## GIRL SCOUTS SERVE THE COMMUNITY

### Green Brook Brownie Troop 65539

The third-grade girl scouts from Green Brook Brownie Troop 65539 recently completed their annual community service. The girls decided to help two local charities—Moms Helping Moms, and Bridges Outreach, Inc. The Moms Helping Moms Foundation, located in Warren, NJ, focuses on fighting childhood poverty through health, literacy, and advocacy programs and essential item collections. Bridges Outreach in Summit, hopes to end homelessness through outreach focusing on health, housing, and independence.

The scouts used a percentage of their fall product and Girl Scout cookie sales to pay for supplies to complete each community service project. Since they are still too young to work in the Moms Helping Moms warehouse, they sorted baby clothes from one of the collection drives at their meeting space. These clothes will be distributed to low-income and vulnerable children aged 0-5 who live in New Jersey.

To aide in the Bridges Outreach mission, the girls created hygiene kits. Each kit contains soap, shampoo, deodorant, body lotion, shaving cream, a razor, a toothbrush, toothpaste, and dental floss. These hygiene kits will be distributed during one of the many “runs” that Bridges organizes to those living on the streets in both New Jersey and New York City.

The girls are very proud of their accomplishments this year. In addition to their community service, they have earned numerous badges. They’ve learned valuable first-aid skills, how to create their own pottery, and the art of dance. They’ve visited many local businesses such as Color Me Mine in Bridgewater and Sugar Plum Parties in Green Brook. Their next adventure will be earning their computer badges at Code Ninjas.

If your child is interested in Girl Scouts, please visit [GSHNJ.org](http://GSHNJ.org) for more information.

## THIS EARTH DAY MAKE A COMMITMENT TO "HELP SAVE OUR LOCAL TREES"

Advertisement by Gene Gregory from [DefendOurTrees.com](http://DefendOurTrees.com)

### IN 2020 HEADLINES READ:

1. "HIGHEST CARBON DIOXIDE RATE EVER RECORDED IN HUMAN HISTORY"
2. "2020 SETS ANOTHER GLOBAL TEMPERATURE RECORD."

Did you know? Science says that "the most important thing we can do GLOBALLY to curb this PHENOMENON is to Save our OLD Trees."

You don't have to believe in Climate Change or Global Warming to know this is a bad thing. Increasing Carbon Dioxide levels decrease the amount of oxygen in the air. This along with other pollutants in the air, has not only been linked to climate change and Global Warming, but an array of diseases as well: Cancer, Diabetes, Premature births, Autism, the list goes on and on.

These problems and the severity are dramatically worse in poorer areas with more industry, diesel fumes and NO TREES. (please see "Earth Day turns 50" in the Star Ledger, it touches on what are children and their children are facing. One of the things they speak of are the "Large bodies of polluted water" we are leaving behind.

Despite these facts and my efforts: dozens of these trees, our "Oldest Residents", are killed in our local neighborhoods each year. Among the many losses: Shade, Solace the Filtering of our Air and Water, the oxygen they provided, ...they also release the Carbon they have accumulated for hundreds of years.

On June 8th, 2021, I hired a tree expert to help

save some of the trees in our area. I showed him dozens of trees in Westfield, New Providence, Summit and Scotch Plains. He used the word "disgusting" to describe what he saw. In his report he writes "that many of these trees can be saved if prompt action is taken".

### HOW CAN YOU HELP SAVE THESE TREES?

Please visit our site and read all the facts [defendourtrees.com](http://defendourtrees.com) See the:

- 1) "Pictorial of trees that can be saved". These are just a few of the many OLD trees being destroyed and dying in our area. If you live in the area, please write a letter (to your local mayor and town council) demanding this needless destruction of our old trees, stop immediately. Please Email a copy to [defendourtrees.com](mailto:defendourtrees.com)
- 2) Please also read "Rooting out Problems" at my site or google it yourself.

It explains: "simple measures for saving trees during construction", which is the biggest cause of killing our trees. Most importantly, you will recognize what will harm a tree. Make a commitment to share this information with your children and friends.

# MEMORY OF STIRLING RESIDENT HONORED DURING CELEBRATION OF LIFE

## NJ Sharing Network

On September 12, thousands of walkers, runners and volunteers participated in NJ Sharing Network's 5K Celebration of Life Walk and USATF Certified Race at the organization's headquarters in New Providence, NJ. The event, which was presented by Hackensack Meridian

Health and Pfizer and supported by dozens of other generous sponsors, honored those who gave the gift of organ and tissue, paid tribute to those who have received a transplant, offered hope to those currently waiting for a transplant and remembered the lives lost while waiting for the gift of life.

Family members and friends of the late Linda J.S. Finnegan (Smith), 54, of Stirling, NJ, gathered together to form the "Linda's Lovees" 5K team to honor her memory and show their support for NJ Sharing Network's life-saving mission. Linda, who passed away in 2016, was an organ and tissue donor who saved and enhanced the lives of many others. Linda taught Physical Education at St. Vincent de Paul School in Stirling and was proud to be ACE Gold Certified for Group Aerobic Instruction. She founded Linda's Just Stay Fit and developed the program "Girl Power" for the YMCA.

Members of "Linda's Lovees" offered the following message during the 5K Celebration of Life:

Linda, on her late mother's birthday, donated both her lungs, both kidneys, her liver, and her other organs through NJ Sharing Network. She also donated her corneas through Eversight. Her

gift of life changed the lives of at least 75 people.

During her life, Linda was full of passion, love, and joy. She lived her life for others while maintaining a love and respect for her body and soul. She dedicated her life to helping others recognize their unique potential.

It is an honor and joy to remember Linda's legacy and commemorate her gift by participating in the NJ Sharing Network 5K. Our success and impact is a true testament to Linda and her generosity in life and the impact that she has made on those who knew her.

## ABOUT NJ SHARING NETWORK

Dedicated to saving lives through organ and tissue donation, NJ Sharing Network is the non-profit organization responsible for the recovery and placement of donated organs and tissue for the nearly 4,000 New Jersey residents waiting for a life-saving transplant. With headquarters in New Providence, NJ, the organization, selected by NJBIZ as one of the state's "Best Places to Work" for the fourth consecutive year, is also part of the national recovery system, serving the 110,000 people on the national waiting list.

To learn more, get involved and register as an organ and tissue donor, visit [www.NJSharingNetwork.org](http://www.NJSharingNetwork.org).

# WOMEN’S GUILD INVITES WOMEN TO GATHER WITH THEM

*Submitted by Carol Droege*

The Women of Wilson Memorial Church in Watchung made HERstory on the morning of February 19th, 2022, by holding a meeting of the Women’s Guild to widen the welcome to working women who have otherwise missed the opportunity to meet for service and fellowship during the traditional meeting time of 11:30 a.m., the first Thursday of each month.

As the Women's Guild morphs into its newest iteration, it is clear that there is a desire to uphold traditional practices established decades ago by the original guild, while keeping an eye out for new ways to bring care through the love of Jesus to those in Wilson’s congregation and the community beyond. In addition, the goal of both groups is to provide a source of support to women of all ages that will empower them to leading a deeper spiritual life, for themselves and their families. Becoming inclusive to women from all backgrounds and giftings only enhances

the resources the Guild will be able to offer as a collective.

In this Lenten season, the Guild has initiated the return of the Shrove Tuesday Pancake Supper on March 1st, and provided soup for one of the four Soup Suppers taking place on the Sunday nights of Lent at Wilson from the 13th of March to April 3rd. They also facilitated the weekly post-worship Coffee Hour on March 6th. There has been discussion of forming different interest groups that will act as resources and emotional support to women, and their families, facing grief and other family care issues, including food insecurity.

There are two opportunities to gather each month. The Women’s Guild meets each first Thursday of the month, at 11:30 a.m. and the Collective on the second Saturday, at 10:30 a.m. Women of all ages are welcome at both meetings as their schedule allows.

# GREEN BROOK STUDENTS ASK THEIR COMMUNITY TO JOIN THEM IN SENDING AID TO THE CHILDREN OF UKRAINE

As of March 15, more than 1 million children have had to flee Ukraine and have sought refuge from the escalating violence in their country. Because of this the students of Green Brook have decided to step up and do what they can to help. A fundraising campaign entitled "Green Brook Cares" has been started with a goal of raising at least \$5,000 to relieve the suffering of the children of Ukraine. "I can't imagine what they're going through. I wish we could do more for them," said Janki, a 7th grade peer leader. The Green Brook students - a coalition of the Peer Leaders,

Global Scholars and a group of concerned social studies students - have established a donation page on the Unicef website and they are reaching out to their community and asking everyone to please help them to reach this goal. 7th grader Alice D. put it this way "Ukraine needs our help and we need yours."

The link to the fundraising page is:

<https://www.unicefusa.org/?form=donate&fundraiser=NSUGDHDB>

"We just want to do our part to help and it really doesn't take that much to help," said Kayla B. a fellow peer leader. The coalition of

students have designed posters, are making announcements in school, and are planning various ways to raise awareness of the desperate circumstances of the people, especially the children of Ukraine. And they are extremely hopeful that their community will support their efforts to send financial aid to the children who are suffering so desperately.

The campaign, entitled Green Brook Cares, is being organized by social studies teacher Mr. Weeks, peer leaders teacher Mrs. Ferrara and the global scholars teacher Mr. Rockwell.

## 3RD ANNUAL JOB & VOLUNTEER FAIR FOR PERSONS WITH DISABILITIES

Attend Somerset County Library System of New Jersey's (SCLSNJ) Job and Volunteer Fair for Persons with Disabilities on Thursday, April 7 from 4 p.m. - 7 p.m. at the Bridgewater branch, located at 1 Vogt Drive in Bridgewater. This event is specifically targeted to teens and adults (Age 16+) with cognitive and developmental disabilities.

"Job fairs introduce talented job seekers to hiring managers in a convenient, neutral venue," said Nan Peterson, branch manager. "During a brief three-hour time span, candidates learn directly what industry-specific skills employers prioritize. Job seekers also have an opportunity to hone their interviewing skills while uncovering what positions are available, as well as the typical pay for these positions."

For a list of vendors, see [sclsnj.org/april-7-job-fair](https://sclsnj.org/april-7-job-fair). Participating vendors and service providers are subject to change.

# HISTORICAL DOCUMENT DISCOVERED

James Koch, Green Brook Historical Society

One of Green Brook Historical Society's dedicated workers recently discovered a noteworthy document—the June 19, 1935 Green Brook School Eighth Grade Graduation Program.

June 19, 1935 was a triumphant day for all seven graduates and their families.

In attendance were the three teachers, including Miss Irene Feldkirchner who was designated as principal and Miss Feldkirchner who had started her tenure there in the 1920s, giving her seniority.

Members of the Board of Education distributed diplomas. Rev. Hill gave the Invocation, the Address, and the Benediction. Julia Kasar, who had just turned 13, did a solo rendition of the song "Trees," based on the poem by Joyce Kilmer. Other students participated in the program as well.

Among the graduates, was Irving Mundy who

lived in the J. Vermeule house—now a 200-year-old site being readied for public view by the Green Brook Historical Society.

Graduate Julia Kasar married Joseph DiQuollo in her early 20s. He was several years older, but they had known each other from their school days. Later they moved to Scotch Plains to raise a daughter. After Julia's death in 2004, her daughter moved back to Green Brook, adding credence to the old saying: There's no place like home!

The Green Brook Historical Society is always looking for new members, especially now with the restoration of the J. Vermeule house. Meetings are the third Thursday of the month at 7:30 p.m. at Town Hall at 111 Green Brook Road. Call Town Hall at 732- 968-1023 to verify whether it will be in person or via Zoom.

CASA SHaW

Court Appointed Special Advocates of Somerset, Hunterdon and Warren Counties (CASA SHaW) has announced online information sessions for this February and March for individuals who are interested in learning more about becoming a CASA volunteer advocate to help abused and neglected foster children in our region.

"The interest in wanting to become a CASA volunteer continues to grow in our community. However, we need more dedicated individuals who want to help these vulnerable children. Attending an information session is the first step in becoming a CASA volunteer advocate for a foster child who has been abused and neglected," said Tracey Heisler, Executive Director of CASA SHaW. Attending an Information Session is required for anyone interested in applying to become a CASA.

CASA of Somerset, Hunterdon, and Warren Counties is part of a statewide network of community-based, non-profit programs that recruit, screen, train and supervise volunteers to "Speak Up for a Child" removed from home due to abuse or neglect. CASA is the only program in New Jersey that uses trained volunteers to work one-on-one with children, ensuring that each one gets the services needed and achieves permanency in a safe, nurturing home.
