PROJECT GRADUATION – SEEKING DONATIONS

2022 marks the 31st year of Watchung Hills Regional High School's Project Graduation. A volunteer team of parents of WHRHS seniors comes together to plan events for the graduating class throughout the year that lead up to a safe and fun graduation celebration for the entire class.

Traditional events include the Senior Panoramic Picture Day (shown in the photograph), where each senior is given their Senior Warrior t-shirt, and several Senior Week events, including a Yearbook Signing social, Senior Breakfast and the end-of-year event held on graduation night!

The past two years have been challenging to plan during Covid. In 2020, the event itself was canceled, but the committee did a great job finding alternative ways to celebrate the class. Last year, the committee had to wait until the last minute to finalize plans given the restrictions on indoor gatherings. No matter the challenge, the Project Graduation tradition has continued in some form or another to celebrate our seniors.

This year continues to be a challenge and a struggle for our students as they navigate their final year of high school amidst the uncertainty of the pandemic. However, this senior class is a resilient group of Warriors, and we are so proud of all they have accomplished. We hope this event will give them the celebration they deserve so they can put the years of uncertainty behind and create memories to last a lifetime.

The committee is excited to announce this year's action-

packed night will be held at Iron Peak Sports & Entertainment in Hillsborough, NJ. Graduates can choose from a full night of fun, including rock climbing, ninja courses, basketball, pickleball, volleyball and other sports, a new video arcade, live entertainment and so much more. Of course, food and drinks will be provided throughout the night for them to share this final night with their classmates.

All 520 WHRHS seniors are welcome to attend the Project Graduation event free of charge. Every senior will participate in the Senior week events leading up to Project Graduation as well. The committee relies entirely on fundraising to make this enormous event happen, including donations from the WHRHS community. If you or your business is interested in donating or providing a service, please reach out to ProjectGradWHRHS@gmail.com, or send your donation directly via check made out to Project Graduation, 108 Stirling Road, Warren, NJ 07059. We also accept Venmo @WHRHS-2022Project Graduation – be sure to email us your details so we can ensure you receive acknowledgement. All donations are tax deductible and will be mentioned in the Graduation program.

Thank you in advance for supporting our students.

Laurie McLeod & Cristina Nunes – Co-Chairs

Sushama Sekhar – Treasurer

Tina Osmond – WHRHS PTO President

OVER 100 INDIVIDUALS PARTICIPATE IN JOB FAIR

On Thursday, April 7, the Somerset County Library System of New Jersey (SCLSNJ) hosted their third annual Job and Volunteer Fair for Persons with Disabilities. Over 100 individuals participated in the in-person event hosted at the Bridgewater branch.

"The return of the SCLSNJ Disability Job Fair, after a two-year hiatus, was a remarkable success. Many attendees, participating employers, and service organizations expressed gratitude for the opportunities the fair provided. We thank them in return and look forward to continuing this as a rewarding tradition in the future," said Darryl Voorhees, manager of adult services

programming and collaborations.

Participants were able to apply for both paid and service-oriented positions from companies such as FedEx, NJ Department of Labor and Workforce Development, The Achievement Center at Raritan Valley Community College, and more. Refreshments for the event were donated by Wegmans Food Markets.

This program was made possible through a partnership with The Greater Raritan Workforce Development Board and the Somerset County Business Partnership. To learn more about future disabilities programming, email adultprogramming@sclibnj.org.

Boy Scout Troop 32 held a Court of Honor at Wilson Memorial Union Church, on March 23, 2022. Boy Scout Jason Ng was recognized for attaining the distinguished rank of Eagle Scout and for his contributions to his community.

In attendance were the family and friends of Troop32, New Jersey State Senator Jon Bramnick, Mayor Keith Balla, Council woman Christine Ead and Councilman Pete Martino, Scoutmaster Emeritus Richard Wellbrock and Rev. Michael Droege. Also in attendance was the beneficiary of Jason's Eagle Scout Project, the Watchung Historical Committee, represented by Chris Vanderfliet.

Jason's Eagle Scout Project benefited the Watchung Texier House Museum. Jason improved the World War I and World War II displays and created an exhibit to honor local WWII hero, Henry Long.

Henry Long flew a top secret mission to TriDuby in support of the Slovakian uprising against the Nazis. He humbly kept this to himself and was not awarded a Distinguished Flying Cross until 55 years later, when the mission was declassified. He was also honored by Slovakia and given honorary citizenship. You can find out more about Henry Long by visiting Watchung's Texier House Museum.

CHECK TREES FOR SPOTTED LANTERNFLY EGGS

NJ Department of Agriculture

The weather is warming up, check your trees for Spotted Lanternfly (SLF) egg masses. When you find them crush them. Use an old bank card, small rolling pin or putty knife.

Citizens are advised to destroy the Spotted Lanternfly in all its forms.

WHY YOU SHOULD CARE

SLF is a serious invasive pest with a healthy appetite for our plants and it can be a significant nuisance, affecting the quality of life and enjoyment of the outdoors. The spotted lanternfly uses its piercing-sucking mouthpart to feed on sap from over 70 different plant species. It has a strong preference for economically important plants and the feeding damage significantly stresses the plants which can lead to decreased health and potentially death.

As SLF feeds, the insect excretes honeydew (a sugary substance) which can attract bees, wasps, and other insects. The honeydew also

builds up and promotes the growth for sooty mold (fungi), which can cover the plant, forest understories, patio furniture, cars, and anything else found below SLF feeding.

If you see a Spotted Lanternfly, help us Stomp it Out!

2022 SENIOR PANORAMIC PICTURE DAY

NEW DEALS FOR OLD WHEELS

On Saturday, May 7, from 9 a.m. to 12 noon, Faith Lutheran Church, 524 South Street in New Providence, will again be collecting second-hand bikes for use by adults and children in third world countries. The collection is being conducted on behalf of Pedals for Progress, an organization which annually recycles 6,000 bicycles for persons in developing countries. Anyone with a bicycle in repairable condition is urged to donate to this worthy cause. Bikes may be dropped off at the parking lot next to the church. On that day, members of Faith will repair and process the bikes for shipment by P4P.

Since 2002, Faith Lutheran has been collecting bikes for P4P. In 2021, five hundred sixty-four bikes were collected from persons and organizations in New Providence, Berkeley Heights, Mountainside, Westfield, Chatham, Warren, Scotch Plains and Fanwood. The collection by Faith occurs throughout the year. The range of towns was aided by articles published in Renna Media publications.

Every year affluent Americans buy 22 million new bicycles and discard millions of old ones, abandoning many more in basements, sheds and

garages. Most of these end up in our already overburdened landfills.

P4P ships its reconditioned bikes to persons in need of countries in Latin America, Africa and Asia. The bikes provide reliable transportation to commute to work, transport produce to market, access health care and other services. Steady employment for adults is vital to the development and success of these economies.

P4P reports that the cost of shipping bikes has increased significantly in recent years and now presents a substantial financial burden to P4P. Last year, Faith contributed \$3,000 toward the shipment of the bikes. Persons donating bikes gave \$1,273 toward shipment. P4P is asking persons to donate \$15 toward the shipping costs, if they are financially comfortable doing so. Donation or not, Faith welcomes all bikes in repairable condition.

Since 2016, the chairperson of Faith's Pedal for Progress ministry has been Casey Walsh of Bridgewater, a long-time member of the church.

The pastor of Faith is Rev. Jane McCready. Visit online at famfaith.org or call the church office at 908-464-5177. The address is 524 South Street, New Providence.
