STUDENTS WARM HEARTS WITH DISNEY'S FROZEN JR.

Students at Valley Road School in Clark performed Disney's Frozen JR. on Thursday March 31st. This spectacular 60-minute musical was based on the 2013 Disney film and the 2018 Broadway adaptation. The 4th and 5th grade cast included 40 students led by Mrs. Jackie Kozlowski, Ms. Caitlin McHugh, and Mrs. Kerry Kennedy.

According to Kozlowski, "Students participating in the play worked very hard learning their lines, songs, and dances. While participating in a school musical production students are able to have fun, build self-confidence, practice critical thinking and problem solving skills, get creative, work as a team, and many more valuable skills. Every role – whether onstage or behind the scenes – is vital for the show's success."

Starring in the show were Joy Raguseo as young Elsa, Lilijana Jadro as Elsa, Eilish Gillespie as young Anna, Soraia Simoes as Anna, Vincent Plaza as Kristoff, Ella Nothstein as Olaf, Jacob Hutton as Hans, Rayna Davidson as Sven, Leon Li as Weselton, Lucy Hoff as Pabbie, Naiana Caballero Herrera as Bulda, Declan Mulcahy as King Agnarr, Kaya

Janocko as Queen Iduna, Sofia Prado as Bishop. Performing in the chorus were Payton Kurek, Nerissa Azor, Vanessa Miller, and Adriana Erszkowicz.

The Townspeople were Colleen Sullivan, Yasemin Memis, April Fleckenstein, Sofia Nikolic, and Charlotte Pitta.

Starring as the Hidden Folks were Carissa Socci and Kaja Hajduk.

Oaken was played by Gavin Mulcahy. Oaken's Family was played by Julianne Johnson, Emelia Carapola, Kalani Caballero Herrera.

Our stage crew included Cody Alicea, Grace Walton, Kylie Casais, Kiera Durnin, Joseph Diliberto, Luciana Diliberto, Adriana Ventura, Mackenzie Walsh, Isabella Prokos, and Hailee Patel.

Disney's Frozen JR. was presented through special arrangement with and all materials are provided by Music Theatre International. For more information about licensing Frozen JR. or other Disney shows, please visit www.DisneyMusicals.com.

GIRLS' BASKETBALL TEAM WINS G.P.A. CHALLENGE

On Thursday, April 07, 2022, the Arthur L. Johnson Athletic Department held a breakfast in honor of the 2021-2022 Winter Athletics G.P.A. Challenge winners, the Girls' Basketball Team. The event, sponsored by the Athletic Department, was held in the Arthur L. Johnson Cafeteria.

The Crusader G.P.A. Challenge is awarded each season to the team that finishes with the highest overall G.P.A. amongst athletic teams seasonally. They are presented with certificates, have their team memorialized on a plaque, and are invited for a "Breakfast with the A.D." to celebrate their actions both in the classrooms and on the courts.

The G.P.A. Challenge for the winter season was awarded to the Crusader Girls' Basketball Team with a G.P.A. of 4.134. Members of the Girls' Basketball Team include: Sophia Argenziano, Dominika Kosiek, Sarah Scepkowski, Sofia DiProfio, Vittoria Grady, Eva Puentes, Ashley Samsel, Georgia Sebok, Kaileigh Nettland, Lacey Vill, Isabella Ciccotelli, Alexandra Gonzalez, Alyssa Martucci and Mackenzie Thompson.

Athletic Director for the Clark School District Gus Kalikas had this to say about the G.P.A. Challenge winners from the Winter Season: "The

Athletic Department is extremely proud of all the members of the Girls' Basketball Team. The team was able to balance athletics and academics at the highest level, not only competing in the State Tournament but winning a first round game as well. Evident by this award, they also excelling in the classroom, which is obvious by the

cumulative G.P.A. of 4.134 that the team held throughout the season. The G.P.A. Challenge was a result of years of hard work, not only by the girls, but by the coaching staff as well. They are a model of what it means to be a student athlete and the Clark School District is proud of all of their accomplishments."

SHINING STARS TO PRESENT "GREATEST HITS" - MAY 14TH

The Shining Stars are back! Celebrating 10 years on the stage, the talented special needs cast will be presenting "The Greatest Hits" — covering many of the memorable performances over the past decade.

The outdoor show will take place on the campus of Woodbridge High School, located at 1 Samuel Lupo Way, Woodbridge, on Saturday, May 14, 2022 at 5 p.m. There will be food trucks, a tricky tray and a 50/50 raffle.

"It's hard to believe it's been ten years, but it's been an incredible journey," noted Shining Stars Network Founder and Show Director Sally Curci. "We continue to be inspired by our performers every day. Their passion, dedication and talent is what makes our shows come to life."

The Shining Stars have performed in front of audiences of 1,000 or more, with cast members from seven different counties performing over

the years. The Cranford-based organization still has many Cranford residents, but is open to anyone who wants to experience the performing arts.

"We're all about inclusion and opportunity while building self-esteem and creating friendships," said Shining Stars Network Founder and President Mike Curci. "There have been so many incredible performances over the years and we can't wait to see our stars shine on stage once again."

Tickets are available by going to ShiningStarsNetwork.org and clicking on the "purchase tickets" page. General admission tickets are \$15 in advance, \$20 at the show. Please bring a folding chair or blanket. Seating boxes are first-come, first-served. Gates open at 4 p.m. Plenty of on-site parking is available. Rain date is May 21st. Any cancellation will be noted at ShiningStarsNetwork.org.

SHINING STARS NETWORK is a non-profit organization based in Cranford, N.J. founded by Sally and Mike Curci that shines the light on the special needs community by creating opportunities in the performing arts, with the goal of building self-confidence and self-esteem while enjoying the experience of performing on stage. In addition, their Shining Stars Ambassadors basketball team travels to play local first responders and organizations while building friendship and understanding. Now entering its 6th year, Camp Shine (for ages 10-20 years) and The Shining Stars Summer Workshop (21 and over performers) are two-week intensive programs open to everyone, including those with developmental disabilities, that will take place August 15-26, 2022. COLLECTION TO HELP THOSE IN THE UKRAINE

Clark Public Schools

Students at Frank K. Hehnly School in Clark recently participated in a collection to help those in the Ukraine. FKH parent Amy Colineri partnered with the organization Be The Change and started a collection to help displaced families in Ukraine receive some basic essentials. The Hehnly community stepped up and went above and beyond! Diapers, medical supplies, women's self-care items, blankets, towels, sports drinks and stuffed animals were just some of the items collected. In addition, Ms. Anabela Casimiro's 5th grade class made inspirational cards for the families and Mrs Colineri's daughters made bracelets to be given out to the children. All of the items collected will be shipped to Poland as well as certain parts of Ukraine to then be distributed to the families in need.

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

CLARK BOARD OF EDUCATION’S SHOWCASE OF SUCCESS

This year’s Governor’s Educators of the Year were recognized during the Clark Board of Education’s Showcase of Success on April 4th. These professionals were honored for educational excellence and their commitment to student learning. The Governor’s Educators of the Year Program recognizes “exceptionally skilled and dedicated educators” that have the “ability to inspire student of all backgrounds and abilities to

learn” and “actively collaborate with colleagues, students, and families to create a strong culture of respect and success.” The educator should demonstrate “leadership and innovation in and outside of the classroom” as well as “ have the respect and admiration of students, parents, administrators, and colleagues.” These educators have gone above and beyond for their students both in and outside of the classroom.

Superintendent Edward Grande commented, “I was honored to be a part of publicly recognizing these ever so talented teachers and educational services professionals who help form the backbone of our district.

Board of Education members, Superintendent Edward Grande, principals, assistant principals, and supervisors spoke about the dedication and hard work demonstrated by these professionals.

NATIONAL ENGLISH HONOR SOCIETY INDUCTION AT ALJ

Arthur L. Johnson High School students were inducted into the newly established National English Honor Society (NEHS) during a ceremony in the school's Instructional Media Center held on March 23rd. This was the first induction ceremony for this group. Led by Advisors Lisa Rosso and Anthony Caldiero, the ceremony celebrated the achievements of these students. It also discussed the pillars of the honor society and the responsibilities of its newly inducted members.

In order to be inducted, students must have completed two years of English at the honors or AP level. They must have achieved a minimum

overall and English grade point average of a 3.0 prior to induction as members.

According to the NEHS website, the NEHS “is the only international organization exclusively for secondary students and faculty who, in the field of English, merit special note for past and current accomplishments. The NEHS motto, "gelast sceal mid are," is Old English for: "duty goes with honor." The motto represents one of the earliest forms of our language—it affirms and celebrates an obligation to use one's gifts in service to others. Service to peers, school, and community is part and parcel of the NEHS mission.”

Advisor Anthony Caldiero stated, “We congratulate all of our new inductees. We look forward to their continued success as they uphold the pillars of NEHS throughout our school community.”

Advisor Lisa Rosso stated, “We decided to start this chapter of NEHS here at Arthur L. Johnson because there was a need to recognize those with such high accomplishments in a rigorous core course such as Honors or AP English. We also want to thank Senior Joe Garbowski for planting the seed of beginning a chapter here last year and accepting the responsibilities of being the President.”

ALJ AWARDS CRUSADER FOOTBALL SCHOLARSHIPS

The Arthur L. Johnson Crusader Football Team recently held its annual post-season awards banquet. Head Football Coach Anthony DelConte presided over the event as all athletes were honored for their contributions to Crusader Football. Additionally, numerous scholarships were awarded to deserving student athletes throughout the evening. The night culminated with the showing of the 2021 Crusader Football Team's highlights. It was a wonderful evening to celebrate both past and present Crusaders in the tradition of Crusader Football.

THE COLLEGIATE ATHLETE OF THE YEAR

The Collegiate Athlete of the Year honors a former Crusader that has gone on to succeed both in the classroom and on the athletic fields. The 2022 recipient is Vincent Crisafi, who played collegiate football for Caldwell College.

Century 21 JRS Academic Achievement Award

The Sanguliano family presents the Century 21 JRS Academic Achievement Award annually to our Senior Football player with the highest GPA. The Award includes a scholarship and plaque. This year's 2021 Academic Achievement Award recipient is Matthew Vill.

THE HENRY A. VARRIANO MEMORIAL AWARD

Henry R. Varriano presents this award to a senior player who displays determination and a never-give-up attitude. The recipient of this award always puts the team above himself, sacrifices individuality for the team, pushes

himself to achieve greater heights, and overcomes adversity. The Varriano Award includes a scholarship and plaque. The 2021 Varriano Award winner is Dante Montuori.

THOMAS SANTAGUIDA "SAINT OF THE YEAR" AWARD

The loss of Thomas Santaguida devastated all of us. We lost a man we all loved and admired. When Mr. Santaguida came to Johnson in 1993, he had to replace one of the most respected and loved men in ALJ history in Lou Paragallo. He won everyone over with his dignity, professionalism, confidence, and most of all—sense of sportsmanship and fair play. As a high school player at Plainfield, Mr. Santaguida played football and basketball. His coaches and teammates say his fiery stile and zest for competition stood out even then. These are the qualities that are celebrated in naming the 2021 Johnson Football "Saint of the Year." The 2021 "Saint of the Year" is Jason Hernandez.

THE DENNIS CARPINI MEMORIAL SCHOLARSHIP

The Dennis Carpini Memorial Scholarship recipient receives a scholarship and a plaque. It is presented to the senior football player who, like Dennis, overcame odds and had a true love of Crusader Football. The athlete must be a heart and soul competitor, a unifier, and a positive role model. The 2021 Dennis Carpini Memorial Scholarship recipient is Nick Pingor.

THE COACH SEYMORE "RED" KELIN MOST IMPROVED PLAYER SCHOLARSHIP

The Most Improved Player Scholarship

recipient receives a scholarship and a plaque. It is presented to the senior football player who, through dedication, hard work, and perseverance, has shown a tremendous improvement in the sport of football throughout his high school career. The 2021 Most Improved Player Scholarship recipient is Dante Montuori.

DON LAPENNA III MEMORIAL LEADERSHIP SCHOLARSHIP

The Don LaPenna Leadership Memorial Scholarship recipient receives a scholarship and a plaque. It is presented to the senior football player who, like Don, overcame odds and had a true love of Crusader Football. The athlete must be a great role model who displays excellent leadership qualities and is dedicated to his team. The 2021 Don LaPenna Leadership Memorial Scholarship recipient is Jason Hernandez.

WILLIAM WATERSON MEMORIAL SCHOLARSHIP

Officer Waterson made the ultimate sacrifice: He gave his life in the line of duty. He was brave, honest, and devoted to the job. Mr. Tom Maye, owner of Station Cab, presents this award to be displayed in our main trophy case and a scholarship to the senior who most exemplifies the character traits of Officer Waterson. This award speaks to sacrifice and commitment. The recipient sets a new standard of leadership and character in our school and community. He has the innate ability to impact all students in our school. He is well-liked and respected by his peers. The 2021 William Waterson Memorial Scholarship recipient is Nick Pingor.

GRETA'S RUN FOR IMAGINE - MAY 22

CLARK MONTHLY • Page 21 • May 2022

The 9th Annual Greta's Run for Imagine will be held in-person for the first time in 2 years! Join us on Sunday May 22, 2022 for an official USATF 5K race through Westfield, NJ. This year, we are introducing a Memory Walk – a 0.6 mile route where families of the community can walk in memory of anyone who has died. Memory Walk Registrants can purchase a sign to decorate with the name of their loved one to line the walk route and memorialize their family member.

Greta's Run began 9 years ago when a group of Greta Schoenemann's friends decided they wanted to honor her memory with a 5k race. Greta had died on September 15, 2002 due to injuries sustained when a branch fell on a group of students as they were eating lunch outside of Westfield High School. This year marks the 20th anniversary of Greta's death and the 9th year the race has been run in her honor.

Sadly, many of us have experienced the loss of someone we love and this year's event is in honor of all of them. We invite everyone to join us as we run, walk or roll in honor of Greta and all those we love who have died. At Imagine, we see this run as an act of honor, as an act of mourning and of remembrance for our families and our community.

Before the 5K race, we invite everyone to join us for a Memory Walk when we will provide time and space for all to walk in honor of those who have died but are not forgotten.

Proceeds from the race support Imagine's free peer support groups for children and families coping with grief, as well as Imagine's grief education programs which are available for schools and businesses looking to better support their communities. Additionally, Imagine staff

are available to provide support in the immediate aftermath of a loss in a school community, organization or place of business.

We are so thankful for our sponsors thus far for the 9th Annual Greta's Run for Imagine. A big thank you to our Memory Walk Sponsor: Toriello Family in honor of MTT Memorial Fund and thank you to our hydration sponsor Westfield Pediatric Dental Group, and shirt sponsors Family Investors Company and Rossi Funeral Home. Your sponsorships help underwrite the event and help ensure that every dollar goes directly to providing free grief support for children and families. To become a sponsor, please contact Angela Marie Tayco at angela@imaginejnj.org or 908-228-3360.

To register for Greta's Run and/or the Memory Walk, please visit imaginejnj.org/gretasrun. We look forward to coming together as a community to honor and remember those we love who have died.

Imagine's Executive Director, Lindsay Schambach would like to extend this invitation to you: 'We hope that you will join us and walk alongside our families, our children, and our community, and let everyone know that their loss matters, that they are not alone, and they are never forgotten.'

Imagine offers grief and loss education and training to the community and free year-round grief support groups for children ages 3-18 who have had a parent, sibling, or close family member die. Concurrent groups are available for parents and guardians of the children in our groups, and young adults 18-30. Imagine also offers a support group for Spanish speaking adults. For more information, please contact Imagine at 908-264-3100 or info@imaginejnj.org.

CLARK RECREATION’S ANNUAL EASTER EGG HUNT

The Annual Clark Recreation Egg Hunt was held on Saturday, April 9. Children had a chance to decorate baskets, collect Easter eggs, win prizes and visit with the Easter bunny. There were also chicks, goats and their babies and llamas to enjoy for the afternoon. Recreation Director

Ralph Bernardo was on hand to host the festivities with a team of community helpers. “It takes a crew to pull this event off each year,” said Bernardo. “I am so grateful for their help and so glad the children of the community can enjoy this event.”

A NEW KIND OF VETERANS' EVENT

Submitted by Jesus Alejandro MiroQuesada

The New Jersey Veterans Network (NJVN) has a different way of reaching out to veterans and they proved this during their recent NJVN Veterans Salute event, a joint venture between the NJVN and the State VFW. NJVN Director Frank “Doc” Schupp and President Michael Boll treated NJ veterans to an event filled with enjoyable times, hot meals, free business attire, and resources for our state's heroes.

As you walked into the large room at VFW 2433 in Union Township, NJ, there were dozens of veterans smiling and mingling while DJ Doc Bear (an army veteran) played some tunes. The usual serious tone of similar events was replaced with a feeling of fun, comradery and comfort.

Air Force Veteran Cristina Lozada said “This event provided an outlet for these veterans to be themselves and have fun in an environment with like-minded individuals. I saw firsthand how taking the time to give back really impacted these veterans lives by feeling cared for and acknowledged.”

While waiting their turn to choose their clothing from an attic full of free apparel, veterans partook in video games, card games, and Army vs Navy, and Air Force vs Marines chess games. Delicious pizza was available from nearby Reggio's Pizza which was sponsored by NJVNs partner JM Rodgers. With impressive skill, local barber Emilio of Signature Barbers of Elizabeth, NJ cut veteran’s hair free of charge. Volunteers, vets, and family members all enjoyed themselves side by side while honoring our brave men and women.

When asked about the event, organizer Doc Schupp explained, “We wanted to make it a point to create an atmosphere where vets can have fun while receiving resources; this way instead of feeling anxious and uncomfortable, they are relaxed while speaking to service providers.”

The Veteran Salute program had plenty of community support as representatives from the

MOVES program, Vet Center, VFW, American Legion and New Bridge Medical Center were on hand to talk to veterans. The atmosphere was a very relaxed as vets interacted with service providers over games and refreshments.

Camillo Vanegas of the MOVES program was on hand to discuss their veteran job placement program. American Legion Commander Dennis Duddie listened respectfully to veterans’ stories and advised them of various local programs. The Vet Center was on hand to answer questions about counseling and case management. Bergen New Bridge Medical Center set up a table explaining their many veteran assistance programs. FDU’s internship program.

Volunteers included the Union High School ROTC, 5-year-old Vickie Almanazar volunteered alongside her father Daniel, Army veteran Uncle Homer, and many more served food, helped with clothing distribution, entertained, or just visited with the veterans while listening to their stories.

Army recruit Miss Matias, who was shipping out to basic training shortly, was on hand to volunteer and shared her thoughts, “The Veterans Salute event was so successful. We helped a lot of people and touched so many lives. Sometimes all a person needs are a warm smile and friendly conversation to take their mind of their troubles, even if only for a moment.”

CLARK'S FALLEN HEROES

Submitted by William J. "Duff" Duffy

From the Civil War to Afghanistan, 23 Clark boys, residents, or ALJ alumni, went off to war and did not come home. Heroes - every one of them.

I feel deeply that their sacrifices must be told so that they are not forgotten, especially by our youth. They have given of their lives while our country was at war, so that we may live in freedom. You may not know them, but in gratitude pay tribute to them every Memorial Day. Let's take a brief look at each of them, but

before we do, here's a "Clark's Fallen Heroes" portion of the Gettysburg Address: "that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion - that we here highly resolve that these dead shall not have died in vain - that this nation, under God, shall have a new birth of freedom - and that government of the people, for the people, shall not perish from the earth," President Abraham Lincoln November 19, 1863.

2022
Memorial Day
Parade
Monday, May 30 • 9:00 am

Please come out and line the streets of our great town to show spirit and patriotism for all our fallen Heroes

Parade begins on Westfield Avenue at Nassau Street and ends at ALJ High School. A ceremony honoring our fallen heroes will follow.

Parade will include classic cars, town veterans, children's sports teams from in town, animals, stilt walkers, marching band, color guard, boys and girl scout troops and more!

Please contact Parade Chairman Ralph Bernardo at 732-428-8400 or rbernardo@ourclark.com if you are interested in joining the parade or have any questions.

CHECK TREES FOR SPOTTED LANTERNFLY EGG MASSES

NJ Department of Agriculture

The weather is warming up, check your trees for Spotted Lanternfly (SLF) egg masses. When you find them crush them. Use an old bank card, small rolling pin or putty knife.

Citizens are advised to destroy the Spotted Lanternfly in all its forms.

SLF is a serious invasive pest with a healthy appetite for our plants and it can be a significant nuisance, affecting the quality of life and enjoyment of the outdoors. The spotted lanternfly uses its piercing-sucking mouthpart to feed on sap from over 70 different plant species. It has a strong preference for economically important plants and the feeding damage significantly stresses the plants which can lead to decreased health and potentially death.

As SLF feeds, the insect excretes honeydew (a sugary substance) which can attract bees, wasps, and other insects. The honeydew also builds up and promotes the growth for sooty mold (fungi), which can cover the plant, patio furniture, cars, and anything else found below SLF feeding.

*If you see a Spotted Lanternfly,
help us Stomp it Out!*
