NEW POLICE DEPARTMENT AND COURT BUILDING OPENS

Township of Clark

Mayor Bonaccorso welcomed citizens and dignitaries to the grand opening of the Clark Police Headquarters and Municipal Court on Saturday, September 18. The ceremony included a statement by the mayor, a look at a time-capsule to be enshrined within the building and a ribbon-cutting.

"It's been a long time coming and we are proud to present this new space to our law enforcement officials and those they serve," said Bonaccorso. "We are also proud to have built it in a fiscally sound way so as not to burden the taxpayers of this town. May God bless those that serve here for all the years to come."

After the initial part of the ceremony, the mayor invited attendees inside to dedicate the courtroom and council chambers to John Laezza, the former Business Administrator of Clark Township for 20 years, prior to his death early this year. Laezza was directly involved in managing the funding, engaging architects and contractors and day to day oversight of project completion in his final years with the township. The facility is now officially named the John F. Laezza Council Chambers and Courthouse.

CLARK SENIORS TREATED TO A BBQ

Township of Clark

Clark Senior Citizens enjoyed a barbeque hosted by Mayor Bonaccorso on Monday, September 13 at the Deutscher Club. Seniors were treated to a buffet and music as they visited with their friends, members of council and the mayor.

This event is a return to the annual tradition after a one year pause due to pandemic restrictions. "I am so glad to be able to do this again for our wonderful seniors," said Mayor Bonaccorso. "Many of these people have given back to this town over the years and we want to always honor their place in our community."

RELIEF FROM CHRONIC KNEE PAIN FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

BIKE COLLECTION – OCT. 9

Westfield Rotary Club

Pedals for Progress, in its continuing effort to recycle bicycles properly, is having a used bike collection sponsored by the Westfield Rotary Club. Anyone with an adult or child's bicycle in repairable condition is urged to donate his or her bike to this worthy cause.

Pedals for Progress does not accept bikes for parts or disassembled bikes. Bikes can be dropped off from 9 a.m. to noon on Saturday, October 9, rain or shine, at the board of education building, located at Walnut and Elm Streets in Westfield.

To date, more than 159,000 bikes and 5,100 sewing machines have been shipped to developing countries in Latin America, Africa and Eastern Europe. These bikes provide reliable transportation for commuting to work,

transporting produce to market, or accessing health care and other services.

It costs \$45 to collect, process, ship, rebuild and distribute each bicycle. A donation toward shipping costs is necessary (suggested minimum \$20 per bike). All cash and material donations are fully tax deductible and a receipt will be available at the collection site.

Pedals for Progress/Sewing Peace is a 501 (c) (3) corporation and a registered charity in six states including New Jersey and New York. Brochures explaining this innovative program will be available at the collection site. Pedals for Progress seeks donations of wrenches for its overseas shops.

For detailed information about overseas projects and a current schedule of bicycle collection, visit www.p4p.org.

BLESSING OF THE ANIMALS – OCT. 3

The Episcopal Church of St. John the Baptist, 230 Melrose Terrace in Linden, will host their annual Blessing of the Animals on Sunday, October 3, 2021, at 2 p.m. A rain date is scheduled for October 10.

The Blessing will take place on the great lawn of the church. People participating in the event are asked to bring a folding chair. All persons coming to the event must wear a face mask to create a healthy environment and to comply with worship requirements established by the Episcopal Diocese of New Jersey. Spaces will be designated on the great lawn to allow for social distancing.

A short Christian prayer service will begin at 2 p.m. and will include an individual blessing of animals. The priest will come to each animal and, with the owner's permission, bless the animal without touching the animal. Donations will be accepted for a local animal shelter.

The Blessing of the Animals takes place on the first Sunday of October since the blessing remembers St. Francis of Assisi, the Patron Saint of Animals, whose feast is celebrated on October 4. Throughout his life, St. Francis was known to preach to the birds, release rabbits caught in traps or fish caught by people, and even make peace between a wolf and the people of Gubbio whom the wolf terrorized.

35TH ANNIVERSARY RAFFLE AND DINNER

St. Joseph Social Service Center

St. Joseph's serves the materially poor and homeless community of greater Elizabeth. The economic fallout from the pandemic has created an unanticipated increase in the demand for basic human needs such as food and medications. We are celebrating 35 years of service to our community, and raising funds to continue our work.

Now, more than ever, we could use the support and participation of the community at our annual fundraising dinner, which will be held on October 21 at 6 p.m., at the Westwood in Garwood, NJ.

HERE'S HOW TO SUPPORT OUR FUNDRAISER:

Online: To purchase dinner tickets, sponsorships, or to donate online, please visit Eventbrite: St. Joseph Social Service Center - 35th Anniversary Raffle and Dinner

Mail: To purchase raffle tickets, dinner tickets, sponsorships, or to donate on-line, please visit www.sjeliz.org. Or call 908-354-5456 if you do not have internet access.

In Person: To purchase grand raffle tickets in person, here are the locations: St. Joseph Social Service Center, 118 Division Street, Elizabeth, NJ 07201 - Emy Cruz, 908-354-5456 x3; St. Helen's Parish Center, 1600 Rahway Avenue, Westfield, NJ 07090 - Marilyn Ryan, 908-232-1214 x113.

We hope you'll support us with ticket purchases, sponsorships, and donations and join us at our dinner on October 21. Together, we can satisfy hunger, improve health, and inspire hope in our community!

US SPACE FORCE: GUARDIANS OF THE HIGH FRONTIER

Civil Air Patrol Cadet Program (NJ-102)

As we explore new horizons, the United States expands beyond what is imaginable. With the creation of the US Space Force, the country truly embodies the notion of "reaching for the stars"! On June 29, 2021, Captain "Bud" Jackson Composite Squadron (NJ-102) of the Civil Air Patrol (CAP), an Auxiliary of the United States Air Force, had special guest speakers from the US Space Force - Major Jose Almanzar and Captain Ronald Nguyen. In a virtual meeting of over 110 participants, including visitors from other CAP squadrons, attended and the speakers shared the goal and purpose of this new branch of the military, talked about their jobs, gave advice to the cadets considering the path and much more. There was time for a Q&A session, where the speakers provided valuable information towards a wide range of cadet/senior member questions. Cadets took away extensive information to inspire them about this new exciting path of space research and operations.

Headquartered at the Pentagon, the US Space Force is an independent branch of the military that was carved out of the Air Force in December 2019. With their Command motto as "Guardians of the High Frontier", the US Space Force is considered a critical asset, impacting everyday life. Although it is currently the smallest of the US armed services, the Space Force is responsible for operating and defending military satellites and ground stations and supports

communication and navigation on Earth. It provides a much needed position of strength, especially technology-wise, for protecting US interests in space or going on offense, if needed, in the future. Civilian life cannot survive without our space capabilities. Our military based missions are now largely supported by space operations. Additionally, as space tourism is about to lift off in the coming years, the US will have a growing space community.

As an empowerment message to the young cadets, Maj Almanzar and Capt Nguyen talked about the Space Force's need for bold and diverse leaders with new ideas. They stressed the importance of being exposed to STEM (Science, Technology, Engineering, and Math) experiences and education early on - "Always take advantage of opportunities presented to you and explore the growing areas of the Space Force. The sky is not the limit so it is your time to soar!"

The Civil Air Patrol (CAP) Cadet Program is open to all Middle School and High School students from ages 12 to 18. For more information about C.A.P., please contact the NJ-102 Squadron Commander, Captain Jose Vergara, at jose.vergara@njwg.cap.gov, or the NJ-102 Squadron Recruiting Officer, 1st Lt Josline Pinto, at josline.pinto@njwg.cap.gov. Visit the CAP National webpage at gocivilairpatrol.com or the NJ-102 squadron website at nj102.cap.gov. Also, be sure to check out the NJ-102 Squadron's Facebook page at facebook.com/NJ102/.

UNION COUNTY ANNUAL DAY OF PRAYER - OCT. 6

As the nation continues to reckon with the effects of the COVID-19 pandemic, the seventh annual Union County Day of Prayer will serve as "A Memorial Service to Those in Our Memory" on Oct. 6.

The event will be held at 7 p.m. at Holy Trinity Roman Catholic Church in Westfield and is sponsored by Union County Interfaith Coordinating Council and Community Access Unlimited.

The annual Day of Prayer brings the community and leaders of different faiths together for an evening of music, prayers of unity and reflective readings. UCICC works to build bonds within the interfaith community and promotes the respect, inclusion and welcoming of others at houses of worship.

"We cannot do justice to all of the lives that have been taken from us at the Union County Day of Prayer on Oct. 6th, but we can begin to do so together," said Pastor Carmine Pernini of Zion Evangelical Lutheran Church in Rahway. "We can take a few small steps to appreciate the gift that is the life we have yet to live together by honoring those loved ones, those impossible times we have made it through, and those trials that have forged who we are and will be from this side of the pandemic."

The event includes speakers, musicians and readers representing major Abrahamic and Indian religions; among the performers scheduled are students of the Muslim Community Center of Union County and Eliezer Almonte of Comunidad Cristiana in Elizabeth. Masks are required and attendees will observe social

distancing.

UCICC works closely with Community Access Unlimited to promote accessibility in the local faith community for individuals with developmental disabilities. Past events have included weekly interfaith services and introducing members to different houses of worship in the area.

"Religion and communities of faith are an important part of spiritual life that everyone should have access to regardless of their abilities and needs," said Walter Kalman, associate executive director of Advocacy, Communications and Resource Development at CAU. "We are proud of our continuing partnership with UCICC and the growing community and the teamwork it has fostered."

CASA SALUTES ITS VOLUNTEER CHILD ADVOCATES AT BBQ

Court Appointed Special Advocates (CASA) of Union County, the only local nonprofit advocating for youth from birth to age 21 involved in the child welfare system due to abuse, neglect and abandonment, took time-out on a recent sunny Sunday afternoon to fete its community members who are trained as child advocates and continuously give of their time to ensure the best interests of Union County's most vulnerable youth are protected and their needs are met.

Seeley's Picnic Grounds in Watchung Reservation was host to a guest list that included each of the organization's nearly 170 current volunteer advocates and their families and dogs, its funders, and court personnel with whom the organization regularly works as cases are heard by Union County Superior Court. CASA staff and several members of the Board of Trustees

served guests such grilled fare as ribs, pulled pork, hotdogs, burgers, and sides and dessert galore. Executive Director Mariel S. Hufnagel's husband Anthony was grill master.

Amid the frivolity of lunching, chatting and even competition at the cornhole and KanJam playing fields, CASA volunteers and staff still managed to make time for advocacy work, too. Each year as the summer draws to a close, the organization runs a school supply drive to ensure every foster youth served has a new backpack chock-full of needed supplies so their first day feels full of promise. The park's pavilion became backpack depot where advocates checked in to secure their foster youth's backpack, lunchboxes, and supplies.

Anne Collart, President of the Board of Trustees, was among those welcoming advocates. "It was a gorgeous day, and the

perfect setting for CASA of Union County to give its time for all those who gift their time for local foster youth, and keep the organization moving forward in its mission. Today, we wanted to be in their corner, and encourage each advocate to relax, connect and enjoy our gratitude for all they do."

Since 2005, the nonprofit has recruited, trained, supported and supervised nearly 600 volunteers to advocate for more than 900 youth, protecting best interests in the courtroom, classroom and community, and helping ensure already experienced trauma is not exacerbated as youth await permanency in a safe and loving home.

For details on the advocate experience and joining upcoming information and training sessions, email Lucia at info@casao.unioncounty.org.

(above) Among the CASA volunteers attending were, from left, James Walker Jr. of Elizabeth, Isabella Blumberg of Springfield, Barbara Bagger of Westfield, Arlene Sumner of Linden, Carmen Iyala of Scotch Plains, Quetzali Sevillano of Rahway, Lara Gibbemeyer and Robert Bridgeman of Westfield, Flor Maria Mendez of Elizabeth, Mollie Yang of Mountainside, Fernando Porras of Clark, Katherine Romano of New Providence, Shelley Grobe of Cranford, Kristen Kim of Westfield, Rebecca Muston of Summit, Teresa Lastella of Clark, Kevin JeanCharles of Roselle, Donna Isidron of Clark, Karime Herrera of Elizabeth, Komal Nankani of Summit, Lisa Kalichman of South Orange, Sean O'Leary of South Plainfield, Carolyn Colonna of Fanwood, Cynthia Evans of Scotch Plains, and Lydia Pernia of Linden.
