CATHOLIC SCOUTS SHOW SUPPORT FOR UKRAINE

The Boy Scouts of America offers many varied and exciting program opportunities for today's youth, while still building on its core values of duty to God and country, duty to others, and duty to one's self. Among the twelve points of the Scout Law is the commitment that a Scout is reverent.

Catholic Scouts and Scout leaders from throughout northern New Jersey gathered on Sunday, March 13 to offer prayer and show support for the people of the Ukraine. Almost 40 members of the Cub Scout, Scouts BSA and Venturing programs, and many family members, celebrated the Ukrainian Catholic Divine Liturgy at the Immaculate Conception Ukrainian Catholic Church in Hillside. The Scouts shared prayer and hope for the end of hostilities in war-torn Ukraine.

Boy Scout Troop 23, sponsored by St. Genevieve's

Roman Catholic Church in Elizabeth, participated in the Mass. Scoutmaster Dan Bernier noted that "in addition to showing solidarity and offering prayer, the Scouts had a great opportunity to experience the similarities and the differences between the Ukrainian Catholic and Roman Catholic Masses. Both churches are in Communion with Pope Francis in Rome."

The Scouting program instills character, good citizenship and physical fitness in youth through outdoor activities such as campouts and hikes, involvement in community activities, and just plain fun! Cub Scout Pack 23 and Boy Scout Troop 23 provide activities and training for boys of all faiths, from St. Genevieve's parish and the surrounding area, from Kindergarten through high school graduation.

For more details, please contact Dan Bernier, Scoutmaster, at (908) 451-1948 or webfoottroop@gmail.com.

Josephine's Place, nonprofit center for women is dedicated to serving women in an economically poor area who often have little or no knowledge of available resources or opportunity. Josephine's Place opened in 2003, where thousands of women have passed through its doors and have made the center their second home, taking lessons in English, computers, citizenship or participating in parenting and support groups. At Josephine's Place we strive to provide the support and programs to empower all women to achieve their goals and dreams.

Sponsor, register to play or support now! "As a nonprofit we rely on fundraisers and donations to bring the services to the women. The golf outing is our second largest fundraiser. It is a great event with fun had by all," said Gail Driscoll, Josephine's Place's executive director, adding "Last year we had a sold-out event. That's my hope for this year too!" There are many ways to participate: be an event sponsor, play golf, take a chance on 50/50 tickets and raffles, donate or join us for lunch and/or dinner.

Event highlights: outdoor barbecue luncheon, shotgun golf tournament, beverages all day, outdoor cocktail reception/dinner-on-the-grill, awards, raffles and a silent auction!

Cedar Hill Golf & Country Club is a premier golf course and is experienced with golf outings while always adhering to health and safety guidelines.

We are excited to be together with our friends and supporters, and hope to see you on May 9, for a fun day at a great course! Go to JPGolf2022.givesmart.com to register or call us! 908-436-0099.

Can't join us but want to show your support? There are many sponsorship and donation options available.

Since our creation, women have found a safe haven at Josephine's Place - a welcoming and peaceful environment where they can connect with one another and develop the skills they need to succeed for themselves, their families and their communities.

"Our drop-in center on Elizabeth Avenue has grown over the years. We are so very fortunate to have the space to offer classes and programs to meet the needs of the women. Our services are free," said Driscoll. While women continue to discover Josephine's Place, the ever-present need for volunteers is increasing. Said Driscoll, "We especially need volunteers to teach English and computer skills."

The topics span a wide variety of subjects such as computer literacy, quilting, English, arts & crafts and exercise. The center also hosts support groups for victims of domestic violence and parents of autistic children, among others. One aspect of Josephine's Place is its focus on health and wellness, in particular physical fitness.

In its 19 years in existence, Josephine's Place has made its mark on the community and has been recognized as an asset by government officials and fellow nonprofit organizations. Established by the Sisters of Charity of Saint Elizabeth, Josephine's Place has grown into its own independent 501c3 nonprofit organization.

EARTH DAY RAHWAY RIVER CLEAN-UP - APRIL 23

All volunteers are invited to celebrate Earth Day 2022 with Boy Scout Troop 330, Cub Scout Pack 30 and members of the Rahway River Watershed Association in a clean-up of the Rahway River on Saturday, April 23rd (with a rain date of Sunday, April 24th). The clean-up will focus on areas upstream and downstream of the dam at Winfield Park, New Jersey throughout Rahway River Park. Please plan to stop by the parking area adjacent to the waterfall of the Rahway River by the dam at Winfield Park at 8:45 a.m. to register, pick up bags, gloves, bottled water and snacks, and receive safety information.

Teams will be encouraged to travel to any part of the river within the park where they would like to perform cleanup activities but we specifically will ask folks to always work in small groups for safety purposes with folks socially distanced.

Cleaning up a river and park area is a great way to celebrate Earth Day and if you haven't participated in an event like this before, you will find it invigorating, and you will feel good about

what you have accomplished. It is also fun and educational, especially for scouts and young adults as they always find something interesting. Over the 20+ years this cleanup has occurred thousands of folks have participated, including girl scouts, cub scouts, boy scouts, fishermen, local activists and citizens, and we pulled some amazing things from the river.

The clean-up will generally be between 9a.m. till noon, but any amount of time or effort that folks can volunteer is appreciated. There is always a large volume of floatable debris to pick up, and this year there remains substantial debris in the floodplain from Hurricane Ida last fall. The team working registration will provide suggestions on areas with large volumes of floatable debris.

All participants should wear jeans, long-sleeved shirts, gloves and boots, waders are welcome for folks who like to get a little wet. Each participant should bring a standard 5-gallon carry bucket with a handle (put your name on the bottom), this makes for easy carrying of "stuff" for transfer to the large garbage bags. A mulching rake is also a great asset to have to enable reaching out and pulling debris into shore from the river bank. When we complete the event we do a basic inventory of the "big stuff" that we removed, and within approximately 24 hours Union County Parks removes and disposes of all the trash. There is no RSVP required but if you need more information or think you will attend please let us know by e-mail at rivercleanup@comcast.net.

(above) Some interesting things have been pulled out of the river during the annual Earth Day River Clean-up events.

ELIZABETH LIBRARY ELMORA BRANCH TO GET A NEW GARDEN

(above) HEART Grant recipient Daphnie Manzione is Growing a Better World. The Peace Garden will be replanted this April in the Elizabeth Library Garden, Elmora Branch.

Courtesy photo

Elizabeth resident and Union County College (UCC) Alum Daphnie Manzione never forgot her time at the college, or in its historic Cranford Campus Peace Garden. The Garden, which was removed in 2014 to make way for a new student center, will now have a new home this Spring thanks to a Union County HEART Grant.

The Peace Garden was established in 1981 by students who were shocked and saddened by the crimes against humanity when reading the Holocaust Novel, *The Painted Bird*, authored by Jerzy Kosinski in a Union County College Banned Books Class taught by Professor Vicki Reback. They were inspired to do something, they sought to GROW A BETTER WORLD.

Professor Reback taught her students that in order to grow a better world they would need to connect with and become Caretakers of Earth. Professor Reback, along with students Monica, Alan and Winfred started a Garden on the Union County College Cranford Campus. From that grew the Garden Club, a community of Socially, Environmentally Conscious Students. In 1984 The Garden became a designated Peace Site, the first of its kind in the state of New Jersey, a part of The Global Peace Pole Project.

The Peace Pole Project was founded by Masahisa Goi from Tokyo, Japan born 1916. After World War II and the dropping of the atomic bomb, his life took on new meaning and he began to share his philosophy for a better world in his small town and created the peace pole as standing prayer for peace with the words

"May Peace Prevail on Earth." His philosophy became popular and grew in Japan. When he died in 1983, his adopted daughter took the initiative internationally, and it became The Global Peace Pole Project.

Since being designated in 1984 the first NJ peace site in The Peace Pole Project — The Peace Garden Club held annual fairs for the celebration of Peace week and Earth Day for nearly three decades. The Peace Garden was visited by Tibetan Monks, Native American leaders, Roy Crazyhorse of the Powhatan Nation, Poet Allen Ginsberg, Peace Keepers and famous folk singer Holly Near. The Peace Garden was both a sanctuary to students and visitors and functioned as an outdoor classroom until it was demolished by the college.

Thanks to Manzione, the Peace Garden will be replanted this April 2022 in the Elizabeth New Jersey Library Garden, Elmora Branch. Along with a new Peace Pole with the standing prayer "May Peace Prevail on Earth" in 8 languages, including Ukrainian for the people who have had their Peace, Liberty and Justice stolen from them this year.

"May the planting of this Peace Pole bring the return of Peace in our world," said Manzione. "We hope that you will join us for our Programming in April 2022, as we seek to grow a Better World and learn to become Caretakers of Earth together, and keepers of Peace."

THIS EARTH DAY MAKE A COMMITMENT TO "HELP SAVE OUR LOCAL TREES"

Advertisement by Gene Gregory from DefendOurTrees.com

IN 2020 HEADLINES READ:

1. "HIGHEST CARBON DIOXIDE RATE EVER RECORDED IN HUMAN HISTORY"
2. "2020 SETS ANOTHER GLOBAL TEMPERATURE RECORD."

Did you know? Science says that "the most important thing we can do GLOBALLY to curb this PHENOMENON is to Save our OLD Trees."

You don't have to believe in Climate Change or Global Warming to know this is a bad thing. Increasing Carbon Dioxide levels decrease the amount of oxygen in the air. This along with other pollutants in the air, has not only been linked to climate change and Global Warming, but an array of diseases as well: Cancer, Diabetes, Premature births,... Autism, the list goes on and on.

These problems and the severity are dramatically worse in poorer areas with more industry, diesel fumes and NO TREES. (please see "Earth Day turns 50" in the Star Ledger, it touches on what are children and their children are facing. One of the things they speak of are the "Large bodies of polluted water" we are leaving behind.

Despite these facts and my efforts: dozens of these trees, our "Oldest Residents", are killed in our local neighborhoods each year. Among the many losses: Shade, Solace the Filtering of our Air and Water, the oxygen they provided, ...they also release the Carbon they have accumulated for hundreds of years.

On June 8th, 2021, I hired a tree expert to help

save some of the trees in our area. I showed him dozens of trees in Westfield, New Providence, Summit and Scotch Plains. He used the word "disgusting" to describe what he saw. In his report he writes "that many of these trees can be saved if prompt action is taken".

HOW CAN YOU HELP SAVE THESE TREES?

Please visit our site and read all the facts **defendourtrees.com** See the:

- 1) "Pictorial of trees that can be saved". These are just a few of the many OLD trees being destroyed and dying in our area. If you live in the area, please write a letter (to your local mayor and town council) demanding this needless destruction of our old trees, stop immediately. Please Email a copy to **defendourtrees.com**
- 2) Please also read "Rooting out Problems" at my site or google it yourself.

It explains: "simple measures for saving trees during construction",

which is the biggest cause of killing our trees. Most importantly, you will recognize what will harm a tree. Make a commitment to share this information with your children and friends.

Salem Roadhouse Café

After a two-year COVID absence, the Salem Roadhouse Café announces its grand reopening Gala on Saturday, April 9.

As always, the Salem Roadhouse Café is live, intimate, up front, and personal. All ages are welcome. We ask that patrons wear masks while inside during the show. The doors open at 7:20 p.m. Admission is \$20 and includes show, snacks, non-alcoholic beverages, and dessert.

Carrie Jackson—a frequent and beloved performer at the Roadhouse Café for the past 15 seasons—headlines the reopening along with her Jazzin' All-Stars Band. The Roadhouse suspended performances early in 2020 in response to the COVID pandemic.

Carrie Jackson is a top jazz artist performing in the New Jersey/New York area. She pours her heart into classical jazz favorites from soulful sultry pop to poignant mellow gospel. Carrie nurtured her talent in Newark, the Jazz Mecca of New Jersey. Carrie attributes her vocal style to her mentors, the Great Ladies of Jazz: Sarah "Sassy" Vaughn, Ella Fitzgerald, Billie Holiday, Dinah Washington, Nancy Wilson, and Carmen McRae. The Jazzin' All-Star Band backs her up, buoys her up, and carries the audience away. One never knows who Carrie may bring along with her either.

ABOUT SALEM ROADHOUSE CAFÉ

It's not church music—it's music music. Salem Roadhouse Café is a clean, safe place for people who enjoy listening to live music in a world otherwise filled with clubs and bars. The Roadhouse has always offered its stage to local

and independent mainstream musicians. Jazz, rock, folk, and other groups have performed. What's the common thread? They're all great musicians playing the kind of music people like to hear. There's no message—just music. To leave a message and get a return call, dial: 908-687-1028. Or email salemroadhouse@gmail.com. Website: townleychurch.org.

The Roadhouse started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth. Hey—that's why we're located where we are. The Roadhouse operates as a non-profit that raises funds for several carefully-chosen local charities. That's its social mission. But the many musicians who've played the Salem Roadhouse Café see it as a solid performance venue. They love it because of its special intimacy and great audiences. They say people here "really listen." Ask any of the musicians you meet here—they love to play the Roadhouse.

COMMUNITY INVOLVEMENT

The Salem Roadhouse Café has raised funds for many carefully-chosen charities. They include: The Presbytery of Elizabeth E-port Center, Center For Hope Hospice, Community FoodBank, Monarch Housing, Angel Paws Animal Rescue, National MS Society, Haiti Disaster Relief, Hurricane Sandy Disaster Relief, The Union County YWCA Domestic Violence Program, Making It Possible To End Homelessness, Camp Johnsonburg, The Music Institute, and others. Thousands of dollars have been raised for these deserving charities.

(above) Enjoy the music of Carrie Jackson and the Jazzin' All-Star Band at the Reopening Gala of the Salem Roadhouse Café on Saturday, April 9 at 7:20 p.m.
