ANTHONY SIGNORELLO YOUTH CENTER REDEDICATION

A ribbon cutting and rededication ceremony was held Saturday, October 23rd, for the newly renovated Anthony Signorello Youth Center.

"It's a good day for Roselle Park," Business Administrator Andrew Casais said, welcoming the full gymnasium. Mayor Joseph Signorello III and Councilman Joseph Signorello, Jr. spoke on behalf of the Borough community and Signorello family. "I said it in 2004 – and we did it – and I'll say it again today, let's wear the paint off the place," said Councilman Signorello, father of the late Anthony Signorello for whom the center is dedicated.

"I have a complexed relationship with this building," said Mayor Signorello, "the loss of my brother was confusing and upsetting. I was here in 2004 as a child, but now, being here as Mayor, seeing what these improvements will do for the community for years to come makes me proud."

Originally opened in 2004, the Anthony Signorello Youth

Center serves to embody the legacy of Anthony Signorello, a young man who tragically lost his life all too young. The newly renovated facility encompasses a total investment of over \$300,000 in improvements, including new multi-purpose rooms, academic spaces, conference area, gaming centers and gymnasium. The Youth Center now serves as the headquarters for the Roselle Park Department of Recreation and is intended to provide families with programs that foster a sense of community, sportsmanship, and well-being.

"It is an honor and privilege to serve as the Recreation Director for the Borough of Roselle Park," said Roselle Park Director of Recreation John Ranieri, Jr. He continued: "The goal of the Roselle Park Recreation Department is to meet the recreational needs of our community, and the

Recreation Department staff took great pride in restoring this building to its original purpose of serving the community as a hub for youth and community activities."

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain. Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

Community Access Unlimited (CAU) is a Union County-based, statewide nonprofit that works to integrate people with disabilities and youth at-risk into the community through comprehensive ways.

The cast of the show is thrilled to return to the stage after months of virtual rehearsals and preparation. Performers used clear masks to interact safely while allowing the audience to enjoy their expressions.

"The point of the show is to fill everyone with Christmas spirit," said Tyler O'Neill, who plays Buddy. "I'm discovering a side I never thought I had and a lot of joy. And like Buddy, I too enjoy a good hug every now and again."

Adam Fleissner, who plays Buddy's cantankerous father, Walter, said he is excited for everyone's hard work to pay off in the final production after a hiatus last year, due to the pandemic.

"It's the first time doing a CAU play since the shutdown and I just love seeing everyone again," said Fleissner.

Proceeds from the play support CAU's comprehensive services for people with disabilities and youth at-risk, which include housing, education, employment, support coordination, and life skills training.

This adaptation of the hilarious, hit film is sure to warm hearts as we prepare for the holiday.

"I want people to get tickets so they can laugh hard," said cast member Ernie Smalls.

GRIEF SUPPORT FACILITATORS NEEDED

Imagine, A Center for Coping with Loss

In the wake of the COVID-19 pandemic, the need for children's grief support programs has never been greater. Imagine, A Center for Coping with Loss, a non-profit organization based in Mountainside and Newark, exists to support children in New Jersey who have experienced the death of a parent, sibling, or close family member. Imagine offers free peer support groups for children ages 3-18, young adults 19-30, and the parents and guardians of the children in the program. Groups for Spanish-speaking bereaved adults are also available. Currently, all groups are being held virtually, however, there are plans to transition some groups to in-person as soon as it feels safe to do so.

Imagine's support groups are only possible because of our amazing team of volunteers who facilitate the groups. Imagine currently has a wait list of families looking to join our support groups. We are unable to offer them support at this time because we do not have enough volunteers to begin another Night of Support. We need your help!

Imagine's volunteer facilitators come from all

walks of life and no special background is required, other than, a willingness to listen, a heart inclined to serve, and the ability to be with children and adults in grief without trying to fix, solve, or give advice. No prior experience is necessary, but volunteers must be 18 years or older. Bilingual (Spanish-speaking) volunteers are needed as well. Volunteers serve as companions and caring listeners for those who are grieving to help create a safe space where participants can share tears and embrace the joys of life.

We are hoping to fill our upcoming training with lots of wonderful new volunteers! We are planning to offer virtual facilitator training December

10-12th from 9 a.m. to 5 p.m. each day. For information on joining Imagine's team of volunteers, please contact Imagine's Program Manager, Veronica Ortiz, by emailing veronica@imagine-nj.org, or by calling 908-264-3100. Please help us address the growing need for children's grief support and ensure that no grieving child is required to wait to receive the support they need.

FAMILY SUPPORT GROUP DECEMBER 21

Are you feeling stressed and alone in trying to cope with the effects of a loved one's mental illness? NAMI Union County's Family Support Group is for family members and caregivers of people with mental illnesses. The group is led by NAMI-trained facilitators and is a peer support group that allows participants to gain insight from others facing the same challenges.

Free Zoom sessions are held on the 3rd Tuesday of every month from 7 p.m. – 8:30 p.m. To register, email Denise at: namiunioncounty@yahoo.com with your name, town, and phone number.

PLAN A FREE TRIP TO THE RAPTOR TRUST

HANUKAH: A CELEBRATION OF RELIGIOUS FREEDOM

By Rabbi Paul David Kerbel Temple Beth El Mekor Chayim, Cranford

Hanukah is one of the Jewish religion's most popular holidays. No doubt, part of Hanukah's popularity derives from its proximity to Christmas and the bundling of a variety of religious, ethnic and cultural holidays that occur at this time of year creating a festive holiday season.

You might be surprised to know however, that unlike Christmas, Hanukah is not one of Judaism's major holidays. That billing goes to Rosh HaShanah (the Jewish New Year) and Yom Kippur (the Day of Fasting and Atonement) and the Pilgrimage Festivals of Passover, Sukkot and Shavuot that are explained and discussed in The Book of Leviticus (Chapter 23).

But Hanukah is important for many reasons. In the first place, next to the Passover Seder, more Jews celebrate Hanukah than any other Jewish ritual or holiday observance. We celebrate two miracles on Hanukah: the military victory of a small, outmanned Jewish army winning out over a superior Syrian-Greek King Antiochus

Epiphanes, who forbade the Jewish people to study their scriptures, keep their calendar, observe their holidays or offer sacrifices in the Temple. The King wanted the Jews to sacrifice to the Greek Gods and study the best of Greek culture. King Antiochus was jealous of the God of Israel and sought to eradicate distinctive Jewish practices and culture.

The second miracle of Hanukah is the story in Rabbinic tradition, that when the revolt ended and the Jewish people sought to rededicate and purify the Holy Temple in Jerusalem that had been defiled by the decree of King Antiochus by lighting the Menorah, the religious candelabrum that served as a major symbol of religious Jewish life in the Temple, that there was only enough purified olive oil to last for one day, but the lamp remained burning for eight days!

But I also think the story of Hanukah teaches and shares important lessons for our friends and neighbors of other faiths about religious faith and belief. To me, Hanukah represents the first

victory in human history of religious freedom. In a certain sense, Hanukah is a universal holiday of religious freedom. If the Jewish people had lost this physical and spiritual war in 164 BCE (before the common era) and 164 years before the birth of Jesus, Judaism would have died out and since Christianity and Islam emanate out of and are connected to Judaism, there would not be today any adherents of these great faiths. Judaism, Christianity and Islam exist today because of the religious faith of these defenders of Judaism to stand up for their beliefs and rights.

Hanukah also teaches religious tolerance and the celebration of pluralism. Hanukah reinforces the rights of a minority to stand up for its beliefs while living in a larger secular or religious culture of other religious faiths. Our country was built on the idea of freedom of religion and the freedom to live by and practice the customs, rituals and commandments of our respective religions. Hanukah teaches me that sometimes miracles happen in the quiet constancy of our everyday practice of our respective customs, prayers and traditions and our interaction and bonds of friendship and community responsibility with our neighbors of all religions and ethnic groups.

The most enduring symbol of both Hanukah and Christmas is the celebration of light. We light a Menorah to symbolize the miracles of our survival and the dedication of our people - for over four-thousand years even in the midst of persecution or the attempt to suppress our faith and practice - to practice our customs and traditions with hope and confidence in the future as a monotheistic ethical religion and culture.

For our Christian friends, the lights of the Christmas season represent essential religious beliefs including joy, peace, kindness and service to our fellow human beings. Even with the challenges the Covid-19 pandemic has caused, among the most difficult in our lifetimes, may the lights of our respective traditions strengthen our commitment to our respective faiths and our obligation and opportunity to make a difference in our community and in the world at large. As one great rabbi wrote: "It is better to light one candle than to curse the darkness." Wishing all of us a meaningful holiday season!

Rabbi Paul David Kerbel is the rabbi of Temple Beth El Mekor Chayim in Cranford. He is active in the Cranford Clergy Association, the Union County Board of Rabbis, the Rabbinic Roundtable of the Jewish Federation of MetroWest, NJ and on the New Jersey Advisory Board of The Anti-Defamation League.
