CUB SCOUT PACK 145 GOES SCOUTING FOR FOOD

(above) Cub Scout Pack 145 successfully participated in the annual Scouting for Food program.

Courtesy photo

Clark Cub Scout Pack 145 collected food to help its community through the annual Scouting for Food program. Scout troops and packs from throughout the United States participate in gathering food for the holiday season to support neighbors in need by helping to stock local soup pantries and food banks. Scouts reached out to family, friends, and neighbors to gather canned foods, pastas, powdered milk, peanut butter, cereal, dried fruit, fruit juice, and more.

The substantial amount of nonperishable items collected by Pack 145 over several weeks was donated to the food pantry at Osceola Presbyterian Church in Clark, which they have supported during many holiday seasons in recent years through this impactful initiative. Pack 145 extends its heartfelt appreciation and gratitude to all families, friends, neighbors, and community members who contributed to the successful food drive.

SCOUTS SUPPORT TOYS FOR TOTS FOR 16TH YEAR

Clark Cub Scout Pack 145 ensured many children had a special holiday season by collecting toys in support of the US Marine Corps Reserve's Toys for Tots Program. The primary goal of Marine Toys for Tots, which is through the gift of a new toy, to help bring the joy of Christmas and send a message of hope to America's less fortunate children. Donors had the opportunity to drop off toys at the Clark Police Department, Clark Recreation Center, and Investors Bank of Clark. The scouts of Pack 145 also collected toy

donations at the annual Clark Township Tree and Menorah Lighting to support Toys for Tots and to raise awareness for the pack's annual toy drive. Pack 145 is strongly committed to serving its community throughout in activities that instill leadership, character, and moral and ethical values such as making sandwiches for the homeless and cleaning public spaces. KATIE LEDDEN RECORDS 1000TH CAREER POINT

On January 3, 2022, Katie Ledden, a Clark resident and a senior at Rutgers Preparatory School in Somerset, scored her 1,000th career High School point in a 86-55 victory over Hillsborough. Ledden came into the game needing 21 points to join the elite 1,000 point club and recorded 25 points, 10 rebounds, 4 assists and 3 blocks in the game to help her team to victory. Ledden's name will now be

affixed to the girl's prestigious 1,000 point banner hanging in Rutgers Prep gym. In the history of Rutgers Prep girls basketball, only 12 girls' basketball players have achieved this milestone. Ledden hopes to end her High School basketball career by helping her team to win another state title, before she begins her collegiate career at the University of Rhode Island.

SANTA'S HELPERS

Over the last four years, a small group of Santa's elves has helped fill Christmas stockings for Family Promise of Union County. The organization serves low income families and families experiencing homelessness.

Students and staff at the Academy for Performing Arts at the Magnet School in Scotch Plains participated this year also. Kaitlyn Landaverde, a Junior from Clark, organized the drive at the high school.

Patricia Novy of Clark, who started the project four years ago, shared the fact that the group filled 36 stockings the first year, 67 stockings last year and 91 Christmas Stockings for children ages 4 to 12 this year.

“The need is greater than ever,” Novy said. “In speaking with Family Promise, the children often receive donated gifts, but stockings are not considered. Our little group of friends, family and former colleagues help fill that void.”

We are inspired each year by this quote from a nine-year-old boy, “When you give something; someone else gets.”

VALLEY ROAD STUDENTS HONORED FOR "TREE" MENDOUS CHARACTER

Clark Public School District

As the first marking period has come to a close, staff at Valley Road School (VRS) were invited to nominate candidates that went above and beyond in the area of character for their "Tree"mendous Character Award.

Mrs. Sarah Badillo, a school counselor who organizes this event, stated, "This award is part of our PBIS (Positive Behavioral Interventions and Support) program where we try to encourage students to be their best selves and promote a positive school climate."

Parents, grandparents, siblings, and staff members at VRS joined the students who were recognized for "Tree"mendous Character. "What I love about this award is that these kids

are not doing anything above and beyond what they would normally do...they are just being themselves and to me that is what makes this award and each of them special," Mrs. Badillo added.

Students were read the reason to why they were nominated for this award and every winner will have their picture displayed under a "tree" in the showcase at VRS for the whole marking period to recognize their "tree"mendous character.

The students recognized were Alisha Saeed, Isabella Salkins, Lorenzo Dobbins, Oliver Neree, Johnny Hoff, Max Stebbins, Jacob Aguiar, and Anthony Pelissier.

C.A.R. PROVIDES YOUNG PEOPLE WITH LEADERSHIP TRAINING

Training tomorrow's leaders to serve our country and preserve our nation's history is the mission of the Children of the American Revolution (C.A.R.). Members honor those who came before and paved the way for what we have today.

The nation's oldest and largest patriotic youth organization, C.A.R. offers membership to girls and boys from birth to age 22 who can prove lineal descent from a man or woman who supported the cause of American independence.

Local C.A.R. groups, known as societies, are sponsored by chapters of the Daughters of the American Revolution (DAR) or Sons of the American Revolution. Here in central New Jersey, Elizabeth Snyder-Continental Chapter DAR in Green Brook sponsors the Pis-Cat-A-Qua Society C.A.R. Members may participate in state and national activities that focus on patriotism, service, and education about our American heritage.

Harriett Lothrop, a 19th century children's author from Concord, Mass., presented the idea for a children's organization to the DAR in 1895. Organized "for the training of young people in true patriotism and love of country," C.A.R. has promoted this vision to hundreds of thousands of members over the years. These boys and girls are the leaders of yesterday, today and tomorrow.

New members are welcome. Contact Elizabeth Snyder-Continental Chapter DAR at ESCchapterDAR@gmail.com, or learn more online at NSCAR.org.

SHAKESPEARE'S COMEDY TWELFTH NIGHT COMING TO CDC THEATRE

"Better a witty fool, than a foolish wit.", "If music be the food of love, play on." and "Some are born great, some achieve greatness, and some have greatness thrust upon 'em." are just a few of the familiar lines from William Shakespeare's Twelfth Night.

A talented cast is preparing to present one of the Bard's finest comedies at CDC Theatre in Cranford for seven shows running from February 10th to the 25th and is being directed by Susan Speidel. Ms. Speidel currently serves on the faculty of the Kean University Theatre

Conservatory and is a lecturer for the Osher Lifelong Learning Institute at Rutgers University. Holding a range of academic degrees, she has studied acting and directing at HB Studios in New York City and at the Globe Theater in London. She served for 20 years as Director of Education for the Tony-Award winning Paper Mill Playhouse and has directed more than 50 plays and musicals.

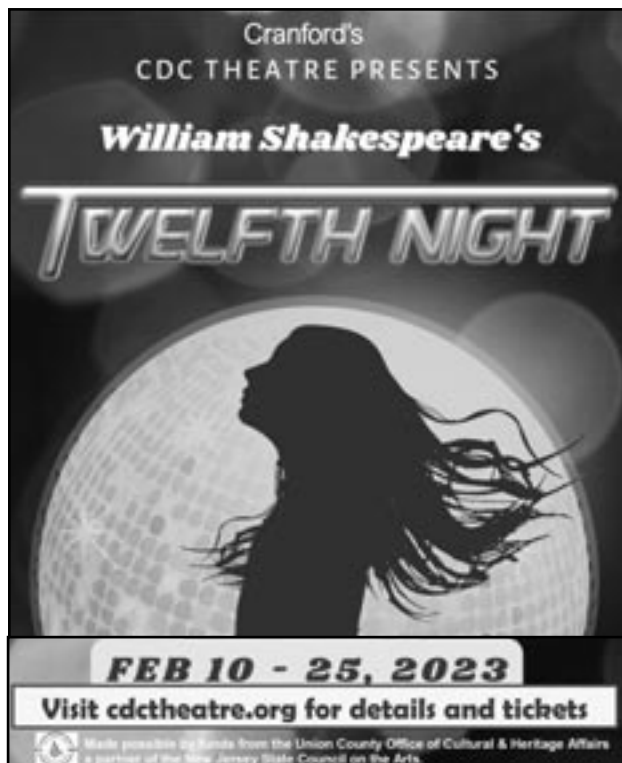

"A woman, disguised as a man, falls in love with her boss, only to be pursued by the woman her boss is determined to marry. Confused?", asked Ms. Speidel recently, "You're not alone, but Twelfth Night, Shakespeare's witty look at gender confusion, invites us to put convention aside, stretch the boundaries of "acceptable" attraction, and that, in the end, love is love is love is love. The play is filled with relatable characters contending with mistaken identities, unrelenting desire, hilarious pranks, and

unrequited love – not to mention cross-dressing, duels, and deception – all offered up with a generous dash of merriment!"

Twelfth Night combines love, confusion, mistaken identities and joyful discovery all while telling a story of fickle fortune, mourning, love and reunion. Set in the free-wheeling, mirror-ball world of the 1970s, the celebratory nature of Shakespeare's play is heightened with a series of Top-Ten hits that enhance the production and move the action forward with a disco beat. Shipwrecked twins, gender-bending romance and a bumper crop of fools, from the wise to the ridiculous, guarantee a full-blown evening's entertainment.

CDC Theatre is celebrating its 104th season in Cranford, NJ at 78 Winans Ave.

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

The Clark Volunteer Emergency Squad

The Clark Volunteer Emergency Squad (CVES) is facing a financial crisis. The increased expenses incurred during the pandemic along with the normal operating expenses are still impacting the finances. The ambulances need to be properly maintained and many of the necessary items need to be replaced as they expire. Additionally, we need to hire employees to keep Clark protected when our volunteers are not available.

The Squad's Annual Holiday Fund Drive was recently sent to all Clark residents. While making your holiday shopping list, consider donating to CVES. Donations can also be made by sending a check to The Clark Volunteer Emergency Squad at 875 Raritan Road, Clark, New Jersey 07066.

If you are interested in becoming a volunteer, either as an EMT or a driver, please email salacchi@hotmail.com Training is provided by the squad.

(above) The Clark Volunteer Emergency Squad (CVES) was on hand during Clark's Annual Tree Lighting on November 26. The squad attends these ceremonies not only to show support for our township but to provide prompt emergency medical services if needed. To do this, the Squad requires time from people willing to volunteer as well as donations.

Clark Public School District

Arthur L. Johnson High School in Clark has received accreditation by the Middle States Association of Commissioners on Elementary and Secondary Schools. According to the Middle States Association, “Accreditation is a self-evaluation process that schools and school systems voluntarily use to demonstrate they are meeting a defined set of research-based performance standards. The standards examine schools in a holistic way, supplementing student-testing data to provide a more complete measure of a school’s performance and chart a strategic and realistic course for continuous school improvement.”

The Middle States reaccreditation process at ALJ began with an intensive self-study. The Middle States team then visited ALJ last Spring

for three days. During that visit, the team met with a variety of stakeholders including staff, parents, and students.

To determine whether a school should be reaccredited, the Middle States Team looks at school performance in 12 areas which make up the Standards for Accreditation: mission, governance and leadership, school improvement planning, finances, facilities, school organization and staff, health and safety, educational program, assessment and evidence of student learning, student services, student life and activities, and information resources.

Superintendent Edward Grande stated, “Mrs. Alessandra Bonacchi, Mrs. Mary Dattilo, and Mrs. Mary Pisciotta, as Internal Coordinators, are to be commended for leading us through the process in such an effective way.”

IMMACULATE HEART OF MARY CHURCH TO HOST “ALPHA” SESSIONS

Is There More to Life Than This? In a world of isolation, anonymity, and keyboard-warriors, Alpha offers content and guidance for churches, ministries, and individuals to create a space for honest and open conversations about life's biggest questions. Everyone is welcome and no questions are off limits.

Alpha is a place to connect with other people who are open to exploring life, faith, and meaning. Alpha fosters honest, open, and judgment-free conversations for anyone to explore the Christian faith. Each session includes a time to connect with others (often over a free meal), watch a short video on an element of the Christian faith, and then a chance for each person to share thoughts and questions with the group.

“I was invited to participate in the Alpha pilot. From the initial meeting, I knew this was something that I wanted to be a part of,” explains Nancy Schreck. “After completing the pilot, I joined the Alpha team to help plan for the future of Alpha at IHM. It's a wonderful opportunity for people at any level of faith to meet new people

and explore new ideas.”

Sessions are free to attend and are scheduled on Monday nights at 7:30 p.m. The first meeting will be live and in-person on Monday, February 13, 2022 beginning at 7 p.m. in the Nazareth Center of Immaculate Heart of Mary (IHM) Church: 1571 S. Martine Ave. Scotch Plains. Good food and conversation will be offered to all in attendance. Most meetings after that will be hosted on Zoom. Links and directions will be provided to those who register. Participation is capped at 30 people.

“When I offered tech support for the pilot program at IHM, I had no idea what I was in for.

I'm not very religious. But Alpha was an unexpected surprise!” offers Gabe Lamberty. “The program is interesting and entertaining. And it's nice to meet new folks from the community. Overall an unforgettable experience.”

“I'm looking forward to the Alpha experience,” says Lou Zappo. “It sounds like a lot of fun, and who knows, I might learn something about myself.”

Registration is required, please go to our website at ihmparish.net/alpha or call 908-889-2100. If you have questions about Alpha, please email office@ihmparish.net.

LINDEN SEEKS RECREATION PROGRAM PROPOSALS

The City of Linden Department of Parks and Recreation is requesting proposals from the community of Linden and the surrounding areas to provide classroom-based services and programming to our community at one or more of our community centers.

The City of Linden Department of Parks and Recreation continues to provide various seasonal and non-seasonal sports and non-sport-related programs. We are interested in traditional, non-traditional, diverse programming activities to offer to our toddlers, youth, teens, adults and seniors population.

The City of Linden Department of Parks and Recreation does not always have the wherewithal or staffing to present the widened interest of the community as it pertains to many activities. Currently, there are many independent professionals and entities (Independent Service or Sports Group) that provide these desired services. The City of Linden Department of Parks and Recreation seeks to work with individuals and organizations on a standard agreed term outlined in a complete proposal, inclusive of program objective, goals, outline, cost, and space required.

The John T Gregorio Center and the Linden Multi-Purpose Center have available and full

access to the gymnasium, classrooms, arts and crafts room, ceramic shop, wood shop, commercial kitchens, dance studio, and more.

Some examples of service or sport would be but are not limited to Dance Classes (Tap, Step, Latin, Hip Hop), Financial Literacy, Gaming, Cooking, Wood Crafts, Art & Crafts, Ceramic Making, Chess, Computer Basics, Tai Chi, Gymnastics, Workout Training, Martial Arts, and the likes.

The independent service or sports group can be a for-profit or a nonprofit organization or an individual made up of experienced professionals within their area of services offered. The City will seek their services when it is identified they can offer a service we do not currently offer and their fees are not cost-prohibitive for our residents to participate. The anticipated success and program model of the organization can be duplicated to assist and serve the community on more than one occasion.

Please email all proposals to lindenrec@linden-nj.gov. In the subject line please state your activity followed by the word “Proposal”. We are looking to curate an updated menu of offerings to the residents of Linden.

All vendors will be required to provide a Certificate of Insurance indemnifying The City of Linden as an additional insured.

ANDREW F. BEACH

December 29, 1959 - December 29, 2022

Andrew Fisher Beach of Clark, New Jersey, died on his 63rd birthday, December 29th, 2022, after a difficult and courageous battle with cancer.

Relatives and friends attended a Memorial Gathering at Walter Johnson Funeral Home on Wednesday, January 4. A Memorial Mass

was offered at the Church of St. Joseph the Carpenter, Roselle. To offer condolences please visit walterjohnsonfh.com.

He was the beloved husband of Mary and loving father to Andrew and April. He was the son of Edward and Delores Beach, growing up in Union, New Jersey, before moving to Clark. He was preceded in death by his older brother Edward ("Butch"). He is survived by his sister Dr. Diane Beach Rice (Peter) of Florida and his "brothers" Frank (Cari, deceased) and Jim (Doreen) Cerasa. He is also survived by nephews Greg Beach (Cheryl), Tyler and Kyle Cerasa; nieces Jordan and Alexandra Rice and Jessica Beach; and grandson Andrew.

Andy enjoyed a long career at Infineum, retiring in 2022 for medical reasons. He was also a member of the Clark Volunteer Fire Department for 23 years. He was recognized as Fireman of the Year three times consecutively, in 1991, 1992, and 1993. In 2001, he volunteered his time in the cleanup of the aftermath of 9/11. He served twice as Fire Chief, first from 2002 to 2003 and again from 2010 to 2011. In 2007, he received the prestigious Saint Barnabas Burn Foundation Valor Award, for his act of bravery in saving a woman from a burning dwelling.

Andy was a devoted family man. He and Mary were best friends, recently celebrating their 25 years of marriage. They created beautiful memories together, and enjoyed time spent with family and friends. He was a wonderful father, who provided unconditional love, wisdom and guidance to his children. He was proud of them and cherished memories of the times they shared.

Andy will be remembered best, by all who knew him well, as a kind and compassionate man, always willing to lend a helping hand. He faced each day with courage and strength, never complaining, even as he faced a terrible disease. His humor and grace under fire are to be greatly admired and will be missed by those who loved him. Andy believed that life isn't about waiting for the storm to pass but rather learning to dance in the rain.

Mary would like to thank all of the family and friends who provided invaluable strength and support throughout his illness. Andy definitely felt your love.

GARDEN HONORS BELOVED LONG-TERM PATIENT

Robert Wood Johnson University Hospital Rahway now has a garden honoring Everett Duchin of Colonia, a beloved hospital patient.

"When we first discussed it, it was going to be a bench and tree," joked Everett's brother Eric of South Plainfield. Everett's immediate family, together with friends and extended family, started a GoFundMe page to raise money. The Everett Howard Duchin Memorial Garden now includes several ornamental trees, flowering plants, and benches circling the hospital's familiar gazebo.

"We thank the Duchin Family and their many friends for providing a beautiful place for family, friends and staff," said Hospital President Kirk Tice.

Everett Duchin was 41 when he passed away at home in 2021. An infection during infancy had left him severely brain damaged requiring 24/7 care. As an adult, he sometimes needed a ventilator to help him breathe.

His family was devoted to his care. He was often hospitalized for weeks and months at a

time.

"My mom spent many a night in a chair by his bedside at the hospital," Eric recalled. "He was hospitalized so often, we said he should have a wing."

Everett, called Evi, was beloved by hospital staff, who would comb his hair, play with him or just come in to visit, recalled Everett's mother, Arleen Duchin. "He had a great smile," recalled Nurse Theresa Dobbin. "And he really loved Teddy Ruxpin," an animatronic toy bear that talked.

In a touching ceremony in front of the hospital's signature gazebo, Arleen Duchin thanked the hospital staff, hospital administration and Hospital President Kirk Tice, her family and all the family's many friends for contributing to the garden.

"This gift from the Duchin family created a beautiful space for people to take a moment in their day," said Vice President of Development Heather Hays.

2022 FALL ATHLETIC AWARDS

Clark Public Schools

The Arthur L. Johnson Athletic Department recently held their 2022 Fall Athletic Awards. All the Fall Athletic Teams and their seasons were highlighted by their coaches while all athletes received letters and awards. Over 197 varsity athletic letters were awarded throughout the evening, as participation in athletics at Arthur L. Johnson High School continues to prosper.

The program culminated with the Student Athlete Award, which was presented by the Athletic Director of Arthur L. Johnson High School, Mr. Gus Kalikas. The Student Athlete Award is given out each athletic season to a student athlete that is not only a champion on the field but in the classroom as well. The 2022 Fall Student Athlete award recipient was Grace Warnick, with a 4.62 G.P.A.

In addition, the Crusader G.P.A. Challenge was awarded to the team that finished with the highest overall G.P.A. amongst athletic teams for the fall season. The recipients were presented with certificates and will have their team memorialized on a plaque to celebrate their actions both in the classrooms and on the fields. The winner of the 2022 Fall Seasonal G.P.A. Challenge was the Field Hockey Team with a G.P.A. of 4.14. Members of the Field Hockey Team include Peyton Collings, Tatum Dobbins, Angela Aromando, Julia Skultety, Maria Dante, Jenna Grandal, Julia Ranski, Jenna Reider, Georgia Sebok, Grace Warnick, Zoey Brown, Ava Wood, Veronica Parzych, Leah Scepkowski, Lacey Vill, and Lily Ficarra.

The Best Teammate Award will be given out seasonally to one member from each athletic team that best fits the characteristics of a good teammate. The individuals that receive these awards exhibit upbeat attitudes and outstanding character. They helped influence the team's culture in a positive manner, while always supporting teammates and promoting team unity. The Best Teammate Award Winners were: Cross Country – Andrew Trescott, Field Hockey – Zoey Brown, Football – Matthew Froden, Boys' Soccer – Antonio Rafoa, Girls' Soccer – Bella Decker, Girls' Tennis – Alison Burkhard, Volleyball – Rebecca Fogle, and Cheerleading – Rylie Weber.

The evening culminated with the announcement of the Team Most Valuable Players. The MVPs were: Cross Country – Kyle Gunsiorowski, Field Hockey – Grace Warnick, Football – Steven McCaffery, Boys' Soccer – Carson Pires, Girls' Soccer – Alexandra Zotos, Girls' Tennis – Nicole Lenkiewicz, Volleyball – Sophia DiProfio, and Cheerleading – Angelina Jacobs.

Athletic Director Gus Kalikas had this to say about the event: "Once again, our Fall Athletic Awards Program was a success as it allows the District, Administration, and Coaches the opportunity to acknowledge a wonderful Fall Sports Season as well as recognize both student athletes and their parents alike for all that they have accomplished this past fall athletic season."
