## NINE PEOPLE INDUCTED INTO WALKWAY OF HONOR

The Township of Union Education Foundation held a ceremony on Friday, October 1, 2021, to honor new bricks installed in the 'Walkway of Honor'.

The Walkway is located adjacent to the main entrance of Union High School.

The nine people who were honored, were so special to the people who knew them or worked with them, that they chose to honor them by purchasing bricks.

Susan D'addario, Angela Dionisio and Maria Varga were para-professionals who worked in the district.

Jean Vincent was a school bus driver whose brick was purchased by his colleagues in the Transportation Department.

Marilyn Seneca and Janice Hibbard both worked in administration in the front office of the district and their bricks were purchased by a colleague.

Charles Lubetkin was an English teacher.

Anthony Manochio was a 3-term member of the Board of Education. And also served as President of the Board. He died suddenly in July

2021, and leaves behind a long legacy of education.

Loretta Lee-Matthews was a volunteer who served on the Board of Trustees of the Township of Education Foundation for 18 years prior to her passing. Her brick was purchased by the other trustees of the Foundation.

## HELP US SAVE A VET!!

Michael D. Boll, Director  
New Jersey Veterans Network

For the last few years the New Jersey Veterans Network and its mobile outreach team has been aggressively seeking out veterans in need and providing them resources to have a better way of life. This is only possible because of our volunteers' commitment and dedication with helping our veteran community. Donations are wonderful and help us purchase food, clothing, medical equipment and other life changing items, however someone's time is what makes an enormous difference.

During our charity's existence, we have provided meals for thousands of veterans and servicemen, dropped off PPE and clothing to veterans, provided medical equipment for disabled veterans, had 30 cars donated to disabled veterans, and most importantly we successfully saved the lives of veterans who were in some type of a dangerous crisis.

Every day we lose approximately 22 veterans to suicide and unfortunately this number hasn't changed over the years. Depression, PTSD and trauma run extremely high among our veterans and their family members. There are countless lifesaving programs out there for veterans, however it's a difficult task to get veterans to trust others and go get the help they need to live a better life.

The New Jersey Veterans Network also has a program called Operation Rebound that consists of a mobile outreach team that helps to train veterans for events like races, hiking, and other athletic activities. The goal of Operation Rebound is to do athletic events from 5k races to long distance Iron Man competitions in order to empower the veterans and show the public how people can do amazing things with the proper support. It is truly incredible to see the veterans go from no physical activity to completing these tremendous athletic challenges.

Recently, we formed a veteran anti-suicide and PTSD awareness coalition, called Uniformed Heroes, that will provide peer support sponsors for any veteran in need.

To make this upcoming Uniformed Heroes campaign successful, we are in desperate need of volunteers from both the veteran and civilian communities. There are numerous events and daily tasks that our charity could use assistance with and we are always looking to have more volunteers willing to help us reach veterans in need.

Our goal is to provide all veterans in need with a peer support sponsor that will do whatever they can to help veterans with obtaining the resources needed to live a better life. This is not an easy thing to do, but the New Jersey Veterans Network has already been able to make a huge difference because of the team's volunteers and its strong partnerships with other charities.

If you are interested in joining the team, please send us an email at [NJVN1775@gmail.com](mailto:NJVN1775@gmail.com) and provide your name, email, and phone number. Also, if you have any questions, and concerns please feel free to contact us at 973-332-1556.

## SCOUT EXECUTIVE SPEAKS TO ROTARY CLUB

Submitted by Dr. D. Michael Hart

Marc Andreo, the Scout Executive and CEO of the Patriot's Path Council, Boy Scouts of America spoke to the Rotary Club of Westfield on Tuesday, September 21, 2021. His topic was to update the club on the state of the local Scouting. The pandemic has decreased the scouting program somewhat, but it is still going strong, and they are planning to rebuild it to where it was before the shutdown.

Paul Harris, the man who started Rotary International in 1905, was great friends with James E. West who started the Boy Scouts of America in 1910. Paul gave advice on how to spread the program throughout the US, mirroring the way Rotary clubs were spreading. Both organizations have a lot of similarities, including an ethical code, teaching leadership skills, being community based and service oriented. Rotary clubs currently charter 1,000 scout units across

the US.

The Patriot's Path Council, BSA consists of 5 counties in northern New Jersey with more than 10,000 scouts and 4,000 adult volunteers. They are in the counties of Sussex, Morris, Somerset, Union and northern Middlesex. The headquarters in Cedar Knolls has only 25 full-time staff. There are two scout shops one in Cedar Knolls, and one in Mountainside.

The Council offers three Day Camps: at Watchung Reservation; Johnson Park, New Brunswick; and Camp Wheeler at Mt. Allamuchy Scout Reservation. The Council offers four overnight camping opportunities: Winnebago Scout Reservation in Rockaway, NJ; Mt. Allamuchy in Byram Township; Sabattis Adventure Camp in Long Lake NY, and the four national high adventure bases: The Summit in West Virginia; Northern Tier in Minnesota, Sea Base in the Florida Keys, and Philmont Scout

Ranch in New Mexico.

Recent changes to the Scouts include welcoming girls to the Cub Scout and the legacy Boy Scout programs three years ago. The purpose was to include entire families in the activities. To accommodate this change, the "Boy Scout" program for ages 5th grade through age 18 was renamed the "Scouts BSA". The name of the parent organization remains the Boy Scouts of America. The Cub Scout program is for children from K through 5th grade; Scouts BSA is for children 5th grade through age 18. Other programs have been coed for many decades, including Explorers - who explore career opportunities, Venture Crews - who go on high adventure trips, Sea Scouts who learn mariner skills, and a relatively new program - STEM- in which students explore science related careers. These last four programs welcome boys and girls from ages 14 to 21.

Cub Scout Dens may be all boy and all girl, or coed. Scouts BSA Troops are either all girl or all boy. This year there are 250,000 young women in the scouts, and 1,000 girls were the first graduating class of female Eagle Scouts. Only 4% of all scouts ever achieve the rank of Eagle, making it a mark of distinction.

The residents of Westfield are enthusiastic supporters of Scouting. There are 12 units: 7 Cub Scout Packs and 5 Scout Troops, with nearly 500 youth, which is double the national average. Last year the Patriots' Path Council recognized 315 Eagle Scouts and Scouts collectively earned more than 6,200 merit badges. The Rotary Club of Westfield has been a long time supporter of the Scouts. Several members are Eagle Scouts, and many of the children of Rotarians are in the Scouting program, and a number have earned the rank of Eagle. The club likes to support Eagle Service projects financially.

Scout Executive Marc Andreo asked the Rotarians to help spread the word about local Scouting. With units and camps open again, they are seeking more youth to join the local programs. Please visit [beascout.org](http://beascout.org) to locate a unit near you!

Serving the local Union County community since 1984.

# EXCITING CHANGES AT THE LIBRARY

The Township of Union will break ground on a new Public Library building in November. The Township along with the Library Board of Trustees recognize the need for a 21st century library that allows our community to connect, explore and discover.

During this period of transition, operations and layouts will be altered. However, library staff will continue to provide the services and resources that patrons have come to expect.

## WHAT TO EXPECT:

- On or about October 20, the Main Library on Morris Avenue will close for approximately 3 weeks, while staff relocates material, systems, and furniture. During that time, the Vauxhall Branch will remain open to serve our community.
- Once the initial move is complete, the Main Library will reopen to the public, at 1060 Stuyvesant Avenue.

## THIS INTERIM LOCATION WILL INCLUDE:

- Children's and Young Adult collections
- New books and DVDs
- Public computers and free Wi-Fi

Printing, scanning and copying  
Newspapers and magazines  
Reference and Children's Librarians  
Holds, pickups and returns

- All other books and material will be kept off site, but accessible to patrons by placing a hold. To best meet the needs of the community, library officials expect to be able to move material back and forth between locations on a daily basis.
- Construction is expected to last for approximately two years. The new facility will include spacious seating and reading areas, bright displays, quiet study and meeting rooms, bathrooms on every floor, a community performance center, and so much more.

Officials ask residents for patience during this transitional time, and encourage everyone to visit the Library's website [uplnj.org](http://uplnj.org) for the most up-to-date information and a list of Frequently Asked Questions.

For more information please email [unionpl@uplnj.org](mailto:unionpl@uplnj.org) or call 908-851-5450.
