Jackson, with her multifaceted singing style, can harmonize swing and scat; swings classic jazz standards with sweet soul; wails the blues, cabaret, pop tunes, ballads, or Gospel, all complimented by her engaging stage presence and graceful moves. Carrie has a wide range with a strong command of the classic elements of jazz vocalizing. She is a gifted lyricist, has great timing and truly sings from her heart and is comfortable performing with a small ensemble, big band and or orchestra.

RELIEF FROM CHRONIC KNEE PAIN FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

FANWOOD SUMMER FANJAM – SEPT. 11

Greater Westfield Area Chamber of Commerce

On Saturday, September 11 from 11 a.m. – 7 p.m., the community will come together in Fanwood’s LaGrande Park for the first major local event since New Jersey lifted Covid restrictions. The date is also special because it marks the 20th anniversary of the September 11th attacks. In addition to the signature combo of live bands, food trucks and classic cars that bring people to the festival, this year’s Fanwood Summer FanJam, with major sponsors Dentalcare Associates and the Fanwood Animal Hospital, will feature tributes to First Responders, including an honor guard, to mark the somber anniversary. Because of the pandemic, the event hasn’t been held since summer of 2019, making this the 4th Annual.

“We didn’t know if we were going to be able to bring FanJam back in 2021, and once we got the green light, we had to move quickly to organize everything,” said Aimee Nuzzo, event director and Fanwood resident. “We are blown away by the positive response we’re seeing from the community and from our sponsors.”

The free festival is run by the Greater Westfield Area Chamber of Commerce (GWACC), with contributions from additional local sponsors OceanFirst Bank, Northfield Bank, The Soho at Fanwood Station and Sheelen’s Crossing.

“I’m overjoyed about the return of the FanJam! This has always been an exciting event for our town,” said Fanwood Mayor Colleen Mahr. “This year we have the added element of honoring our local first responders and commemorating the 20th anniversary of the 9-11 attacks. Please bring your family to LaGrande Park on September 11.”

Gene Jannotti, CEO of GWACC, stated, “The Chamber is very happy to once again be able to bring this community event to Fanwood where everyone can come together for a day of music, fun and relaxation while at the same time not forgetting that terrible day in our nation’s history, 9-11.”

This year’s music lineup will feature double headliners: The Funktion Band mixes Funk, Soul, Pop & R&B to play favorites from Motown to today. Black Dog, the popular local Led Zeppelin

Tribute band that headlined the 1st Fanwood Summer Fan Jam will return to rock the stage at LaGrande Park.

Other local acts will include Bored of Ed (hard rock), Velvet Jones (Grunge Rock / 80s & 90s) and up and coming young singer/actress Shiloh Verrico. All of the acts are New Jersey based and most have roots in Fanwood or Scotch Plains.

For 21 & Over: Adults 21 & older with ID can enjoy a front-seat view of the show from the Sheelen’s Crossing Beer and Wine Garden.

For Kids: A centrally located Kids’ Zone will feature children’s rides and attractions within the park, with the purchase of tickets.

For Car Enthusiasts: The festival will draw more than 100 vintage and classic cars as part of a car show hosted by Hot Rod Mike. Portions of Helen Street, 2nd Street and LaGrande Avenue will be closed to traffic for the car show, which is open to all. Cars register upon arrival on a first-come basis for a fee of \$10.

FanJam goers can sample a diverse cuisine from food trucks and local restaurants.

Bring your lawn chairs, picnic blankets and the whole family.

Free Parking is available at the South Side lot of the Fanwood train station.

Please note that pets, skateboarding and rollerblading are prohibited in the festival area. For further information, please contact the GWACC, 908-233-3021, or visit the website gwaccnj.com and look for Street Fairs.

ART “EMERGES” DURING RAHWAY’S ANNUAL CULTURE CRAWL FESTIVAL

Rahway has “emerged” from this past year stronger and more connected, with art and music popping up all summer long, including during its Annual Culture Crawl Arts and Music Festival! On September 25 from 1-6 p.m., (weather permitting) the streets of Rahway’s downtown will come alive with art and music.

We were all saddened when in 2020 the Culture Crawl Festival was forced to cancel due to the Covid-19 pandemic. The brand and the artistry continued throughout all of 2020 through virtual events, curated outdoor art displays, live music and poetry just to name a few. This year, we are bringing back the Culture Crawl Festival in a way that is safe for our Artists and our Community. This typically rain or shine event will be weather dependent this year (canceled in the event of inclement weather.)

With the theme of “emerge”, Culture Crawl will be featuring some new collaborators as well as those who have curated zones in past years. Nick Rosal from (pick your affiliation: Atelier Rosal Framing Shop; Housecat Nick; Rusty Monks; Jazz at Watt Hotel; Pop Up Bohemian Festival....) will be joining us again to curate the newly transformed Cherry Street with music, vendors and more!

Representing the "Emerging" young artists of Rahway, Parisse Dawkins and Michael Elliott will entice you into the Arts District Park (corner of Central Ave and Irving St.) with immersive displays, "design your own" fashion pieces, music, dance and art, from Black and brown creatives culminating in a fashion show featuring original designs by Michael Elliott, as well as pieces from other Rahway boutiques.

Making it worth the walk, Kevin Simmons from AB Salute House will be hosting one of his notorious Deep House Music Dance Parties at The Gallery Space (Seminary Ave. and Irving St.) with curated vendors and artists.

Northfield Bank Parking lot (1515 Irving St) will be the location of a stage featuring dance of all genres and a myriad of local bands.

The Train Station Plaza will be a buzz of activity with the Vendor Village and the Main Stage of music with a full line up of entertainment.

The fun doesn't stop there! Establishments on Main St. and Irving St. as well as throughout the entire footprint will be popping out on the sidewalk.

NANCY RYGIEL AWARDED ROTARY FELLOWSHIP

Westfield Public Schools

Nancy Rygiel – an Achieve teacher for Franklin and McKinley Elementary Schools – is the 2021 recipient of the Rotary Club of Westfield's Philhower Fellowship in recognition of outstanding teaching at the elementary school level.

Rygiel received the award at a virtual meeting of the Rotary Club on May 4 and was honored later that evening at a virtual meeting of the Westfield Board of Education.

"I became a teacher because I love working with students and watching them grow and mature, both as scholars and as citizens," says Rygiel who joined the Westfield Public School District in 1993, teaching language arts and mathematics at Edison Intermediate School. "I was fortunate to have teachers who impacted my life and I was raised by parents who both were teachers and have always been great role models."

"Nancy is so deserving of this award," says Franklin principal Dr. Paul Duncan. "She has so much passion and brings a love of math to what she does. Her students know that she believes in them and she's a constant advocate for them."

Rygiel also serves as an Instructional Technology Support (ITS) teacher, constantly solving technology issues or finding innovative ways to use technology in the classroom. "She's helped our staff become more successful during this challenging year," Duncan says.

"Being an ITS this past year has tested my perseverance but, each day, I have been in awe of the technology advances my colleagues and our

students have made," says Rygiel who credits the district technology team for their hard work as well. "When life hands you lemons, you make lemonade. Well, the Westfield teachers have truly made some of the best lemonade in their use of technology this past year."

"Nancy's passion for math is infectious and helps motivate her students to do their best," says one letter of nomination. Another nominator writes: "In a year full of uncertainty and change, one thing has remained constant: Nancy Rygiel's passion, heart, perseverance, and determination."

The Philhower Fellowship was established in 1993 by the Rotary Club to honor former Westfield Rotarian Charles Philhower. An educator for more than 50 years, Philhower, who died in 1962, was supervising principal (superintendent) of Westfield schools for three decades as well as co-founder and past president of the Rotary Club of Westfield.

"I am deeply humbled and extremely honored to receive this award," Rygiel says. "I feel strongly that teaching, especially this past year, is a team effort, so I share this award with members of our community: my teacher friends who work tirelessly every day, but even more so this past year; our administrators, custodians, nurses, and secretaries who help things run smoothly and keep us safe; the Westfield parents who partner with teachers to help us and support our best efforts; and most importantly our students who have demonstrated how amazingly adaptive and resilient they are. This past year, every member of our community earned the title of Teacher of the Year."

CONTESTS Back by popular demand are many of the same contests that were offered last year such as the scavenger hunt, pizza eating, ice cream eating, bubble blowing, water balloon toss and more!

COME HUNGRY If contests aren't your thing, grab some delicious food from one of the

many food exhibitors and trucks and local eateries.

WESTFIELD RESIDENTS TAKE REINS OF CASA

CASA of Union County

After more than a dozen years championing Court Appointed Special Advocates (CASA) of Union and its mission – whether as a volunteer advocate who served five youth or as a long-standing board member – Dr. Ron Silver of Mountainside has completed his tenure at the helm of the nonprofit's Board of Trustees, and now begins a two-year post as Ex-Officio.

Said Silver, "As a former dentist, I've provided care for many people, but nothing prepared me for the passion I found helping children thrust into the foster system through no fault of their own. The best way to describe my years with CASA is 'honored.' I'm honored to have spent five years advocating for as many foster youth and honored to have been part of a Board that shares my commitment to changing children's lives for the better."

Executive Director Mariel S. Hufnagel noted, "While it is difficult to see Ron hand over the leadership reins after stewardship through unprecedented changes and growth – and on a personal note, the only President I've worked with thus far – the knowledge he will remain an active member of the Board of Trustees for two more years as Ex-Officio, makes it easier. That,

and the fact his successor is not only our current Vice President, but also a former CASA volunteer with boots-on-the-ground experience, makes this transition seamless; and, I am hopeful and excited for all that lies ahead for our small-but-mighty organization and the vulnerable child-victims we serve. On behalf of the Board, my staff and our volunteers, I and they, extend our highest gratitude and deepest appreciation for Ron's years of stellar commitment."

Taking the reins as President is Anne Collart of Westfield, who trained as a CASA volunteer in 2008 and advocated for her foster youth for two years until permanency was achieved and the case closed. An associate at Gibbons in Newark, Collart joined the Board in 2017. She noted, "I am honored to follow in Ron's footsteps. This pandemic has presented unprecedented challenges for physical and mental health, housing, education and employment – all of which can have an even greater impact on those in the child welfare system. Our staff and volunteers have made great strides in pivoting to be responsive to those needs, and I hope to support that flexibility and innovation as we carry out our mission."

Newly named Vice President Teresa Torres

Gould, also of Westfield, has served as the Board's Advocate Liaison since 2018, first trained as a CASA volunteer in Connecticut and, upon relocation to the Garden State, trained and advocated for a teen with no one else in his corner – or this country. Four years later, the young man is living independently, no longer in care and the duo remain in one another's life. Of her new role, Gould said, "It is truly gratifying and humbling to be selected the next Vice President. As a former advocate, I understand the needs of our foster children and have always believed and worked in establishing a safe and stable home for each child. I look forward to continuing that work as well as facing any new challenges that lay ahead."

Through court-ordered access to foster parents, doctors, caseworkers, therapists and teachers, CASA volunteers ensure the best interests of youth involved in the child welfare system remain priority as all parties work toward establishing a safe, stable and permanent home. For details on becoming an advocate or trustee, contact Lucia at info@casaoofunioncounty.org.

VIRTUAL WELLNESS CENTER AVAILABLE AT NO-COST

The Mental Health Association in New Jersey is providing a new virtual wellness center that offers no-cost groups and workshops statewide to individuals interested in day-to-day wellness, support for substance use disorder and strategies for improving mental health.

Called United by Wellness, the center can be accessed online or by call-in. More than 45 groups and workshops are offered daily, including weekends. Among the variety of groups are Healthy Habits, Meditation, LGBTQ, Young Adult, Anxiety and Depression Support Groups, Grief and COVID, Too Much Stuff, Virtual Job Interviews, Peer Support Career Information, and Grief and Recovery.

Groups are organized into four "communities" for like-minded people with similar goals, but participants are not limited to a specific track. The communities are general well-being; coping skills; co-occurring mental

health and substance use; and a community for those with a disorder who are seeking employment. Staff providing services are culturally diverse certified peer specialists, including some who are bilingual and facilitating groups in Spanish.

The Mental Health Association in New Jersey had been offering in-person meetings at satellite offices around the state, but during the pandemic all meetings were transitioned to online. That enabled interested participants from every county to access meetings. During COVID, the number of people attending online groups more than doubled, according to leadership at the nonprofit, which they attribute to increased need, ease of access, and reduced barriers related to transportation and childcare.

For more information about United by Wellness, call 609 652-3800 ext. 303 or mhaac.info/ubw.

UNION COUNTY POSTMASTERS SHARE TIPS FOR RESPONSIBLE PET OWNERSHIP

Last year 169 letter carriers were victimized by dogs in New Jersey, including 16 in Union County. The 15 postmasters serving the 21 municipalities in Union County are therefore raising public awareness of the importance of responsible pet ownership in helping prevent dog bites.

To prevent dog bites, Union County Postmasters recommend the following responsible pet ownership tips:

- Obedience training can teach dogs proper behavior and help owners control their dog in any situation.
- When the letter carrier comes to your home, keep your dog inside, away from the door, in another room, or on a leash.
- Dogs can be protective of their territory and may interpret the actions of letter carriers as a

threat. Please take precautions when accepting mail in the presence of your pet.

- Dogs that haven't been properly socialized, receive little attention or handling, or are left tied-up for long periods of time frequently turn into biters.

By following these few simple tips, pet owners can significantly improve neighborhood safety for everyone.

The Postal Service has a short animated dog bite video available on its YouTube site, USPS TV

at: <https://www.youtube.com/watch?v=GpqmrNBJAos&feature=youtu.be>.
