## WOMEN'S GUILD INVITES WOMEN TO GATHER WITH THEM

(above) The Women of Wilson Memorial Church in Watchung invites women of all ages to gather with them.

*Submitted by Carol Droege*

The Women of Wilson Memorial Church in Watchung made HERstory on the morning of February 19th, 2022, by holding a meeting of the Women's Guild to widen the welcome to working women who have otherwise missed the opportunity to meet for service and fellowship during the traditional meeting time of 11:30 a.m., the first Thursday of each month.

As the Women's Guild morphs into its newest iteration, it is clear that there is a desire to uphold traditional practices established decades ago by the original guild, while keeping an eye out for new ways to bring care through the love of Jesus to those in Wilson's congregation and the community beyond. In addition, the goal of both groups is to provide a source of support to women of all ages that will empower them to leading a deeper spiritual life, for themselves and their families. Becoming inclusive to women from all

backgrounds and giftings only enhances the resources the Guild will be able to offer as a collective.

In this Lenten season, the Guild has initiated the return of the Shrove Tuesday Pancake Supper on March 1st, and provided soup for one of the four Soup Suppers taking place on the Sunday nights of Lent at Wilson from the 13th of March to April 3rd. They also facilitated the weekly post-worship Coffee Hour on March 6th. There has been discussion of forming different interest groups that will act as resources and emotional support to women, and their families, facing grief and other family care issues, including food insecurity.

There are two opportunities to gather each month. The Women's Guild meets each first Thursday of the month, at 11:30 a.m. and the Collective on the second Saturday, at 10:30 a.m. Women of all ages are welcome at both meetings as their schedule allows.

## THIS EARTH DAY MAKE A COMMITMENT TO "HELP SAVE OUR LOCAL TREES"

Advertisement by Gene Gregory from [DefendOurTrees.com](http://DefendOurTrees.com)

### IN 2020 HEADLINES READ:

1. "HIGHEST CARBON DIOXIDE RATE EVER RECORDED IN HUMAN HISTORY"
2. "2020 SETS ANOTHER GLOBAL TEMPERATURE RECORD."

Did you know? Science says that **"the most important thing we can do GLOBALLY to curb this PHENOMENON is to Save our OLD Trees."**

You don't have to believe in Climate Change or Global Warming to know this is a bad thing. Increasing Carbon Dioxide levels decrease the amount of oxygen in the air. This along with other pollutants in the air, has not only been linked to climate change and Global Warming, but an array of diseases as well: Cancer, Diabetes, Premature births,... Autism, the list goes on and on.

These problems and the severity are dramatically worse in poorer areas with more industry, diesel fumes and NO TREES. (please see "Earth Day turns 50" in the Star Ledger, it touches on what are children and their children are facing. One of the things they speak of are the "Large bodies of polluted water" we are leaving behind.

Despite these facts and my efforts: dozens of these trees, our "Oldest Residents", are killed in our local neighborhoods each year. Among the many losses: Shade, Solace the Filtering of our Air and Water, the oxygen they provided, ...they also release the Carbon they have accumulated for hundreds of years.

On June 8th, 2021, I hired a tree expert to help

save some of the trees in our area. I showed him dozens of trees in Westfield, New Providence, Summit and Scotch Plains. He used the word "disgusting" to describe what he saw. In his report he writes "that many of these trees can be saved if prompt action is taken".

### HOW CAN YOU HELP SAVE THESE TREES?

Please visit our site and read all the facts

**[defendourtrees.com](http://defendourtrees.com)** See the:

- 1) "Pictorial of trees that can be saved". These are just a few of the many OLD trees being destroyed and dying in our area. If you live in the area, please write a letter (to your local mayor and town council) demanding this needless destruction of our old trees, stop immediately. Please Email a copy to **[defendourtrees.com](mailto:defendourtrees.com)**
- 2) Please also read "Rooting out Problems" at my site or google it yourself.

It explains: "simple measures for saving trees during construction",

which is the biggest cause of killing our trees. Most importantly, you will recognize what will harm a tree. Make a commitment to share this information with your children and friends.

The Watchung Rescue Squad has continued to fulfill its mission to provide fast and professional emergency medical services to the residents, businesses, and visitors to the Borough of Watchung and the surrounding areas. Our squad operates on a fully volunteer basis and provides care from 6 p.m. - 6 a.m., 7 days a week. In 2021, the Watchung Rescue Squad responded to 280 emergency calls. Our top responders for the year were Jeiner Betancourt, Leo Marchetti, and Matthew King.

The Squad held its annual Tree of Lights Festival event once again in early December. Thanks to the Watchung Borough residents who showed their support through generous donations and great attendance, this event was an enormous success. Our Tree of Lights Festival was held in honor of the educators of Watchung. Faculty and staff from Watchung Hills Regional High School, Mount Saint Mary's Academy, The Giving Nest, Bayberry Elementary School, and Valley View Middle School were present and accepted awards given by the Squad.

The time for our annual Fund Drive is fast approaching. Keep an eye out for our mailer in early May! ## WATCHUNG LAUNCHES HOMETOWN HEROES PROJECT

### Borough of Watchung

The Borough of Watchung's Hometown Heroes Banner Project—launching on Monday, May 30—is the beginning of a new tradition. The Banner Project creates banners that honor veterans, living and deceased, who have lived in or currently reside in or work for the Borough of Watchung. Each banner includes a veteran's name, branch of service, and years served along with a military photo. Banners will line Somerset Street twice yearly—on Memorial Day and Veterans Day.

If you haven't yet submitted a form to have yourself or a loved one included in the project and cannot make the April 4 deadline for this Memorial Day, you can submit the information

later and be included for Veterans Day on November 11.

We encourage all to support the Watchung Hometown Heroes Banner Project with an online donation of \$125 or by check made payable to Borough of Watchung, specifying Hometown Hero on the memo line. Please mail checks to: 15 Mountain Blvd., Watchung, NJ 07069. Veterans who submit on their own behalf are not required to donate \$125 to the Banner Project.

To donate, submit a form, or get more information, go to [watchungnj.gov/resident/hometown-heroes](https://watchungnj.gov/resident/hometown-heroes).

We thank all of you who have supported this project to date and look forward to honoring more hometown heroes as we go forward.

## LIVING THE GOSPEL, SHARING A SPACE

### Wilson Memorial Church

This January marked the start of the second year of Wilson Memorial Church's space-sharing arrangement with St. Augustine & St. Monica Coptic Orthodox Church.

For many years now, Wilson's congregation has been using the large, modern sanctuary which faces Hillcrest Road, leaving the lovely iconic stone chapel at the corner of Valley Road quietly waiting. But in January of 2020, the congregation voted to share that space with the Coptic Orthodox Church as they plan construction of their own building on a property they have purchased in Warren.

In the interim, the two churches have been welcoming the faithful on Sunday mornings to celebrate worship in similar, yet distinct, ways. And the result has been overwhelmingly successful.

"Hospitality has always been a hallmark of Christian practice, especially when it comes to members of our own Christian family. That hospitality has been certainly reciprocal as they have contributed much to the spirit of our congregational life at Wilson. It has been a joy to have our family from St. Augustine and St. Monica's sharing the building that God gave us over a century ago," commented Rev. Michael Droege, Pastor of Wilson Memorial.

Wilson Church members have been delighted to see the quiet Chapel and unused meeting areas come to life again with families coming to worship under the guidance of the Rev. Peter Dimyan of St. Augustine and St. Monica's.

Rev. Peter said, "As difficult as the early stages of a growing parish are, there are certainly an abundance of blessings as well. Among our greatest blessings have been the Christ-like love and hospitality shown to us by Wilson Memorial Church. Wilson's Pastor, Michael Droege, their leadership, and congregants have exemplified the spirit of the Gospel, to love your neighbor as yourself. They not only have followed Christ's command to go the second mile with us, but have gone to the third and fourth mile as well! Wilson Memorial Church's love has been a humbling experience

that our Parish will never forget and an example for us to imitate as we grow. Wilson Memorial Church is truly a blessing to the entire city of Watchung and I'm certain whoever walks through their doors will feel the same warmth and love we feel today!"

Someday in the future, the parishioners of St. Augustine and St. Monica Coptic Orthodox Church will have their own church building in which to pray, but for the time being, these two Christian churches, with different customs in worship, continue to enjoy the benefits of what it means to share.

## 3RD ANNUAL JOB & VOLUNTEER FAIR FOR PERSONS WITH DISABILITIES

Attend Somerset County Library System of New Jersey's (SCLSNJ) Job and Volunteer Fair for Persons with Disabilities on Thursday, April 7 from 4 p.m. - 7 p.m. at the Bridgewater branch, located at 1 Vogt Drive in Bridgewater. This event is specifically targeted to teens and adults (Age 16+) with cognitive and developmental disabilities.

"Job fairs introduce talented job seekers to hiring managers in a convenient, neutral venue," said Nan Peterson, branch manager. "During a brief three-hour time span, candidates learn directly what industry-specific skills employers prioritize. Job seekers also have an opportunity to hone their interviewing skills while uncovering what positions are available, as well as the typical pay for these positions."

For a list of vendors, see [sclsnj.org/april-7-job-fair](https://sclsnj.org/april-7-job-fair). Participating vendors and service providers are subject to change.

This program is made possible through a partnership with The Greater Raritan Workforce Development Board and the Somerset County Business Partnership. To learn more or to register, go to [sclsnj.libnet.info/event/5746057](https://sclsnj.libnet.info/event/5746057).

## An Evening of Comedy with Julia Scotti and Uncle Floyd

Saturday, April 16 at 8 p.m.

These two Jersey-born comedy gems continue to break down barriers in every facet of show business, proving that age is not just a number—it's an asset! Wildly funny, energetic, and raucous, good-time granny comedian, Julia Scotti, captured audiences when she appeared on America's Got Talent in 2016. Her critically acclaimed documentary, Julia Scotti: Funny that Way is available on Amazon Prime. Legendary Uncle Floyd, primarily known for The Uncle Floyd Show (1974 - 1998), continues to entertain audiences with his unique act of saucy songs, kooky comedy, and vivacious vaudeville.

## Guys and Dolls

April 22 through May 1 (Performance schedule: [brookarts.org](http://brookarts.org) > Events)

Guys and Dolls, featuring some of Frank Loesser's most memorable tunes such as "Luck be a Lady" and "I've Never Been in Love Before," is the story about rolling the dice and falling in love! It takes us from the bustle of Times Square to the dance clubs of Havana to the sewers of New York City as it demonstrates the great lengths to which a guy will go when he truly falls in love.

# FURNITURE WORKSHOP BENEFITS SAGE ELDERCARE PROGRAMMING

Since 1961, the SAGE Eldercare Workshop has offered the public fine-quality furniture repair. The volunteers will consider repairing any piece of furniture that can be carried into the workshop. The Workshop has a reputation throughout Union County and beyond for its fine reweaving of caned and rushed chairs. Our artisans are all highly trained volunteers. Proceeds from the Workshop benefit SAGE programming. Prices are reasonable and depend upon the condition of the chair or furniture item and the materials required in the restoration process.

The Workshop started out years ago as a place for older men who no longer had access to a home workbench. Since 2007, several women have joined the historically male enclave. Most of the volunteers are former professionals including investment bankers, college professors, physicians and scientists. Many have never worked with their hands and over the years, they've taught each other caning, rushing and a myriad of other techniques needed to fix the aging furniture brought to them for restoration.

Prim La Capra of Short Hills recently patronized the workshop. She had a table restored that had suffered from years of use and weathering. "I am so grateful to the volunteers who refinished my little table to its original beauty. My late husband bought this well-crafted table from Bloomingdales' NYC store decades ago and it became a special place to store important documents, memorabilia, pictures, and other things we wanted to keep in our library." Said Prim. "It got water damage on top and sun damage on the sides over the years. The volunteers at Sage Elder Care completely restored it at a reasonable cost. I love how the piece turned out and plan to keep it for many more years. Thank you to the volunteers who contributed their skills, time, and talent to this project. It was a pleasure to work with Bob, the shop manager and visit the workshop."

The Workshop is located in the basement of the SAGE building at 290 Broad Street, Summit and is easily assessable. Shop hours are Mondays

through Fridays, 8:30 a.m. – 11:30 a.m.

For more information about the service or to schedule an appointment to bring in furniture, call 908-598-5531.

SAGE Eldercare supports the independence, well being and quality of life of older adults, their families and caregivers, through the provision of client-centered health, social and support services. Founded in 1954, SAGE is both the oldest and one of the few nonprofit eldercare agencies in the United States that offers a broad and comprehensive array of services under one roof that assist elderly, often frail, adults to remain independent in their own homes. SAGE Eldercare programs include: HomeCare; Meals-on-Wheels; Spend-A-Day Adult Day Health Center; InfoCare free information and referral service; Fall Prevention Initiative; Chore Service; Shopping Service; Bill Paying Service; PREP caregiver support group; and SHIP (State Health Insurance Assistance Program). SAGE Eldercare serves over 5,000 older people and their families annually in Union, Essex Morris and Somerset counties. For more information, call 908.273.5550 or visit [www.sageeldercare.org](http://www.sageeldercare.org).
