SOMERSET COUNTY 4-H CLUB MEMBERS RECEIVE AWARDS

National 4-H Week was celebrated October 2-8, and the festivities began early this year in Somerset County.

The Just Kidding 4-H goat club was presented with national awards in the Junior American Citizens contest at the Somerset County 4-H Association meeting on September 21. The club placed first in the nation with their community service project. Members of the Daughters of the American Revolution (DAR) presented the awards at the Ted Blum 4-H Center of Somerset County in Bridgewater.

"We are very proud of these young people and all that they managed to accomplish even with the pandemic," said New Jersey DAR 4-H Liaison Holly Jean Dunbar. The club collected 192 books that were donated to members of the military, at home and abroad, via Operation Paperback.

Elizabeth Snyder-Continental Chapter DAR sponsored the 4-H club in the contest. Chapter members presented the 4-H'ers with their awards that included ribbons, certificates and a medal that represented the four judging levels of the competition, local, state, division and national. As a special treat, DAR member and 4-H alumna Dorothea Borkowski presented each child with

home-baked goat-shaped cookies. DAR members assisting in the awards presentation were Vice Regent Marti Kalko, a 4-H volunteer, and Librarian Susan Dobrinsky, a 4-H alumna, both of Green Brook, along with Chaplain Karen Miller and Historian Lynda Pasko from Dunellen.

4-H club leaders Beth Kavanaugh and Nicole Perry had expressed their gratitude for the help provided by Marion McGlyn of Operation Paperback. Every 4-H club is asked to complete an annual service project. Studies have shown that as adults, 4-H alumni are twice as likely to be civically engaged and four times more likely to participate in community service.

Along with congratulating the 4-H club, Dunbar, who is a 4-H alumna and volunteer, also thanked the members of the 4-H Association and 4-H Agent Lisa Rothenburger and staff. "This is the fifth Somerset County 4-H club that has received a national DAR award for service since 1993," said Dunbar. "This is just a phenomenal record. And it proves that you must be doing something right."

The DAR is a nonprofit service organization open to women 18 and over who can trace their descent from a man or woman who aided the cause of American independence. For more than a century, the DAR has promoted historical preservation, education, and patriotic endeavor. Elizabeth Snyder-Continental Chapter, based in Green Brook, sponsors local students in a variety of annual DAR contests. Membership inquiries are welcome. Contact ESCRgent@yahoo.com or learn more at DAR.org.

The 4-H Youth Development Program uses a learn-by-doing approach to enable youth to develop the knowledge, attitudes and skills that they need to succeed in life. Kids and teens complete hands-on projects in areas such as science, health, agriculture and civic engagement. 4-H programs are open to young people in grades K to 13 (one year out of high school). Last year the Green Brook Lions Club started the Green Brook Leo Club. The Leo Club is for young adults 12-18 years old.

Recently the Green Brook Leo Club conducted a Pet Supply Drive at Arthur L Lewis Park. They collected dog/cat food, toys and many other pet

DAR GATHERS TO CELEBRATE SERVICE

Members of the Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution (DAR) will gather in January to celebrate the founding of the chapter 127 years ago and to look back on the achievements of 2022.

The chapter held a belated 125th Anniversary Celebration in June. A donation of \$300 was made to help provide service dogs for veterans and a DAR Community Service Award was presented to long-time Somerset County 4-H staff member and volunteer Barbara Navatto of Somerville.

New chapter officers were elected: Regent Ashley Salsano, from Washington, N.J.; Vice Regent Marti Kalko and Librarian Susan Dobrinsky, both of Green Brook; Chaplain Karen Miller and Historian Lynda Pasko, both of Dunellen; Recording Secretary Holly Dunbar and Registrar Ruth Ryno, both of North Plainfield; Corresponding Secretary Catherine Niemeyer of Warren; and Treasurer Barbara Pollison-Beck of North Brunswick.

Three members received state appointments. Holly Dunbar was named state chairman of the American Indians committee and liaison to the 4-

H Youth Development Program; Ruth Ryno was appointed state chairman of Chapter Development & Revitalization and liaison to the Sons of the American Revolution; and Barbara Pollison-Beck was named state chairman of the State Scholarships committee.

At the Autumn Meeting of the State Society, the chapter received state and national awards and members were recognized for their committee work, including Ruth Ryno and Beth Scheiderman of Green Brook, who was recognized by the Community Classroom committee. The annual DAR Day of Service was observed with two projects, holiday gifts were collected for the veterans at Lyons V.A. Medical Center, and pet food and supplies worth an estimated \$300 were donated to the Plainfield Area Humane Society Shelter.

At the request of the chapter, Middlesex County issued a Proclamation designating November as Native American Heritage Month, and two members represented the chapter at New Jersey Sunday at Valley Forge. To close out the year, the chapter participated in Wreaths Across America and collected approximately 200 holiday cards for hospitalized veterans at the

Somerset County 4-H Holiday Craft Fair.

As a crowning achievement, the chapter was awarded Lantern Chapter status from the National Society, for "spreading the light of DAR" by helping to grow the organization.

The DAR is a nonprofit service organization open to women 18 and over who can prove lineal descent from a patriot of the American Revolution. Founded in 1896, Elizabeth Snyder-Continental Chapter is based in Green Brook and serves areas of Somerset, Middlesex and Union counties. New members are welcome. Contact ESCchapterDAR@gmail.com or visit DAR.org.

CERT MEMBERS ARE VITAL TO LOCAL DISASTER RESPONSE

Somerset County

Somerset County's Office of Emergency Management graduated another seven local residents during the November 2022 Community

Emergency Response Team (CERT) Basic Training. These volunteers spent twenty-six hours over seven days learning how to support their community and first-responders when

disasters strike through a coordinated, team effort at the municipal or county level.

"The expansion of our CERT volunteer base means that our municipalities and Somerset County will be more prepared to respond to disasters in the future, including those caused by the increasing frequency and severity of storms here in Central Jersey," said Commissioner Doug Singleterry, liaison to the Office of Emergency Management. "We all owe a debt of gratitude to these volunteers who give their time and expertise preparing our communities to respond in crisis, and being the foundation of our response when crises strike."

Local CERTs train and organize teams of volunteers to assist their families, neighbors, co-workers and other community members during emergencies when professional responders may not be immediately available to provide assistance.

Following their full week of training in Disaster Preparedness, CERT Organization, Light Search and Rescue, Disaster Psychology, Terrorism, Fire Safety, Medical Operations and Sheltering Operations each participant must complete a written exam and practical exercise to graduate. The practical exercises include "cribbing" to remove a person trapped under a heavy object using leverage, and a search and rescue simulation.

Before, during, and after disasters, CERT volunteer teams perform basic response activities, including checking in on neighbors, distribution of information to the public, supporting emergency operations centers, and helping to manage traffic and crowds. The deployment of CERT volunteers to perform these activities frees up professional responders to focus efforts on more complex, essential, and often life-saving tasks. CERT volunteers also support their communities by organizing, promoting, and participating in emergency preparedness events, activities, and projects.

For more information regarding the CERT program, please utilize the following link: bit.ly/SoCoCERT

BUTTERFLY RELEASE REFLECTS ON GRIEF AND LOSS

Imagine, A Center for Coping with Loss

Over 30 Imagine participants and staff gathered in the Tribute Meadow at Fairview Cemetery in Westfield held on Saturday, October 22. It's a lovely spot near the weeping willows, pond, and fountains. They came together for a Butterfly Release Ceremony arranged by Imagine staff member, Kristin Imbimbo and Sharon Rossman and Rick Ralph of Fairview Cemetery.

The ceremony included poetry, music and

reflections on grief and loss followed by the release of the butterflies. As it was a cool night, many of the butterflies chose to stay close to the warmth of the children and adults releasing them sitting on hands, shoulders and jackets as they warmed themselves before flying off. It was an intimate ceremony of remembrance and Imagine and Fairview plan to partner again in the spring to provide another opportunity for families to participate.

Imagine offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and are offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imagine-nj.org.
