## 2022 ALJ COMMENCEMENT CEREMONY

### Clark Public Schools

On Thursday, June 24th, Arthur L Johnson High School held its sixty-sixth commencement ceremony. The event was attended by Board of Education President Steven Donkersloot, Board of Education members, Clark Mayor Sal Bonaccorso, Clark Superintendent Edward Grande, family members, teachers, administrators, and other community members.

As tradition dictates, Assistant Principal, Joseph Cardinale, served as master of ceremonies for the event. Ashley Belverio led the opening ceremony with the Pledge of Allegiance, followed by Maria Guskind singing a very moving rendition of the Star Spangled Banner.

Salutatorian Phillip Brennan gave an impassioned speech harkening back to elementary and middle school. "Remember, embracing change is not as scary as it seems."

Shannon Hening, president of the student council, spoke about the many accomplishments the members of the class have had. "I recently read someone say 'I wish we knew we were living in the good old times before we were out of them.'" She closed by saying, "Hard work pays off. Congratulations to the Class of 2022."

Ashley Belverio, Senior Class President, spoke of the Covid experience that they endured since 2020, and finally reached the near-normal year of 2021-2022. "Appreciate the little things in life. Don't take anything for granted. It can be lost in an instant."

After Belverio's speech, the ALJ Select Choir under the

direction of band director Erik Krebl, sang "Time of Your Life" by Green Day.

Valedictorian Christopher Warnick encouraged the graduates to "walk your own path, no matter what that path is. Nothing is guaranteed but an unknown future doesn't have to be scary."

Steve Donkersloot, Board President, encouraged students stating, "20 years from now you will be more disappointed by the things you didn't do, than by the things you actually did. Explore. Dream. Discover."

Superintendent Ed Grande presented Sophia Argenziano with the perfect attendance award for not missing a single day in four years of high school. He followed this with his own comments to the class. "This class has received \$13.6 million dollars in scholarships. They continue their education in prestigious schools, trade schools, and let's not forget those who have committed to protect our nation in military service."

Finally, Jennifer Feeley, principal of ALJ, addressed the graduating class. This is Feeley's last graduating class of her career since she is retiring after 29 years of being a teacher and administrator in Clark Public Schools. "You are firm, compelling and driven. These are everything a Crusader is made of, she said in closing.

Following the speeches, Phillip Brennan and Christopher Warnick called out all the names of the graduates, as members of the Board of Education took turns bestowing them to the recipients. Cardinale closed the ceremony by announcing, "Ladies and gentlemen, I give you the ALJ Class of 2022!"

Chess for Fun is a casual group of chess players who have been meeting for roughly 50 years. The group's players come from all over, and in the case of Larry Morse, as far away as Whitehouse Station. The most senior player, at 98 years old, is still playing strong.

It their earlier years the group met at the Rahway Public Library when it was located on St. Georges Avenue. In 1999 a flood destroyed the library. Chess for Fun has been meeting in

the Clark Public Library every Thursday from 11:00 a.m. to 3:00 p.m. And at Max's Pizza & Bistro in Scotch plains on Monday mornings at 11 a.m.

There are no formalities to the group. It is not an established club with officers or membership. Everyone of any ability is welcome to participate. Regulars bring their own board to share so it is not necessary to bring a board, but it would be helpful if you can.

(above, standing, l-r) Players and hometowns: Larry Morse, Whitehouse Station; Mark Shoengold, Colonia; Jack Rothstein, Edison; John Foy, Scotch Plains; Bodre. (seated, l-r) David Goldstein, South Plainfield; Neil Landau, Edison; Matthew Bistis, Mountainside.

## FUN DAY BENEFITS CLARK VOLUNTEER EMERGENCY SQUAD

Submitted by Susan Alacchi

This year, Valley Road School was able to hold its "Hats On Day." The event has been held for about 10 years – except for last year due to COVID restrictions. Lorraine Haney, a teacher at the school, has been organizing this as a fund raiser for the Clark Volunteer Emergency Squad. Ms. Haney's daughter, Erin, is a former member of the Squad. After completing her education, Erin is still an EMT and is the Safety Supervisor at Infinium in Linden.

This year's event over collected \$600 which was donated to the Squad. Presenting the check to Susan Alacchi of the Squad were Principal Joseph Beltramba, Valley Road PTA President Darlene Alicea, Lorraine Haney, and students Elisa Perez and Alek Velovic.

The Clark Volunteer Emergency Squad will

soon be celebrating its 81st anniversary of serving the emergency medical needs of the people of Clark. As always, we depend on the financial generosity of the public since we do not charge for our services. Some of the areas the squad is currently targeting as priorities for funding are: specialized equipment for pediatric patients, trauma management, as well as continual education for our members in such areas as defibrillation, pre-hospital trauma and pediatric emergencies. In addition, we will utilize donations to ensure that the ambulances are in the best condition possible, as well as the squad house. It is only through the generosity of individuals that the squad is able to survive.

Please be assured that the Clark Volunteer Emergency Squad strives every day to ensure that we will be there for all the members of our town should the need arise.

## STUDENTS PARTICIPATE IN SHARED TIME PROGRAM

### Clark public Schools

Arthur L. Johnson High School students have the opportunity to participate in the Shared-Time Union County Career & Technical Institute Programs for tenth, eleventh and twelfth grade students on a part-time basis. Union County Career & Technical Institute offers a variety of shared-time programs for students interested in a vocational-technical curriculum. The ALJ Shared-Time program provides students with an opportunity to learn valuable skills and gain real-world experience in a trade program while also completing their high school graduation requirements at ALJ.

Students can take courses in Welding Technology, Culinary Arts & Hospitality, Allied

Health, and Automotive Technology just to name a few. Some programs, like Cosmetology, are three-year programs while others, like Criminal Justice, Masonry, and Commercial Art, are two-year programs.

Recently, twelfth grade students in the Cosmetology program have had the opportunity to work part-time in salons or other related businesses to improve their techniques, utilize their knowledge, and gain experience in the field.

The Union County Vocational Technical Adult School also offers an array of postsecondary programs for graduating seniors at ALJ including Automotive Technology, Cosmetology, Electrical Technology, and HVAC/Plumbing.

## RELIEF FROM CHRONIC KNEE PAIN

### FDA Approved Treatment to Avoid Surgery

### DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

### If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

### Consider This Alternative To Surgery

**Northeast Spine & Wellness Center** offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

### How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain. Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

### Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

### Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation. Call 732-827-0800

## HISTORY REENACTMENT AUG. 13-14

Dr. Wm. Robinson Museum

On August 13th and 14th from 9 a.m. – 3 p.m. the Dr. Wm Robinson Museum will host the Von Prueschen's Jaeger Corp/Hessian Riflemen/1776-1781 reenactment group at the museum. This group represents the German Jägers of the American Revolution and represents the German camp followers. The members of this group are dedicated to researching and portraying the life and roles of the Hessian Feldjäger Corps under Johann Ewald during the American war of independence. The British employed large numbers of German soldiers ("Hessians") during the American Revolution. The use of foreign troops provided the British with a ready source of well-trained and equipped troops. This relieved the British of the burden of raising an army in England.

During the weekend this group will set up a "flying" camp, what today we might call a mobile unit in the military, on the front lawn of the museum. There the group will display weapons and basic equipment used during that time period by their group and they will be conducting some basic drills and firing demos along with speaking about the history of these groups and answering questions you may have.

The museum is located at 593 Madison Hill Road, Clark NJ and is on the National Registers of Historic Places. On street parking is available and admission is free. For more information, check our website at DrRobinsonMuseum.org.

## RELIEF FROM THE HEAT

With temperatures in July reaching 100 degrees, Emma Fiumefreddo, age 10, and Anniston Triola, age 9, set up a lemonade stand on Oakridge Road in Clark, NJ, to offer a cool respite for neighbors. Word spread and soon the young entrepreneurs were working hard to keep up with the demand. Running every aspect of the business was an excellent learning experience and potentially a great theme for their back-to-school report on “What I did during my Summer Vacation.”

(above, l-r) Some of Clark's Finest were satisfied customers of Anniston Triola and Emma Fiumefreddo lemonade stand.

## ANNUAL FAMILY NIGHT AT THE SOMERSET PATRIOTS

Recreation Director Ralph Bernardo was happy to gather the community for Clark's Annual Family Night at the Somerset Patriots after a two-year break from the annual tradition. “We've been doing this for years, so many people bring their kids to these games, it's an affordable night out and it drove me crazy not to be able to

do this event the last few years,” said Bernardo. “It was fun to be back.” The stadium was completely sold out with 8,400 people in attendance as 100 members of the Clark community joined in to watch the Patriots play the Akron Ducks and then a fireworks show afterwards.

## TEMPLE BETH O'R BETH TORAH DEDICATION CEREMONY

On Sunday July 10th, more than 75 guests attended a sign dedication ceremony in front of Temple Beth O'r Beth Torah, 111 Valley Road, in Clark, New Jersey.

The Synagogue's new sign is dedicated to honor the memory of longtime temple members and community leaders, Alan and Judy Rubin. Alan, an electrical engineer by profession, served as president of Temple Beth Torah in the late 1960's, for a period as President of the Jewish Horizon newspaper, and as a campaign chair for Jewish Federation of Central New Jersey. Judy was an active supporter of Beth Torah's Sisterhood, the Torah Fund of United Synagogue's Women's League, and the youth group USY. They were married 61 years and leave behind children active in Beth O'r Beth Torah, as well as two married grandchildren and four great-grandchildren.

Mindy Leibowitz spoke at the ceremony and was joined at the ceremony by sister Laurie Rubin, husband Ed and all of of the Rubin's children and grandchildren. They were overwhelmed by the outpouring of enthusiasm for the dedication. Laurie and Mindy shared, "Our parents would have been humbled by the outpouring of love and emotion by people attending the ceremony. They would have appreciated that their efforts were bringing attention to our vibrant Jewish community".

The sign dedication coincides with major renovations at the Clark synagogue, including new lighting and significant security upgrades. Driving down Valley Road one can see the new,

recently completed landscaping.

The Conservative synagogue is led by its Spiritual Leader Rabbi Steven Stern who is also a professionally trained Cantor. A new slate of lay leaders was recently installed led by co-presidents Fern Cammy and Jonathan Phillips. The synagogue is a vibrant center of Jewish life

in Central New Jersey, noted for its warm and welcoming inclusivity, uplifting religious services and educational programs for children and adults. For more information, or to schedule a visit, contact Rabbi Stern or the Temple office at 732-381-8402, check the Temple Facebook page, or visit at bethorbethtorah.org.
