FLORHAM PARK PRESS JOINS RENNA MEDIA'S FAMILY OF NEWSPAPERS IN PRINT AND ONLINE

Welcome to the premier issue of Florham Park Press, Renna Media's newest addition to our family of newspapers which are read widely in print and on-line.

Each month 5,500 newspapers are printed and mailed to every home and business in town. Florham Park Press will deliver important information from the departments within town hall, along with news from the schools and library. Community service organizations are encouraged to promote their events and celebrate their accomplishments free of charge.

The newspaper's goal is to be a positive influence on the economic development and overall well-being of the town. Florham Park Press exists to share community service news and the good things that are happening in the community.

Renna Media is a Cranford, NJ based business owned and operated by husband and wife team Joe and Tina Renna. Renna Media's family of 24 community newspapers are published in and around Morris, Union and Somerset counties, with a total circulation of 160,000. The publications are "hyperlocal" in nature in that they contain information focused on each individual town, and are direct mailed within those towns.

The concept of being hyper-local is to give local businesses a venue to promote services. Reaching local customers gives you the highest return for your advertising dollars. The newspapers are designed (black ink on newsprint) to keep the cost of an advertisement to as low as \$60. Regional businesses can take advantage of one low rate for advertising in multiple publications. Renna Media also prints full color flyers and menus that can be inserted into the newspaper.

For more information about Renna Media publications, please visit rennamedia.com.

You can contact Tina Renna regarding advertising, or to submit news, via email info@rennamedia.com; or call 908-418-5586.

(above) Joe and Tina Renna, owners of Renna Media, LLC, publish 24 direct-mailed community newspapers with a total circulation of 160,000. They have been publishing community newspapers since 1998 with the launch of *Around About Peterstown*, a regional newspaper about the Italian-American neighborhood located in Elizabeth, NJ. In 2013 they published *The Peterstown Book*, a compilation of the stories published in the paper over 20 years, recording the 100-year history of the Italian-American neighborhood. For more information please visit rennamedia.com.

FLORHAM PARK INTEGRATED PRESCHOOL LOTTERY APPLICATIONS ARE DUE MARCH 11

Dear Florham Park Community,

The Florham Park School District is pleased to announce that the District will again be operating its Integrated Preschool Program for the 2022-2023 school year. We offer both a full day and a half day program. We are conducting lotteries for both programs. We have several openings for the fall and look forward to welcoming new faces to our classrooms.

Since demand for this excellent early childhood program often outweighs the number of available seats, entrance into the program is via a lottery. The application is available at the link below and all applications are due by Friday, March 11, 2022. The eligibility drawing will be held on Monday, March 14, 2022. Families of students selected for seats will be notified within a week of the drawing. Those families who were

not selected for open seats will be placed on a waitlist in the order in which their application was drawn in the lottery and will be notified on a rolling basis as seats become available. Changes certainly do occur and families on the waitlist will be notified on a rolling basis as seats become available.

Our preschool program is an excellent option for families in our community--we provide a wonderful educational experience for our littlest learners and we look forward to meeting a new group of students in the fall! Please see below for more information about our program.

To fill out an application visit:

Jane Steffen, M.S., M.Ed.

SPOTLIGHT ON FLORHAM PARK POLICE LIEUTENANT BRIAN FORD

The New Jersey Veterans Network (NJVN) are a group of veterans and volunteers dedicated to helping our veterans and their families live better lives.

In 2016 the Operation Rebound Racing team (ORRT) was created under the umbrella of NJVN and organized its first charity event. The ORRT is a racing team that uses physical fitness and sporting events to help empower and give a purpose to our disabled veterans and first responders. The team decided to do a 200-mile bicycle ride in 22 hours, in honor of victims from the 9-11 World Trade Center terrorist attack. Team member Brian Ford, a Florham Park Police Lieutenant, helped organize the event and participated in it as well. After this event, Lt Ford began to assist the team with extreme events that

helped bring awareness to both veteran and first responder suicide and PTSD. Lt Ford is extremely active with the team and has competed in numerous ultra and long distance events.

A few years later Lt Ford became a member of the New Jersey Veterans Network, a mobile outreach team that aggressively seeks out veterans and their families in need. Lt Ford became a team board member and has helped with various projects and events.

Recently, Lt Ford and the Florham Park PBA spearheaded a business attire and suit drive. All the clothing will be used to help our veterans with interviews and future employment.

Both the ORRT and NJVN are extremely fortunate to have such a dedicated and committed individual on the team.

ABOUT NEW JERSEY VETERANS NETWORK

We are a group of veterans and volunteers dedicated to helping our veterans and their families live better lives. Our team is raising awareness of our veterans needs by organizing public speaking engagements, meeting with business and political leaders across the state and sponsoring fundraising events. Our mission is to identify veterans and connect them with resources and programs designed to meet their unique set of needs. To ensure that EVERY single one of our veterans, who have sacrificed so much for this great country, receives the resources that they require and deserve. If you are interested in joining our team, would like us to speak at your event, or contribute to our mission, call 973-332-1556 or email mdbollio@optonline.net. To learn more visit njvn.org.

CORNERED BEEF DINNER OPEN TO PUBLIC

American Legion Auxiliary Unit #43

FLORHAM PARK SENIOR CITIZENS CLUB

The Florham Park Senior Citizens Club is celebrating its 60th-year anniversary in 2022.

It is a not-for-profit membership organization whose purpose is to bring seniors together for social, recreational, and educational activities. Membership is open to any Florham Park resident age 62 or older and to the younger spouse of a member. There is a nominal annual dues for membership.

Membership applications can be obtained at the Florham Park Senior Center, 111 Ridgedale Avenue, Florham Park, or from Carol Padden, Membership Chair, via email at mommyp47@aol.com.

The Club publishes a newsletter of activities and events five times a year. These activities include membership meetings twice a month with a guest speaker or entertainer, trips and tours, various exercise programs, bingo, spring and holiday luncheons and a fall picnic. The activities are generally held at the Florham Park Community Center or the Senior Center. A copy of the newsletter with dates and times is mailed to all members or can be obtained at the Senior Center.

For more information about the club, please contact Paul Chase, President, Florham Park Senior Citizens Club at pchase1010@gmail.com or 973-822-0031.

For additional information about the Florham Park Senior Center, please call Diane Guido, Site Supervisor, at 973-520-8984.

The ladies of American Legion Auxiliary Unit #43 have held a Corned Beef and Cabbage Dinner annually for close to 60 years. This year's dinner/fundraiser—now open to the public—will be held on Sunday, March 13 from 1 - 5 p.m. at the Madison-Florham American Legion Post #43, 20 Ridgedale Avenue in Florham Park. For a complete dinner including homemade Irish Soda Bread and dessert, a donation of \$20 is suggested for adults; \$5.00 for children under the age of 5. Corned Beef Sandwiches are available at a suggested donation of \$15. Dine with us or take your meal

home—whichever suits you.

Usually this event is limited to the Legion family, but this year we invite all residents of the area to join Auxiliary members at the dinner to show support for the volunteer and financial support the Auxiliary provides to our area veterans in need.

The annual fundraiser has also made it possible over the years to sponsor the following in our local communities: American Legion Auxiliary's Girls State, the Valerie Fund, Family Promise, the Special Olympics, and scholarships for children and grandchildren of veterans.

TECHNOLOGY INSTRUCTION AVAILABLE

Florham Park Public Library

The Florham Park Public Library was recently awarded a grant administered by the New Jersey State Library and Institute of Museum and Library Services to establish itself as a node in a statewide network of information centers that provide high-quality, standardized, digital literacy instruction and one-on-one help to anyone who needs it. The program is optimal for job seekers, senior citizens, people re-entering the workforce after a hiatus, those pursuing a GED, and individuals who wish to improve their technology skills or workforce readiness.

As a part of the program, the Florham Park Public Library is offering 1-on-1 technology help by appointment on Tuesdays, Thursdays, and Saturdays. During 1-on-1 help, a trained and qualified Digital Literacy Instructor can help people to troubleshoot a personal device,

navigate an online job application, learn how to accomplish specific tasks online or with a device, or connect with relevant online or educational resources, among many other requests. We can also proctor exams.

The Library is also offering weekly technology instruction classes covering a variety of practical topics. Upcoming classes include: Getting Started with LinkedIn, Microsoft Word 101, Google Docs 101, Internet Basics, Building a Resume, and Writing Your Cover Letter. Anyone interested in signing up for classes or 1-on-1 help should visit the Library's event calendar at florhamparklib.org/events, or call the Library at (973) 377-2694.

1-on-1 tech help and technology literacy classes are open to all, and are not limited to Florham Park residents. All Library programs and services are offered free of charge.

MASTERS SWIMMERS CELEBRATE 18TH ANNIVERSARY

A group of New Jersey Masters Swimmers from Florham Park, Madison, Summit and surrounding towns have had the privilege of swimming together for many years at Drew University, the Madison YMCA, Madison Community Pool, and the Summit YMCA.

The COVID-19 pandemic limited the group's ability to swim together. Recently, however, upon the group's 18th anniversary, the Masters Yardstick Swimmers held its awards breakfast online—with a strong turnout. To celebrate the group's history, strong personal relationships, and commitment to swimming, members Bob Nissen, Joe Donohue, and Richard Clew (with help from historian Barbara Rushman, a Florham Park

resident) created a slide show of major milestones.

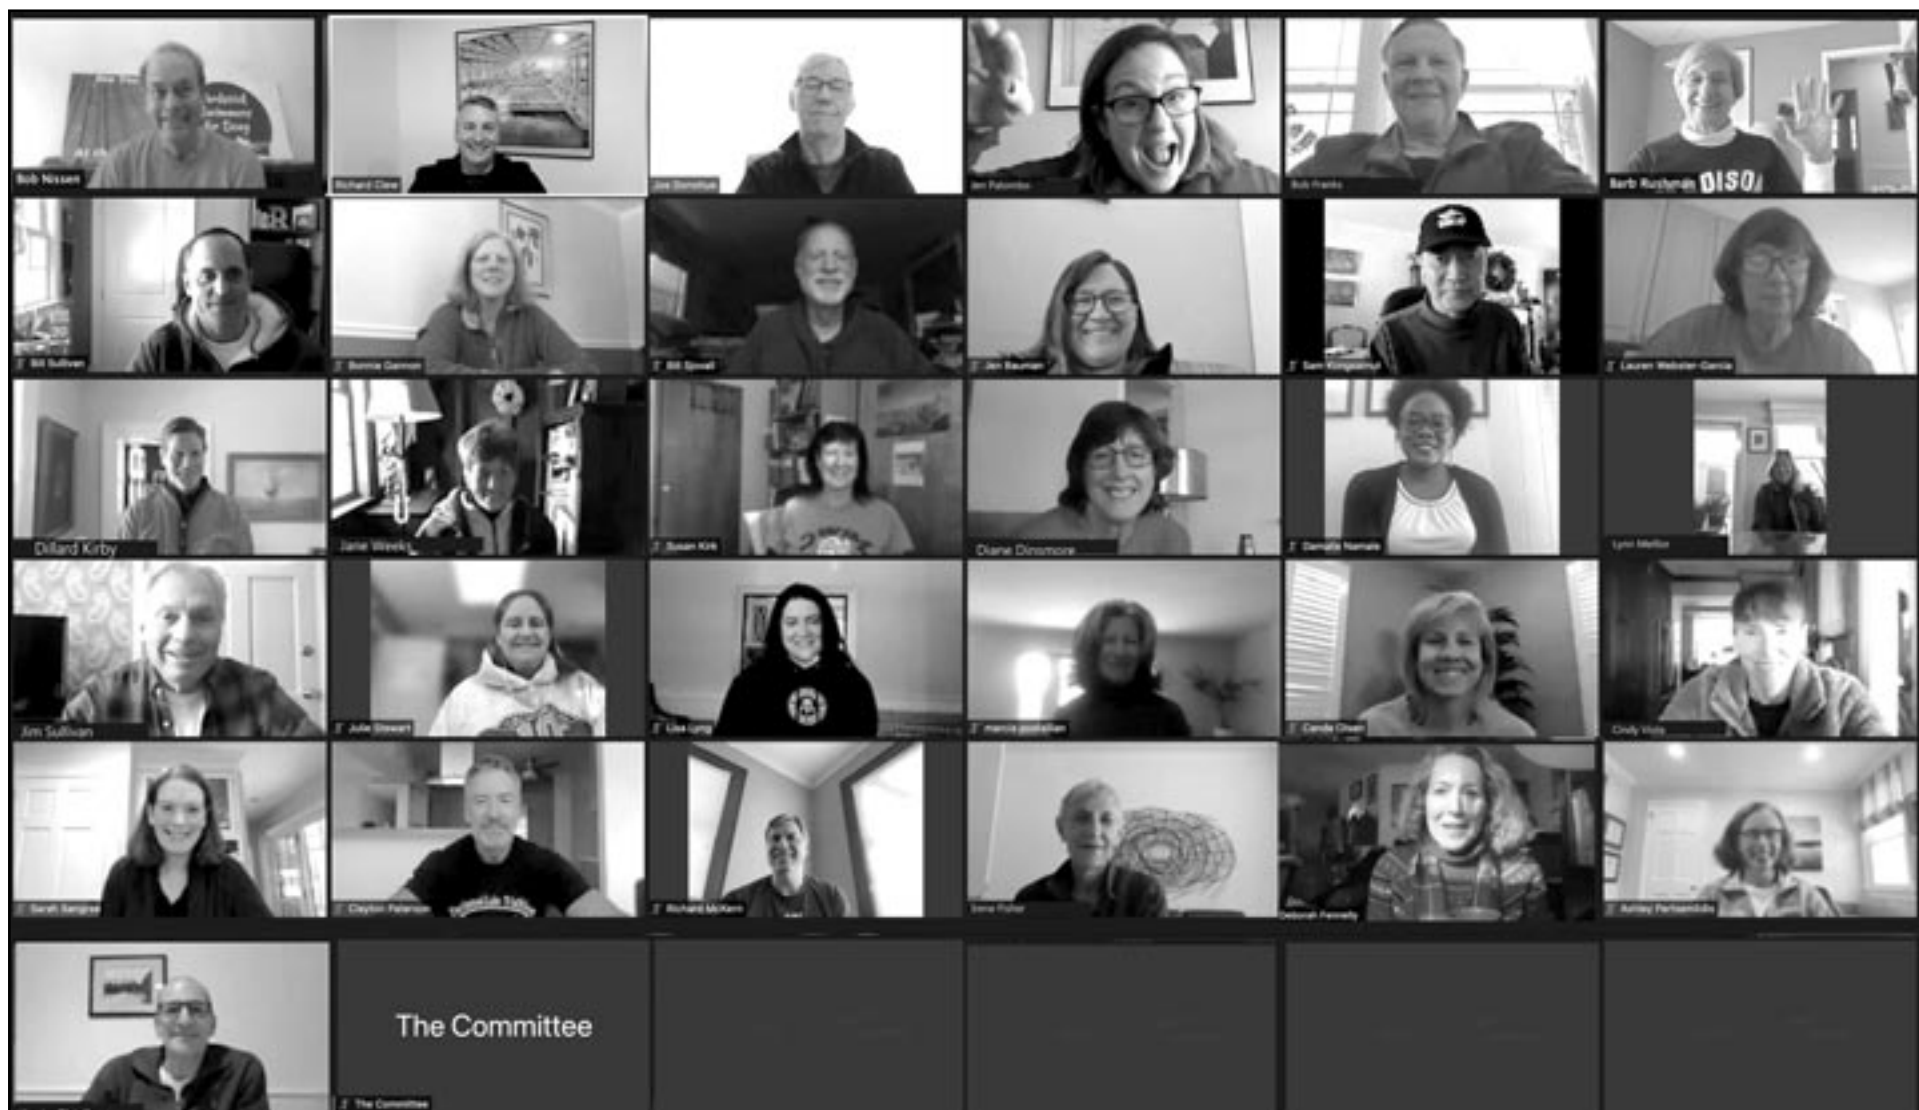

An entertaining review of swimmers' monthly comments from the comment box on their website followed the slide show. Swimmers highlighted the recent opening of the new Walker D. Kirby Aquatics Center in the Madison YMCA.

The online event culminated with their Annual Awards. Red Stars went to swimmers Deborah Fennelly of Morristown, Lynda Przedpelski of Summit, Jennifer Bauman of Parsippany, and Bob Franks of Chatham—all having achieved at least one 100,000-yard month during the year. Jim Sullivan of Morristown was named Bold Performer of the Year for improved performance,

exceptional effort, and a special commitment to the swimming program. The top swimmer for the last half of the year was Lynda Przedpelski, achieving 577,983 yards, or 328 miles during the six-month period. Lynda was awarded the Doug Clark Championship Yardstick, named in memory of a former Yardstick Swimmer.

All attendees enjoyed the event and were happy to connect online with swimming friends once again.

Adult swimmers of all levels from beginners to experts are welcome to the Masters programs and to learn more about our Yardstick Challenge. For additional information, please contact Bob Nissen at bobnissen@gmail.com.

VOLUNTEER LISTENING AND SUICIDE PREVENTION TRAINING

Caring Contact

Have you ever been told you are a good listener? Do you have a yearning to really make a difference? Caring Contact will be offering its 100th volunteer listening training, which will begin March 22nd through June 14th. Training will run once a week on Tuesday nights from 6:30 p.m. to 9:30 p.m. and will take place virtually as well as in person.

Participants receive 54 hours of comprehensive training by nationally certified instructors in Active Listening and Applied Suicide Intervention Skills Training. Volunteers develop the ability to listen actively, assess the needs of someone in crisis, and provide empathy as well as support to keep someone safe.

"This training and volunteering opportunity is

ideal for retirees, empty-nesters, and stay-at-home parents," said Mary Claire Givelber, Caring Contact's Executive Director. "Many of our listeners were looking for something meaningful to do after they retired, or their children left home. They find that volunteering at Caring Contact not only gives them something to do with their new-found freedom, but also gives them a sense of reward when they help someone in crisis. Full-time professionals that also participate find flexible volunteer hours that work well with their work obligations."

Following training, new volunteer listeners are supported by seasoned listeners during 24-hours of internship before they take calls on their own. Even once a volunteer is a certified listener, the hotline provides a range of support and training

opportunities to allow them to keep honing their skills.

Anyone interested in registering for the training should visit: caringcontact.org/volunteer-listener-application

Caring Contact is an award-winning, volunteer-staffed crisis hotline and listening community, providing active listening support and best-in-class training to the Central and Northern New Jersey community. More than 70 trained volunteer listeners answered over 15,000 calls last year from people in crisis, having suicidal thoughts, or simply feeling depressed and lonely.

If you are in crisis and need someone to listen, call 800-273-8255. To learn more, visit caringcontact.org. You Are Not Alone.

MATT PLATKIN TO SERVE AS NJ ATTORNEY GENERAL

TRENTON - Governor Phil Murphy nominated Matt Platkin to be the Attorney General of New Jersey on Feb. 3, 2022,. Platkin served as Chief Counsel to the Governor from January 2018 to October 2020. His nomination will now go to the Senate for confirmation. Platkin will assume the role of Acting Attorney General on Monday, February 14, 2022.

"It is my honor and pleasure to nominate Matt Platkin to serve as the 62nd Attorney General of the State of New Jersey," said Governor Murphy. "As I look toward the upcoming four years and the challenges that lay ahead, I know that as Attorney General, Matt will stand up for our New Jersey values and keep the office, and our state, moving forward. Matt will continue the strong record of the Attorney General's Office's during my first term and I look forward to working with him in this new role."

"I am honored and humbled to serve as New Jersey's next Attorney General," said Matt Platkin, incoming Attorney General. "I commit to work tirelessly, alongside the 7,700 outstanding public servants who make up the Department of Law and Public Safety, to protect and defend the rights of all nine million people who call our state home. I thank Governor Murphy for the trust and confidence he has placed in me, and I am excited to get to work."

Platkin was born and raised in New Jersey, growing up in both Florham Park and Morristown, and graduated from Madison High School. He received his Bachelor of Arts from

Stanford University, and his Juris Doctor from Stanford Law School, where he was an editor of the Stanford Law Review. Platkin began his policy career at the Brookings Institution in Washington D.C., advising members of Congress on job growth and economic recovery following the 2008 financial crisis. Following graduation from law school, Platkin practiced law at Debevoise & Plimpton in New York City. From May 2016 to November 2017, Platkin served as Policy Director for Murphy for Governor.

In January 2018, Platkin was named Chief Counsel to the Governor. As Chief Counsel, Platkin oversaw an office of over 20 attorneys that advised the Governor on all legal matters, including legislation, executive orders, and administrative regulations. Platkin also was responsible for coordinating with the Attorney General's Office on civil matters, including affirmative litigations, and oversaw judicial and prosecutorial nominations.

As Chief Counsel, Platkin spearheaded a number of policy initiatives, including gun safety and the expansion of voting rights, and played a critical role in the negotiations of three approximately \$40 billion annual state budgets. Additionally, Platkin played a critical role in guiding New Jersey through the early months of the COVID-19 pandemic, overseeing the drafting of pandemic-related executive orders and workforce policy reforms for state government employees to maintain government services. He

also contributed to the State's successful defense of pandemic-related actions in dozens of litigations in state and federal court.

Platkin served as Special Counsel to U.S. Senator Cory Booker during the first impeachment trial of President Donald J. Trump. He is currently a partner at Lowenstein Sandler in the White Collar Criminal Defense and Business Litigation practice groups. He is admitted to the bar in New Jersey and New York.

Platkin resides in Montclair with his wife Sophia and their son, Robert.

REPAIR CAFE EVENT SET FOR MARCH 26

Repair Café Garden State

Bring your beloved but broken items to Summit's Repair Café on Saturday, March 26 from 11 a.m. - 3 p.m. at Christ Church, located at 561 Springfield Avenue, at the corner of Springfield and New England Avenues, Summit, NJ. Please follow outdoor signage and enter the event from New England Avenue. No appointment necessary. Non-Summit residents are welcome.

Repair services available at this event include small electronics, jewelry, sewing/textiles, lamps, wooden items, and knife sharpening. This is a free event, but please note that a voluntary contribution is appreciated when an item is brought for repair. Donations help to fund future repair events. Replacement parts for lamps will be on hand for an at-cost fee. Please only bring items that you can carry unaided into

our event.

Summit's Repair Café events are co-sponsored by the Summit Area Green Faith Circle and Repair Café Garden State. Green Faith Circle's goal is to inspire, educate, organize, and mobilize people of diverse religious and spiritual backgrounds globally for environmental action. Repair Café Garden State is a network of community organizers who host monthly repair events across the state. This collective shares news and schedules of all upcoming Repair Café events in New Jersey via their website repaircafes.org. Here you can find all the details of Summit and other local repair events.

If you would like to volunteer or help repair beloved but broken items at this event or future events reach out via email: summit@repaircafes.org or visit repaircafes.org for more information.

ARM PAIN

You Don't Have To Live With It!

That "searing, burning pain" in your arm and shoulder... that "achy, numbing" feeling in your forearm... that "tingling" and loss of strength in your hand... It interferes with your ability to use the computer, play golf, garden... to have FUN IN LIFE!

Arm pain, hand and arm numbness, and tingling down the arm may actually be caused by a pinched neck nerve even though you have NO neck pain - Or something as simple as tendinitis of your shoulder and forearm.

Dr. Murphy is an expert at finding the CAUSE of your arm pain and numbness and CORRECTING IT... WITHOUT THE USE OF DRUGS OR SURGERY.
