## TREEMENDOUS CHARACTER CEREMONY

### Clark Public Schools

Valley Road School recently held its Treemendous Character ceremony recently. Students were nominated by staff members who felt these students went above and beyond in the department of character. Students were nominated in 9 areas.

#### Belonging:

A student who welcomes others and others to feel valued; a student who works toward building a positive climate.

#### Heroes:

A student who is a positive role model for other students in the school and one who listens to and values others ideas.

#### Accomplishments:

A student who consistently tries to do their best, succeeding in ways that may not typically be recognized; one who perseveres in all situations.

#### Fun & Excitement:

A student who is engaged in learning and who shares their enthusiasm and energy with others.

**Curiosity & Creativity:** A student who asks "why" and maybe even "why not"; one who has a desire to explore the unknown.

**Adventure:** A student who is willing to take a chance and push beyond boundaries to succeed. One who readily takes a challenge without fear of failing.

#### Leadership:

A student who is unafraid to make a decision and take ownership of the choices they make.

#### Confidence:

A student sets goals and takes steps to meet them. One with a healthy outlook on life and looks inward for approval, not outward.

#### Bucket-Filler:

A student who is looking to build classmates up, instead of knocking them down. They demonstrate appropriate class behavior and don't dip into others' buckets (including staff and students). Shows kindness, integrity, teamwork, trustworthiness, and caring to others.

#### The following students were awarded this honor:

Leah Kristen, Lucas Hamm, David-Xavier Ortiz, Julianne Johnson, Christopher Scuorzo, Edward Hamilton, Samantha Murphy, Austin Carrick, Kaja Hajduk, Payton Kurek, Anthony Castro, Leon Li, Arnav Patel, Amelia Manimtim, Charlotte Pitta, Serena Gonnella, Isabella Loguidice

According to School Counselor Sarah Badillo who led the event, "I feel I can speak for everyone and say We at VRS are truly grateful for these students. They make our school better and I bet they don't even realize it. I am so happy they walk these halls and that I get to know them. As a society, we need to remember that sometimes it is the little things that make the most impact and look how many of them have made an impact here at VRS. So, thank you to all our amazing recipients for having Treemendous Character and thank you to the parents who I'm sure have demonstrated all the characteristics we are celebrating today."

## UNICO DONATES EQUIPMENT TO REC CENTER

When Clark Seniors arrived at the Clark Recreation Center to play their weekly Mahjongg game they found two brand new completely automated Mahjongg tables. Joseph Arancio, President of Clark UNICO, surprised the group

with some extra funds that were left over from the proceeds of the UNICO Italian American Feast. They could not thank Joe and Clark UNICO enough for the thoughtfulness and generosity.

## RELIEF FROM CHRONIC KNEE PAIN

### FDA Approved Treatment to Avoid Surgery

## DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

### If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

### Consider This Alternative To Surgery

**Northeast Spine & Wellness Center** offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

### How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

### Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

### Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

# CLARK AMERICAN LEGION POST #328

Submitted by Chris Sands

We have been busy at the American Legion Post #328 in Clark. On April 13th, during our monthly meeting (always the 2nd Wednesday of the month) we hosted a 50th Anniversary Vietnam Veteran Commemoration event at the Post. The Northern NJ Chapter of the Association of the United States Army was the Commemorative Partner. Several other local organizations also took part in the ceremony to include the NJ Armor and Cavalry Association, the West Fields Chapter of the Sons of the American Revolution, the General Phil Kearny Camp #20 of the Sons of Union Veterans of the Civil War, and the NJ Department of the Ukrainian American Veterans, and the John L. Ruddy Post 7363 Clark Veterans of Foreign

Wars. Eight Vietnam War veterans were presented with a 50th anniversary pin. They are Ed Lasinski, Fred Sacks, George McGettigan, Jack Doran, Mike Fucsko, Glen Gray, Joe Raganese, Joe Swietik. On April 20th the post held its annual Children and Youth Night activities. The Walter Johnson High School Varsity and JV softball teams participated. They were treated to pizza, and a \$500 donation was made to their program by the post. Coach Chris accepted the check which was presented by Post Commander Swietik. For more information about Post events, or becoming a member of the American Legion, Sons of the Legion, or Ladies Auxiliary, email us at Americanlegionclarkpost328@gmail.com.

## STEAK NIGHT RAISES FUNDS FOR AMERICAN LEGION

By Judy Doran

The recent Steak Night fundraiser for the American Legion Auxiliary was a remarkable success. Thanks to the work of many including, Tammi Angelo, Margaret Alago, Jody Burns, Maureen Reilly, Ann Levy, Diane Mott, and others, many Clark residents and veterans enjoyed a hearty steak dinner on Saturday, April 23rd. Special thanks to Barry Loessel, Ed Wray, and Tom Faede for their grill work, and Juliana Doran and Spencer Doran for help bringing the steaks in from the pavilion. Despite the rain, the evening went smoothly. Support from local businesses, Vaccaro's Bakery and Schifferstein Farm Market for their donation of delicious cake and pies added a sweet treat after dinner. A night of good food and fellowship among friends and neighbors helped to warm up the cool April weather. If you missed April's event, join us this summer when the American Legion hosts their Summer Outdoor Steak Nights. Check the dates on the Legion website at clarknjlegion328.org, or drop in the Post for more information.

# DELMONACO ALSO NAMED MUNICIPAL VOLUNTEER OF THE YEAR

**Clark Public Schools**

Carl H. Kumpf Middle School Principal Rick Delmonaco was recently awarded the 2022 Clark Municipal Volunteer of the Year Award by the LACADA (Local Advisory Council on Alcoholism and Drug Abuse). The celebration honored the volunteers who are committed to preventing alcoholism and drug abuse throughout Union County.

Superintendent Edward Grande stated, “Mr.

# HOOKED ON FISHING CLINIC

## Clark Township

Clark Recreation held the Annual “Hooked on Fishing” Clinic on Saturday, April 29 at Tamaques Park. Fourteen children participated in the class, learning how to hook a worm, cast a line and reel in the catch.

The program began years ago instructed by avid fisherman and volunteer Lenny Grieco and his wife Dawn. This year, their grandchildren, Anton and Jordan Zambell assisted. Members of the Cranford Rod and Gun Club volunteered their time as well. Member Mark

Conforti coordinated the club members to donate their time and breakfast to the kids. This year’s event found the weather a bit chilly causing the fish to stay away from most of the lines, but a few fish were caught and a great time was had by everyone.
