HONORING VETERANS ON MEMORIAL DAY

The New Providence Memorial Day Parade was held on Monday, May 30, 2022. New Providence remembered the brave men and women who gave the ultimate sacrifice while serving in this country's armed forces. After the parade, American Legion Post #433, invited everyone for hot dogs and light refreshments.

In attendance was Michael Boll, President of New Jersey Veterans Network (NJVN) and the team's executive board member, Sara Abraham. They were presented a proclamation and a flag that was flown over the state capital from the NJ Legislative 21st District. The NJVN was honored for all their amazing work during the height of the Covid Pandemic. They provided over 5,000 meals and

thousands of pieces of life saving PPE equipment to National Guardsmen and disabled veterans.

Attention Men & Women Over 40 Not Working Out Right Now HOW TO LOSE EVERY POUND GAINED DURING COVID IN 30 DAYS...GUARANTEED

**Covid 19 brought an average weight gain of 29 pounds
...but not for these 4 local residents**

**“MY ACES AND PAINS HAVE MOSTLY GONE AWAY,
AND I DEFINITELY HAVE MORE ENERGY”**

David: The pandemic negatively impacted how dedicated I was to working out and the type of food I ate. When I joined the challenge I increased my workout routine to at least 5 days per week. Now I feel great. My aches and pains have mostly gone away and I definitely have more energy during the work day.

**“I STARTED TO FEEL IMPROVEMENT
AS QUICKLY AS 1-2 WEEKS INTO JOINING”**

Tom: Before joining GFP I never really maintained consistent strength training. At GFP it's easy to build momentum, and I started to feel improvement as quickly as 1-2 weeks into joining. The challenge showed me how rapidly progress can occur if you pair nutrition guidance with regular workouts. More importantly it helped me build lasting habits that have made me consistently healthier.

**“GFP HAS GIVEN ME MY CONFIDENCE BACK.
I FEEL GOOD IN MY BODY AGAIN”**

Kristy: Before GFP I had never been to the gym before, but the trainers helped me learn how to work out effectively. I started working out six days a week, and I really saw results. Those results kept me motivated to continue coming back. GFP has given me my confidence back. I feel good in my body again.

“MY RESULTS INSPIRED ME TO KEEP GOING”

Cathy: My fitness routine had gone off track, and some of my old injuries had started to bother me. I missed working out regularly, but I was lacking direction and the right motivation to get restarted. The trainers helped me get back on track with both my fitness and nutrition. I soon started to see results, which inspired me to keep it going.

HEAVY RAINS DO NOT DETER FAITH LUTHERAN

Submitted by Larry Holt

In spite of heavy rains and winds on May 7, eight persons, seven members of Faith Lutheran in New Providence and a member of Osceola Presbyterian in Clark, met their obligation to Pedals for Progress, an organization which recycles bikes for persons in developing countries. The group had committed itself to repair used bikes in the Faith parking lot that day to be picked up in the afternoon by Pedals for Progress.

In the defiant weather, the group restored one hundred forty-eight bikes, which Pedals for

Progress has transported to rural areas of Belize in Central America. The bikes were collected by, or delivered to, Faith during the prior months. The bikes came from a range of local towns, helped by the publicity in the Renna Media publications.

The bikes will provide adults with reliable transportation for commuting to work, transporting produce to market as well as accessing health care and other services. Steady employment is vital to the development and success of struggling communities.

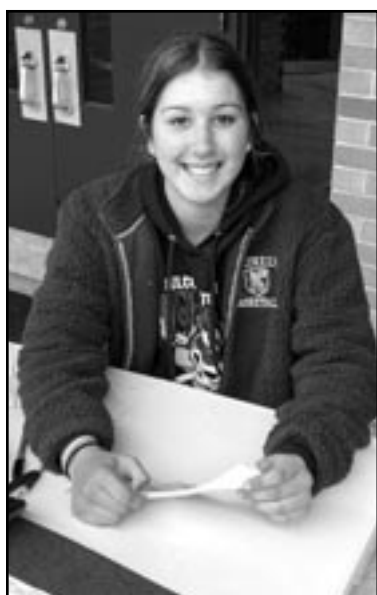

Persons donating bikes generously contributed

\$1,465 toward the shipment of the bikes. Costs of international shipping have become an increasing financial burden to Pedals for Progress.

Since 2002, Faith has been working with Pedals for Progress and has donated almost 2,500 bikes.

For the past seven years, Casey Walsh of Bridgewater has been the chairperson of Faith's Pedals for Progress Ministry.

The pastor of Faith is Rev. Jane McCready. For more information visit famfaith.org or call the church office at 908-464-5177.

(above, l-r) Natalie Carovillano helped with the ministry. Her sister, Audrey, assisted with the bike repairs.

125TH ANNIVERSARY OF FAITH LUTHERAN

1897 was the year that the current Faith Lutheran congregation was created in Summit, NJ and whose members adopted a constitution. Since many were Swedish immigrants, the members named their religious society, the Swedish Evangelical Lutheran Salem Congregation.

The next year, the congregation constructed a church building on Morris Avenue in Summit. Regular church services began.

In 1957 in response to a need for a Lutheran Church in the New Providence-Berkeley Heights area, the Summit congregation, whose facilities required expansion, moved to its current location, 524 South Street, New Providence. The congregation officially changed its name to Faith Evangelical Lutheran Church of New Providence.

On Sunday, June 12, 2022, Faith Lutheran Church of New Providence began the celebration of the 125th year of its founding. The day commenced with a festival worship service at 11 a.m. It was conducted by Rev. Jane McCready, pastor of Faith, and Rev. Robert Kriesat, Rev. Markus Vaga, pastoral associates of Faith.

Rev. McCready offered the sermon, entitled, "Hopes and Dreams." Holy Communion was served.

Enhancing the special service was the music,

led by Shea Velloso, Faith's minister of music. The sanctuary choir sang. A piano duet with Faith member, Nancy Coleman, played. Guest instrumentalists and organist, Mr. Velloso, played prior to and during the service. The congregants, regardless of their vaccination status, wore masks as a visible sign of love for neighbor.

Subsequent to the service, a luncheon was held

in Faith's Educational Center, Franklin Nelson Hall. Socializing and reminiscing were thoroughly enjoyed by the guests. Games were available to the children.

June 12, 2022 was only the first of subsequent occasions on which Faith will be commemorating its 125th anniversary.

STUDENT WORKERS GIVEN SCHOLARSHIPS AND LIFE EXPERIENCES

Lantern Hill

For high school seniors approaching graduation, these last few weeks are a time of reflection—to commemorate academic achievements and appreciate the value of relationships formed with teachers, coaches, friends, and mentors.

For student workers at Lantern Hill, an Erickson Senior Living community in New Providence, N.J., it also represents a chance to be recognized for their hard work and set up for success through four-year scholarships, funded by generous donations from community residents.

At an award ceremony on June 7, three student workers were granted scholarships through the Student Scholarship Program at Lantern Hill. Matthew Joseph Eberle, Shyyanna Higgs, and Ashley S. Kim, members of the Dining Services Department, were awarded \$4,000 scholarships from the community to support their pursuit of higher education.

“Thank you to the generous residents of Lantern Hill for supporting our scholarship program for our hard-working and dedicated students. I would also like to thank our Resident Scholarship Committee for working hard on this initiative,” said Manager of Resident Services Carla Brady. “The relationships that blossom between our student servers and the residents are heart-warming. Laughs, stories, and smiles are

exchanged all the time.”

Eberle, graduating from New Providence High School, will attend Sacred Heart University or the University of Scranton in the fall to pursue a major in marketing. In his application essay, he described how a resident who shared her stories and knowledge had a powerful influence on his life. “She was a role model for me and made me excited to come to work. Knowing her made me a better person and more caring of others.”

Higgs, graduating from New Providence High School, will attend Raritan Valley Community College in the fall to pursue a major in Business and Cosmetology. She wrote in her application essay, “A big reason why I enjoy going to work at Lantern Hill is that the residents are so joyful and supportive, especially when it comes to school.”

Kim, graduating from Union County Vocational Technical High School and majoring in Psychology in the Pre-Health track, will attend New York University in the Fall. Ashley wrote in her application essay, “I love going to work at Lantern Hill because it has helped me with my communication skills. My goal is to become a doctor, and communication is a very important part of that career path.”

For more information about the scholarship program and employment benefits with Lantern Hill, visit ericksonseniorliving.com/careers.

CELEBRATION OF LIFE UNITES THOUSANDS OF ORGAN AND TISSUE DONATION SUPPORTERS

NJ Sharing Network

On June 5, thousands of organ and tissue transplant recipients, donor families, living donors and dedicated volunteers participated in NJ Sharing Network's 5K Celebration of Life Walk and USATF Certified Race in New Providence, NJ. The 5K Celebration of Life, which was sponsored by Pfizer, is the largest fundraising event to support organ and tissue donation and transplantation in the United States.

Participants honored those who gave the gift of organ and/or tissue, paid tribute to those who have received a transplant, offered hope to those currently waiting for a transplant, and remembered those who passed away while waiting for the gift of life. Funds raised by 5K Celebration of Life participants, teams, sponsors, and contributors support the Sharing Network Foundation. Thus far, nearly \$1.3 million has been raised for this year's campaign. Campaign contributions can be made until the end of August by visiting SharingNetworkFoundation.org/5K.

"We were thrilled to come together with our community and safely reconnect in person to share stories and love, tears, and laughter. It was a healing and uplifting experience for those whose lives have been touched by organ and tissue donation and transplantation," said Elisse E. Glennon, Executive Director, Sharing Network Foundation.

According to United Network for Organ

Sharing (UNOS), there are over 100,000 Americans – nearly 4,000 of whom live in New Jersey – waiting for a life-saving transplant. One organ and tissue donor can save eight lives and enhance the lives of over 75 others. To learn more, get involved and register as an organ and tissue donor, visit NJSharingNetwork.org.

ABOUT NJ SHARING NETWORK

Currently celebrating its 35th anniversary, NJ Sharing Network is the federally designated non-profit organization responsible for recovering donated organs and tissue in the Garden State. Last year, 233 generous individuals in New Jersey gave the gift of life, an all-time high for a single year. In addition, 42,112 eye and tissue donations healed and enhanced the quality of life for those in need. With headquarters in New Providence, NJ, the organization has been recognized by NJBIZ as one of the state's "Best Places to Work" for four consecutive years.

ABOUT THE SHARING NETWORK FOUNDATION

The Sharing Network Foundation is committed to increasing the number of lives saved through clinical advancement, family support, public awareness and education about the life-saving benefits of organ and tissue donation and transplantation. By making a contribution, you empower our efforts, bringing us a step closer to providing the greatest gift of all... the Gift of Life.
