EASTER EGG HUNT RETURNS, GUEST STARRING RAIN AND HAIL

Borough of Fanwood

After a two year absence due to Covid, the Easter Egg Hunt returned to Forest Road Park in Fanwood complete with the Easter Bunny, prizes, candy and an event first, hail.

This event is a massive production of the Fanwood Recreation Commission, Recreation Director Bob Budiansky, local Boy Scouts and other volunteers. More than 2,000 plastic eggs filled with prizes and candy were

spread across the playground in areas roped off by age. At the word GO, the children are unleashed to grab as many eggs as they can and put them in their baskets. It takes less than a minute. After learning what prizes they won, children lined up at prize tables or at the Bunny Chute to claim them.

And while lucky winners waited in line to claim prizes, the sky opened up. It rained, then it hailed. But it didn't stop the Easter Bunny from posing for pictures and the several hundred Fanwoodians from having fun.

BULLYING IS A PART OF GROWING UP!

Submitted by Syona J.

Did you know that some adults might say that bullying is just a part of growing up? It causes problems for children who are bullied, though. They might feel bad about themselves and change the way they act just because of bullying. Bullies continue to rule schools because they think that they are the best. This needs to change. Adults need to fight bullying more. Bullying can even lead to mental health issues.

It is normal to feel lonely or unhappy or mad or frustrated or just annoyed and you are sitting in the corner. It is normal to feel that if you are getting bullied you should say... "Hey I don't like that and it is not nice to make fun of me just because okay so just stop that!" If someone is making fun of you it could just mean that they are going through a tough time. If you know how that feels then maybe ask "Hey do you need some help because I think you are going through a tough time, maybe I can help, doctors can usually help."

It isn't a good habit when you grow up to be a bully because no one will be your friend if you are a bully. When you bully it gets worse, and it is getting really worse because of social media. People are bullying online and it is not fun to get bullied specially in front of your entire social media fans/friends and your followers. I think that people should stop being a bully, remember that we are all family even if someone is rude you

will always have family to talk to. Always remember that if you get bullied then just stand up for yourself, if that doesn't help then talk to someone to get rid of those negative thoughts and bring out the love for each other.

FSP ROTARY THANKS THE COMMUNITY!

Two years ago, in April 2020, several members of the Rotary Club learned about the need for fabric masks and individually began sewing. They teamed up under the guidance of Rotarian Carmela Resnick and formed a sewing group to provide masks for healthcare providers, the elderly and anyone at-risk. The team was made up of Rotarians, Interactors and friends of our Rotary Club. At first, they made hundreds of fabric masks and donated them to organizations who could not get PPE (personal protective equipment).

They later began to sell the masks to friends and family and then sold them at the Scotch Plains Farmer's Market, thanks to a recommendation by another Rotarian Lisa Mohn. The fabric masks were sold for \$5 a mask, in various sizes. The Rotary Mask team decided that all proceeds should go to local food banks, because there was a great need during the pandemic. Recipients included: Immaculate Heart Church SP Fanwood Presbyterian, St. Bartholomew Church SP, Starfish Foundation in Plainfield, JFS in Elizabeth, St. Mary's Dinner Program in Plainfield, Rahway Soup Kitchen, Community Food Bank of NJ and more.

It is now 2 years later and the Rotary Mask team has raised and donated \$17,000! The Fanwood-Scotch Plains Rotary Club thanks the local community and family and friends for supporting the mask sales. With the community's support, they were able to help many families in need during the worst of the pandemic.

The Fanwood-Scotch Plains Rotary Club is now raising funds to provide urgent humanitarian aid to the people of Ukraine. As of April, they donated approximately \$5,000 and raised another \$5,000 from individual Rotarians and community members. This money has been donated to Shelterbox, Rotary International Disaster Fund, and the Warsaw Rotary Club (to provide medicine and medical supplies). If you'd like to make a donation or learn more about the Rotary Club, go to fsprotary.org.

FANWOOD POLICE WARN SENIORS ABOUT SCAMS, IDENTITY THEFT

Rampant scams aimed at stealing from senior citizens received attention at a recent meeting of the Fanwood Seniors Club. Fanwood Police Director Michael Bramhall and several police officers spoke at the meeting, warning of types of scams and what people can do to prevent becoming victims.

“There are so many types of scams towards

(above) Officer Michael Rusin at the podium flanked by Sgt. Dan Piccola (left) and officer Tyler Flowers

seniors,” said Officer Michael Rusin. “Insurance scams, funeral and cemetery plot scams, telephone calls from the IRS and Social Security administration. A lot of times you won’t know you’re scammed until weeks later when it’s too late.”

Director Bramhall said one reason seniors are targeted is because “you have money,” referring to nest eggs, pension funds, IRA and 401-K funds and other sources of money that’s accumulated over many years.

“You grew up at a time when most people were assumed to be honest,” said Officer Rusin. “While 90% of the population is good and decent, it’s those who are dishonest you have to watch out for.”

When asked how many people in the room use the internet, most raised their hands.

Practical tips to help avoid becoming a victim included:

- Getting an unlisted phone number
- Never giving out personal information to anyone on the phone, in an email or text
- Don’t respond to people claiming to be from the IRS and Social Security administration asking for payments or to “confirm” your personal information.
- Make passwords strong and don’t reveal them
- Never click on links in emails or texts unless you are absolutely sure of their source
- Suspect any invitation to donate money or to purchase a gift card, then reveal the user code to someone you don’t know

The Fanwood Seniors Club meets the 2nd and 4th Monday of every month at 10:30 .m. in the Forest Road Park building.

For information on future events or joining, contact Fanwood Senior Coordinator Kathleen Holmes at kholmes@fanwoodnj.org, or 908-322-8236, ext. 136.

SEA SCOUTS OPEN HOUSE – MAY 21

Sea Scouts from Ship 228 operate the 65' vessel Sea Dart II, one of the largest Sea Scout vessels on the east coast, along with a fleet of smaller vessels (including sailboats) from their base located in Linden, NJ. Sea Scouting (Part of the Venturing Program of the BSA – Boy Scouts of America) offers young adults the opportunity to travel and learn skills that could be useful in future careers.

Whether you're steering the vessel from the wheelhouse, learning engine room repair or visiting a new port on one of the many trips, there's something you'll enjoy in Sea Scouting. So, try something different, check us out, and prepare yourself to set sail for a real adventure.

Parents, give your son or daughter a valuable gift by encouraging them to join Sea Scouting today. The time you invest in him today will make a difference in the person he becomes tomorrow.

Sea Scouting is for boys and girls who are at least 14 years old (or 13 years of age and have completed eighth grade) and under 21 years of age. We have a Maritime Explorer Club for middle school aged youth as well. Potential adult volunteers are welcome too!

The crews of Patriots Path Sea Scouts will host their open house at the Carteret Marina, located in the Carteret Waterfront park, 200 Middlesex

Avenue, Carteret, NJ, on Saturday, May 21, 2022 from 10 a.m. to 3 p.m. Sea Scout Ship's 228 and 243 normally operate out of their base at 4400 Tremley Point Road in Linden, NJ, which is currently undergoing a construction project. As a result, the town of Carteret has graciously offered the use of their municipal marina to host our open house this year.

The open house will include tours of the

council's main vessels (the 65-foot Sea Dart II and Sea Horse), an introduction to the Sea Scout program, and fun activities that are bound to pique a young adult's interest in boating and scouting. There will be free hamburgers and hot-dogs for those who tour the vessels. No reservation required. Come down to visit and bring a friend or family member!

On Saturday, May 7, from 9 a.m. to 12 noon, Faith Lutheran Church, 524 South Street in New Providence, will again be collecting second-hand bikes for use by adults and children in third world countries. The collection is being conducted on behalf of Pedals for Progress, an organization which annually recycles 6,000 bicycles for persons in developing countries. Anyone with a bicycle in repairable condition is urged to donate to this worthy cause. Bikes may be dropped off at the parking lot next to the church. On that day, members of Faith will repair and process the bikes for shipment by P4P.

Since 2002, Faith Lutheran has been collecting bikes for P4P. In 2021, five hundred sixty-four bikes were collected from persons and organizations in New Providence, Berkeley Heights, Mountainside, Westfield, Chatham, Warren, Scotch Plains and Fanwood. The collection by Faith occurs throughout the year. The range of towns was aided by articles published in Renna Media publications.

Every year affluent Americans buy 22 million new bicycles and discard millions of old ones, abandoning many more in basements, sheds and

garages. Most of these end up in our already overburdened landfills.

P4P ships its reconditioned bikes to persons in need of countries in Latin America, Africa and Asia. The bikes provide reliable transportation to commute to work, transport produce to market, access health care and other services. Steady employment for adults is vital to the development and success of these economies.

P4P reports that the cost of shipping bikes has increased significantly in recent years and now presents a substantial financial burden to P4P. Last year, Faith contributed \$3,000 toward the shipment of the bikes. Persons donating bikes gave \$1,273 toward shipment. P4P is asking persons to donate \$15 toward the shipping costs, if they are financially comfortable doing so. Donation or not, Faith welcomes all bikes in repairable condition.

Since 2016, the chairperson of Faith's Pedal for Progress ministry has been Casey Walsh of Bridgewater, a long-time member of the church.

The pastor of Faith is Rev. Jane McCready. Visit online at famfaith.org or call the church office at 908-464-5177. The address is 524 South Street, New Providence. Courtesy photos

SHINING STARS TO PRESENT “GREATEST HITS” - MAY 14TH

The Shining Stars are back! Celebrating 10 years on the stage, the talented special needs cast will be presenting “The Greatest Hits” — covering many of the memorable performances over the past decade.

The outdoor show will take place on the campus of Woodbridge High School, located at 1 Samuel Lupo Way, Woodbridge, on Saturday, May 14, 2022 at 5 p.m. There will be food trucks, a tricky tray and a 50/50 raffle.

“It’s hard to believe it’s been ten years, but it’s been an incredible journey,” noted Shining Stars Network Founder and Show Director Sally Curci. “We continue to be inspired by our performers every day. Their passion, dedication and talent is what makes our shows come to life.”

The Shining Stars have performed in front of audiences of 1,000 or more, with cast members from seven different counties performing over

the years. The Cranford-based organization still has many Cranford residents, but is open to anyone who wants to experience the performing arts.

“We’re all about inclusion and opportunity while building self-esteem and creating friendships,” said Shining Stars Network Founder and President Mike Curci. “There have been so many incredible performances over the years and we can’t wait to see our stars shine on stage once again.”

Tickets are available by going to ShiningStarsNetwork.org and clicking on the “purchase tickets” page. General admission tickets are \$15 in advance, \$20 at the show. Please bring a folding chair or blanket. Seating boxes are first-come, first-served. Gates open at 4 p.m. Plenty of on-site parking is available. Rain date is May 21st. Any cancellation will be noted at ShiningStarsNetwork.org.

SHINING STARS NETWORK is a non-profit organization based in Cranford, N.J. founded by Sally and Mike Curci that shines the light on the special needs community by creating opportunities in the performing arts, with the goal of building self-confidence and self-esteem while enjoying the experience of performing on stage. In addition, their Shining Stars Ambassadors basketball team travels to play local first responders and organizations while building friendship and understanding. Now entering its 6th year, Camp Shine (for ages 10-20 years) and The Shining Stars Summer Workshop (21 and over performers) are two-week intensive programs open to everyone, including those with developmental disabilities, that will take place August 15-26, 2022. For more information on Shining Stars Network or any of their programs, please visit ShiningStarsNetwork.org or send your email to ShiningStarsNetwork@gmail.com.
