The New Jersey Veterans Network

The New Jersey Veterans Network (NJVN) works with many different organizations to bring food, groceries, and clothes to veteran families in need. One organization they've worked with is Strangers Helping Strangers (SHS). They've provided over 100 meals for veterans and their families while pairing up with the NJVN over multiple projects. SHS itself distributes 20,000 pounds of food in Elmwood Park, NJ.

On Friday, August 12, 2022, Doc Schupp, Director of Veterans Outreach for NJVN, and Dennis Duddie, American Legion Department Vice Commander, presented the Strangers Helping Strangers team with four awards, including a Hero Award for team President Chris Braitsch, a Certificate of Commendation, as well as the Community Service Award, recognizing their continuous support for Veterans and their families. Strangers Helping Strangers was also presented with the Certificate of Appreciation from The Department of NJ State VFW and an NJVN Community Service award.

When asked about the assistance that SHS has provided for the Veteran Community, Doc Schupp said, "This team (SHS) has provided for our State's heroes time and time again, we are blessed to have them as partners."

Strangers Helping Strangers was created during the COVID-19 crisis, and has continued to work with the New Jersey Veterans Network to provide for our veterans. They work closely to provide not only goods for those in need, but they

also give hope in times of crisis. While SHS provides the food and groceries, the NJVN distributes them directly to the veterans homes. It's a wonderful system that has helped improve the lives of so many veterans and their families.

NEW DAR YEAR BEGINS WITH MEETING ON SEPTEMBER 12

The Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution (DAR) will hold their first meeting of the new DAR year on Monday, September 12, 7 to 9 p.m.

Members will discuss upcoming events, including the chapter's annual Awards Presentation for youth groups, gathering animal shelter donations as a DAR Day of Service project, collecting holiday gifts for hospitalized veterans, and participation in Wreaths Across America. Information will be shared on the upcoming New Jersey DAR Fall Meeting at Forsgate Country Club, New Jersey Sunday at Valley Forge, and long-range plans for celebrating America's 250th birthday.

The chapter holds meetings on the second Monday of the month, September through November, and March through May, with a luncheon in January. Meetings include a business session, program, and light refreshments. State meetings are held in early spring and fall, and the National Society's Continental Congress is held in June at Constitution Hall in Washington, D.C.

The DAR is a nonprofit service organization open to all women 18 and over who can trace their descent from a man or woman who aided the cause of independence during the American Revolution. Volunteers are available to assist prospective members with the application process. Membership in the DAR honors and preserves the legacy of our ancestors through supporting the Society's mission of historic preservation, promotion of education, and

patriotic endeavors. Learn more online at DAR.org.

Based in Green Brook, Elizabeth Snyder-Continental Chapter was founded in 1896 and serves areas of Somerset, Middlesex, and Union counties. The chapter also sponsors the Pis-Cat-

A-Qua Society of the Children of the American Revolution, open to girls and boys from birth to age 22. New members to both organizations are welcome. Please contact the chapter at ESCRegent@yahoo.com for more information about membership and to attend meetings.

CASA SHAW ANNOUNCES NEW PODCAST, THE CASA CONNECTION

Court Appointed Special Advocates of Somerset, Hunterdon, and Warren Counties (CASA SHaW) has announced their creation and unveiling of the "CASA Connection" podcast that individuals in the region and beyond can now subscribe and listen to. This new podcast aims to educate and facilitate

discussion about the world of foster care.

"We started this podcast as a way to further our community outreach with individuals of all backgrounds about the trends and issues surrounding foster care," said Tracey Heisler, Executive Director of CASA SHaW. "The multi-faceted issues and discussions we are having through the CASA Connection reach far beyond just our region and state. We hope that folks throughout the United States, and even the world, find the information we are sharing valuable," said Heisler.

Individuals can subscribe to the CASA Connection podcast on Apple Podcasts, Podbean, Amazon Music, and iHeartRadio. Three episodes have been published to date: CASA 101: What is CASA?, Poverty in Foster Care, and Mental Health in Foster Care. The podcast is hosted by Heisler and CASA SHaW's Director of Community Outreach, Jeff Warren.

Heisler said while smiling, "it's called the CASA Connection for a reason. We want to connect more folks with the many issues that face foster children and families who have challenges." Heisler also said, "The more connection, education, and resources we have, the more we are able to combat the many challenges abused and neglected children face."

CASA of Somerset, Hunterdon, and Warren Counties is part of a statewide network of community-based, non-profit programs that recruit, screen, train and supervise volunteers to "Speak Up for a Child" removed from home due to abuse or neglect. CASA is the only program in New Jersey that uses trained volunteers to work one-on-one with children, ensuring that each one gets the services needed and achieves permanency in a safe, nurturing home.

(above) Works of Green Brook resident and self-taught photographer, Stephanie Napholtz, will be on display at SCLSNJ's Warren branch through September 29, 2022.

Through September 29, 2022, the Art Space at Somerset County Library System of New Jersey's (SCLSNJ) Warren branch will be exhibiting the work of Green Brook resident and self-taught photographer, Stephanie Napholtz.

The exhibit, consisting of 24 images, captures the diversity of the world around us - from skyline, to architecture, to nature and wildlife photography.

"I think that most people go through life not realizing or recognizing how beautiful the world around them is," said Napholtz. "My hope is to just give people a chance to take a moment, to slow down and see the beauty that we all tend to rush and pass by."

The exhibit includes an aerial view of New York City taken from a helicopter as well as a close-up look at a pair of great-horned owlets hiding in plain sight.

(above) Bridgewater Branch Manager Meredith Hoyer pictured alongside a Democracy Conversation Project Storybox.

Through November 8, 2022, the Somerset County Library System of New Jersey (SCLSNJ) will be participating in a statewide initiative in partnership with the New Jersey Council for the Humanities (NJCH) called the Democracy Conversation Project.

The goal of the program is to discover what New Jerseyans have to say about the state of our democracy. The tool that SCLSNJ and NJCH are using to collect this information is called Storybox. These Storyboxes provide a place for New Jerseyans to add their voices to the national story with personal reflections on preprinted response cards.

Join the conversation at SCLSNJ's Bridgewater, Hillsborough, North Plainfield, Somerville, Warren, and Watchung branches. To learn more about the Democracy Conversation Project, visit: njhumanities.org/programs/museum-on-main-street/dcp.

EXPLORING STEAM AT THE LIBRARY

Patrons at the Somerset County Library System of New Jersey's (SCLSNJ) Watchung branch recently explored basic chemistry concepts during a STEAM program by making play dough using general kitchen baking ingredients.

"STEAM stands for Science, Technology, Engineering, Art, and Mathematics," said Katie Salerno, youth services librarian. "The Watchung branch hosts monthly STEAM programs intended for children in or entering grades Kindergarten through 5th grade. STEAM programs include hands-on experiments where we discuss expected outcomes and inquire what will happen next as we learn the science behind a topic."

Continued Salerno, "What we learned during this experiment was what to do if the play dough

was too wet or too dry. We learned to add more flour if it's too wet and add more water if it's too dry. It was very messy but very fun and informative!"

FROM TRAGEDY TO TRIUMPH

The Valery Fund

Overcoming unimaginable obstacles to accomplish great things and making a difference in their communities. Sue and Ed Goldstein, longtime Warren, New Jersey residents, suffered an unthinkable tragedy not once, but twice: losing both their daughters to cancer. In the face of their grief, the Goldstein's used their losses to help others, creating programs in the wake of each daughter's passing. Their extraordinary efforts over the past 40 years resulted in the creation of The Valerie Fund and The Stacy Goldstein Breast Cancer Center at Rutgers Cancer Institute of New Jersey. Both organizations continue to provide hope and life-saving treatment for thousands of people.

The Valerie Fund is excited to partner with Warren Township residents this year in an initiative to support The Valerie Fund Walk & 5K to be held on Saturday, September 17, 2022. Now in its 17th year, the walk will take place in Verona Park on September 17th. The local effort is spearheaded by Helena, a freshman at Watchung Hills Regional High School. Participating high school students are learning fundraising skills, while also making a difference in the lives of kids battling cancer and blood disorders. Registrations and donations can be made online at thevaleriefund.org/about/board/ed-sue, or checks can be mailed to The Valerie Fund 2101 Millburn Ave., Maplewood, NJ 07040.

ABOUT THE VALERIE FUND

The Valerie Fund relies on the dollars raised to help the children who live in our community. The Walk and 5K Run will support our mission to provide comprehensive health care for children with cancer and blood disorders. Every step you walk or run and every dollar you raise helps at The Valerie Fund Centers. Patients receive far more than treatment for their physical illnesses. Our philosophy is that to truly heal the children with whose care we are entrusted, we must treat them emotionally, socially, and developmentally, as well as medically. Each patient is provided a team of social workers, psychologists and child life specialists that support them through their journey, which eases the burden so the family can concentrate on healing.

(above) Saturday, September 17, 2022, join us in Verona Park, Essex County, for our Walk & 5K Run. Registrations and donations can be made online at:

thevaleriefund.org/about/board/ed-sue, or checks can be mailed to The Valerie Fund 2101 Millburn Ave., Maplewood, NJ 07040.
