FURNITURE WORKSHOP BENEFITS SAGE ELDERCARE

Since 1961, the SAGE Eldercare Workshop has offered the public fine-quality furniture repair. The volunteers will consider repairing any piece of furniture that can be carried into the workshop. The Workshop has a reputation throughout Union County and beyond for its fine reweaving of caned and rushed chairs. Our artisans are all highly trained volunteers. Proceeds from the Workshop benefit SAGE programming. Prices are reasonable and depend upon the condition of the chair or furniture item and the materials required in the restoration process.

The Workshop started out years ago as a place for older men who no longer had access to a home workbench. Since 2007, several women have joined the historically male enclave. Most of the volunteers are former professionals including investment bankers, college professors, physicians and scientists. Many have never worked with their hands and over the years, they've taught each other caning, rushing and a myriad of other techniques needed to fix the aging furniture brought to them for restoration.

Prim La Capra of Short Hills recently patronized the workshop. She had a table restored that had suffered from years of use and weathering. "I am so grateful to the volunteers who refinished my little table to its original beauty. My late husband bought this well-crafted table from Bloomingdales' NYC store decades

ago and it became a special place to store important documents, memorabilia, pictures, and other things we wanted to keep in our library." Said Prim. "It got water damage on top and sun damage on the sides over the years. The volunteers at Sage Elder Care completely restored it at a reasonable cost. I love how the piece turned out and plan to keep it for many more years. Thank you to the volunteers who contributed their skills, time, and talent to this project. It was a pleasure to work with Bob, the shop manager and visit the workshop."

The Workshop is located in the basement of the SAGE building at 290 Broad Street, Summit and is easily assessable. Shop hours are Mondays through Fridays, 8:30 a.m. – 11:30 a.m.

For more information about the service or to schedule an appointment to bring in furniture, call 908-598-5531.

SAGE Eldercare supports the independence, well being and quality of life of older adults, their families and caregivers, through the provision of client-centered health, social and support services. Founded in 1954, SAGE is both the oldest and one of the few nonprofit eldercare agencies in the United States that offers a broad and comprehensive array of services under one roof that assist elderly, often frail, adults to remain independent in their own homes. SAGE Eldercare programs include: HomeCare; Meals-on-Wheels; Spend-A-Day Adult Day Health Center; InfoCare free information and referral service; Fall Prevention Initiative; Chore Service; Shopping Service; Bill Paying Service; PREP caregiver support group; and SHIP (State Health Insurance Assistance Program). SAGE Eldercare serves over 5,000 older people and their families annually in Union, Essex Morris and Somerset counties. For more information, call 908.273.5550 or visit www.sageeldercare.org.

An evening featuring Health, Wellness, Beauty & Fashion in Millburn-Short Hills, NJ Girls' Night Out was a popular event in Millburn-Short Hills for many years and now it's time for a comeback! In honor of Mother's Day, the Girls' Night Out event is taking place on Friday, May 6 from 5:00 - 8:00 p.m. in Downtown Millburn as well as at satellite locations in Short Hills.

The event is focused on Health, Wellness, Beauty and Fashion and many restaurants will be participating as well. Explore Millburn-Short Hills (the Special Improvement District or "SID" for the town) is co-hosting the event with the Millburn Short Hills Chamber of Commerce.

Visitors can expect to enjoy discounts at local shops, special classes and restaurant specials. Over 30 businesses are participating including Jia Boutique, Elements For Style, Club Pilates Short Hills, Evolve Med Spa, Icebox Cryotherapy, Amazing Lash Studio, Splurge Bakery, Shala's Boutique, Taste Buddy, Cara Mia, and Basilico. Entertainment will include living statues, live music and DJs, psychic readings, poetry, and more. Visitors can also enjoy outdoor dining on a closed portion of Main Street and the recently opened Millburn Art Alley located at 321 Millburn Avenue.

In addition to the May 6 event, a special Mother's Day shopping promotion will take place from Friday, April 29 through Sunday, May 8. For every \$50 spent at each participating shop, patrons will have a chance to win one of 6 gift baskets valued at \$125 or more. Each basket will contain gifts for the five districts of the SID. For a chance to win, receipts from qualifying purchases must be submitted to Explore Millburn-Short Hills by 12:00 p.m., Sunday, May 8. The drawing will take place on Monday, May 9th and submissions can be made via exploremillburnshorthills.org.

"Explore Millburn-Short Hills was created during the height of the Covid-19 pandemic and we are so excited to bring this pre-pandemic event back bigger and better than ever," said Executive Director, Steve Grillo. "Visitors will be dazzled by living statues and stilt walkers while shopping, taking classes, and enjoying dinner in town. Girls' Night Out is a symbol of both a proud past and exciting future for Millburn-Short Hills" he added.

JERSEY GIRLS STATE PROGRAM

American Legion Auxiliary Unit #43

American Legion Auxiliary Unit #43 of Madison Florham Park will sponsor three Delegates to the Jersey Girls State Program being held at Georgian Court University in Lakewood from June 18-23, 2022. The girls selected to represent the Unit are: Jocelyn Xu from Chatham High School, Alison Dutton from Madison High and Mary Korab a resident of Florham Park, a student at Morris Catholic High School. Alternates selected include Ava DiGiovanni of Chatham High, and Erin Arone a resident of Florham Park attending Villa Walsh Academy.

In September 2022 each New Jersey School District in New Jersey will be requiring a minimum of two quarters of civics to be taught at the Middle School Level. The goal is for all New Jersey Students to receive explicit and sustained instruction in Civics, which has been missing on New Jersey schools for several decades! The law S-854 was named after Laura

Wooten who was the longest continuously serving election board worker in the United States. It is anticipated that the students will gain an understanding of the role of a citizen in a democratic society.

Each summer for over seventy years, The American Legion and its Auxiliaries have been providing a weeklong experience in Government at Boys State and Girls State programs throughout the country. Each group experiences how elections are handled on the local and county levels and how a campaign is run by campaigning for various positions. They also experience how local and county governments work by setting up a local government. As the week progresses a Governor for Girls State is elected after a vigorous campaign for votes. Two Senators are elected at the end of the week to represent New Jersey at Girls Nation, which is a weeklong experience in Washington, D.C. involving the Senators in government at the National level.

ANANYA MANDREKAR POETRY & ESSAY WINNER

Millburn Township Public Schools

Congratulation to MMS 6th grader, Ananya Mandrekar who recently became the third Millburn student to be nationally recognized as a top ten winner in the Creative Communications Poetry Contest in the last four years! Ananya joins our two other top ten poets, Alex Grossman and Josh Gerstel. Ananya, who competed in last year's Scripps National Spelling Bee, was inspired by that experience to write her winning poem.

Ananya has also learned that she is the state winner of the DAR (Daughters of the American Revolution) essay contest. This year's essay prompt was in honor of the 100th anniversary of the dedication of the Tomb of the Unknown Soldier. Students were asked to imagine attending the original dedication of the memorial, and write about why it is important to remember those who gave our lives for this nation. Great job showcasing your writing skills!

Summer Athlete Performance Camp in Berkeley Heights

Discover how to get your children strong, fast, and confident this summer...so they can become the best athletes they can be.

This program is for your child if:

- They want to get better at sports but struggle because of **lack of speed, strength or stamina.**
- They **eat more junk food than healthy food** and you need another voice to help them understand how important a healthy diet is during these developmental years.
- They **need to improve their confidence** and you want them to start to get better at recovering from their mistakes.
- They're doing pretty good right now but want to take their performance in their sport to a **higher level.**

Here's what parents can expect to happen:

- **They will get stronger** which means when they show up to their sport they'll be able to perform better than ever.
- **They will run faster and jump higher** so they can show up to their next season and people will start asking what the heck have they been doing.
- They'll become **more coordinated and improve agility** which means they'll pick up new skills their coaches teach them faster.
- **Your children will start to eat better** because we'll be educating them daily on what's good and what they should avoid...don't be surprised if they start asking you to buy more vegetables.
- **Confidence will skyrocket.** When kids get stronger, faster and more fit...their confidence will rise ...so will their self-esteem which means their performance in every aspect of life will get better.
- **Their mindset will improve.** We're going equip your child with very specific mindset skills that'll help them learn how to transform how they think about mistakes and failures.

ARM PAIN
You Don't Have To Live With It!
 That "searing, burning pain" in your arm and shoulder...
 that "achy, numbing" feeling in your forearm... that
 "tingling" and loss of strength in your hand...it interferes with
 your ability to use the computer, play golf, garden... to have
FUN IN LIFE!
 Arm pain, hand and arm numbness, and tingling down
 the arm may actually be caused by a pinched neck nerve even
 though you have NO neck pain - Or something as simple
 as tendinitis of your shoulder and forearm.
 Dr. Murphy is an expert at finding the CAUSE of your
 arm pain and numbness and CORRECTING IT... WITHOUT
 THE USE OF DRUGS OR SURGERY.

CASA CREATES AWARENESS OF CHILD ABUSE

The month of April highlighted child abuse awareness. Court Appointed Special Advocates for Children of Essex County (CASA of Essex) celebrated their volunteers during Volunteer Appreciation Week for their effort to change foster children's lives. Additionally, in honor of CASA Child Advocate Month, CASA of Essex partnered with over twenty-five local businesses to help raise awareness by planting blue pinwheel gardens throughout the county, as a reminder that every child deserves a safe childhood.

To shed much needed light on the severity of child abuse—every ten seconds, an allegation of child abuse is reported nationwide, and over 4.3 million children are impacted yearly. Nearly fifty percent of those children are under the age of five. In New Jersey, it is estimated that there are 2.2 million residents of New Jersey, aged 18 and under; and among that total, nearly 6,300

children each year are living in homes that are not their own, having been removed, for even just one night, because of abuse or neglect and placed in foster care.

With these staggering numbers in tow, CASA of Essex focuses on recruiting and training volunteers to uplift the voices of abused and neglected children. CASA volunteers represent all walks of life with diverse backgrounds, professions, and skill sets. They undergo an extensive and intensive specialized training that provide them with the knowledge needed to be the court's eyes and ears for children in and out of court, thereby improving the quality of information presented to the court. By advocating on a child's behalf, a CASA volunteer works to ensure that each child has access to the services they need and the opportunity to thrive.

HOME FOR GOOD 10,000TH ADOPTION

At Home for Good Dog Rescue, we recently celebrated an incredible milestone - Saving 10,000 dogs from the brink of death in just 11 short years. Each rescued dog is unique and has its own special "tail" to tell. Meet Remy and lean into his miraculous journey as he becomes our 10,000th adoption. This poor soul lived the entirety of his 7-year life confined to an outdoor wire pen with no human contact, love and affection, playtime, or snuggles. His human captors failed him miserably, and his forlorn eyes truly reflected a lifetime of cruelty, mistrust, and hopelessness.

Since his perilous rescue by Home for Good in 2021, we've seen his transformation from just 'existing' without proper nutrition, medical care, or being protected from the harshness of the outside elements, to knowing what it's like to be loved, sleep in a warm plush bed, enjoy tasty treats, and receive endless cuddles. Remarkably, Remy has no remnants of the extreme cruelty that he endured, and from which he survived.

Home for Good Dog Rescue is 100% foster-based and this is why. With the help of his canine foster siblings, he began to gain confidence and how to trust. Prior to his rescue, Remy had never felt the gentle hand of a human. Through the patience and perseverance of his foster family, Remy has developed into the devoted dog he is today. He is affectionate, playful, and eager to please.

For more information on how you can become a foster family for a deserving pup like Remy, please visit homeforgooddogrescue.org/foster

ABOUT:

Home for Good Dog Rescue is a 100% foster-based, non-profit 501(c)(3) dog rescue established in 2010 in Summit, New Jersey with offices in Berkeley Heights. We socialize, care for, and provide them life-saving medical care at our property in Aiken, South Carolina, transport them to our rescue in New Jersey, and nurture them in our network of foster families while they await adoption into loving homes – giving them a second chance at life.
