A GIRL SCOUT GARDEN IS PLANTED IN CLARK

Clark Brownie Troop 40457

“From little seeds, grow mighty trees”- and that is exactly what 3rd grade Clark Brownie Troop 40457 aims to do with their newly installed Girl Scout Garden that was completed at the Clark Recreation Center recently. It was a labor of love between the parents, community volunteers and local business owners as well as each of the Hehnly third grade troop’s 12 members. Troop 40457 is proud to open the garden to any troop wanting a quiet outdoor space to meet, bridge or enjoy.

The idea for the garden was born last fall, when troop leaders, Kim Albarella and Cara Sullivan Kropp came up with the idea for a ‘mindfulness garden’ after seeing inspiration from what a neighboring town had accomplished. At their first meeting in September 2021, the troop members sketched out architect plans for what each girl thought should be included. Each idea was better than the next and included bird baths, sitting space, flowers and flowing water. The girls also committed to use 100% of their fundraising profits to put towards materials for the garden.

The next step was to seek support from Clark Recreation Director, Ralph Bernardo, as a township-owned site was preferred. Ralph embraced the idea immediately and offered several options for locations at the Recreation Center to develop. The winning location was voted on by the Troop and real plans began to unfold. In addition to the space Ralph offered, he also helped with the centerpiece of the garden – the bridge. Ralph rescued the platform from being disposed by Clark Preschool and then it was upcycled by Kylie Kropp’s uncle Art Tommins to become a “bridge.” This bridge now stands as the focal point of the garden.

Clark resident and owner of Hayden Landscaping, Marc Hayden generously donated his time and labor over months to help plan, purchase materials and help with breaking ground. Many parents were involved in various stages of development including Troop mom’s Marcella Cutrona, Jill Tobin, Kelly Cuoto, Clara Perdiz, Marcia Henriques and Becky Triola.

(above, l-r) Adults: Marc Hayden, Jill Tobin, Cara Sullivan Kropp, Kim Albarella, Marcella Cutrona, Anthony Carbonara. With Girl Scouts: Alyssa Perdiz, Elena Couto, Juliana Henriques, Avery Albarella, Sofia Carbonara, Briana Tobin-Montanez, Rosanna Cutrona, Jaida Jacobs, Anniston Triola, Autumn McHugh, Kylie Kropp

Troop dads also contributed by doing the heavy lifting and building including Anthony Carbonara and Andrea Cutrona. But most of the praise goes to the Troop members who hauled topsoil and mulch, helped Marc Hayden dig out spots for butterfly bushes, a red maple tree and various bushes. Adirondack chairs and a picnic table round out the space.

Troop 40457 members include Avery Albarella, Kylie Kropp, Roseanna Cutrona, Alyssa Perdiz, Briana Tobin-Montanez, Anniston Triola, Sofia Carbonara, Autumn McHugh, Juliana Henriques, Jaida Jacobs, Brooklyn Conoshenti and Elena Cuoto.

The take-away from this year-long project that leaders Cara and Kim hope to instill in their Troop is that investing in your local community will benefit all. We are so proud to have a small piece of the legacy of what it means to be part of the Clark Township Community and they look forward to seeing what the little seeds grow into.

In my many years as a top producing realtor, I have been involved in a tremendous amount of Clark transactions. I live and work here and know everything this outstanding town and school system has to offer. Using an agent with a proven track record is very important. I put an enormous effort into marketing, advertising and customer satisfaction. Since 1/1/20 to present, I have had 130 transactions, 96 in Clark, and have many homes that are currently under contract. I also made the highest level of Platinum for 2021 Circle of Excellence Award which ranks overall in the top 1% of Realtors in New Jersey. I also made Top Agent Magazine!

CLARK'S SPECIAL CONNECTION TO THE 4TH OF JULY

Submitted by Al Shipley, City historian and Rahway Library research consultant

This story is reprinted from Clark Monthly, June 2012 issue

Americans across the United States celebrate July 4th as the moment in history when our country declared its independence from Great Britain in 1776. We mark the day with parades, picnics, and fireworks and it's easy to forget the fifty-six brave gentlemen who signed their names on a piece of parchment bearing the title, The Unanimous Declaration of The Thirteen United States of America. For each of the signers, it was a momentous expression in which they committed their lives, their fortunes and their sacred honor to the noble cause of liberty. One of these courageous patriots was Abraham Clark.

Clark was born and raised in Roselle and as a young man worked as a surveyor. This field led him to the study of law, a profession he could employ to settle land disputes and property titles. A good deal of his business was transacted in the larger village of Rahway where he became known as the "Poor Man's Counselor." His family also traveled to Rahway on Sundays to worship in the small Presbyterian Church which stood on St. Georges Avenue.

As the fiery talk of separation from Great Britain began, Clark found that he closely identified with the patriotic cause, and by 1774 had become a bold advocate of independence. Aware of the great dangers in which the colonies were placing themselves, he wrote, "We can die but once . . . We are now embarked in a most tempestuous sea . . . It is gone so far that we must now be a free independent state or a conquered country."

JULY 4TH CEREMONY TO HONOR ABRAHAM CLARK

The Township of Clark is named after Abraham Clark. Clark was the 5th Ward of Rahway until 1863 when the citizens of that area asked to break away and form a new township. The officials in Rahway agreed, and requested they name the new town, Clark.

The Rahway Knights of Columbus Council #1146 Fourth Degree will be holding their annual Fourth of July Memorial Ceremony at 10 a.m., at the gravesite of Abraham Clark located in Rahway Cemetery. All are invited to attend.

(above) The gravesite of Sarah and Abraham Clark, signer of the Declaration of Independence, is located in Rahway Cemetery.

Courtesy photo

In 1775 his neighbors elected him to the Provincial Congress of New Jersey and in June of the next year he was appointed to the Second Continental Congress which was meeting in Philadelphia.

Clark was well aware of the penalty for treason. Had the British won the war, all signers of the Declaration would have been executed. Fear of this possible fate, however, did not sway him from his obsession to sever relations with the mother country.

During the war years Clark did suffer severe hardships. The Redcoats destroyed all of his property, and two of his soldier sons were captured and held on the notorious prison ship, "The Jersey," a vile, floating jail where thousands of American prisoners perished. The conditions aboard the ship were horrible and the Clark boys suffered special hardships because of their father's connection with the rebels. Clark was

even promised the release of his sons if he abandoned the American cause, but he refused to betray his country.

Clark was unique in that he was the only member of Congress to serve throughout the entire war. He was re-elected three times and was chosen to represent New Jersey at the Philadelphia Convention in 1787. Due to ill health, however, he was unable to attend this famous convention where our Constitution was being framed.

Clark died at the age of sixty-eight and is buried in the Rahway Cemetery. Residents of Rahway and all of Union County should be proud that of the five signers from the New Jersey Colony, only Clark is buried in this part of the state. Abraham Clark is a name out of the rich pages of Rahway history and a name we should remember as we prepare to celebrate the birthday of our country's independence.

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

CLARK TEACHERS HONORED

Clark Public Schools

Arthur L. Johnson High School Italian Teacher Alessandra Bonacchi, Frank K. Hehnly Kindergarten Teacher Emilia DiFrancesco-Citsay, Valley Road School Third Grade Teacher Jacqualea Grigoli Kozlowski, and Carl H. Kumpf Middle School Social Studies Teacher Elisa O'Neill were honored at the 2022 Teacher Recognition Breakfast sponsored by the Union County Superintendents' Roundtable. The Clark educators were selected as Educators of the Year from their schools. The teachers and

Superintendent Edward Grande attended the event on May 24th at Liberty Hall Academic Center at Kean University. Other Union County schools were also in attendance.

The teachers were recognized for their outstanding achievement and were presented with certificates.

Superintendent Edward Grande stated, "This breakfast recognition program was a great way to honor not only our Teachers of the Year here in Clark but those honorees throughout the county."

THOMAS FLANAGAN WINS NJCAA NATIONAL CHAMPIONSHIP

Union County College student-athlete Thomas ‘Tommy’ Flanagan, of Clark, is a national champion in javelin. On May 13, Tommy and Union’s track team traveled to Troy, New York, to compete in the 2022 National Junior College Athletic Association (NJCAA) Division III Track and Field Championship. To secure the win, Flanagan threw the javelin 56.27 meters. Not

(above) Thomas ‘Tommy’ Flanagan, of Clark, is a national champion in javelin.

only was this Flanagan’s personal best throw, but it also broke the school record, which was previously set by Flanagan himself.

Flanagan, a freshman at Union College, began throwing javelin to stay active in baseball’s off-season. As he continued to practice and train, he realized his potential and knew that he could become a successful thrower.

This season, Flanagan traveled with the team to Princeton University, where he broke the College’s record for the first time, throwing 55.17 meters. With this, Flanagan gained momentum and felt confident going into the national competition.

As he prepared for his throws at the national competition, Flanagan wasn’t feeling the confidence he had previously, having to throw on a scorching field. During the competition, he said to himself, “We persevere and thrive in adversity.” On his fifth throw, Flanagan did just that, and threw the record-breaking 56.27 meter throw.

“We are proud of Tommy for winning this NJCAA national championship. He is a prime

example of a student taking advantage of all we have to offer here beyond our excellent academics. There is a sport, activity, and club for all interests, and we encourage our students to get involved and engaged on campus,” stated Union President Dr. Margaret M. McMenemy.

Flanagan is especially grateful for all the support he received both on and off the field. Union’s track coach Kyle Duggan and Union’s athletic trainer Frank Aiello are two of Flanagan’s biggest supporters. Off the field, the Union community gathered in the Victor M. Richel Commons to watch Flanagan’s winning throw and cheer him on. When Flanagan found out about that, he got very emotional.

“Tommy is very dedicated to throwing javelin,” says Union track coach Kyle Duggan. “My hope for next year is that he throws over 200 feet (60.96m) and he brings home that national championship again.”

Flanagan continues to train for his second season at Union and plans to graduate with an Associate Degree in Health Science. For more information on Union athletics, go to unionowls.com.

CASSIE CONFORTI TO PLAY USA SOFTBALL

Margaret Conforti

Cassie Conforti, a 7th grade student at Carl H. Kumpf Middle School has been selected for a second year in a row to represent Northeast Region 1 for the USA Softball All American Games this coming August at the Hall of Fame Stadium in Oklahoma City, Oklahoma.

The USA Softball All American Games is a prestigious tournament that provides national exposure to elite athletes in the 12u division and has been designed to identify and highlight the best athletes from across the country. Only 360 young ladies nationwide will have the opportunity to wear the USA Softball Jersey at this event.

Cassie has also been selected as a Direct Invite for a second straight year to represent the Northeast Region for the USSSA All American

Program this summer. The USSSA All American Program was created to increase individual opportunities for players to showcase their skills and talents at the Space Coast Complex in Viera, Florida.

Cassie currently plays for the NJ Batbusters 12u Torres team. The training and support she receives from her NJ Batbusters coaches, James Torres, Jennifer Haas, Paige Murphy and Rich Sosa have been nothing short of amazing.

A special mention to Colleen Spadora, who has been instrumental in the development and growth in Cassie’s pitching career. Her coaches’ unparalleled dedication, push and encouragement are what keeps Cassie grounded and enables her to continually strive to overcome challenges, work harder, and strive to be the best that she can be.

HEAVY RAINS DO NOT DETER FAITH LUTHERAN

Submitted by Larry Holt

In spite of heavy rains and winds on May 7, eight persons, seven members of Faith Lutheran in New Providence and a member of Osceola Presbyterian in Clark, met their obligation to Pedals for Progress, an organization which recycles bikes for persons in developing countries. The group had committed itself to repair used bikes in the Faith parking lot that day to be picked up in the afternoon by Pedals for Progress.

In the defiant weather, the group restored one hundred forty-eight bikes, which Pedals for

Progress has transported to rural areas of Belize in Central America. The bikes were collected by, or delivered to, Faith during the prior months. The bikes came from a range of local towns, helped by the publicity in the Renna Media publications.

The bikes will provide adults with reliable transportation for commuting to work, transporting produce to market as well as accessing health care and other services. Steady employment is vital to the development and success of struggling communities.

Persons donating bikes generously contributed

\$1,465 toward the shipment of the bikes. Costs of international shipping have become an increasing financial burden to Pedals for Progress.

Since 2002, Faith has been working with Pedals for Progress and has donated almost 2,500 bikes.

For the past seven years, Casey Walsh of Bridgewater has been the chairperson of Faith's Pedals for Progress Ministry.

The pastor of Faith is Rev. Jane McCready. For more information visit famfaith.org or call the church office at 908-464-5177.

(above, l-r) Natalie Carovillano helped with the ministry. Her sister, Audrey, assisted with the bike repairs.

(above, l-r) Steve Rucker of Faith, Gary Michel of Pedals for Progress, Casey Walsh of Faith repair bikes in heavy rain and wind.

(above, l-r) Jason and Sophia Scott, Steve Carovillano, all of Faith; Liz Coffey-Dawe of Osceola Presbyterian in Clark restore bikes in heavy wind and rain.

CLARK MUNICIPAL ALLIANCE FOR DRUG AND ALCOHOL PREVENTION

Harry Page recently addressed students at Arthur L. Johnson High School. Page, a motivational speaker says social and academic challenges in his youth led him to fail classes and eventually end up abusing alcohol and drugs.

Having faced abuse, suicide, jail time, and then suddenly losing the brother that donated bone marrow to save Page from cancer, he found recovery eight years ago and now shares his experiences with groups and works to provide

what he calls “hope in the hopeless.”

Page says his mission is to reach and help as many students and teachers as possible to become the best version of themselves.

According to Ralph Bernardo Director of Recreation and the Drug Alliance, Page’s story was moving. “Harry Page shared a story that in too many cases would have ended in tragedy,” said Bernardo. “Instead, he fought his way back to build a productive and satisfying life. It was inspiring.”

2022 SPRING ATHLETIC AWARDS WINNERS

Clark Public Schools

On Tuesday, May 25, 2022, the Arthur L. Johnson Athletic Department held their 2022 Spring Athletic Awards ceremony. The evening, sponsored by the Crusader Athletic Booster Club, was held in the ALJ High School auditorium.

All the spring athletic teams and their seasons were highlighted by their coaches while handing out letters and awards to the student athletes. Over 128 varsity athletic letters were handed out throughout the evening, as participation in athletics at ALJ High School continues to grow.

The program continued with the Student Athlete Award, which was presented by the Athletic Director of ALJ High School, Mr. Gus Kalikas. The Student Athlete Award is given out each athletic season to a student athlete that is not only a champion on the field, but in the classroom as well. The 2022 Spring Student Athlete award recipient was Aidan Ford with a 4.68 G.P.A.

The Crusader G.P.A. Challenge is awarded

each season to the team that finishes with the highest overall G.P.A. amongst athletic teams seasonally. They will be presented with certificates, have their team memorialized on a plaque, and be invited for a “Breakfast with the A.D.” to celebrate their actions both in the classrooms and on the fields.

The winner of the 2022 Spring Seasonal G.P.A. Challenge, with a cumulative G.P.A. of 3.75 is the Softball Team. Members of the Softball Team: Gabriella Muretta, Jillian Duffy, Brooke Hilton, Krista LaBianca, Shannon Lancellotti, Madden Puerari, Isabella Todaro, Lacey Vill, Maria Dante, Gianna Frino, Grace Cassidy, Samantha Gonzalez, Alexa Grasso and Alison Wysocki.

The evening continued with the announcement of the Best Teammate Award winners. The BTAs were: Baseball – Paul Castro, Golf – Biagio Bonanno, Lacrosse – Jack Bencivenga, Softball – Alison Wysocki, Tennis – Owen Broadwell, Boys’ Spring Track & Field – John Brighthouse,

Girls’ Spring Track & Field – Tatum Dobbins.

The evening culminated with the announcement of the Team Most Valuable Players. The MVPs were: Baseball – Connor Thorn, Golf – Anthony Cundari, Lacrosse – Nicholas Pingor, Softball – Maria Dante, Tennis – Matthew Cassidy, Boys’ Spring Track & Field – Aidan Ford, Girls’ Spring Track & Field – Sarah Scepkowski.

The Athletic Director, Gus Kalikas, had this to say about the event “The Spring Athletic Awards was a wonderful event that allowed the administration, teachers, coaches, parents, and student athletes a chance to reflect on a wonderful spring athletics season while honoring our student athletes for their remarkable accomplishments. Our teams, coaches, and student athletes continue to raise the bar both in the classrooms and on the athletic fields and the Clark School District could not be more proud of their performance this past spring athletics season.”
