FORMER MAYOR MAUREEN OGDEN PASSES

MILLBURN TOWNSHIP

Former Mayor Maureen Ogden, who served as Millburn Township's first female Mayor from 1979 to 1981 and dedicated decades of her life to public service, passed away in August at age 93.

"Mayor Ogden was a tireless and passionate public servant for Millburn Township residents", said current Mayor Maggee Miggins. "She was a pioneering advocate for environmental causes and wetlands preservation. The Township has lowered our flags to half-staff to honor her memory."

Ogden went on to serve seven terms in the New Jersey General Assembly between 1982 and 1996. She chaired the Assembly Committee on Conservation, Energy and Natural Resources as well as the Assembly Arts, Tourism and Cultural Arts Committee and the Assembly Environment Committee.

Ogden was a staunch champion for the environment during the 14 years she served on the State Assembly. During her tenure she authored major legislation to protect watersheds and wetlands. In 1994, Ogden created a \$350 million fund for the purposes of preserving open space, farmland, and historic preservation.

"Assemblywoman Ogden was a passionate supporter of the arts and steadfast champion of the environment," said Governor Phil Murphy. "As we honor her legacy as a leader and trailblazer, we commemorate her many

achievements in State politics and conservationism."

Ogden's husband, Bob, passed away in 2010. She is survived by her three sons, including former Summit Councilperson Henry Ogden, and her grandchildren.

The Township of Millburn offers its sincere condolences to her family and loved ones.

ELIAS BIKALES COMPLETES CIVIL AIR PATROL PROGRAM

Millburn High School student Elias Bikales has completed a Civil Air Patrol program which offers a select group of its cadets the opportunity to train side-by-side with Air Force pilot trainees. Bikales, aged 15 and a rising 10th grader, trained with military flight simulators,

pilot oxygen masks, nausea-inducing spinning machines and other intriguing high-tech equipment. The program, held this July at Columbus Air Force Base in Mississippi, is called Specialized Undergraduate Pilot Training Familiarization Course and gives cadets a one-week taste of what Air Force pilot candidates learn over the course of a year. Thirty-one cadets came to participate from as far away as Alaska and Puerto Rico; Bikales was one of just two participants from the Northeast.

In Civil Air Patrol, Bikales is referred to as Cadet Second Lieutenant Elias Bikales, as he has moved up in rank and become a commissioned cadet officer during his more than three years of membership. His squadron, Curtiss-Wright Composite Squadron, is based at the American Red Cross Building in Fairfield.

Separately, Bikales is working toward a glider pilot license, and hopes to begin learning to fly powered aircraft next year. He may use this

summer's training toward a career in aerospace engineering, civilian or military piloting or other fields with an aviation focus.

Bikales' other passion is classical music; he is a violist with the Ravina Orchestra based in Columbia High School in Maplewood, as well as with the Millburn High School orchestral program. By sheer coincidence, he was privately tutored by Flora Yousefi for years before she was named head of MHS orchestral education program.

Interested in Civil Air Patrol? The Cadet Program for 12- to 18-year-olds meets every Tuesday from 7-9 p.m. at The American Red Cross Building in Fairfield. Adults can also join CAP to serve the public in Emergency Services and to support the cadet program.

For more information about the Civil Air Patrol contact Lt Col Carol McCloud at carol.mccloud@njwg.cap.gov, or visit GoCivilAirPatrol.com.

STRANGERS HELPING STRANGERS - THE NEW JERSEY VETERANS NETWORK

The New Jersey Veterans Network (NJVN) works with many different organizations to bring food, groceries, and clothes to veteran families in need. One organization they've worked with is Strangers Helping Strangers (SHS). They've provided over 100 meals for veterans and their families while pairing up with the NJVN over multiple projects. SHS itself distributes 20,000 pounds of food in Elmwood Park, NJ.

On Friday, August 12, 2022, Doc Schupp,

Director of Veterans Outreach for NJVN, and Dennis Duddie, American Legion Department Vice Commander, presented the Strangers Helping Strangers team with four awards, including a Hero Award for team President Chris Braitsch, a Certificate of Commendation, as well as the Community Service Award, recognizing their continuous support for Veterans and their families. Strangers Helping Strangers was also presented with the Certificate of Appreciation from The Department of NJ State VFW and an NJVN Community Service award.

When asked about the assistance that SHS

has provided for the Veteran Community, Doc Schupp said, "This team (SHS) has provided for our State's heroes time and time again, we are blessed to have them as partners."

Strangers Helping Strangers was created during the COVID-19 crisis, and has continued to work with the New Jersey Veterans Network to provide for our veterans. They work closely to provide not only goods for those in need, but they also give hope in times of crisis. While SHS provides the food and groceries, the NJVN distributes them directly to the veterans homes. It's a wonderful system that has helped improve the lives of so many veterans and their families.

SEPTEMBER IS FALL PREVENTION AWARENESS MONTH

Stats about falling:

- About 36 million falls are reported among older adults each year—resulting in more than 32,000 deaths.
- Each year approximately 3 million older adults are treated in emergency departments for a fall injury.
- One out of every five falls causes an injury, such as a broken bones or a head injury.
- Each year at least 300,000 older people are hospitalized for hip fractures.

While older adults are at highest risk for sustaining a serious injury due falls, everyone is at risk. The good news is, proper understanding and a plan can often prevent falls from occurring.

As people age they experience natural aging. It is common for older adults to experience stiff joints, poor eyesight, and decreased muscle strength along with poor balance. Natural aging along with some chronic conditions can increase their risk of falling. Fall prevention begins with accessing the environment as well as the older adult's health condition.

Tips for assisting in preventing fall:

Assess the Environment

- Remove clutter from pathways.
- Arrange furniture to make rooms easy to navigate.
- Remove or secure throw rugs.
- Use assistive devices to retrieve items from high shelves.
- Use a cane when walking on uneven surfaces.
- Encourage individuals to wear shoes with non-slip soles.
- Ask individuals to avoid walking in stocking feet on wood floors.
- Replace shoelaces that tie with elastic ones that will not come untied and present a tripping hazard.
- Organize the house so items used most frequently are at waist level, minimizing the need to bend or climb.
- Apply high-contrast colored tape to top and bottom of stairs and thresholds.
- Make sure the home and stairway lighting is adequate.
- Use a night light and/or leave a light on in the bathroom to reduce the risk of falls in the dark.

- Encourage individual to use walking aids (canes, walkers).

Health issues linked to falls:

- Dehydration.
- Poor vision.
- Medications.
- Chronic conditions such as cataracts, arthritis, and Parkinson's disease.
- Alzheimer's and dementia.
- Poor nutrition.
- Insomnia.

It is important to understand a person's history with falls and changes in condition such as mobility, weight loss, nutrition and mental ability. Although it is impossible to prevent all falls, encouraging daily exercise to increase or maintain physical strength can help lessen the possibility.

Home Instead Senior Care:

Home Instead Senior Care located in Millburn, NJ is committed to reducing the risk of falls for older adults. Please call the office if you would like a free Home Safety Assessment, or more information about how to stay safe at home.

TROOP 17 SCOUTS EARN MERIT BADGES AT SUMMER CAMP

Submitted by Kevin Radics

More than three dozen Troop 17 Scouts and leaders visited Yawgoog Reservation in Rockville, Rhode Island for summer camp. We spent seven days and six nights at the 107-year-old camp at a pond-side site that provided a cool breeze at night and a great spot to swim, sail, kayak, stand-up paddle, and canoe.

During the week Troop 17 Scouts earned a total of 155 merit badges. The merit badges covered a wide array of topics, including Art, Forestry, Canoeing, Citizenship in the World, and Plumbing. Scouts working on the Wilderness

Survival merit badge built their own shelters out of branches and leaves and spent the night under the stars.

In their free time, Scouts enjoyed fishing from the shoreline, running through a blowup obstacle course, and playing games with friends. A highlight of the week was climbing and bouncing on the inflatable floating water slides—the perfect way to beat the heat.

Troop 17 meets on Thursday nights at St. Rose of Lima in Short Hills and is accepting new members for the upcoming Scouting year. Please visit Troop17ShortHills.com to learn more.

GREENWOOD GARDENS ANNOUNCEMENTS

Submitted by Allie Kaspersetz

Greenwood Gardens, the 28-acre historic public garden located on Old Short Hills Road, is pleased to announce the election of new members to its primary governing body, the Board of Trustees, and, also, to its Advisory Board, a cadre of community members who provide valuable advice and support. The past year has seen notable movement on these two boards as Sofia A. Blanchard, Greenwood Co-Founder, and Tim Hartman, Treasurer, transitioned to new roles as Emeritus Trustees after eighteen years of service each to the organization.

Three previous members of Greenwood's Advisory Board - Kathleen Bourke of Bay Head, Marilyn Pfaltz of Summit, and Peggy Shilling of Short Hills - were recently elected to the Board of Trustees.

"I am delighted to welcome Kathleen, Marilyn, and Peggy to the Board of Trustees," said Peter P. Blanchard III, Co-Founder and Chairman of the Board of Greenwood Gardens. "I have no doubt their experience, knowledge, and enthusiasm will prove to be invaluable to Greenwood Gardens."

Kathleen Bourke will also serve as Chair of the Development Committee, a position created by Ms. Blanchard during her tenure. Ms. Bourke, who plays leadership roles within the

Garden Club of America, has volunteered at Greenwood Gardens since 2013, serving as a Docent, Green Team member, and member of the Spring Luncheon Committee, Development Committees, and Advisory Board.

Marilyn Pfaltz, a member of Greenwood's Garden Luncheon Benefit Committee in addition to serving on the Advisory Board, is an active civic volunteer, having served as a director of numerous for-profit and non-profit organizations including the American Automobile Association of America (AAA), Public Service Enterprise Group, Beacon Trust Company, and the Greater Newark Conservancy.

Peggy Shilling has served as a member of Greenwood's Development and Luncheon Benefit Committees. Ms. Shilling is the owner of Wardrobe Partners which is associated with Carlisle-Etcetera LLC, a leading line of women's luxury apparel. She is an active member at Christ Church in Short Hills as well as Past President and a sustaining member of the Junior League of the Oranges and Short Hills.

Several existing Trustees have taken on new responsibilities this year:

Ted Kundtz assumed the roles of Treasurer, Chairman of the Finance, and Investment Committee, and joined the Executive Committee. A long-time resident of Short Hills, Mr. Kundtz is a member of Greenwood's Green Team and Development Committee. He spent the major portion of his career as a sell-side analyst focusing on the technology industry, holding positions at Bear Stearns, Lehman Brothers, and Standard & Poor's prior to spending six years as Research Director of Needham & Co. from which he retired in 2011.

Nancy Dougherty also joined the Executive Committee. A resident of Maplewood who has served on Greenwood's Advisory Board, Development Committee, and Garden Luncheon Co-Chair, Ms. Dougherty is a principal in Studio 1200, a Millburn-based architecture firm that undertakes projects for corporations, the hospitality industry, and private residential

clients.

It was also announced by Greenwood Gardens Advisory Board Co-Chairs Arthur T. Vanderbilt II and Carl Woodward III that the organization recently welcomed three new members: Tanya Freeman, Helen McGinley, and Jeanne Weill. "We are fortunate to gain access to the expertise of these accomplished individuals," said Mr. Vanderbilt and Mr. Woodward.

Tanya Freeman, a resident of West Orange, is a principal in the Family Law Group of the law firm of Offit Kurman in East Hanover. Ms. Freeman has served as Chair of the Board of Directors of University Hospital in Newark and is also Chair of the Juvenile Justice/Family Court Subcommittee of the Hudson County Vicinage Minority Concerns Committee.

Helen McGinley, a resident of Short Hills, is a real estate agent with Lois Schneider Realtors in Short Hills. Ms. McGinley spent thirty years in advertising sales and marketing at such well-known publications as Adweek, Discover Magazine, and Fortune Magazine.

Jeanne Weill, a resident of Millburn and member of Greenwood's Green Team, serves as the President of the Millburn-Short Hills Historical Society and is a member of both the Short Hills Home and Maplewood Garden Clubs.

ABOUT GREENWOOD GARDENS

To accomplish its mission of connecting people with nature in a historic garden oasis, Greenwood offers the visiting public self-guided tours and programs at the nexus of nature, beauty, and history.
