TOURNAMENT OF BANDS HOSTED AT ALJ

Clark Public Schools

On Saturday, September 24, Arthur L. Johnson High School hosted its first-ever Tournament of Bands Competition, hosting 9 different schools from Central New Jersey. ALJ jumped up to a score of 81.170, leaping from a score of 75 the week prior. Currently, ALJ is ranked number 2 out of 46 bands performing in their division throughout the entire east coast.

The ALJ band and music program are thriving under the

leadership of second-year director Erik Krebl. Supervisor of Music Anthony Caldiero stated that "Mr. Krebl and his students put in countless hours perfecting their crafts and the results are showing. They are an excellent representation of the talent and commitment that exists within the ALJ community."

Throughout the month of October, the band performed at both ALJ football home games, as well as at competitions every weekend.

The Clark Police Benevolent Association recently hosted Hoops for a Cause, a Clark Police v. Arthur L. Johnson High School Students basketball game at the Clark Recreation Center. \$312 was raised from ticket sales and matched by the Clark PBA who then donated the proceeds to the Susan G. Komen for the Cure Fund. Students throughout ALJ HS volunteered to play the Clark Police. Physical

Education and Health Teacher Jamie Wronski helped organize the event. She stated, "The night was a big success. The students had a great time and look forward to challenging the police officers again. The PBA expressed interest in possibly having another tournament soon with not only police officers and students but also teachers. It's for a great cause and I really look forward to the next event."

TICKETS NOW ON SALE FOR 24TH ANNUAL PIPES OF CHRISTMAS

The Pipes of Christmas will celebrate its 24th joyous season with performances in New Jersey and New York this December. The holiday favorite opens on Saturday, December 17 at Madison Avenue Presbyterian Church, located at 921 Madison Avenue (at 73rd Street) for two performances at 2 and 7PM. The concert moves across the Hudson River on Sunday, December 18 to Central Presbyterian Church located at 70 Maple Street in Summit, NJ also with performances at 2 and 7PM.

For those weary of the ceaseless stream of secular seasonal music from department stores to TV, the Pipes of Christmas offers a spiritual and traditional take on the season that connects concertgoers to the holiday in a fresh, meaningful way. The show features tunes such as, "Highland Cathedral," "Joy to the World", and "Amazing Grace", all performed live on pipes and drums, harp and fiddle, and organ and brass and more. Not only does the performance define Christmas cheer, but also it inspires those of Celtic descent to retrace and reconnect to their ancestry.

According to producer Robert Currie, "We are absolutely delighted to be bringing our concert back to full force after two devastating years weathering the Covid pandemic. Supporting our GoFundMe campaign will continue to make these concerts possible."

The 2022 production marks the NYC solo debut of soprano Sharon Lyons originally from Dublin, Ireland.

The concert presents the music of Christmas accompanied by readings taken from the Celtic literature of Scotland, Ireland, and Wales. In addition to Ms. Lyons, featured performers include James Robinson from the film "Braveheart," New England fiddle champion Paul Woodiel, champion harpist Rachel Clemente, and the Pipe Major Kevin Ray Blandford Memorial Pipe Band from Redlands, CA among many more.

PROCEEDS SUPPORT SCHOLARSHIPS AND MORE

Proceeds from the concert support an extensive music scholarship program, which include annual gifts to the National Piping Centre and the Royal Conservatoire of Scotland (both located in Glasgow, Scotland) the Gaelic College of Nova Scotia and the Carol Hassert Memorial Fine Arts Scholarship at Summit (NJ) High School.

Proceeds also support the annual Tartan Day on Ellis Island celebration and the Society's sponsorship of the US National Scottish Harp Championship, the Gaelic Literature Competition at Scotland's Royal National Mod, and an academic research prize at Sabhal Mòr Ostaig, Scotland's Gaelic college on the Isle of Skye.

Each year, concert highlights are webcast in hi-definition over the Christmas holiday to a global audience in cooperation with HomeTowne Television. In addition to winning multiple Telly Awards for broadcast production excellence, the 2020 virtual concert was a finalist for the coveted MG Alba Trad Music Award presented annually in Scotland.

The concert is still accepting Title Sponsors as well as Program Ads. These gifts help offset production expenses and add help fund our scholarships.

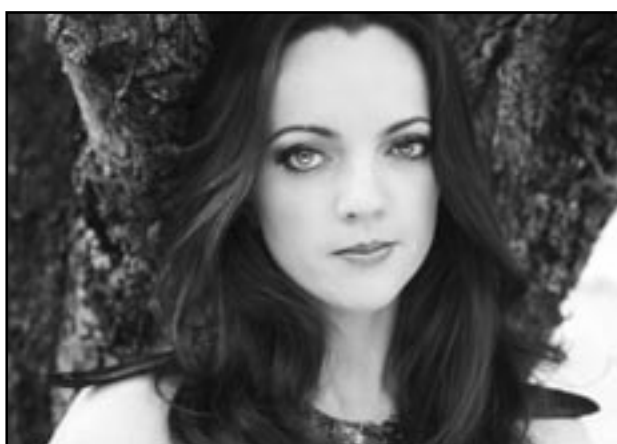

TICKETS AVAILABLE NOW

Tickets may be purchased online exclusively through ShowTix4U at www.showtix4u.com (be certain you select the event name and date in the search engine). Reserved patron seats are available at both venues.

ABOUT "THE PIPES OF CHRISTMAS"

Since making its debut in 1999, The Pipes of Christmas has played to standing room only audiences. Now a cherished holiday event, the concert provides audiences with a stirring and reverent celebration of the Christmas season and the Celtic spirit. Audience-goers return year after year to experience the program, many reporting that the Pipes of Christmas has become part of their family's annual Christmas tradition.

The concert has been lavished with critical acclaim. In his review for Classical New Jersey Magazine, Paul Somers wrote, "The whole evening was constructed to introduce gem after gem and still have a finale which raised the roof. In short, it was like a well-constructed fireworks show on the Glorious Fourth. The Westfield Leader described the concert as "a unique sound of power and glory nowhere else to be found."

(above) Soprano Sharon Lyons originally from Dublin, Ireland, will make her NYC solo debut at the 2022 Pipes of Christmas concerts in NY and NJ.

FIREFIGHTER VISIT TO VALLEY ROAD SCHOOL

Captain Matt Costello of the Elizabeth fire department, and uncle to Valley Road School student Cameron Lott, recently visited the Valley Road School's kindergarten classes to discuss fire safety during Fire Prevention Week. Captain Costello wowed the students with his real-life equipment and sharing stories about the job of a firefighter. He modeled his uniform and showed the students how he might sound different with his mask on, but it's only so he can do his job safely and that they should not be afraid! The children learned life-saving information like "get out and stay out" as well as discussing what fire safety plan their family has, and where their smoke detectors are. Captain Costello took the time to listen to all the kindergarteners stories. According to Kindergarten Teacher Kim Nacht, "We are so thankful for his visit and the lessons he taught our students!"

Submitted by Susan Alacchi

The Clark Volunteer Emergency Squad was on hand when the Township honored Clark Veterans on Friday, October 7. The event preceded the ALJ football game against Hillside.

"The stands were pretty full," said EMT Mike Hajkowski, who was on hand with EMT Gary Wagner. Gary is one of the squad's longest-running members, serving the community since 1974.

(above) The Clark Volunteer Emergency Squad was on hand when the Township honored Clark Veterans on Friday, October 7.

The Squad was on hand to tend to any medical problems. Fortunately, our expertise was not required. The Crusaders bowed to the Hillside Comets with a final score of 33 – 7, making the Crusaders 4 - 2 for the season.

The Clark Volunteer Emergency Squad has been serving the Clark community since 1941, supported entirely by donations. Donations can be mailed to The Clark Volunteer Emergency Squad at 875 Raritan Road Clark.

EMERGENCY SQUAD DOES TRUNK OR TREAT

Clark Recreation and Clark PBA joined forces and held its annual "Trunk Or Treat." The Clark Volunteer Emergency Squad was on hand to join in the fun. EMTs Gary Wagner and Laurie Sheldon decorated an ambulance and handed out treats to all the visitors. Laurie and Gary are two of the squad's longest serving members. Sheldon is a Professor and EMT Program Director at Union College of Union County. Both are familiar faces at events around town.

The squad is currently seeking members who are interested in serving the community while making new friends. Anyone interested in joining can email salacchi@hotmail.com for an application. The squad provides all training. All you need is enthusiasm and a desire to help people.

COFFEE WITH A COP

The Clark Police Department held their first-ever Coffee With a Clark Cop event on Monday, November 14 at Manny's Diner. Coffee With a Cop is part of a nationwide effort by law enforcement agencies to meet with the community they serve over a cup of joe and get to know each other.

"It is an important event to help our residents to get to know Clark Police Officers and for us to know them," said Captain Christian Lott. "It was a great success and we look forward to holding more events with the community in the future."

Community members came and went throughout the morning to join police officers for coffee and light refreshments. The event was organized through a joint effort between the Clark Police, Clark Township and the Clark PBA Local 125.

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

JOIN IMAGINE'S TEAM OF VOLUNTEERS

November is Children's Grief Awareness Month and at Imagine, A Center for Coping with Loss we're spending this month honoring the children who come to us for support by doing all we can to ensure that no child grieves alone. One of the ways that we're working to bring free grief support groups to more children is by bringing them to more communities, most recently to the Newark community.

In October, Imagine began offering free grief support groups every other week on Thursday evenings at the Boys and Girls Club of Newark on Avon Avenue. As these groups continue to grow, our need for volunteer facilitators will grow as well. Imagine's volunteer facilitators are the heart of our support group program. Facilitators first complete a three-day training to prepare them to create safe spaces and be loving listeners for the children, youth, young adults and adults in Imagine's support groups.

Imagine staff are planning a training for adults interested in facilitating Imagine's Newark support groups. The training will be held at the Teach for America location in Newark December 9-11 from 9 am-5 pm each day. If you're interested in making a difference in the lives of grieving families and would like to participate in this life-changing training, we'd like to hear from you! Imagine's training will prepare you to be present for the children and families that participate at Imagine, help you support those in your family and community who are grieving and also provide an opportunity for you to receive support for losses you've experienced. Those interested in this training can complete this form <https://forms.office.com/r/RGwq323gHg> or contact Imagine's Newark Program Manager, Sonia Nunez at sonia@imajinenj.org.

Please join us in honoring Children's Grief Awareness Month by considering joining Imagine's amazing team of volunteers. We hope to welcome you to the Imagine community.

Imagine offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imajinenj.org.

HANUKAH: A HOLIDAY OF LIGHTS AND MIRACLES

Submitted by Rabbi Paul David Kerbel

Hanukah is a 'major' Jewish holiday. You might be surprised by that. Most rabbis and Jewish educators would say just the opposite, that Hanukah is a 'minor' Jewish holiday. From the perspective of religious Jewish law, Hanukah does not have the same religious significance of Rosh Hashanah (the Jewish New Year), Yom Kippur (our Day of Atonement and forgiveness), Passover (our Festival of Freedom), Shavuot (the holiday where we celebrate the revelation of the Five Books of Moses), and Sukkot (our Fall festival celebrating the end of the summer harvest and our relationship with God).

Hanukah is a 'major' Jewish holiday culturally and ethnically. One of the ways we can understand any religion is not just what the religion 'teaches' but what its followers actually observe and practice. More Jews observe Hanukah than any other ritual, other than participating in a Passover Seder. Part of Hanukah's 'popularity' is that it falls in the Jewish calendar between Thanksgiving and Christmas.

Hanukah represents a powerful response to the feelings of exclusion and of being a minority in the larger Christian culture of America and allows members of the Jewish community to celebrate its own traditions and be proud of the Jewish heritage even as the airwaves, malls and

TV commercials are filled with the sounds and traditions of Christmas.

But regardless of where Hanukah falls in the calendar, I would suggest the following four reasons why Hanukah is a 'major' Jewish holiday and has lessons for both Jews and our non-Jewish neighbors to learn from share:

1. Hanukah represents the first victory in human history for religious freedom. Had the Jewish Maccabees not won their war with the Greek/Syrian kingdom, Judaism may have died out and Christianity and Islam, both of which have roots in Judaism, may never have developed. The Jewish people celebrate the value for all of us to celebrate our respective religious traditions.
2. Hanukah teaches us religious tolerance and to celebrate diversity and pluralism. As America becomes more diverse and welcomes citizens of many different religions from around the world, we learn from each other and how much we have in common.
3. Hanukah reinforces the ability and opportunity of each minority to teach, learn and celebrate its religious traditions and its principles and unique ethnic and religious identity while we all share and believe in the values of freedom and democracy.
4. Hanukah reminds us of the modern-day miracles that we have participated in: the redemption of over one million Jews from

the former Soviet Union who were not allowed to learn about their Jewish faith and practice Judaism while under Communist rule; the rescue and welcoming of over 100,000 Jews from Ethiopia and the rescue and of endangered Jews and other Jewish communities around the world. We must always be prepared to deliver the few from the many, the weak from the mighty and the righteous from the wicked.

Finally, I would like to share that the word "Hanukah" means 'dedication' and comes from the same Hebrew word as 'education.' Hanukah is about making sure that we maintain our Jewish identity, that we teach our children, the values, the history, the rich heritage which is ours to embrace and pass on to the next generation. May the lights of our Hanukah menorah symbolize our love for Judaism, our right to practice Judaism as a minority while at the same time, sharing symbols of light and the theme of miracles with those who celebrate Christmas even as all of us strive to make the world a better place. For our Jewish tradition has taught us this eternal message: "It is better to light one candle than to curse the darkness."

Happy Hanukah and Happy Holidays to all!

Rabbi Paul Kerbel is the spiritual leader of Temple Beth El Mekor Chayim in Cranford and the current chair of the Cranford Clergy Council.

The Union County Torah Center-Chabad is pleased to announce that there will be a Menorah Lighting ceremony in Cranford across from the municipal building near the gazebo on Springfield Ave., on Wednesday, December 21, at 6:30 p.m. Rabbi Paul Kerbel of Temple Beth-El in Cranford & Rabbi Levi Block of the Union County Torah Center-Chabad will both give Chanukah remarks to the attendees.

For the first time in Cranford there will be a "Gelt Drop" where a fireman will rain down chocolate gelt from high atop the fire ladder while children (and adults) have the opportunity to collect as much chocolate gelt as they can. There will also be LED light up dreidel and

menorah necklaces for all children in attendance, and of course delicious Chanukah donuts.

Chanukah, the Festival of Lights, begins on Sunday, December 18 at sundown and continues through Sunday, December 25. Chanukah focuses largely on the meaning of civil liberties and religious freedom and has served as a source of this message for nearly twenty-two centuries. The Menorah contains a universal message for all people of all faiths – a message of freedom, of good over evil, of light over darkness.

For more information please call the Torah Center-Chabad at 908-789-5252, email info@torahcenterchabad.org or visit torahcenterchabad.org

FOODSTOCK FOOD DRIVE GRATEFUL FOR CLARK COMMUNITY

At Honor Ridge Academy (HRA) teamwork provides food for those in need. HRA has a history of service in our community dating back to 2014. Food is collected using a variety of methods. The first is the usual contribution request using a donation bin located at the front door of the school. This is augmented by a unique food collection process that reaches out to the community. This process is a takeoff from the nonprofit organization Foodstock, Inc. that started out by reaching out to neighbors directly and collecting food door-to-door. The food drive at HRA is led by the staff and students of our Transition program. The teamwork starts there.

The first step in the process is printing a map of our target neighborhood with approximately 30 to 50 houses. Next, we make up donation bags with specific instructions including pick up day and rain date. The next step in the process is dropping the bags on the front porch of each house. The transition students then return to the neighborhood on the designated day and collect the food donations. The percentage of bags donated from each of the targeted neighborhoods are tabulated. The food is weighed and packed up

and the results are tracked on an Excel spreadsheet for easy reference. The food is then delivered to the Community Foodbank of New Jersey in Hillside.

While this is the main source of donations, the HRA staff and the patrons of Saint Agnes church also make donations throughout the year which is added to the total. Prior goals of 500 pounds and then 750 pounds were met or exceeded in previous years. This year our goal was 1,500 pounds and that was surpassed by May of last school year. Our total pounds collected for the year was 1,684 lbs. That number was 12.26% over our goal of 1,500 lbs.

The transition class is grateful for the generosity of the Clark community with a special shout out to our neighbors in the vicinity of Lefferts Lane. They provided 12 donation bags in a neighborhood of 32 houses for a total of 156.4 pounds. They were our number one neighborhood for the year. Honorable mention and gratitude goes to the neighborhoods in the vicinity of Amelia Drive, Wendell Place and Ginesi Drive. Donations from Saint Agnes patrons and the HRA staff and students represent

approximately 45% percent of the total. Thanks also goes to our maintenance staff for their assistance and the HR administration for their support and cooperation. Thanks to the Foodstock organization for creating the model, donating all of the bags used to collect food and for their inspiration and support.

So what's next? We've started a collaboration with Multiplying Good, a nonprofit that promotes service to the community. Through their Students In Action program, we are dreaming of a bigger goal for this coming year. If you would like to contribute or assist, please be on the lookout for a food collection bag coming to you in the year to come, or reach out to us directly at transition@honorridge.org or just drive around to the back of St. Agnes church on Madison Hill Road and drop off your donation in the bin inside the lobby of the school.

Honor Ridge Academy is a New Jersey state-approved private school for students with disabilities who have a combination of behavioral, social, emotional, and learning disabilities. For more information visit www.honorridge.org.

UNION COUNTY DAY OF PRAYER

On Thursday, October 27, over 130 people attended the Union County Day of Prayer organized by Community Access Unlimited (CAU) and the Union County Interfaith Coordinating Council (UCICC).

It was the 8th annual "Day of Prayer" event, hosted by Temple Emanu-El in Westfield. The event featured a variety of inspirational speakers and performers from Jewish, Muslim, Hindu, Christian, Sikh, and Buddhist faiths. The service included a chant from the International Society for Krishna Consciousness of Central New Jersey and musical offerings from Shimon Smith, Cantorial Soloist/Artist in Residence at Temple Emanu-El, who shared Hebrew songs with attendees.

CAU spearheaded UCICC in 2012 to build bonds in the interfaith community and encourage the respect and welcoming of others regardless of faith, sexual orientation, legal status, or ability. CAU is based in Union County and works statewide to assist people with developmental

disabilities and youth at risk to integrate into the community through support services and support coordination. CAU services include housing, education, employment services, behavioral management, advocacy and more.

Rev. LL DuBreuil, who has been a part of UCICC since the first Day of Prayer, said "I was looking for this kind of community because I believe that when we all come together in celebration...then we're already ready to be together in difficult times. UCICC does not only have these worship experiences, but we sometimes do vigils and marches and we raise money for causes. And it's because we know each other from this that we can more easily work together when times are more difficult." DuBreuil is the Interim Pastor of Willow Grove Presbyterian Church, Scotch Plains.

Joyce Cargle, a longtime CAU member, said of the event, "We learned inclusion and we learned about community today."

ADOPTION DAY FETES YOUTH LEAVING FOSTER CARE FOR FAMILIES

CASA of Union County

On the morning of Thursday, Nov. 10, children from 18 months to 18 years gathered at the Union County Courthouse surrounded by courthouse staff and judiciary, county commissioners, area organizations and more – all there to celebrate youth reaching the long-awaited end to living in foster care with adoption into a forever family. Family courts see complex issues fraught with loss or discord nearly every day, yet Adoption Day is eagerly anticipated by all, as fresh starts and ample smiles fill the courthouse.

November is National Adoption Month and National Adoption Day, celebrated the Saturday before Thanksgiving, is a national movement to raise awareness of children in foster care awaiting a family. Since its inception in 2000, more than 75,000 children have found permanency on this day. Still, more than 110,000 youth in the United States need a permanent home and the average wait is four years. More than 23,000 youth nationwide age out of the system each year and must face life on their own.

This year, Union County's celebration came

early, but no complaints; it just means children received permanency even sooner. After Judge Daniel Roberts performed the adoption ceremonies, the festivities began: from roving a balloon artist and CASA Volunteer Dina Gharaibeh providing face painting to a musician and more than a dozen superheroes from the Union County Sheriff's Heroes Initiative – the Batmobile even made an appearance – there was nothing but smiles to go around.

Speakers included 17-year-old Maeve Boger-O'Bryan of Cranford and Joseph Coston of Fair Lawn. Maeve discussed her own open adoption and Joseph shared his story as an adoptive parent of eight youth from the foster system.

CASA of Union County provided family fun baskets with donated board and card games, fleece blankets, jars of popping corn, movie candy and more from David Brearley High School's Bears that Care group, all packed into baskets donated by Cranford Girl Scout Troop 40836. The high school bear mascot also made the rounds, much to the delight of the littlest adoptees and their siblings. In addition, each

family received a ShopRite gift card made possible by a Union County Bar Association donation, as well as gifts from Alpha Kappa Alpha Sorority's Theta Phi Omega, Phi Eta Omega and Omega Psi Omega chapters.

For details on CASA of Union County and becoming an advocate for a foster youth, contact Chanel at info@casaoofunioncounty.org or log on to www.casaoofunioncounty.org.

LOCAL TEEN HELPS RAISE MONEY FOR FAMILIES FACING PEDIATRIC CANCER

Nick Swandrak, 18, of Cranford, NJ, teamed up with retired NFL Coach Tom Coughlin to raise money for local families facing pediatric cancer on October 21 at Cipriani 42nd Street, New York. In a speech to a crowd of nearly 500 professional athletes, celebrities and supporters at the Tom Coughlin Jay Fund's annual Champions for Children Gala, Swandrak shared his own journey of being diagnosed and treated for acute lymphoblastic leukemia and his subsequent relapse earlier this year. The Jay Fund, the nonprofit founded by the two-time Super Bowl winning coach of the New York Giants, marked its 17th year of providing financial, emotional and practical support for families tackling pediatric cancer in the New York/New Jersey Metropolitan area.

Swandrak knows all too well the challenges families face when a child is diagnosed with cancer, and he is passionate about raising awareness and funds to support them. He has spent much of the last four years enduring grueling cancer treatments and being isolated from his friends due to his immunocompromised condition. His family, like all families who have a child with cancer, has faced expensive medical bills coupled with rising inflation and record-high food costs.

Swandrak and his family have been supported by the Jay Fund throughout his treatment.

"The Jay Fund covered our mortgage

payments when our bills became overwhelming and has given me experiences that I will never, ever forget," Swandrak told the crowd of current and former New York Giants, business leaders and Jay Fund families and supporters.

Swandrak's emotional words captivated the audience, and his speech was one of the highlights of a night that raised \$1.25 million for the Jay Fund and the families it serves in the New York/New Jersey Metropolitan area.

"Nick is a remarkable young man and a current Jay Fund scholarship recipient," said Mary Jane Pulzello, Managing Director of the Tom Coughlin Jay Fund in NY/NJ. "He received a standing ovation from the audience, as many were deeply moved by this young man's courage and tenacity in fighting cancer for more than four years."

Swandrak thanked his medical team who continue to help him through this fight, as well as his friends and family who have lifted him up from day one. He saved his most heartfelt appreciation for his parents, stating their love and support have been everything to him.

"As of today, I've had 126 chemo shots, 28 spinal taps, and over 200 days sleeping on scratchy hospital sheets," Swandrak told the crowd. "Fighting cancer is tough. You're in bed, and sick a lot of the time. There are days that are a real struggle. But I'm looking forward to ringing that bell for the second time this December and being back in remission."

(above) Nick Swandrak, a Cranford, NJ, teen who has been tackling pediatric cancer for more than four years, joined former NY Giants head coach Tom Coughlin and the Tom Coughlin Jay Fund to help raise funds for other NY/NJ children and their families facing childhood cancer.
