POLICE, FIRE AND EMS HOST NATIONAL NIGHT OUT

Borough of Fanwood

Fanwood's police, fire and EMS responders hosted the National Night Out at LaGrande Park Tuesday evening, August 2nd, a celebration of good relations between emergency responders and the community. Our police department was the lead agency in hosting food, games, a dunk tank, bounce house, kid rides and public safety agencies reaching out to citizens. Thanks to the Fanwood Police Department, PBA, Fire Department and Rescue Squad for being great hosts and all the local businesses and community groups who took part.

IS THERE MORE TO LIFE THAN THIS?

Immaculate Heart of Mary Church to Host "Alpha" Sessions

(above) Join the conversation "Is There More to Life Than This?" during the free Alpha series hosted by Immaculate Heart of Mary Church in Scotch Plains.

In a world of isolation, anonymity, and keyboard-warriors, Alpha offers content and guidance for churches, ministries, and individuals to create a space for honest and open conversations about life's biggest questions. Everyone is welcome and no questions are off limits.

Alpha is a place to connect with other people who are open to exploring life, faith, and meaning. Alpha fosters honest, open, and judgment-free conversations for anyone to explore the Christian faith. Each session includes a time to connect with others (often over a free meal), watch a short video on an element of the Christian faith, and then a chance for each person to share thoughts and questions with the group.

"I was invited to participate in the first Alpha pilot. From the initial meeting, I knew this was something that I wanted to be a part of," explains Nancy Schreck. "After completing the pilot, I joined the Alpha team to help plan for the future of Alpha at IHM. It's a wonderful opportunity for people at any level of faith to meet new people and explore new ideas."

Sessions are free to attend and are scheduled on Monday nights at 7:30 p.m. The first meeting will be live and in person on Monday, September 19, 2022, at the Nazareth Center of Immaculate Heart of Mary (IHM) Church, 1571 S. Martine Ave. Scotch Plains. Good food and conversation will be offered to all in attendance. Most meetings after that will be hosted on Zoom. Links and directions will be provided to those who register. Participation is capped at 30 people.

"When I offered tech support for the pilot program at IHM, I had no idea what I was in for. I'm not very religious. But Alpha was an unexpected surprise!" offers Gabe Lamberty. "The program was interesting and entertaining. And it was nice to meet new folks from the community. Overall an unforgettable experience."

"I'm looking forward to the Alpha experience this fall," says Lou Zappo. "It sounds like a lot of fun, and who knows, I might learn something about myself."

Signup on by visiting the IHM website: ihmparish.net. If you have questions about Alpha, contact office@ihmparish.net.

FANNYWOOD DAY STREET FAIR - SEPT. 18

The 26th Annual Fannywood Day Street Fair will be held on Sunday, September 18, 2022, 10 a.m. – 5 p.m., along 200 South & Martine Avenues, in Fanwood, NJ.

Hosted by the Borough of Fanwood and the Fannywood Day Committee, Fannywood Day is much more than just a street fair. Besides the many food and craft and retail vendors, this year's Fannywood Day will host a wide array of

activities including the return of kid-friendly activities in the KIDS ZONE such as a trackless train and kiddie rides, and The "Kidz Traveling Shindig" which is a section with kiddie bounce rides, slides and interactive blow ups, face painters, sand art and kids games just to name a few things.

As you stroll along, stop to have a bite to eat and sit at tables in our live music area. See the

show we have planned with live music, dancing, karate demonstrations and more. So come hungry and enjoy eating carnival food favorites like a sausage and pepper sandwich, cheese steaks, kettle corn, chicken fingers, ice cream, zeppole, shish kabobs, gyros, fresh cut fries, fresh squeezed lemonade, Italian ice and the many great gourmet foods from the food trucks.

VOLUNTEERS NEEDED FOR FANNY WOOD DAY

On September 18th, the Borough will once again host our annual street fair. While a small committee has been working to pull the event together, volunteers for the day of the event are needed. No heavy lifting or challenging tasks, but we can use some extra hands to assist with the fun stuff, like the Scavenger Hunt, Bagel Toss

and other challenge games.

The event runs from 10 a.m. to 5 p.m. and you're welcome to join us for the entire day or just a part of the day, whatever suits you.

Please consider participating in this fun event and reach out to phoynes@fanwoodnj.org if you're willing to add your name to the list.

GIRL SCOUTS HOST PUPPY PALOOZA

By: Naima Jagdish

On June 18, 2022 my Girl Scout Troop 40782 of Scotch Plains-Fanwood hosted an event. This event was an activity for our Bronze in Girls Scout, the highest award that Junior Girl Scouts can earn. We have worked on this award since October, 2021. This event has taken a lot of work and effort. The event was very successful and we were very happy that all of our work had paid off.

This event was called "Puppy Palooza". We invited many of our Scotch Plains and Fanwood neighbors and their furry little pets to come to our event which included a dog obstacle course, photo booth and the sale of our homemade items. This event was to support our local shelter, the Plainfield Area Humane Society. We collected many donations in the form of money and items such as laundry detergent, paper towels, bleach and so much more. We made toys, accessories, and treats to sell at our event. All the money was donated to the shelter.

The purpose of this event was not only to collect donations for the shelter, but it was also to inform pet owners about how to properly take care of their dogs. We made brochures that we passed out in the event. We had a meeting with some of the people at the shelter. All the information that they told us like, how important it is to microchip your dog and how the shelters can provide food for pets if you can't afford what your pet needs. We put this information about how to properly take care of your pet in a brochure.

We had many impacts and improvements on and in the community because of this event. Some impacts we had on the community was our event itself. The event provided exercise for the pets and was fun and entertaining for the pets. The obstacle course and just interacting with other dogs was a lot of fun for the dogs. The dogs would get rewarded with homemade treats after completing an obstacle. We decided to do an obstacle course because the vet at the shelter talked to us about how many pet owners did not give their pets enough exercise and interaction with other pets. Another impact we had on the community was, we informed people about caring for pets and the shelter services. The final Impact we had on the community was we brought our community together. We saw very generous donations from our community, we raised \$346 for the shelter and 6 boxes of supplies for the shelter which really helped the

animals. All this money will be used for making improvements to the shelter.

This event has taught me and my troop so much. I learned about how to properly take care of a dog properly. I also learned about all the important work the shelters do. I learned about how they take care of the shelter pets and all of the things that they provide for pet owners. I learned about what they need and what the shelter provides. I also learned how to make homemade dog treats, toys and accessories for dogs and cats. The final thing I learned was organize and run an event, including all of the time and attention to details.

Planning the event took many hours of work, carefully creating the flyers, brochures, treats and activities. All the troop girls and our troop leaders worked together to make this a memorable event and helped us to earn our Bronze Award!

PEDESTRIAN DECOY EDUCATES DRIVERS ABOUT NJ CROSSWALK LAW

Borough of Fanwood

Fanwood Police were out at Martine and Trenton Avenues on August 18th, doing another pedestrian decoy detail to educate drivers about the NJ crosswalk law.

Sgt. Phil Ugone was the decoy, attempting to cross Martine Avenue in the crosswalk while vehicles either obeyed the law and stopped, or ignored the law and cruised through without even slowing down. Officers down the road pulled over violators and handed them a pamphlet reminding them of the law which requires cars to stop for pedestrians in the crosswalk and remain stopped until they are all the way across the street. A total of 155 vehicles were stopped

including quite a few tractor-trailers and commercial vehicles. No tickets were issued...this time.

The crosswalk at Martine and Trenton is a walking route for children and parents going to McGinn Elementary during the school year. There is a crossing guard there during school hours. The rest of the time, pedestrians using the crosswalk must be aware of traffic and, as demonstrated today, those drivers who ignore the crosswalk law.

A similar decoy detail occurred in June of this year on Midway Avenue, resulting in 89 stops. The program is partially paid for by a grant administered by Triple-A.

(above) Sgt. Ugone watches a violator cross in front of him. Quite a few of the violators were commercial vehicles and tractor-trailers.

VETERANS ENHANCEMENTS DISCUSSED

Borough of Fanwood

During a recent Fanwood Borough Council meeting, Fanwood resident and Air Force Reservist Oshanda Erb announced new initiatives to benefit Fanwood veterans including a proposal to create parking spaces for vets in the municipal lot and create a page on the Borough website with resources and events benefitting local veterans. The goal is to have the programs up and running by Veterans Day. Borough Attorney Russ Huegel said the Borough parking ordinance would have to be amended to accommodate spaces earmarked for vets. Mayor Colleen Mahr believed it could easily be accomplished by Veterans Day.

PERFORMANCE SERIES FALL SCHEDULE

Fanwood Performance Series

Singer-songwriters and indie bands will take the stage as the Fanwood Performance Series presents three concerts this fall.

The season begins September 10 with New Jersey's own Bryan Hansen Band, playing their original blend of funk, rock, and soul. Their most recent album is "Gas Money," and they also have brand-new tunes to play. Patrick Collins, a singer-songwriter-guitarist from the Hudson Valley, shares the bill.

On October 8, Nashville-based singer-songwriter-keyboardist Kate Klim will perform her "sad songs sprinkled with hope," including selections from her new album, "Something Green." Plus, Andrew Delaney brings his darkly witty "post-modern anti-folk" to round out the show.

The November 12 show will feature the

Afro-Peruvian jazz sounds of Forbidden Tropics, a five-piece band from Central New Jersey, along with Matt Bednarsky, a world-traveling troubadour now based in eastern Pennsylvania.

All shows start at 7 p.m. at the Patricia M. Kuran Cultural Arts Center, also known as the Old Carriage House, on Watson Road alongside Fanwood Borough Hall. The suggested donation for admission is \$15, or \$10 for students and seniors.

For more information, visit

fanwoodperformanceseries.org or look for Fanwood Performance Series on Facebook.

The series is presented by Mayor Colleen Mahr and the Fanwood Borough Council, with financial support from the Union County Board of Commissioners' HEART grant program and the donations of attendees.

PROGRAM TO FEATURE UNION COUNTY'S REIGN OF TERROR

The Union County Historical Society is pleased to host Dr. Walter E. Boright for a program entitled "Union County's Reign of Terror" on Sunday, October 2 at the Cranford Community Center, 220 Walnut Avenue, Cranford. As seating is limited, an advance reservation is suggested by emailing the society with the number attending at uncohissocl@gmail.com.

The presentation centers on a Union County man who earned infamy as one of the most notorious killers in the state of New Jersey. His rampage in the 1950s into the 1970s began with grave desecration and arson, and escalated to rape, murder, and cop killing. He was not linked to some of his crimes until decades after they were committed. This serial killer eventually was convicted of murder and imprisoned for life where he later died of natural causes.

Union County Historical Society President Joanne Rajoppi said, "We are excited to have Dr. Boright, a noted author and historian, review the

history of these crimes for the Society's program. Dr. Boright is a respected, well-known author of six local history books and nearly 200 published articles about local, county, and New Jersey State history," she added.

Dr. Boright earned a bachelor's degree as a history major from Kean University in Union where he also taught New Jersey history. He taught history in Clark schools and became a New Jersey superintendent of schools. He earned master's and doctoral degrees at Seton Hall University. He served as a Kenilworth councilman and was elected five times to the Union County Board of Chosen Freeholders (now the Board of Commissioners). Dr. Boright has presented many programs to schools and organizations about local, regional, and New Jersey history.

The program is open to the public without charge. Parking at the Cranford Community Center is adjacent to the center and library with free off-street parking.

ROTARY INDUCTS NEW OFFICERS

Submitted by Maria LaMorte-Wright

Al Smith was recently inducted as the new President of the Fanwood-Scotch Plains Rotary Club for the 2022-2023 Rotary year. New officers Talib Morgan (President-Elect) and Susan Pastir (Secretary) and board members were also sworn in. All officers and board members were sworn in by Past District Governor Ann Walko.

During his presentation, Al Smith said, "we have to shake things up. The world has changed, and if we want to remain relevant, Rotary will

also have to change." He discussed his many ideas for the new Rotary year, including opportunities to revitalize the club, increase diversity, and spread awareness about Rotary to the local community. Smith noted he is very excited to lead the Rotary Club and plans to follow Rotary's motto of "Service Above Self".

Smith has already introduced some changes to revitalize the club, including offering a new meeting structure. The first three meetings of the month will be held at 12:15 p.m. The first meeting will be virtual and the following two

will be in person at the Stage House in Scotch Plains. The fourth meeting of the month will be held at 6:30 p.m. at Darby Road. The in-person meetings so far have ranged from topics such as mental health awareness, acupuncture, and fundraising.

The Fanwood-Scotch Plains Rotary Club has been serving the community since 1938. In 2023, the club will celebrate its 85th Anniversary. For further information about the club, go to fsprotary.org or visit their Facebook page: Fanwood-Scotch Plains Rotary Club.

(above) Past President Deanna was virtually presented with a Paul Harris pin and she discussed all the accomplishments of the past year, including a fundraising initiative for the people impacted by war in Ukraine. The initiative raised \$10,000 and funds were distributed to Shelterbox, the Rotary International Disaster Fund, and the Rotary Club of Poland (to provide assistance to Ukrainian refugees). Pictured are President Al Smith, President-Elect Talib Morgan and Secretary Susan Pastir.

This award is given annually to a member of the SPF HS Interact Club who demonstrates a commitment to community service and volunteerism. Joe's children, JoAnne and Sami, attended the ceremony and said a few words about their dad's dedication to Rotary and to the service of others. Joe's wife, Annie, also attended.
