## CUB SCOUT PACK 182 IS BACK TO CAMPING!

Back into the wild before the storm! In October Pack 182 Scouts enjoyed their first official two-night camporee since the start of the pandemic. Thanks to the local Watchung Reservation for hosting the Warren Cub Scout Pack along with Pack 32 from Watchung and Pack 35 from Cranford. Warren Cub Scouts were eager to get back into their tents after a long wait. Overnight camping filled with adventures and activities has been a long-standing tradition in Cub Scouting, one that families look forward to year after year. After well over a year without a camping experience, Pack 182 leaders came together to plan and execute this wonderful event! The focus of this camporee was to expose K–5th grade Scouts and their families to an array of outdoor skills while having plenty of fun! Thanks to Den Leader, Mariette Dzeletovic, and Assistant Cubmaster, Ryan Valentino, for spearheading this camping extravaganza. Cubmaster, Chris Bellmann, took the reins on supporting the archery range and teaching safety and skills across all ages and ranks while Rangemaster, Tom Ventriglia, ran the BB gun range. Many leaders and parents came together to ensure a

safe and action-packed weekend! There were nature hikes, lessons in knots and survival, an epic Capture the Flag game, as well as delicious campfire meals, and of course the coveted s'mores.

How can you join the Fun? Boys can enroll in Pack 182 Warren Cub Scouts at any time during the year, with many joining simultaneously at the start of a new school year. Scouts from surrounding towns are welcome.

# GIRL SCOUTS ENJOY ANNUAL CAMPFIRE AND SING-ALONG

*Submitted by Margaret Keegan*

Long Hill Township's Girl Scout Troops and families came together to partake in the annual campfire event on the grounds of the Stirling Elks property on Saturday, November 13th. The Cadette Troops hosted and showed their

impressive fire building skills, but of course, no fire would be complete without delicious s'mores enjoyed by all! Each troop shared in the sing-along, singing traditional girl scout songs they have learned over the years, while introducing the youngest Daisy Troop members

to some catchy tunes. It was a memorable evening filled with bonding and camaraderie within our girl scout community.

In the girl scout spirit of giving back, all attendees were asked to bring non-perishable food items, diapers, and/or baby formula to support local families in need.

Thank you to Lombardo farms for graciously donating the firewood and Stirling Elks for allowing use of the property.

# IS IT REALLY POSSIBLE FOR A KID TO LEARN HOW TO RUN FASTER?

Retired San Francisco 49ers QB Joe Montana, is arguably one of the greatest NFL players that has ever played football...when his son started playing football it would have made sense for him to help his son learn how to play Quarterback.

But that's not how it went. Joe Montana had to hire a quarterback coach to help his son be a better football player. Here's possibly the greatest NFL QB of all time, needing to hire someone else to help his son. It was not that Joe Montana was not equipped for the job...it was that his son needed a second voice to help him get to the next level.

Many parents who have much less knowledge, experience, and skills than Joe Montana are in the same boat in regards to helping their kids get stronger, faster, and more confident.

Most parents we've come across want their kids to eat healthier, be more active, and have a stronger mindset. But many have told us they need help.

Even with the constant reminders of telling their kids to eat more vegetables, get outside instead of watching TV, practice their sport more, get to bed earlier...they find that sometimes the message falls on deaf ears...and some backup would be helpful toward their vision of helping their kid be the best they can be.

Parents have told us that having us(the Grit Athlete Performance Coaches) as a second voice to help reinforce the habits they want for their kids...is changing the game.

Further...Our Grit Athlete Founder has over 20 years experience with training athletes himself...and certainly knows a LOT more about getting stronger and faster than the average parent...But has all 3 of his children(9,8 and 6) enrolled in Grit year round....because he knows the power of that second voice.

And after they come through our program, parents tell how it's turbocharging their parenting. Here are some real-life examples that have been reported...

Before, parents struggled with getting kids to eat vegetables...now their kids are asking for more.

Before, parents struggled with getting their kids to get enough sleep....now their kids are getting to bed earlier on their own.

Before, parents struggled with getting their kids to watch less TV or play video games...now they are limiting these activities because they've learned they don't really help them become better athletes.

Before, parents struggled with helping their kids have more confidence...now their kids are doing things out of their comfort zone more often which is helping them believe in themselves which further improves self-esteem.

Before, parents had no clue how to help their kid get faster...now they are faster because they've learned that speed is a skill, and a few simple tweaks can make a kid faster immediately.

Before, parents could not get their kids to make their beds...now their kid makes their

bed each morning on their own because they learned that making their bed in the morning helps them have a better day.

Before, parents struggled with getting their kids to do even one good push-up...now they catch them in their room practicing on their own.

Before, parents wanted their kids to have more determination and grit when training new things...now they are staying calm under pressure and seeking out challenges instead of avoiding them.

Many times it's not about telling your kid to eat more vegetables or stop watching TV...but rather finding the right environment for them to be more successful.

Right in your backyard, there's a team of great coaches waiting to be second voices for your kids...so that all the things you're teaching as parents will be reinforced. But most importantly, the results you're after for your kids will actually become a reality. The Grit Athlete winter Sports Performance session starts on December 13th in Berkeley Heights NJ, visit [www.gritathletes.com](http://www.gritathletes.com) to fill out an application for your child.

*Grit Athlete Performance is a Sports Performance Training Company located in Berkeley Heights that helps kids ages 6-18 get strong, fast, and confident so they can have a bigger and better future. They have just released the dates for their winter program that starts on December 3rd. # UPDATE: THE GRIT ATHLETE PERFORMANCE WINTER PROGRAM HAS ONLY 17 SPACES REMAINING

Give us 12 weeks with your kids and we'll have them stronger, faster, and more confident...guaranteed.

### Here's what parents can expect to happen:

- **They will get stronger** which means when they show up to their sport they'll be able to perform better than ever.
- **They will run faster and jump higher** so they can show up to their next season and people will start asking what the heck have they been doing.
- They'll become **more coordinated and improve agility** which means they'll pick up new skills their coaches teach them faster.
- **Your children will start to eat better** because we'll be educating them daily on what's good and what they should avoid ...don't be surprised if they start asking you to buy more vegetables.
- **Confidence will skyrocket.** When kids get stronger, faster and more fit...their confidence will rise...so will their self-esteem which means their performance in every aspect of life will get better.
- **Their mindset will improve.** We're going equip your child with very specific mindset skills that'll help them learn how to transform how they think about mistakes and failures.

## HAPPY PARENTS TALKING ABOUT THE PHYSICAL AND MENTAL TRANSFORMATION OF THEIR KIDS...

- "When my son started Grit he was quiet, shy, and had some difficulty with movements...Now he is confident in himself, has become more vocal, and is mastering the exercise he struggled with in the past."

- Jen O'Brien, Grit Athlete Parent

- "My son is more disciplined and confident in himself"

- Steve Hughes, Grit Athlete Parent

- "I have watched my children become more confident and vocal."

- Christine Stramandinoli, Grit Athlete Parent

- "His confidence has shot up in the last few months...and has carried forward to the way he approaches other activities like sports and schoolwork. My son is now making his bed daily and exercising every day."

- Catherine Solfaro, Grit Athlete Parent

## MAY YOUR CHRISTMAS BE FURRY AND BRIGHT

During this holiday season, we at Home for Good Dog Rescue, would like to express our gratitude to those who passionately believe in our mission to save dogs from horrific conditions, dangerous environments, and cruelty at the hands of heartless offenders. Your support of the rescue by generously serving through volunteering, adopting, fostering, and sharing your financial gifts is extraordinary.

Repeatedly, you have welcomed our beloved dogs into your homes, participated in our advocacy work, and shared our miraculous stories on social media. Now, as this year ends, please take a moment to reflect on what truly sets Home for Good apart from most animal welfare organizations. It is the heart of the rescue that leads us. It is what binds us together as a community, serving the most vulnerable amongst us, the voiceless. While we are approaching our 10,000th adoption, it is not about the quantity of dogs, but it is about meeting each dog's needs, regardless of age, medical condition, or expense. It is truly a miracle to see these lives being saved and families eagerly extending their love to these vulnerable, loving creatures. Meet Frankie...

This past year has been challenging and marked by many unforgettable moments. And Frankie is just one of the thousands of memorable Home for Good stories. Rescued from the brink of death at a garbage dump in Millen, Georgia, at just 1.5 years old, this sweet pup endured more than any dog should in a lifetime. Frankie was covered in severe mange, extremely

malnourished, and emaciated. He had an advanced case of Heartworm disease, a lethal condition in which heartworms infest the heart, and eventually cause organ damage. All treatment was provided at the rescue's expense through "Lexi's Beating Heart Medical Fund", established by a benefactor during the pandemic to support the expensive treatment of Heartworm disease. Home for Good saves over 50 dogs from certain death from this disease each year.

Home for Good is not just who we are, it is what we do. We intend to never leave a dog behind that comes into our care and have not yet done so. Without you, our community, none of this would be possible. We are grateful that you stand beside us, carrying out the heart of our mission. And that is why we ask you to please consider a year-end gift. There are many more souls to save. Join us at [homeforgooddogs.org](http://homeforgooddogs.org) or scan this QR Code to donate today.

# TICKETS NOW ON SALE FOR 21ST ANNUAL PIPES OF CHRISTMAS

The Pipes of Christmas will celebrate its 23rd season with performances in New Jersey and New York this December. The holiday favorite opens on Saturday, December 18 at Madison Avenue Presbyterian Church, located at 921 Madison Avenue (at 73rd Street) in New York City for a 2PM performance. The concert moves across the Hudson River on Sunday, December 19 to Central Presbyterian Church located at 70 Maple Street in Summit, NJ with performances at 2PM.

For those weary of the ceaseless stream of secular seasonal music from department stores to TV, the Pipes of Christmas offers a spiritual and traditional take on the season that connects concertgoers to the holiday in a fresh, meaningful way. The show features tunes such as, Highland Cathedral, Joy to the World, and Amazing Grace, all performed live on pipes and drums, harp and fiddle, and organ and brass and more. Not only does the performance define Christmas cheer, but also it inspires those of Celtic descent to retrace and reconnect to their ancestry.

The concert presents the music of Christmas accompanied by readings taken from the Celtic literature of Scotland, Ireland, and Wales. Featured performers include singer Margaret Kelly from Aberdeen, Scotland, James Robinson from the film "Braveheart," New England fiddle champion Paul Woodiel, champion harpist Rachel Clemente, and the Pipe Major Kevin Ray Blandford Memorial Pipe Band from Redlands, CA among many more.

## TICKETS AVAILABLE NOW

Tickets may be purchased online exclusively through ShowTix4U. (Be certain to select "The Learned Kindred of Currie" as the organization name.)

## LEARNED KINDRED'S ONLY FUNDRAISER

This annual concert is the Learned Kindred's only fundraiser, generating their operating budget for the year ahead. Losing the concert income is financially devastating to outreach programmes which support young people in education in Scotland, Canada and the United

States through scholarships and sponsorships.

Proceeds from the concert support an extensive music scholarship program, which includes the Carol Hassert Memorial Fine Arts Scholarship at Summit (NJ) High School as well as annual gifts to the National Piping Centre, the Royal Conservatoire of Scotland (both located in Glasgow, Scotland), Sabhal Mòr Ostaig, the Royal National Mòr and the Gaelic College in Nova Scotia, among others.

## ABOUT THE PIPES OF CHRISTMAS

Since making its debut in 1999, The Pipes of Christmas has played to standing room only audiences. Now a cherished holiday event, the concert provides audiences with a stirring and reverent celebration of the Christmas season and the Celtic spirit. Audience-goers return year after year to experience the program, many reporting that the Pipes of Christmas has become part of their family's annual Christmas tradition.

The concert has been lavished with critical acclaim. In his review for Classical New Jersey Magazine, Paul Somers wrote, "The whole evening was constructed to introduce gem after gem and still have a finale which raised the roof. In short, it was like a well constructed fireworks show on the Glorious Fourth. The Westfield Leader described the concert as "a unique sound

of power and glory nowhere else to be found."

The Pipes of Christmas Virtual Concert, produced by The Clan Currie Society / The Learned Kindred of Currie, has been nominated for an award in the prestigious MG ALBA Scots Trad Music Awards (Na Trads) 2021.

# ELF THE MUSICAL JR. TO SUPPORT PEOPLE WITH DISABILITIES

## Community Access Unlimited

A triumphant musical returning this December promises holiday cheer, a lot of laughs, and possibly too much sugar.

Tickets for Elf the Musical Jr. are now available for showings on December 10, 11, and 12th. All shows are streaming virtually at 7:00 p.m. for audiences to enjoy at home. Tickets are

\$10 and can be purchased on line at: [www.showtix4u.com/event-details/57483](http://www.showtix4u.com/event-details/57483)

The CAU Community Players are an inclusive group of performers with and without disabilities who collaborate to stage incredible musical performances, including past productions of Hairspray and Aladdin. Community Access Unlimited (CAU) is a Union County-based, statewide nonprofit that works to integrate people with disabilities and youth at-risk into the community through comprehensive ways.

The cast of the show is thrilled to return to the stage after months of virtual rehearsals and preparation. Performers used clear masks to interact safely while allowing the audience to enjoy their expressions.

"The point of the show is to fill everyone with Christmas spirit," said Tyler O'Neill, who plays Buddy. "I'm discovering a side I never thought I had and a lot of joy. And like Buddy, I too enjoy a good hug every now and again."

Adam Fleissner, who plays Buddy's cantankerous father, Walter, said he is excited for everyone's hard work to pay off in the final production after a hiatus last year, due to the pandemic.

"It's the first time doing a CAU play since the shutdown and I just love seeing everyone again," said Fleissner.

Proceeds from the play support CAU's comprehensive services for people with disabilities and youth at-risk, which include housing, education, employment, support coordination, and life skills training.

This adaptation of the hilarious, hit film is sure to warm hearts as we prepare for the holiday season.

"I want people to get tickets so they can laugh hard," said cast member Ernie Smalls.

## ABOUT COMMUNITY ACCESS UNLIMITED:
