LOCAL MASTERS SWIMMERS CELEBRATE 18TH ANNIVERSARY

(above) Masters Yardstick Swimmers held their 18th anniversary celebration online.

Madison Area Masters Swimmers

A group of New Jersey Masters Swimmers from Madison and surrounding towns have had the privilege of swimming together for many years at Drew University, the Madison YMCA, Madison Community Pool, and the Summit YMCA.

The COVID-19 pandemic limited the group's ability to swim together. Recently, however, upon the group's 18th anniversary, the Masters Yardstick Swimmers held its awards breakfast online—with a strong turnout. To celebrate the group's history, strong personal relationships, and commitment to swimming, members Bob Nissen, Joe Donohue, and Richard Clew (with help from historian Barbara Rushman) created a slide show of major milestones.

An entertaining review of swimmers' monthly comments from the comment box on their website followed the slide show. Swimmers highlighted the recent opening of the new Walker D. Kirby Aquatics Center in the Madison YMCA.

The online event culminated with their Annual Awards.

Red Stars went to swimmers Deborah Fennelly of Morristown, Lynda Przedpelski of Summit, Jennifer Bauman of Parsippany, and Bob Franks of Chatham—all having achieved at least one 100,000-yard month during the year. Jim Sullivan of Morristown was named Bold Performer of the Year for improved performance, exceptional effort, and a special commitment to the swimming program. The top swimmer for the last half of the year was Lynda Przedpelski, achieving 577,983 yards, or 328 miles during the six-month period. Lynda was awarded the Doug Clark Championship Yardstick, named in memory of a former Yardstick Swimmer.

All attendees enjoyed the event and were happy to connect online with swimming friends once again.

Adult swimmers of all levels from beginners to experts are welcome to the Masters programs and to learn more about our Yardstick Challenge. For additional information, please contact Bob Nissen at bobnissen@gmail.com.

Spring Grove is by far the best rehab center I have ever been to. The staff are kind and caring and have gone above and beyond my expectations. The building is kept extremely clean and the new renovations are very nice.

Thank you Spring Grove for a wonderful and pleasant stay.

★★★★★

I have been at Spring Grove for a few weeks now, they have exceptional service and excellent staff. All the nurses have been professional and attentive to all my needs. I never thought a rehab center can have such a beautiful layout and well put together. The newly renovated room I have stayed in, is up to date and extremely clean. The therapy staff have gone above my expectations with their expertise and getting me to where I am today. Alyssa the social worker has gone above and beyond with all her assignments.

Thank you Spring Grove.

Chrissy Sloan

★★★★★

The nursing staff and administration is professional, patient, attentive and understanding. The facilities are very clean and well maintained. My parents room is always clean and tidy. Although it was a difficult decision to make relocating my folks from a home environment to a senior living facility, Spring Grove made my decision easy.

Thank God for them!

SPRING/SUMMER ART EXHIBIT

Chatham Art League

The Chatham Art League cordially invites you to a reception to kick off its Spring/Summer Art Exhibit on Sunday, March 20 from 2-4 p.m. at the Chatham Township Municipal Building at 58 Meyersville Road in Chatham. Enjoy refreshments and live music by the popular tenor Matt Zabiegala.

The exhibit includes Sally Abbott: The COVID Series—a rich collection of art inspired by the artist’s experiences and local jaunts during times of lockdown and quarantines. Abbott’s roles as art student, fashion advisor, teacher, collector, curator, museum board member, volunteer, and fundraiser for the arts provide fertile ground for her art.

Along with Abbott’s exhibit in the Lundt/Glover Gallery, Art League member artists will exhibit their work in the strolling gallery.

The Art League’s Spring exhibit is available for viewing Monday through Friday from 9 a.m.-4 p.m. until summer. The show is free to the public and is handicapped accessible. Masks required; COVID restrictions apply. For questions, please call 973-635-0845.

(above) Artist Sally Abbott poses with her work “California Ash in Atlantic Sunset.” View this painting and more at the Chatham Art League’s Spring/Summer Exhibit starting March 20.

(above) “COVID Pepper: Paint, Chop, and Eat” by Sally Abbott will be on view along with paintings by Chatham Art League members.

quiet Madison neighborhood. Scott will review why and how suspicion fell on 14-year-old Francis Kluxen who lived near the crime scene.

A lifelong resident of Madison, Scott has served as a Madison Historical Society Board member. His love of local history brought about annual events such as the Madison Magical History Trolley Tour and the Halloween Presbyterian Cemetery Tour.

MARCH 31: MARY BETH COONEY, EXECUTIVE DIRECTOR, CREATURE COMFORT PET THERAPY

Ms. Cooney will discuss the work of CCPT, which embraces a hands-on approach with its therapy teams. CCPT works with its partner facilities that include nursing homes, public and private schools, libraries, hospitals, children’s services, hospice, mental health centers, and veteran programs to structure visits for maximum effectiveness. CCPT has certified more than 400 pet therapy teams, and its volunteer teams provide approximately 300 visits each month.

Ms. Cooney is a seasoned administrator with more than 25 years of experience in nonprofit management, event planning, volunteer facilitation, and fundraising. She is certified for pet therapy with Coby, her family’s Shih Tzu.

FLINTLOCKS CELEBRATE 100TH BIRTHDAY OF MEMBER

Dr. D. Michael Hart

Not many centenarians get to celebrate their 100th birthday surrounded by friends. On Thursday, February 17, the Flintlocks celebrated Fanwood resident Joe Schott's 100th birthday. Joe has been active in this volunteer group for 33 years since retiring from Bells Labs. He recruited many of his friends to join, and even a few relatives. Joe has a wry sense of humor, so they presented him with a parking plaque which reads: "Reserved Parking Only for Flintlocks Over 100 Years Old."

The Flintlocks are a group of retired scouts who devote every Thursday all year round to helping the Scout Camps. They build cabins,

make picnic tables, paint the dining hall, do maintenance and build craft kits for the Scout shops. The Flintlocks represent a wide range of skills, including: two electricians, a millwright, carpenters, plumbers, diesel mechanics, police officers, heavy equipment operators, but also many professionals such as a dentist, two college professors, computer experts, financial advisors, salesmen, etc.

The most popular craft kits sold at the Cedar Knolls and Mountainside Scout Shops are the bird houses, bird feeders, benches and handy boxes. The men also volunteer at many of the Patriot Path Council activities for the scouts. Since they are a 501c3, they do not need to pay

sales tax, and they provide skilled labor for free. The Council has 3 camps and the volunteers are important to keep things running smoothly. Many of the scouts had children or have grandchildren in the scouts. More than half of the volunteers have been awarded the Silver Beaver Award, which is the highest National Honor offered by the Boy Scouts of America. They are an outstanding group of volunteers.

The Flintlocks meet every Thursday from 8 am to 2 pm at Camp Winnebago in Rockaway. Guests are always welcome. For information, contact Secretary Dr. D. Michael Hart by email drmhart@yahoo.com.

CHECK TREES FOR SPOTTED LANTERNFLY EGG MASSES

NJ Department of Agriculture

The weather is warming up, check your trees for Spotted Lanternfly (SLF) egg masses. When you find them crush them. Use an old bank card, small rolling pin or putty knife.

Citizens are advised to destroy the Spotted Lanternfly in all its forms.

WHY YOU SHOULD CARE

SLF is a serious invasive pest with a healthy appetite for our plants and it can be a significant nuisance, affecting the quality of life and enjoyment of the outdoors. The spotted lanternfly uses its piercing-sucking mouthpart to feed on sap from over 70 different plant species. It has a strong preference for economically important plants and the feeding damage significantly stresses the plants which can lead to decreased health and potentially death.

As SLF feeds, the insect excretes honeydew (a sugary substance) which can attract bees, wasps, and other insects. The honeydew also builds up and promotes the growth for sooty mold (fungi), which can cover the plant, forest understories, patio furniture, cars, and anything else found below SLF feeding.

If you see a Spotted Lanternfly, help us Stomp it Out!

RENNA MEDIA LAUNCHES THREE NEW NEWSPAPERS

Beginning in March three new towns have joined Renna Media's growing family of newspapers: Florham Park Press, Millburn Short Hills Monthly, and Elmora Hills Elizabeth. Renna Media is now mailing 160,000, town-specific newspapers, to 24 towns each month.

The newspapers' goal is to be a positive influence on the economic development and overall well-being of the town. Our publications exist to share community service news and the good things that are happening in the community.

Renna Media is a Cranford, NJ based business owned and operated by husband and wife team of Joe and Tina Renna. Renna Media's family of 24 community newspapers are published in Morris, Essex, Union and Somerset counties, with a total circulation of 160,000. The publications are "hyperlocal" in nature in that they contain information focused on each individual town, and are direct mailed within those towns.

The concept of being hyper-local is to give local businesses a venue to promote services. Reaching local customers gives you the highest return for your advertising dollars. The newspapers are designed (black ink on newsprint) to keep the cost of an advertisement to as low as \$60. Regional businesses can take advantage of one low rate for advertising in multiple towns.

Renna Media also prints full-color flyers that get mailed along with the newspapers. A cost effective alternative to mailing postcards.

For more information about Renna Media publications, please visit rennamedia.com.

You can contact Tina Renna regarding advertising, or to submit news, via email info@rennamedia.com; or call 908-418-5586.
