KENILWORTH CHESS CLUB CELEBRATES 50TH ANNIVERSARY

The Kenilworth Chess Club celebrated its 50th anniversary with a party on Thursday, November 3, 2022. Veteran members traveled from as far as Nevada to share in the moment. Along with regular members, officers from other NJ Clubs also attended.

The club has been revamping after COVID restrictions prevented it from meeting for two years. New members have been steadily joining the ranks as the club, under President Jack McCorkell, looks to get back to being one of the largest and most active clubs in the state.

Some notables attending were Andy Wolman, co-founder of the Club; Life/National Chess Master Scott Massey who over the decades provided many classic and blindfold simultaneous exhibitions and lectures, frequently donating his fees; and Michael Wojcio, former President of the Kenilworth Chess Club, serving 16 years from 1984 to 2000 and author/editor of the Kenilworth Kibitzer, the Kenilworth Chess Club's comprehensive monthly newsletter, which had a 12-year publishing run. Some members could not attend. Missed most was Past President John Moldovan, dealing with a medical condition.

The club was formed in 1972 amid the chess craze in America spearheaded by Bobby Fischer's march to the world championship. For 50 years the club was a force to be reckoned with as its member roster included many Master level players, including State Champions.

The club has a reputation for being friendly and accommodating. It welcomes non-members with no obligation or cost. It's a place where beginners can learn in a casual setting without being intimidated. Strong players are generous with their time in analyzing and giving instruction.

(above, l-r) Andy Wolman, NM Scott Massey, and Michael Wojcio pictured in their Commemorative 50th Anniversary Vests.

The club's website, kenilworthchessclub.org, is well-read and features an award-winning blog by Michael Goeller and other instructional features. Players are welcome to just pop into the Kenilworth Chess Club with no formalities every Thursday evening at 8 p.m. at the Kenilworth Community Center located next to Borough Hall on the Boulevard and the corner of 24th Street.

(above, l-r) Some Kenilworth Chess Club celebrants from KCC 50th, Joe Renna, Declan McManus, Anthony Andrews, Greg Tomkovich, Andy Chan, Rich Falcetano, Mark Schoengold, Bill Cohen, Doran Race, Andy Wolman, Mike Wojcio, Lev Zilbermintz, Louis Leiggi, Ari Minkov, KCC President Jack McCorkell, Life/National Master Scott Massey and Dr. Saptarshi "SB" Bandyopadhyay.

JOIN IMAGINE'S AMAZING TEAM OF VOLUNTEERS

November is Children's Grief Awareness Month and at Imagine, A Center for Coping with Loss we're spending this month honoring the children who come to us for support by doing all we can to ensure that no child grieves alone. One of the ways that we're working to bring free grief support groups to more children is by bringing them to more communities, most recently to the Newark community.

In October, Imagine began offering free grief support groups every other week on Thursday evenings at the Boys and Girls Club of Newark on Avon Avenue. As these groups continue to grow, our need for volunteer facilitators will grow as well. Imagine's volunteer facilitators are the heart of our support group program. Facilitators first complete a three-day training to prepare them to create safe spaces and be loving listeners for the children, youth, young adults and adults in Imagine's support groups.

Imagine staff are planning a training for adults

interested in facilitating Imagine's Newark support groups. The training will be held at the Teach for America location in Newark December 9-11 from 9 am-5 pm each day. If you're interested in making a difference in the lives of grieving families and participate in this life-changing training, we'd like to hear from you!

Those interested in this training can complete this form forms.office.com/r/RGwq323gHg or contact Imagine's Newark Program Manager, Sonia Nunez at sonia@imaginej.org.

Imagine offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imaginej.org.

Celebrate the holiday season when the Shining Stars take the stage for their 2022 “Christmas Spectacular” set for Friday, December 9 at 7:00 p.m. The show will take place on the main stage at the historic Union County Arts Center in Rahway as this talented cast sings and dances to many of your holiday favorites.

With many cast members from all over Union County and beyond, Shining Stars Network has been producing live programming for the special needs community for ten years.

This year’s Christmas Spectacular marks the return of the Shining Stars to one of the most beautiful theaters in New Jersey and will feature 35 special needs cast members and their volunteer buddies from local high schools, who serve as mentors to the cast during rehearsals.

Two previous Shining Stars shows at UCPAC drew more than 1,000 audience members for each performance, and already, the buzz is building in the community.

“We’re so excited to ring in the holiday season,” noted Shining Stars Network co-founder and President Mike Curci. “Our stars are ready to share their smiles, energy and amazing talents with everyone. This will be a great way to cap off our 10th anniversary celebration.”

“We strongly believe in creating an inclusive environment for our cast, and our buddies are an integral part of the Shining Stars experience,” noted Shining Stars co-founder and director Sally Curci. “We are so excited to bring a new show to

the stage and cannot wait to connect with our incredible audience again.”

Shining Stars Network is wrapping up a big year, which included their annual “Evening of Shining Stars” Spring Show, Summer Performing Arts Workshop, and their successful Paper Mill Playhouse debut performing in front of a sold-out audience at the Paper Mill Brook Side Cabaret.

“Shining Stars Network is not only about performing, but more importantly we’re about building self-confidence and self-esteem,” said Shining Stars co-director Nicole Greene. “Our cast members are not only talented, but inspire us every day, and we are all very excited about taking the stage again to share another magical night with the audience.”

Tickets are on sale now at UCPAC.org. For groups of 10 or more, email shiningstarsnetwork@gmail.com.

The night will also feature a Tricky Tray and 50/50 raffle. Doors will open at 6:00 p.m.

Shining Stars Network is a 501(c)3 not-for-profit organization based in Cranford, N.J. that offers opportunities in the performing arts for the special needs community.

Plans for the 2023 season include their 2nd “Reach for the Stars” Gale, set for March 14 at the elegant Park Chateau Estate & Gardens in East Brunswick.

HANUKAH: A HOLIDAY OF LIGHTS AND MIRACLES

Submitted by Rabbi Paul David Kerbel

Hanukah is a ‘major’ Jewish holiday. You might be surprised by that. Most rabbis and Jewish educators would say just the opposite, that Hanukah is a ‘minor’ Jewish holiday. From the perspective of religious Jewish law, Hanukah does not have the same religious significance of Rosh Hashanah (the Jewish New Year), Yom Kippur (our Day of Atonement and forgiveness), Passover (our Festival of Freedom), Shavuot (the holiday where we celebrate the revelation of the Five Books of Moses), and Sukkot (our Fall festival celebrating the end of the summer harvest and our relationship with God).

Hanukah is a ‘major’ Jewish holiday culturally and ethnically. One of the ways we can understand any religion is not just what the religion ‘teaches’ but what its followers actually observe and practice. More Jews observe Hanukah than any other ritual, other than participating in a Passover Seder. Part of Hanukah’s ‘popularity’ is that it falls in the Jewish calendar between Thanksgiving and Christmas.

Hanukah represents a powerful response to the feelings of exclusion and of being a minority in the larger Christian culture of America and allows members of the Jewish community to celebrate its own traditions and be proud of the Jewish heritage even as the airwaves, malls and

TV commercials are filled with the sounds and traditions of Christmas.

But regardless of where Hanukah falls in the calendar, I would suggest the following four reasons why Hanukah is a ‘major’ Jewish holiday and has lessons for both Jews and our non-Jewish neighbors to learn from share:

1. Hanukah represents the first victory in human history for religious freedom. Had the Jewish Maccabees not won their war with the Greek/Syrian kingdom, Judaism may have died out and Christianity and Islam, both of which have roots in Judaism, may never have developed. The Jewish people celebrate the value for all of us to celebrate our respective religious traditions.
2. Hanukah teaches us religious tolerance and to celebrate diversity and pluralism. As America becomes more diverse and welcomes citizens of many different religions from around the world, we learn from each other and how much we have in common.
3. Hanukah reinforces the ability and opportunity of each minority to teach, learn and celebrate its religious traditions and its principles and unique ethnic and religious identity while we all share and believe in the values of freedom and democracy.
4. Hanukah reminds us of the modern-day miracles that we have participated in: the redemption of over one million Jews from

the former Soviet Union who were not allowed to learn about their Jewish faith and practice Judaism while under Communist rule; the rescue and welcoming of over 100,000 Jews from Ethiopia and the rescue and of endangered Jews and other Jewish communities around the world. We must always be prepared to deliver the few from the many, the weak from the mighty and the righteous from the wicked.

Finally, I would like to share that the word “Hanukah” means ‘dedication’ and comes from the same Hebrew word as ‘education.’ Hanukah is about making sure that we maintain our Jewish identity, that we teach our children, the values, the history, the rich heritage which is ours to embrace and pass on to the next generation. May the lights of our Hanukah menorah symbolize our love for Judaism, our right to practice Judaism as a minority while at the same time, sharing symbols of light and the theme of miracles with those who celebrate Christmas even as all of us strive to make the world a better place. For our Jewish tradition has taught us this eternal message: “It is better to light one candle than to curse the darkness.”

Happy Hanukah and Happy Holidays to all!
Rabbi Paul Kerbel is the spiritual leader of Temple Beth El Mekor Chayim in Cranford and the current chair of the Cranford Clergy Council.

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain. Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

POST-GRADUATE STUDENTS PROGRAM

Students who have graduated from high school but are still attending school will benefit from a new program design that has started at Westfield's Lamberts Mill Academy. According to Carrie Datillo, Superintendent of Westfield's Union County Educational Services Commission, the courses will provide a basis for transitional skills taking the students to the world of work. "Now that our students benefit from extended time in school, we are able to address the toolkit that will better prepare them for success in work and other necessary independence supports" she said.

Once fully engaged, the students will participate in morning classes and afternoon job placements. Resume building, job searching, personal budgeting, workplace attitudes, communication, attitudes for work, and organizational skills are among the many topics that will be reviewed in morning classes. These will be supplemented by jobsite visits, special presentations, role play simulations and interviews with already working teens and their supervisors. The students have already begun to operate LMA's school store, like a local corner store, where students choose items based upon their success in school. After conducting an inventory the student compiled a shopping list and visited a local supermarket to purchase the needed items. They also provide administrative tasks, assembled fans that were placed in the classrooms, and are supporting a plastic bottle recycling initiative.

Sponsored by the Union County Educational Services Commission, Lamberts Mill Academy supports students aged 13-22 who would not find success in a typical school. The program blends academic rigor with comprehensive clinical and psychiatric services and social and daily living skills all tuned to the needs and skills of each student. Additional details about LMA and/or to arrange a tour, please reach Principal Reed Leibfried on 862-324-6373.

UNION COUNTY DAY OF PRAYER

On Thursday, October 27, over 130 people attended the Union County Day of Prayer organized by Community Access Unlimited (CAU) and the Union County Interfaith Coordinating Council (UCICC).

It was the 8th annual "Day of Prayer" event, hosted by Temple Emanu-El in Westfield. The event featured a variety of inspirational speakers and performers from Jewish, Muslim, Hindu, Christian, Sikh, and Buddhist faiths. The service included a chant from the International Society for Krishna Consciousness of Central New Jersey and musical offerings from Shimon Smith, Cantorial Soloist/Artist in Residence at Temple Emanu-El, who shared Hebrew songs with attendees.

CAU spearheaded UCICC in 2012 to build bonds in the interfaith community and encourage the respect and welcoming of others regardless of faith, sexual orientation, legal status, or ability. CAU is based in Union County and works statewide to assist people with developmental disabilities and youth at risk to integrate into the community through support services and support coordination. CAU services include housing, education, employment services, behavioral management, advocacy and more.

Rev. LL DuBreuil, who has been a part of UCICC since the first Day of Prayer, said "I was looking for this kind of community because I believe that when we all come together in celebration...then we're already ready to be together in difficult times. UCICC does not only have these worship experiences, but we sometimes do vigils and marches and we raise money for causes. And it's because we know each other from this that we can more easily work together when times are more difficult." DuBreuil is the Interim Pastor of Willow Grove Presbyterian Church, Scotch Plains.

Joyce Cargle, a longtime CAU member, said of the event, "We learned inclusion and we learned about community today."
