53RD ANNUAL EASTER EGG HUNT – APRIL 9

The New Providence Lions will be hosting their 53rd annual Easter Egg Hunt on Saturday, April 9, 2022, at Oakwood Park in New Providence. The hunt is open to all New Providence Pre-School, Kindergarten, First and Second Graders.

According to New Providence Lions Club President Tom Montrone, "For over 50 years, the Easter Egg Hunt has been a long-standing tradition for the New Providence Lions Club. This year is particularly special, as we will be returning to our traditional Easter Egg Hunt celebration at Oakwood Park, which we have organized since 1969. While last year's Easter Car Parade was terrific in its own right, we feel blessed to return to our traditional event. We're all looking forward to having a good time with the children and their families."

The Hunt will take place Rain or Shine, with festivities beginning at 9 a.m. near Oakwood Park's Picnic area, accessed from Woodbine Circle and Roessner Place. At that time, Lions volunteers will be handing out balloons to the kids, and New Providence EMS and Fire and Police Departments will be on hand with their vehicles for viewing, dressed in their Superhero costumes to pose with children and their families. Teachers from Allen W. Roberts, Salt Brook and Our Lady of Peace Schools will also be there to greet the children and their families. The Easter Bunny will arrive at 9:15 a.m. to greet the families as a prelude to the actual Easter Egg Hunt, which will begin at 9:30 a.m. sharp! There will be thousands of colored eggs to be found. The children who find the special Gold and Silver eggs will receive chocolate bunnies as special prizes.

Families should plan on arriving at least 15 minutes before the 9:30 a.m. start of the Hunt, and later arrivals may have to park curbside on nearby streets. The Lions ask that parents be courteous and respectful to residents near the Roessner Place entrance to the park, and consider carpooling with friends.

PLEASE HELP THE LIONS FEED THE HUNGRY!

As in recent years, the Lions will be conducting a food drive to support local families in need. Attendees are asked to bring a can or box of non-perishable food, which the Lions will collect and donate to the Old Lady of Peace R. C. Church Food Pantry.

So bring your baskets to Oakwood Park and join the New Providence Lions Club on April 9th at the Easter Egg Hunt!

LIONS MAKE A DIFFERENCE!

The New Providence Lions Club donates back to the community every dollar it collects. Being a Lion empowers you to help others in a way that no one person could alone. The Lions are dedicated to helping others. For more information please email info@nplions.org.

LET US PRACTICE WITH YOU

Inroads to Opportunities

Practice Makes Possibilities is the motto of the vocational rehabilitation non-profit, Inroads to Opportunities (ITO). ITO serves adults with disabilities and the best way to assess how each individual can perform a job or task, is to try it out in a real business setting.

That is where ITO needs you—the local business owner. ITO asks employers to allow an individual with disabilities, along with an ITO staffer, to visit your business and try out a task. This helps the staff at ITO assess the individual's interests and aptitude as well as give the person experience, however brief, in a work environment.

ITO assures employers that no significant time is taken from your employees or customers and, therefore, there won't be any disruption to your workflow. In addition to intangible rewards, ITO will recognize you and your business on its social media platforms, give you a \$100 gift card to RAILSIDE Café in Fanwood, present you with a certificate of appreciation to display in your workplace, and post signage naming you as a partner at all Inroads Events.

For more information, email ocuc@inroadsto.com, visit inroadsto.org, or call 908-241-7200.

Inroads to Opportunities is located at 301 Cox Street, Roselle, NJ 07203.

★★★★★

I have been at Spring Grove for a few weeks now, they have exceptional service and excellent staff. All the nurses have been professional and attentive to all my needs. I never thought a rehab center can have such a beautiful layout and well put together. The newly renovated room I have stayed in, is up to date and extremely clean. The therapy staff have gone above my expectations with their expertise and getting me to where I am today. Alyssa the social worker has gone above and beyond with all her assignments.

Thank you Spring Grove.

★★★★★

The nursing staff and administration is professional, patient, attentive and understanding. The facilities are very clean and well maintained. My parents room is always clean and tidy. Although it was a difficult decision to make relocating my folks from a home environment to a senior living facility, Spring Grove made my decision easy.

Thank God for them!

THIS EARTH DAY MAKE A COMMITMENT TO "HELP SAVE OUR LOCAL TREES"

Advertisement by Gene Gregory from DefendOurTrees.com

IN 2020 HEADLINES READ:

1. "HIGHEST CARBON DIOXIDE RATE EVER RECORDED IN HUMAN HISTORY"
2. "2020 SETS ANOTHER GLOBAL TEMPERATURE RECORD."

Did you know? Science says that "the most important thing we can do GLOBALLY to curb this PHENOMENON is to Save our OLD Trees."

You don't have to believe in Climate Change or Global Warming to know this is a bad thing. Increasing Carbon Dioxide levels decrease the amount of oxygen in the air. This along with other pollutants in the air, has not only been linked to climate change and Global Warming, but an array of diseases as well: Cancer, Diabetes, Premature births,... Autism, the list goes on and on.

These problems and the severity are dramatically worse in poorer areas with more industry, diesel fumes and NO TREES. (please see "Earth Day turns 50" in the Star Ledger, it touches on what are children and their children are facing. One of the things they speak of are the "Large bodies of polluted water" we are leaving behind.

Despite these facts and my efforts: dozens of these trees, our "Oldest Residents", are killed in our local neighborhoods each year. Among the many losses: Shade, Solace the Filtering of our Air and Water, the oxygen they provided, ...they also release the Carbon they have accumulated for hundreds of years.

On June 8th, 2021, I hired a tree expert to help

save some of the trees in our area. I showed him dozens of trees in Westfield, New Providence, Summit and Scotch Plains. He used the word "disgusting" to describe what he saw. In his report he writes "that many of these trees can be saved if prompt action is taken".

HOW CAN YOU HELP SAVE THESE TREES?

Please visit our site and read all the facts defendourtrees.com See the:

- 1) "Pictorial of trees that can be saved". These are just a few of the many OLD trees being destroyed and dying in our area. If you live in the area, please write a letter (to your local mayor and town council) demanding this needless destruction of our old trees, stop immediately. Please Email a copy to defendourtrees.com
- 2) Please also read "Rooting out Problems" at my site or google it yourself.

It explains: "simple measures for saving trees during construction", which is the biggest cause of killing our trees. Most importantly, you will recognize what will harm a tree. Make a commitment to share this information with your children and friends.

CLUB Z! TUTORING RAISES MONEY FOR HIGH SCHOOL PTSA!

Club Z! Tutoring & Test Prep of North Jersey organized an SAT Boot Camp in conjunction with the Parent Teacher Student Association (PTSA) of New Providence High School (NPHS) and chaired by PTSA Recording Secretary Christine Flanagan at New Providence High School on Saturday March 5, 2022. This event raised \$540 for NPHS PTSA. Diane Pereira, President of NPHS PTSA, Maria DeLuca, PTSA VP, and Chris Flanagan, were honored to accept the donation at the end of the event.

The SAT is a major test that students take some time in their journey through high school, and higher scores on this test can determine higher-level college placement. Based on students' goals, it can prove effective to have prior knowledge and experience with this test. Sometimes, students may not know how much preparation they really need for the SAT or where to begin with, which is why Club Z! Tutoring facilitated this workshop to help the students with the knowledge on what the SAT is, how it works, and how to work their way through it efficiently.

The Boot Camp helped the students to understand the key test taking strategies, how much prep they would need for the SAT and was helpful in providing them with informative and engaging lectures, along with some example problems on both Reading & Writing and Math to test the knowledge they acquired throughout the lectures. At the end of the session, students were provided with one full-length SAT practice test along with a study guide through Z Prep! Score Booster, Club Z!'s proprietary Test Prep platform.

"I didn't really know much about the SAT and how to prepare for it. The problems and how you showed to solve it was helpful.", One student said.

Another student said, "I found it very helpful and learned some core techniques on how to eliminate. I gained more confidence for the SAT."

"We are so very pleased to work with Club Z!", said NPHS PTSA. "Tan Ghoroi is professional, knowledgeable, and exceedingly

easy to work with. This valuable Boot Camp will help our students in numerous ways. This is an invaluable partnership that we are happy to continue going forward."

The college admissions process has become increasingly selective over the past 20 years, and it's continuing to trend that way. Students need to tap into every tool available to them to help get them into their schools of choice.

"It marks an important milestone for us as this is our first SAT Boot Camp in New Providence," said Tan Ghoroi, co-owner of Club Z! Tutoring of North Jersey. "When we started the operation last year, we were not sure how it would turn out as it was a total uncertainty due to Covid. However, at the same time, we found it to be a great opportunity for us to serve the community and address the learning intervention that occurred due to remote schooling. And, this Boot Camp is a testament to how we can come together to help the students and the community as a whole."

ABOUT CLUB Z!:

SUMMIT COLLEGE CLUB'S BOOK SALE RETURNS

Summit College Club will resume its annual Book Sale in mid-April, 2022. "We have held the Book Sale for over fifty years," said Lynne Rogerson, president of Summit College Club. "It was our major fundraising event by far, and it required a lot of time to organize and prepare. So, for two years, during the pandemic, we've repeatedly prepared and then held our breath and hoped. This year, at last, the Book Sale is going to happen. We're really ready now!"

DONATIONS

As in the past, the Summit College Club's Book Sale will fill the American Legion Post 433 next to the Library at 357 Elkwood Avenue in New Providence. Readers with books to donate should bring them to the American Legion Post, on three days only: April 18th from 1 to 7 p.m., and April 19th and 20th, from 9 a.m. to 7 p.m.

The sale accepts a variety of media in good condition: books, CDs, DVDs, etc. The only items not accepted are encyclopedias, magazines, manuals, and textbooks.

As in past years, for the customers' convenience, volunteers will sort the items for sale into about 50 different categories, ranging from astronomy to zoology. Traditionally the

largest sections are Children's Books, Fiction, History, and Biography.

SALE

The Book Sale itself will occur from April 21 through 24. Nearly all the items will sell for either 50 cents, one or two dollars. The opening day, April 21 from 9 a.m. – 2 p.m., has a \$25 admission charge; although everyone is welcome, the customers on that day are typically book sellers from the tristate area.

The next three days, April 22 through 24, are free of charge. Hours are: Friday the 22nd, from 9 a.m. to 9 p.m.; Saturday the 23rd, from 9 a.m. to 7 p.m.; and Sunday, Bag Day, from 10 a.m. to 4 p.m. On Sunday, the final day, readers may fill a grocery bag with books of any type for \$5 or with electronic media for \$10.

Masks are required to enter the hall during donations and the sale.

Summit College Club, a branch of the American Association of University Women, is dedicated to advancing gender equity through research, education, and advocacy. The profits from the SCC Book Sale help fund annually awarded scholarships for local college-bound high school seniors. Last year alone, the club gave away \$24,000.

Volunteers are more than welcome! Men and women are needed to gather, categorize, and arrange the books before the sale, and to straighten the various book areas during the sale.

Anita Meritt, membership chair, notes that several current members were originally volunteers, who, seeing how the sale worked and enjoying the camaraderie of the members, joined Summit College Club.

Anyone interested in volunteering should go to the web site: summitcollegeclub.org, then Events/Book Sale and scroll down to the Volunteer With Us box; anyone interested in joining Summit College Club should go to the web site: summitcollegeclub.org, then Membership and scroll down to Join Today or send a line to Anita Meritt at anita.meritt@gmail.com. Anyone interested in reading should come to the sale! For questions email summitcollegeclub@gmail.com.

SPRING BENEFIT FOR SUMMIT SPEECH SCHOOL

Summit Speech School

Summit Speech School (SSS) is pleased to announce that its 32nd Annual Spring Benefit will be held in-person beginning at 10 a.m. on Tuesday, April 26 at Canoe Brook Country Club. The Spring Benefit Committee is delighted to, once again, provide guests with wonderful speakers, elegant silent and ticket auctions, a grand raffle, gourmet chocolates for purchase and much more at this, our largest annual fundraising event.

This year's keynote speaker is Ilyse Dobrow DiMarco, Ph.D. An expert in the field of reducing anxiety, Dr. DiMarco is the author of Mom Brain. She is a Chatham resident with clinical psychology practice in Summit.

Our Student Speaker this year will be Cooper Van Beveren, who graduated from the preschool program in 2021. The Van Beveren family will share how SSS has impacted their lives, especially in giving Cooper the gift of speech.

This year, the Benefit Committee will honor John Thoms, soon-to-be retiring Board Chair and dedicated Board member for over 12 years. During his time on the Board, SSS has seen a

greater than 50% increase in the children served, broadening our scope to reach over 70 school districts throughout New Jersey. John's efforts have helped to raise over \$10 million throughout the years by connecting the SSS with various corporate sponsors and private benefactors, as well as making many generous personal contributions. John's leadership has been instrumental in Summit Speech School's success.

For more information or to register for our 32nd Annual Spring Benefit visit summitspeech.givesmart.com.

Summit Speech School is a unique resource serving New Jersey's deaf and hard of hearing children from infancy through high school. Using the latest hearing technology coupled with intensive training in speech, language, and listening skills, we teach students to listen and talk without the use of sign language, so they can become full participants in the hearing and speaking world. Generous funding from sponsors enables us to create equity and inclusion so our students can attend mainstream schools and succeed in social relationships, college, and careers.
